Anishinaabeg of Naongashiing First Nation Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements of Anishinaabeg of Naongashiing First Nation are the responsibility of management and have been approved by the Chief and Council of Anishinaabeg of Naongashiing First Nation.

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Principles. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Anishinaabeg of Naongashiing First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the First Nation's consolidated financial statements and meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP have full and free access to the Council.

Independent Auditor's Report

To Chief and Council of Anishinaabeg of Naongashiing First Nation

Opinion

We have audited the consolidated financial statements of Anishinaabeg of Naongashiing First Nation and its enterprises (the Group), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statement of operations, the consolidated statement of changes in accumulated surplus, the consolidated statement of changes in net debt and the consolidated statement of cash flows for the year then ended, and notes to consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at March 31, 2020, and its consolidated results of operations, its consolidated changes in net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Anishinaabeg of Naongashiing First Nation Summary of Significant Accounting Policies

March 31, 2020

Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards, and include all Organizations, operations and activities that are:

- 1) accountable for the administration of their financial affairs and resources directly to the First Nation; and
- 2) owned or controlled by the First Nation.

This includes all aspects of Band operations including provision of social, educational, administration and operational services.

Government Transfers

Government transfers, which include legislative grants, are recognized as revenue in the consolidated financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. When transfer stipulations give rise to a liability, government transfers are recognized as deferred revenue and recognized as revenue when the stipulations are settled.

Basis of Consolidation

The consolidated financial statements reflect the assets, liabilities, revenue and expenses of all government Organizations which are owned or controlled by the First Nation. All interfund assets, liabilities, revenues and expenditures have been eliminated on consolidation.

The following government Organization owned or controlled by the First Nation has been consolidated:

Kenis Development Corporation

Anishinaabeg of Naongashiing First Nation Summary of Significant Accounting Policies

March 31, 2020

Cash and Cash Equivalents

Management considers all highly liquid investments with maturities of three months or less at acquisition to be cash equivalents.

Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Contributed tangible capital assets are recorded at fair value at the time of contribution, with a corresponding amount recorded as revenue. The First Nation does not capitalize interest charges as part of the cost of its tangible capital assets.

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts, are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the First Nation, forests, water, and other natural resources are not recognized as tangible capital assets.

Amortization

Amortization is calculated on the cost tangible capital assets on a straight-line basis over the following number of years:

Buildings	25 years
Roads, sewer and water	10 - 50 years
Vehicles and equipment	5 years
Computers	3 - 5 years

Long-term Loans Receivable

Loans are carried at the unpaid principal less allowances for doubtful loans.

Allowance for Doubtful Loans

The First Nation maintains specific allowances for doubtful loans that reduce the carrying value of loans identified as impaired to their estimated realizable amounts.

Anishinaabeg of Naongashiing First Nation Summary of Significant Accounting Policies

March 31, 2020

Portfolio Investments

Other portfolio investments (where control does not exist) are accounted for following the cost method of accounting. Under this method, the investment is recorded at cost and earnings from the investment are recognized only to the extent received or receivable.

Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or service performed.

Rentals and other fees are recognized in the month that the related unit is rented or the fee for service is provided. An allowance is recorded based on the historical level of collection.

Use of Estimates

The preparation of consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Programs funded by government agencies may be subject to recovery by the contributing agencies in accordance with funding arrangements and could result in adjustments to estimated accruals/payables.

The estimates used in the preparation of these consolidated financial statements are the useful lives of property, plant and equipment and accrued liabilities.

Anishinaabeg of Naongashiing First Nation

Notes to Consolidated Financial Statements

March 31, 2020

1. Cash and Cash Equivalents

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Anishinaabeg of Naongashiing First Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by Canada Deposit Insurance Corporation or as otherwise approved by Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Capital Improvement Fund. Cash and cash equivalents is comprised of the following:

	2020	2019
Internally restricted		
Reserves	\$ 29,233	\$ 29,501
Unrestricted		
Operating	1,982,877	1,284,053
Keniis Development Corporation	(825)	(92,155)
	<u>1,982,052</u>	<u>1,191,898</u>
Total cash and cash equivalents	<u>\$ 2,011,285</u>	<u>\$ 1,221,399</u>

2. Accounts and Loans Receivable

	2020	2019
Accounts receivable	\$ 1,325,706	\$ 1,270,556
Advances to Band members	111,452	201,426
	<u>1,437,158</u>	<u>1,471,982</u>
Allowance for doubtful accounts	(602,612)	(583,597)
	<u>\$ 834,546</u>	<u>\$ 888,385</u>

3. Portfolio Investments

	2020	2019
Miitigoog Limited Partnership	\$ 10,333	\$ 10,333
Marketable securities	293,366	287,306
	<u>\$ 303,699</u>	<u>\$ 297,639</u>

Portfolio investments are valued at cost. The fair market value of the marketable securities at March 31, 2020, was \$275,664 (2019 - \$303,641). The securities are traded on an exchange.

Notes to Consolidated Financial Statements

March 31, 2020

14. Segmented Information

Anishinaabeg of Naongashiing First Nation is a First Nation government that provides a wide range of services to the members of its community. For management reporting purposes the First Nation's operations and activities are organized and reported by Program. Programs were created for the purpose of recording specific activities in accordance with specific regulations, restrictions or limitations. These activities can also be categorized into segments. The following significant segments have been identified and as such are separately disclosed:

Education

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Operations and Maintenance

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection, electrical and community buildings.

Welfare

This segment contains activities that provides financial support or support by other means to Band Members that is aimed at developing both the individual as well as the community.

Band Support

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

Capital

This department is responsible for all capital asset activities occurring on the First Nation during the year, including housing construction and renovations.

Other Services

The First Nation provides a wide array of other services, including youth employment projects, economic development, housing activities and others.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers and have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.

Anishinaabeg of Naongashiing First Nation Notes to Consolidated Financial Statements

March 31, 2020

15. Subsequent Events

Subsequent to year end, the impact of COVID-19 in Canada and on the global economy increased significantly. As the impact of COVID-19 continues, there could be further impact on the First Nation and its funders. Management is actively monitoring the effects of the global pandemic on its financial condition, liquidity, operations, suppliers, industry and workforce. Management does not anticipate any declines in revenue as their primary source of funding is Indigenous Services Canada. Funding from these federal and provincial levels of government are expected to continue as normally scheduled. However, given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the First Nation is not able to fully estimate the effects of COVID-19 on its future results of operations, financial condition or liquidity at this time.

16. Budgeted Information

Section 1201, Financial Statement Presentation, of the CPA Canada Public Sector Accounting Board Handbook requires the disclosure of budgeted information. The First Nation has not prepared or approved consolidated budgets. As a result, the First Nation was unable to present budgeted information on the consolidated financial statements for the year ended March 31, 2020.
