## Lac La Croix First Nation Management's Responsibility for the Consolidated Financial Statements

---

The accompanying consolidated financial statements of Lac La Croix First Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council of Lac La Croix First Nation.

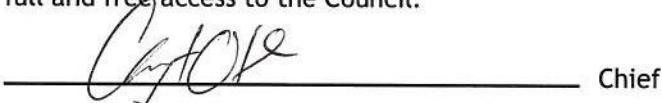

The consolidated financial statements have been prepared by management in accordance with Public Sector Accounting Principles. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Lac La Croix First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the First Nation's consolidated financial statements and meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP have full and free access to the Council.

## Independent Auditor's Report

---

**To the Chief and Council of  
Lac La Croix First Nation**

We have audited the accompanying consolidated financial statements of Lac La Croix First Nation, as at March 31, 2017, which are comprised of the Consolidated Statement of Financial Position as at March 31, 2017, and the Consolidated Statement of Operations, the Consolidated Statement of Changes in Accumulated Surplus, the Consolidated Statement of Changes in Net Financial Assets (Debt) and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of the material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our disclaimer of audit opinion.

**Basis for Disclaimer of Opinion**

The First Nation was not able to provide satisfactory audit evidence with respect to the completeness or existence of expenses, payroll and other revenue due to lack of supporting documentation. Accordingly, we were unable to confirm or verify by alternative means that all expenses, payroll and other revenue of the First Nation have been properly recorded, nor whether the classification of expenses, payroll and other revenue is appropriate. As a result we were unable to determine whether any adjustments might be necessary to expenses, accounts payable, payroll, other revenue and accumulated surplus.

### **Disclaimer of Opinion**

Due to the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the consolidated financial statements.

### **Other Matters**

Lac La Croix First Nation has also prepared another set of financial statements for the year ended March 31, 2017, in accordance with Canadian Public Sector Accounting Standards. However, those financial statements include unaudited supplementary schedules which present detailed program revenues and expenditures prepared to assist management of Lac La Croix First Nation to meet the reporting requirements of various funding agencies. Our audit report on the other set of financial statements was issued to Chief and Council of Lac La Croix First Nation and was dated February 22, 2018.

## Lac La Croix First Nation Summary of Significant Accounting Policies

**March 31, 2017**

---

### **Basis of Accounting**

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the Canadian Institute of Chartered Accountants Public Sector Accounting and Auditing Handbook, and include all Organizations, operations and activities that are:

- 1) accountable for the administration of their financial affairs and resources directly to the First Nation; and
- 2) owned or controlled by the First Nation.

This includes all aspects of band operations including provision of social, educational, administration and operational services, as well as, the results of First Nation enterprises on a modified equity method as disclosed in Note 5 to these consolidated financial statements.

Other long-term investments are reflected at cost as disclosed in Note 4.

Government business enterprises are separate legal entities which do not rely on the government for funding. The First Nation's government business enterprises consist of investments in Ten Clans Development Corporation. These investments are accounted for using the modified equity basis of accounting.

### **Basis of Consolidation**

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of all government organizations which are owned or controlled by the First Nation. All interfund assets, liabilities, revenues and expenditures have been eliminated on consolidation

Organizations consolidated in the First Nation's financial statements include:

Lac La Croix Majiishkaa Community Organization

### **Cash and Cash Equivalents**

Management considers all highly liquid investments with maturities of three months or less at acquisition to be cash equivalents.

<b>Tangible Capital Assets</b>	Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. The First Nation does not capitalize interest charges as part of the cost of its tangible capital assets.										
	Certain assets which have historical or cultural value including works of art, historical documents, as well as, historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the First Nation, forests, water and other natural resources are not recognized as tangible capital assets.										
<b>Amortization</b>	Amortization is calculated on the cost, net of contributions on a straight-line basis over the following number of years:										
	<table><tbody><tr><td>Buildings</td><td>20 years</td></tr><tr><td>Equipment</td><td>5 years</td></tr><tr><td>Vehicles</td><td>3 years</td></tr><tr><td>Computers</td><td>3 years</td></tr><tr><td>Infrastructure</td><td>10 - 50 years</td></tr></tbody></table>	Buildings	20 years	Equipment	5 years	Vehicles	3 years	Computers	3 years	Infrastructure	10 - 50 years
Buildings	20 years										
Equipment	5 years										
Vehicles	3 years										
Computers	3 years										
Infrastructure	10 - 50 years										
<b>Program Surplus</b>	Programs funded by government agencies may be subject to recovery by the contributing agencies in accordance with funding arrangements and could result in adjustments to prior year funding.										
<b>Long-term Loans Receivable</b>	Loans are carried at the unpaid principal less allowances for doubtful loans.										
<b>Allowance for Doubtful Loans</b>	The First Nation maintains specific allowances for doubtful loans that reduces the carrying value of loans identified as impaired to their estimated realizable amounts.										
<b>Investments</b>	The modified equity method of accounting is used to account for investments in the First Nation's business enterprises which the First Nation owns and controls. Under this method, the investment is initially recorded at cost and the carrying value is adjusted annually thereafter to include the First Nation's pro rata share of post acquisition earnings.										
	Other investments (where control does not exist) are accounted for following the cost method of accounting. Under this method, the investment is recorded at cost and earnings from the investment are recognized only to the extent received or receivable.

<b>Replacement Reserves</b>	The replacement reserve accounts are funded by an annual allocation based on amounts specified in agreements with CMHC.
<b>Government Transfers</b>	Government transfers, which include legislative grants, are recognized as revenue in the consolidated financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. When transfer stipulations give rise to a liability, government transfers are recognized as referred revenue and recognized as revenue when the stipulations are settled.
<b>Revenue Recognition</b>	Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.
	Government transfers, which include legislative grants, are recognized as revenues in the consolidated financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the consolidated statement of operations as the stipulated liabilities are settled.
	Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.
	Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or service performed.
<b>Financial Instruments</b>	The First Nation's financial instruments consist of accounts and loans receivable, portfolio investments, bank indebtedness, accounts payable and accrued liabilities and long-term debt. Unless otherwise noted, it is management's opinion that the First Nation is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values unless otherwise noted.

<b>Trust Funds</b>	Trust funds are held in trust by Indigenous and Northern Affairs Canada (INAC). Revenue on trust funds is recognized in accordance with terms of the related instrument.
<b>Measurement Uncertainty</b>	Estimates are used to accrue revenues and expenses in circumstances where the actual accrued revenues are unknown at the time the consolidated financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the consolidated financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.
<b>Use of Estimates</b>	<p>The preparation of consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.</p> <p>The estimates used in the preparation of these consolidated financial statements are the useful lives of tangible capital assets and accrued liabilities.</p>

## Lac La Croix First Nation Notes to Consolidated Financial Statements

**March 31, 2017**

---

### **12. Commitments and Contingencies**

The First Nation is involved in several claims and counter claims, over disputed payable balances. The consolidated financial statements include provisions for these payables based on Management's assessment of the claims.

---

### **13. Economic Dependence**

Lac La Croix First Nation receives a major portion of its revenue pursuant to a funding arrangement with Indigenous and Northern Affairs Canada.

---

### **14. Federal Assistance Payments**

The CMHC projects have received federal assistance through CMHC pursuant to Section 56.1 of the National Housing Act to enable the project to provide housing to low income individuals. The amount of assistance received in 2017 was \$96,104 (2016 - \$85,890).

---

### **15. Expenditure by Object**

	<b>2017</b>	<b>2016</b>
Salaries, wages and employee benefits	\$ 3,389,378	\$ 3,234,710

### **17. Segmented Information**

Lac La Croix First Nation is a First Nation government that provides a wide range of services to the members of its community. For management reporting purposes the First Nation's operations and activities are organized and reported by Program. Programs were created for the purpose of recording specific activities in accordance with specific regulations, restrictions or limitations. These activities can also be categorized into segments. The following significant segments have been identified and as such are separately disclosed:

#### **Education**

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

#### **Operations and Maintenance**

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection and community buildings.

#### **Social Services**

This segment contains activities that provide financial support or support by other means to Band members that is aimed at developing both the individual as well as the community.

#### **Band Support**

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

#### **Capital**

This department is responsible for all capital asset activities occurring in the First Nation during the year, including housing construction and renovations.

### **17. Segmented Information (continued)**

#### **Other Services**

The First Nation provides a wide array of other services, including youth employment projects, economic development, housing activities and others.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers and have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.
