Naicatchewenin First Nation Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Naicatchewenin First Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council of Naicatchewenin First Nation.

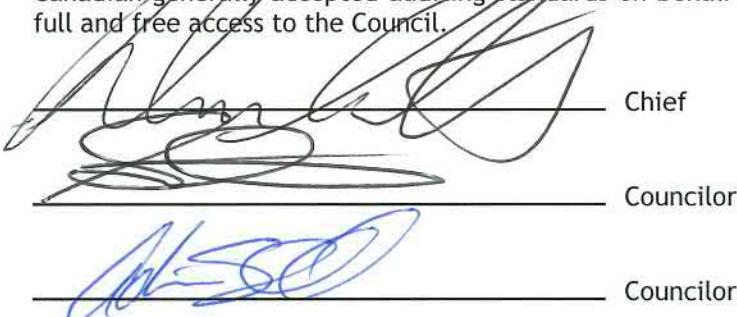

The consolidated financial statements have been prepared by management in accordance with Public Sector Accounting Principles. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

Naicatchewenin First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the First Nation's consolidated financial statements and meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditor's report.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP has full and free access to the Council.

Handwritten signatures of the Chief and two Councilors are shown above their respective titles. The Chief's signature is in black ink, and the two Councilor's signatures are in blue ink.

Councilor

Independent Auditor's Report

**To Chief and Council of
Naicatchewenin First Nation**

Qualified Opinion

We have audited the consolidated financial statements of Naicatchewenin First Nation and its subsidiaries (the Group), which comprise the Consolidated Statement of Financial Position as at March 31, 2021, and the Consolidated Statement of Operations, the Consolidated Statement of Changes in Accumulated Surplus, the Consolidated Statement of Changes in Net Financial Assets and the Consolidated Statement of Cash Flows for the year then ended, and Notes to Consolidated Financial Statements, including a Summary of Significant Accounting Policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at March 31, 2021, and its consolidated results of operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

The consolidated financial statements include an investment in NDC LP, a government business enterprise, as described in Note 4 to the consolidated financial statements. Canadian public sector accounting standards require government business enterprises to follow International Financial Reporting Standards which require certain equity investments held by NDC LP to be recorded at fair value. NDC LP has applied Canadian accounting standards for private enterprises and has recorded its equity investments at cost. We have been unable to obtain fair value measurements for NDC LP's equity investments and accordingly were not able to determine whether any adjustments might be necessary to financial assets and accumulated surplus as at March 31, 2021 and March 31, 2020, and income from investments in government business enterprises and partnerships and annual surplus for the years ended March 31, 2021 and March 31, 2020.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Naicatchewenin First Nation Summary of Significant Accounting Policies

March 31, 2021

Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government Entities, as defined in the Chartered Professional Accountants of Canada Public Sector Accounting Handbook, and include all Organizations, operations and activities that are:

- 1) accountable for the administration of their financial affairs and resources directly to the First Nation; and
- 2) owned or controlled by the First Nation.

This includes all aspects of Band operations including provision of social, educational, administration and operational services, as well as the results of First Nation enterprises on a modified equity method as disclosed in Note 4 to these consolidated financial statements.

Government business enterprises are separate legal Entities which do not rely on the government for funding. The First Nation's government business enterprises consist of investments in NDC LP, Myguard Security Group LP, Onikaajigan Construction, LP, Anokiigamig Construction LP, Ozaanaman Engineering, LP, and Kish Gon Dug (Canada) Inc. These investments are accounted for using the modified equity basis of accounting.

Other long-term investments are reflected at cost as disclosed in Note 3.

The First Nation owns 100% of the common shares of Naicatchewenin Development Corporation. This Corporation is classified as an other government Organization and has been fully consolidated.

Cash and Cash Equivalents

Management considers all highly liquid investments with maturities of three months or less at acquisition to be cash equivalents.

Naicatchewenin First Nation Summary of Significant Accounting Policies

March 31, 2021

Tangible Capital Assets	Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. The First Nation does not capitalize interest charges as part of the cost of its tangible capital assets.										
	Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the First Nation, forests, water, and other natural resources are not recognized as tangible capital assets.										
Amortization	Amortization is calculated on the cost, net of contributions on a straight-line basis over the following number of years:										
	<table style="width: 100%;"><tbody><tr><td style="width: 60%;">Buildings</td><td style="width: 40%;">25 years</td></tr><tr><td>Equipment</td><td>5 years</td></tr><tr><td>Vehicles</td><td>5 years</td></tr><tr><td>Computers</td><td>5 years</td></tr><tr><td>Infrastructure</td><td>10 - 50 years</td></tr></tbody></table>	Buildings	25 years	Equipment	5 years	Vehicles	5 years	Computers	5 years	Infrastructure	10 - 50 years
Buildings	25 years										
Equipment	5 years										
Vehicles	5 years										
Computers	5 years										
Infrastructure	10 - 50 years										
Program Surplus	Programs funded by government agencies may be subject to recovery by the contributing agencies in accordance with funding arrangements and could result in adjustments to prior year funding.										
Long-term Loans Receivable	Loans are carried at the unpaid principal less allowances for doubtful loans.										
Allowance for Doubtful Loans	The First Nation maintains specific allowances for doubtful loans that reduces the carrying value of loans identified as impaired to their estimated realizable amounts.										
Investments	The modified equity method of accounting is used to account for investments in the First Nation's business enterprises which the First Nation owns and controls. Under this method, the investment is initially recorded at cost and the carrying value is adjusted annually thereafter to include the First Nation's pro rata share of post acquisition earnings. Other investments (where control does not exist) are accounted for following the cost method of accounting. Under this method, the investment is recorded at cost and earnings from the investment are recognized only to the extent received or receivable.										

Naicatchewenin First Nation Summary of Significant Accounting Policies

March 31, 2021

Replacement Reserves	The replacement reserve accounts are funded by an annual allocation based on amounts specified in agreements with Canada Mortgage and Housing Corporation.
Government Transfers	Government transfers, which include legislative grants, are recognized as revenue in the consolidated financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. When transfer stipulations give rise to a liability, government transfers are recognized as deferred revenue and recognized as revenue when the stipulations are settled.
Revenue Recognition	Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.
	Contributions from non-government sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.
	Revenue related to fees or services received in advance of the fee being earned or the service being performed is deferred and recognized when the fee is earned or the service is performed.
Financial Instruments	The First Nation's financial instruments consist of cash and cash equivalents in bank, accounts and loans receivable, investments, accounts payable and accrued liabilities, and long-term debt. Unless otherwise noted, it is management's opinion that the First Nation is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values unless otherwise noted.
Trust Funds	Trust funds are held in trust by Indigenous Services Canada (ISC) and Rainy River District First Nations Trust. Revenue on trust funds is recognized in accordance with the terms of the related instrument.

Naicatchewenin First Nation Summary of Significant Accounting Policies

March 31, 2021

Measurement Uncertainty	Estimates are used to accrue revenues and expenses in circumstances where the actual accrued revenues and expenses are unknown at the time the consolidated financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the consolidated financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.
Use of Estimates	<p>The preparation of consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.</p> <p>The estimates used in the preparation of these consolidated financial statements are the useful lives of tangible capital assets and accrued liabilities.</p>

Naicatchewenin First Nation Notes to Consolidated Financial Statements

March 31, 2021

1. Cash and Cash Equivalents

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Naicatchewenin First Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Capital Improvement Fund. Cash and cash equivalents are comprised of the following:

	2021	2020
Externally restricted		
Replacement reserve	\$ 245,250	\$ 243,255
Funding agreements	<u>9,450,302</u>	<u>9,514,740</u>

Held by Federal Government

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in Trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

Held by Rainy River District First Nations Trust

The trust funds arise from monies derived from a resource sharing agreement. The monies are intended to fund educational and training initiatives within the First Nation community.

Health Services

Health Canada advances the First Nation funding for the National Native Alcohol and Drug Abuse Program, HIV/AIDS education, healthy child development and home community care. This funding must be spent on eligible expenses within these programs.

Medical Transportation

Health Canada advances the First Nation funding for the transportation of patients to receive health care. This funding must be spent on transporting patients.

Wound Care Centre

Health Canada advances the First Nation funding for a wound care needs assessment centre and clinical pathway planning. This funding must be spent on needs assessment and the development of a clinical pathway for a wound care centre.

Naicatchewenin First Nation Notes to Consolidated Financial Statements

March 31, 2021

6. Deferred Revenue (continued)

Water Treatment Plant

Indigenous Services Canada advances the First Nation funding for the construction of a new water treatment plant. This funding must be spent on its construction.

Governance

Indigenous Services Canada advances the First Nation funding for leadership and governance capacity development. This funding must be spent on developing capacity for governance within the First Nation.

On Reserve Housing

Indigenous Services Canada advances the First Nation funding to help provide more and better quality housing. This funding must be spent on eligible housing expenditures.

Youth Employment

Indigenous Services Canada advances the First Nation funding for the employment of First Nation youth and students. This funding must be spent on salaries for eligible youth.

Community Based Prevention Services

Indigenous Services Canada advances the First Nation funding for culturally appropriate prevention and protection services for First Nation children and families. This funding must be spent on programs for prevention services on the First Nation.

Education

Indigenous Services Canada advances the First Nation funding for education programs including special education, student support, instructional support, transportation, guidance and counselling. This funding must be spent on education programs for students.

Jordan's Principle - Mental Health

Health Canada advances the First Nation funding for a mental health clinician. This funding must be used to fund a mental health clinician position for the First Nation.

Water and Sewer

Indigenous Services Canada advances the First Nation funding for improving water and wastewater systems. This funding must be spent on related expenses.

Ontario Works

Indigenous Services Canada advances the First Nation funding for providing social assistance to the community. This funding must be spent on related expenses.

The Journey Together

The Ministry of Education advances the First Nation funding to increase access to culturally relevant early years programs and services for children and families on the First Nation. This funding must be spent on related expenses allowed under the funding agreement.

Naicatchewenin First Nation Notes to Consolidated Financial Statements

March 31, 2021

6. Deferred Revenue (continued)

Weechi-It-Te-Win

Weechi-It-Te-Win Family Services advances the First Nation funding to deliver multiple programs including Community Care, Family Counsellor and Devolution. This funding must be used for eligible costs of delivering these services.

Capital Grants Program

The Ministry of Indigenous Affairs advances the First Nation funding from the Indigenous Community Capital Grants Program for a community learning centre feasibility study. This funding must be used for completion of the feasibility study.

New Relationship Fund

NRF advances the First Nation funding to promote land and resource opportunities. This funding must be used for delivering this program.

Family Well Being

Weechi-It-Te-Win Family Services advances the First Nation flow through funding from the Ministry of Children and Youth Services to support the community in reducing violence in families, reducing the need to bring children and youth into the child welfare and youth justice systems, and improving the overall health and well-being of the community. This funding must be used to achieve these outcomes.

MHLTC Community Services

The Ministry of Health and Long-Term Care advances the First Nation funding to provide community support services, homemaking services, personal support services and professional services to members of the community. This funding must be used to provide these services.

Day Care

Shooniyyaa Wa-Biitong advances the First Nation funding for child care initiatives. This funding must be used to provide child care in the community.

Fort Frances Tribal Area Health Services

Fort Frances Tribal Area Health Services advances the First Nation funding for a community wellness worker, gender-based violence strategy, children's oral health initiative aides and healthy babies programs. This funding must be used for eligible costs under these programs.

OFNLP

Ontario First Nations Limited Partnership advances the First Nation funding in relation to community development, health, education, economic development and cultural development. This funding must be spent on expenditures that fall into these categories.

Custom Care

Grand Council Treaty #3 advances the First Nation funding for Abinojii Inakonigewin customary care code development. This funding must be spent on expenditures that fall into this program.

Naicatchewenin First Nation Notes to Consolidated Financial Statements

March 31, 2021

12. Pension Plan

The First Nation has a defined contribution pension plan for full-time employees. The First Nation matches employee contributions at 3% of the employee salary. As a defined contribution pension plan, the First Nation has no further liability or obligation for future contributions to fund future benefits to plan members.

13. Comparative Figures

The prior year's figures have been restated to conform to current year's financial statement presentation and new ISC requirements.

14. Indigenous Services Canada Funding Reconciliation

	2021	2020
ISC revenue per funding confirmation	\$ 10,939,455	\$ 10,979,758
Deferred revenue, beginning of year	8,019,611	377,945
Deferred revenue, end of year	(6,167,216)	(8,019,611)
Recovery of prior years' funding	(1,510)	(29,382)
Funding for prior year deficit	-	66,825
Estimated funding for current year deficit	-	39,764
 ISC revenue per the consolidated financial statements	 <u>\$ 12,790,340</u>	 <u>\$ 3,415,299</u>

	2021	2020
HC revenue per funding confirmation	\$ 1,952,440	\$ 1,252,108
Deferred revenue, beginning of year	380,348	118,600
Deferred revenue, end of year	(1,275,423)	(380,348)
 HC revenue per the consolidated financial statements	 <u>\$ 1,057,365</u>	 <u>\$ 990,360</u>

15. Federal Assistance Payments

The CMHC projects have received federal assistance through CMHC pursuant to Section 56.1 of the National Housing Act to enable the project to provide housing to low income individuals. The amount of assistance received in 2021 was \$207,782 (2020 - \$234,933).

Naicatchewenin First Nation Notes to Consolidated Financial Statements

March 31, 2021

16. Expenditure by Object

	2021	2020
Salaries, wages and employee benefits	\$ 2,238,309	\$ 2,728,533
Materials and supplies	3,384,386	3,232,047
Contracted services	1,585,278	1,716,821
Rents and financial expenses	297,879	249,659
Travel	24,669	265,323
Amortization	<u>864,956</u>	<u>900,596</u>
	<u>\$ 8,395,477</u>	<u>\$ 9,092,979</u>

17. Budget Information

The budget was prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budget figures anticipated recovering deficits. In addition, the budget did not include amortization expense. As a result, the budget figures presented in the consolidated statement of operations represent the Financial Plan adopted by Chief and Council, with adjustments as follows:

	2021
Financial Plan (budget) surplus for the year	\$ 2,405,430
Add:	
Capital expenditures	618,378
Transfers	416,425
Less:	
Amortization	<u>(900,596)</u>
Budget surplus per consolidated statement of operations	<u>\$ 2,539,637</u>

18. Uncertainty Due to COVID-19

As the impact of COVID-19 continues, there could be further impact on the First Nation and its funders. Management and Chief and Council are actively monitoring the effects of the global pandemic on the First Nation's financial condition, liquidity, investments, operations, suppliers, industry and workforce. Management does not anticipate any declines in revenue as their primary source of funding is Indigenous Services Canada. Funding from the federal and provincial levels of government is expected to continue as normally scheduled. However, given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the First Nation is not able to fully estimate the effects of COVID-19 on its future results of operations, financial condition and liquidity at this time.

19. Segmented Information

Naicatchewenin First Nation is a First Nation government that provides a wide range of services to the members of its community. For management reporting purposes the First Nation's operations and activities are organized and reported by Program. Programs were created for the purpose of recording specific activities in accordance with specific regulations, restrictions or limitations. These activities can also be categorized into segments. The following significant segments have been identified and as such are separately disclosed:

Medical and Other Health Services

The community wellness department provides a diverse bundle of services directed towards the well-being of members including such activities as long-term care, medical transportation, pre-natal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

Band Support

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

Operations and Maintenance

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection and community buildings.

Education

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area School Boards, as well as native language study. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Welfare

The welfare department oversees the administration of the Ontario Works program of the Ministry of Children, Community and Social Services, which provides financial and employment assistance to community members in financial need.

Capital

The capital department is responsible for all capital asset activities occurring on the First Nation during the year, including housing construction and renovations.

March 31, 2021

19. Segmented Information (continued)

Other Services

The First Nation provides a wide array of other services, including youth employment projects, economic development, housing activities and others. This segment includes \$2,178,010 (2020 - \$1,134,377) of income from government business enterprises and government business partnerships accounted for under the modified equity method.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers and have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.
