MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements of the **Wahta Mohawks** are the responsibility of management and have been approved by Chief and Council.

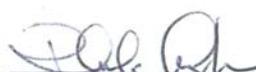

The financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Wahta Mohawks maintains a system of internal accounting and administrative controls. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the assets are appropriately accounted for and adequately safeguarded.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and are ultimately responsible for reviewing and approving the financial statements.

The Chief and Council review the Wahta Mohawks' financial statements and recommend their approval. The Chief and Council meet periodically to discuss and to review the annual report, the financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the Wahta Mohawks.

INDEPENDENT AUDITORS' REPORT

To the Members of the Wahta Mohawks

We have audited the accompanying financial statements of the **Wahta Mohawks** which comprise the statement of financial position as at March 31, 2015, the statements of financial activities, changes in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Wahta Mohawks as at March 31, 2015 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

WAHTA MOHAWKS

Notes to Financial Statements

Year ended March 31, 2015

The Wahta Mohawks (the “First Nation”), administers funds and performs services as contracted with various funding agencies for the benefit of its members.

1. Basis of presentation and significant accounting policies:

The financial statements of the First Nation are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (“PSAB”) of the Canadian Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these financial statements:

(a) Reporting entity:

The reporting entity includes activities of all committees and related entities of the First Nation under the control of the Chief and Council.

(b) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements which relate to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the statement of financial position.

(c) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Useful Life - Years
Land Improvements	25 years
Buildings and improvements	25 - 40 years
Infrastructure	20 - 40 years
Machinery and equipment	10 - 15 years
Furniture, computers and fixtures	7 - 15 years

Annual amortization is charged in the year of acquisition and in the year of disposal.

WAHTA MOHAWKS

Notes to Financial Statements

Year ended March 31, 2015

1. Basis of presentation and significant accounting policies (continued):

(d) Use of estimates:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and valuation allowances for receivables. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the First Nation's implementation of the Public Sector Accounting Handbook PS3150 has required management to make estimates of historical cost and useful lives of tangible capital assets.

Actual results could differ from these estimates.

(e) Consolidated revenue funds:

Consolidated revenue funds are comprised of funds held in Ottawa Trust accounts and arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

(f) Prior year funding adjustments:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments, with audit adjustments repayable to the governments. Adjustments are recorded in the year during which the adjustments are made.

Notes to Financial Statements

Year ended March 31, 2015

6. Accumulated surplus:

The allocation of the accumulated surplus between the various funds is as follows:

	2015	2014
Surplus:		
Invested in tangible capital assets	\$ 5,567,380	5,651,320
Other	19,410,964	19,300,392
Business Enterprises	(2,491,161)	(1,963,745)
Total surplus	22,487,183	22,987,967
Reserves	12,639,012	11,541,204
	\$ 35,126,195	34,529,171

7. Contingent liabilities:

Aboriginal Affairs and Northern Development Canada has guaranteed loans to various members in the amount of \$820,698 (2014 - \$880,233). If any loans are in default and require payment by the Department, the amount paid will be charged back to the First Nation.

8. Segmented information:

The First Nation is a diversified governmental institution that provides a wide range of services to its Members, including band administration, education, health services, infrastructure, economic development, housing, capital and social services. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Band Administration

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

WAHTA MOHAWKS

Notes to Financial Statements

Year ended March 31, 2015

8. Segmented information (continued):

Education

The education department enters into service contracts with provincially funded area school boards for elementary and secondary students. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post secondary institutions.

Health Services

The health services department provides a diverse bundle of services directed towards the well being of the members including the delivery of programs such as diabetes, mental health, healthy babies and many other programs designed to enhance the health of members.

Community Infrastructure

The infrastructure department provides public services that contribute to sustainability through the provision of maintenance and operating services such as roads, water and sanitation, fire protection, electrical and community buildings.

Community and Economic Development

This department is responsible for identifying and developing economic opportunities for the benefit of the First Nation and its Members. The department also secures and delivers employment training and culture funding for the First Nation.

Community Property

This department is responsible for all major renovations to housing stock for the First Nation.

Social Services

The social services department delivers a variety of programs including Ontario works and offers employment support services. In addition, the department manages the homemakers and national child benefit and child welfare prevention programs.

Housing

The housing department manages the operations of the various rental housing stock owned by the First Nation including both CMHC and other housing. This includes tenant identification, rent collection and maintenance management.

WAHTA MOHAWKS

Notes to Financial Statements

Year ended March 31, 2015

8. Segmented information (continued):

Business Operations

The Business Operations division harvests and produces cranberries and related products.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in the summary of significant accounting policies.
