

Consolidated Financial Statements of

**MOOSE DEER POINT
FIRST NATION**

And Independent Auditors' Report thereon

Year ended March 31, 2021

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of the Moose Deer Point First Nation (the "First Nation") are the responsibility of management and have been approved by the First Nation and the undemoted Chief and Council of the First Nation.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the First Nation's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council take this information into consideration when approving the consolidated financial statements for issuance to the Members. Chief and Council also consider the engagement of the external auditors.

The consolidated financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the members.

INDEPENDENT AUDITORS' REPORT

To the Members of Moose Deer Point First Nation

Opinion

We have audited the consolidated financial statements of Moose Deer Point First Nation (the "First Nation"), which comprise:

- the consolidated statement of financial position as at March 31, 2021
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and the notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements")

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB).

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibility under those standards are further described in the **"Auditors' Responsibilities for the Audit of the Financial Statements"** section of our auditors' report.

We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations or has no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient audit evidence regarding the financial information of the entities or business activities within the Group First Nation to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

MOOSE DEER POINT FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2021

Moose Deer Point First Nation (the “First Nation”), located near Mactier, Ontario, administers programs and provides services on behalf of its members.

1. Significant accounting policies:

These consolidated financial statements of the First Nation are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these consolidated financial statements:

(a) Reporting entity:

- i) The reporting entity is comprised of all committees and related entities under the control of the First Nation including its sole government business enterprise, Mitawbik Ventures Inc.
- ii) Investment in government business enterprises:

The First Nation accounts for its 100% owned government business enterprise on a modified equity basis, consistent with Canadian generally accepted accounting principles as recommended by PSAB for investments in government business enterprises. Under the modified equity basis, the government business enterprises’ accounting policies are not adjusted to conform with those of the First Nation and inter-organizational transactions and balances are not eliminated. The First Nation recognizes its equity interest in the annual income or loss of the government business enterprises in its consolidated statement of operations and accumulated surplus with corresponding increase or decrease in its investment account.

(b) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue on the consolidated statement of financial position.

(c) Ottawa Trust Fund:

The Ottawa Trust Fund is held in trust by the Government of Canada and is included on the consolidated statement of financial position.

MOOSE DEER POINT FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2021

1. Significant accounting policies (continued):

(d) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. Tangible capital assets have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight-line basis over their estimated useful lives as follows:

Assets	Estimated Life
Land improvements	25 - 50 years
Buildings	20 - 50 years
Infrastructure	40 years
Machinery, vehicles and equipment	10 - 14 years
Furniture, computers and fixtures	4 - 20 years

In the year of acquisition, 50% of the normal amortization is recorded. Assets under construction are not amortized until the asset is available for productive use.

(ii) Inventories:

Inventories are measured at the lower of cost and net realizable value by using weighted average inventory costing methodology. The First Nation uses the same cost formula for all the inventories having a similar nature and use to the First Nation. When circumstances which previously caused inventories to be written down no longer exists, the previous impairment is reversed.

(e) Use of estimates:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenue and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of tangible capital assets and valuation allowances for accounts receivable and inventories. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the statement of operations in the year in which they become known.

MOOSE DEER POINT FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2021

1. Significant accounting policies (continued):

(f) Prior year funding adjustments:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments, with audit adjustments repayable to the government.

Adjustments made under funding arrangements relating to prior years are charged to operations in the year during which the adjustments are made.

2. Cash and short-term investments:

The short-term investments consisting of guaranteed investment certificates earn a rate of return of 0.35% and amount to \$212,007 (2020 - \$211,019) which will mature in July 2021.

3. Accounts receivable:

The details of accounts receivable are as follows:

	2021	2020
Government of Canada	\$ 174,162	\$ 179,171
Province of Ontario	66,736	29,407
First Nation organizations	107,584	213,876
Marina	82,761	77,571
Other	104,825	110,406
Less: allowance for doubtful accounts	(55,997)	(61,693)
	<hr/>	<hr/>
	\$ 480,071	\$ 548,738

4. Investment in business enterprises:

Mitawbik Ventures Limited Partnership

The First Nation has a direct 99% interest in Mitawbik Ventures Limited Partnership ("MVLP") and an indirect 1% interest by virtue of its 100% investment in Mitawbik Ventures Inc. (the general partner for MVLP). MVLP is engaged primarily in leasing of plastics moulding equipment. The First Nation's interest in MVLP results of operations for the year ended March 31, 2021 is included in the First Nation's consolidated statement of operations and accumulated surplus.

MOOSE DEER POINT FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2021

10. Comparative information:

Certain 2020 comparative information have been reclassified to conform with the presentation adopted in 2021.

11. Financial risks and concentration of risks:

Other risks:

In March 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This resulted in the Canadian and Provincial governments enacting emergency measures to combat the spread of the virus. The Agency closed certain facilities based on recommendations from Public Health Ontario. In response to the adverse impact the pandemic has had on certain revenue streams, the Agency has undertaken certain cost cutting measures. The impact of COVID-19 is expected to negatively impact operations for a duration that cannot be reasonably predicted. The further overall operational and financial impact is highly dependent on the duration of COVID-19, including the potential occurrence of additional waves of the pandemic, and could be affected by other factors that are currently not known at this time. Management is actively monitoring the effect of the pandemic on its financial condition, liquidity, operations, suppliers, and workforce. Given the daily evolution of the pandemic and the global responses to curb its spread, the Agency is not able to fully estimate the effects of the pandemic on its results of operations, financial condition, or liquidity at this time.

12. Segmented information:

Moose Deer Point First Nation is a diversified governmental institution that provides a wide range of services to its band members, including band government, health and community services, education, social development, employment and economic development, community infrastructure and childcare. For management reporting purposes the First Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

The accompanying schedules of Financial Activity and Change in Program Balances (the "schedules") detail the programming delivered by the First Nation.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide.

The accounting policies used in these schedules are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.
