## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying financial statements of Wasauksing First Nation are the responsibility of management and have been approved by the Chief and Council of the First Nation.

The financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The First Nation maintains a system of internal accounting and administrative controls. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Chief and Council review the First Nation's financial statements and recommend their approval. The Chief and Council meet to discuss and to review the annual report, the financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the First Nation.

## **INDEPENDENT AUDITORS' REPORT**

To the Council and Members of Wasauksing First Nation

We have audited the accompanying financial statements of Wasauksing First Nation which comprise the statement of financial position as at March 31, 2018, the statements of financial activities, changes in net financial assets and cash flows, and notes, comprising a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

*Opinion*

In our opinion, these financial statements present fairly, in all material respects, the financial position of Wasauksing First Nation as at March 31, 2018 and its results of operations, its changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

---

Wasauksing First Nation, located near Parry Sound, Ontario, administers programs and provides services on behalf of its members.

## 1. Significant accounting policies:

These financial statements of Wasauksing First Nation (the "First Nation") are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these financial statements:

### (a) Reporting entity:

The reporting entity includes all of the committees of Council under the control of the First Nation.

### (b) Basis of accounting:

The First Nation follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

### (c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### (i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land and landfill sites, are amortized on a straight-line basis over their estimated useful lives as follows:

---

|                                 |               |
|---------------------------------|---------------|
| Buildings and land improvements | 20 - 50 years |
| Equipment                       | 5 years       |
| Vehicles                        | 5 - 20 years  |
| Roads                           | 25 years      |
| Water systems                   | 25 years      |
| Housing                         | 25 years      |
| Swing bridge                    | 25 years      |

---

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

## 1. Significant accounting policies (continued):

### (c) Non-financial assets (continued):

- (ii) Works of art and cultural and historic assets are not recorded as assets in these financial statements.

### (d) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements which relate to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the statement of financial position.

### (e) Use of estimates:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant items subject to such estimates and assumptions include the carrying amount of capital assets and valuation allowances for receivables. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

### (f) Consolidated revenue funds:

Funds held in trust are comprised of funds held in Ottawa Trust accounts and arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

### (g) Marketable securities:

Investments in non-controlled entities are recorded at cost. Temporary changes in the market value of the investments are not recorded.

### (h) Prior year funding adjustments:

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments, with audit adjustments repayable to the government.

Adjustments made under funding arrangements relating to prior years are charged to operations in the year during which the adjustments are made.

## 13. Comparative information:

Certain 2018 comparative information have been reclassified where necessary to conform with the presentation adopted in 2017.

## 14. Segmented information:

The First Nation is a diversified governmental institution that provides a wide range of services to its Members, including band support, health services, education, social assistance, capital projects and business operations in addition to also managing specific funds from others. For management reporting purposes the First Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by functional areas and their activities are reported in these funds. Certain functional areas that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

### Band Support

The band support functional area oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of chief and council and management and assistance for the related departments within the First Nation, as well as administration of all land claims on behalf of the First Nation.

## 14. Segmented information (continued):

### **Community Infrastructure**

The community infrastructure functional area provides public services that contribute to sustainability through the provision of maintenance and operating services such as roads, water and sanitation, fire protection, street lighting and community buildings.

### **Economic Development**

The economic development functional area develops employment and training opportunities, along with identification of economic development initiatives for the First Nation and its members, including the First Nation's marina operations.

### **Health**

The health services functional area provides a diverse bundle of services directed toward the well-being of the Members including such activities as patient transportation, early childhood development and various other health related activities.

### **Education**

The education functional area administers tuition agreements with various school boards, manages the post-secondary program for its members, provides local transportation for the students and delivers various other educational initiatives.

### **Community Property**

The community property department provides services for the longevity of the First Nation by the acquisition or construction of equipment, roads and buildings. Revenue and expenses included in the community property department are generally of long-term in nature, capitalized in the accounts of the First Nation and amortized over their useful life.

### **Social Services**

The social services functional area delivers a variety of programming including Ontario Works, employment support services, homemakers and national child benefit programs. The department also includes day care operations, library services and native child welfare initiatives.

### **Housing**

The housing functional area manages the operations of the various rental housing owned by the First Nation including both CMHC and other social housing. This includes tenant identification, rent collection and maintenance management.
