MISSISSAUGAS OF SCUGOG ISLAND FIRST NATION

For The Year Ended March 31, 2023

MANAGEMENT REPORT

The accompanying consolidated financial statements of the Mississaugas of Scugog Island First Nation are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving financial statements.

Council reviews and approves the First Nation's financial statements for issuance to the members. Council meets periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the financial statements and the independent auditor's report.

The consolidated financial statements have been audited by Baker Tilly KDN LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. Baker Tilly KDN LLP has full and free access to Council.

INDEPENDENT AUDITOR'S REPORT

To Council and the Members of Mississaugas of Scugog Island First Nation

Opinion

We have audited the consolidated financial statements of Mississaugas of Scugog Island First Nation (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2023, the consolidated statements of operations and accumulated surplus, remeasurement gains and losses, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2023, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the consolidated financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

MISSISSAUGAS OF SCUGOG ISLAND FIRST NATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended March 31, 2023

1. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook. Significant aspects of the accounting policies are as follows:

(a) Reporting Entity

These consolidated financial statements reflect the assets, liabilities, revenues and expenses and accumulated surplus of the reporting entity.

The reporting entity includes the reporting entity government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation. These financial statements include:

- Noozhoo Nokiiyan GP Inc.
- Noozhoo Nokiiyan LP (NNLP)
- MSIFN (Island Road) Holdings Inc.
- 2810351 Ontario Inc.
- 10000225546 Ontario Ltd.

All interdepartmental assets and liabilities and revenues and expenses have been eliminated.

(b) Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, if any, of tangible capital assets is amortized on a straight-line basis, over the expected useful life of the asset, as follows:

| | |
|-----------------------------|-------------|
| Land improvements | 10-20 years |
| Buildings | 25 years |
| Computer equipment | 5 years |
| Other equipment | 5-10 years |
| Vehicles | 5 years |
| Roads and bridges | 20 years |
| Waste water treatment plant | 13-21 years |
| Water treatment plant | 25 years |

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

Assets under construction are not amortized. When assets under construction are put into service they are transferred to the appropriate tangible capital asset classification.

MISSISSAUGAS OF SCUGOG ISLAND FIRST NATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended March 31, 2023

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(c) Recognition of Revenues and Expenses

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the period in which the transactions or events occurred that give rise to the revenue; expenses are recognized in the period the goods or services are acquired and a legal liability is incurred or transfers are due.

Government funding is recognized in the financial statements as revenue in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Reimbursement for program costs is dependent ultimately upon their acceptance by the various agencies that fund the programs.

Revenues from commercial operations and other income are recorded when the services have been performed or the goods have been delivered. Income from investments and other interest income is recognized as earned over time or through changes in the fair value of financial instruments quoted in a public market.

(d) Non-financial Assets

Tangible capital and other non-financial assets are accounted for as assets by the First Nation because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the First Nation unless they are sold.

(e) Deferred Revenue

Deferred revenue represents grants, user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenues in the fiscal year the services are performed.

(f) Use of Estimates

Certain items recognized in the financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the First Nation's best information and judgment. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant. The First Nation's significant estimates include:

- The amounts recorded for amortization and opening costs of tangible capital assets are based on estimates of useful life, residual values and valuation rates;
- The amount recorded as allowance for doubtful accounts receivable is based on management's estimate of future payments on receivable account balances;
- The amounts recorded for asset retirement obligations are based on estimates of costs to remove the asbestos in First Nation owned buildings.

MISSISSAUGAS OF SCUGOG ISLAND FIRST NATION

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended March 31, 2023

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(g) Financial Instruments

The First Nation's financial instruments consist of cash, investments, accounts receivable, mortgages receivable, accounts payable and accrued liabilities, short term debt and long term debt. Unless otherwise noted, it is management's opinion that the carrying value of the financial instruments approximates their fair values and that the First Nation does not have any significant concentration of interest, currency or credit risk.

(h) Inventory

Inventory, which consists of goods available for resale, is recorded at the lower of cost or market, as determined by the first-in, first-out method.

(i) Asset Retirement Obligation

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefits will be given up; and
- A reasonable estimate of the amount can be made.

A liability for the removal of asbestos in several of the buildings owned by the First Nation has been recognized based on estimated future expenses on closure of the site and post-closure care (if necessary).

6. MORTGAGES DUE FROM FIRST NATION MEMBERS

The amount shown as mortgages due from First Nation members of \$2,153,082 (2022 - \$2,309,042) represents the amount of funds due with respect to approved housing loans. The unexpended portion of approved loans is not recorded until an actual expenditure has been incurred. The First Nation members have a legal obligation to repay the full amount of the approved loans. The mortgages bear one time simple interest calculated in advance at 4%. The mortgages have varying maturity dates ranging up to 25 years.

7. FUNDS HELD IN TRUST BY THE FEDERAL GOVERNMENT

The funds held by the Federal Government on behalf of the First Nation of \$11,851 (2022 - \$11,851) are for the use of the First Nation for specific projects. At the request of the First Nation, these funds can be obtained. These amounts arise from funds derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the consolidated revenue fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada.

8. FUNDS HELD IN TRUST

14. ACCUMULATED SURPLUS, continued

The restricted fund balances consists of funds set aside for specific purposes or to meet certain obligations as follows:

- (a) The Housing Capital Reserve Fund - Phases 3, 4 and 5 are treated as externally restricted funds. The fund balance represents amounts that have been restricted in compliance with an agreement with the Canada Mortgage and Housing Corporation.
- (b) The Future Generations Fund is treated as an externally restricted fund by the First Nation. This fund is set aside by the First Nation for the betterment of future generations.
- (c) The Community Betterment Fund is treated as an internally restricted fund by the First Nation. The First Nation sets aside the excess of revenue over expenditure from commercial operations in this fund. This fund covers the prior year operating deficit, if any.
- (d) The Lawn maintenance reserve is an internally restricted reserve to be used for future lawn maintenance expenditures.
- (e) The Islands of the Trent Settlement reserve is treated as an internally restricted fund by the First Nation to be used for future waste water treatment capital expenditures.
- (f) The OFNLP reserve is an internally restricted reserve to be used for future community projects.
- (g) The Williams Treaty First Nation Reconciliation Fund is internally restricted by the First Nation until the implementation phase of the settlement is complete.

15. PENSION AGREEMENTS

The First Nation makes contributions to Manulife Financial on behalf of its staff. The amount of retirement benefit to be received by the employees will be the amount of retirement annuity that could be purchased based on the member's share of the pension plan at the time of the member's withdrawal from the plan.

The amount contributed by the First Nation for the year ended March 31, 2023 for current service and included as an expense on the Statement of Operations and Accumulated Surplus was \$173,346 (2022 - \$169,488).

16. BUDGET FIGURES

The budget, approved by the First Nation, for 2023 is reflected on the Consolidated Statement of Operations and Accumulated Surplus and the Consolidated Statement of Change in Net Financial Assets. The budgets established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual amounts. Budget figures have been reclassified for the purposes of these financial statements to comply with PSAB reporting requirements. Budget figures are not subject to audit.

19. FINANCIAL INSTRUMENTS

The fair value of financial instruments is the amount of consideration that would be agreed upon in an arms' length transaction between knowledgeable, willing parties who are under no compulsion to act.

The fair values of cash, due from government and other government agencies, funds held in trust by Federal Government, accounts receivable and accounts payable and accrued liabilities approximates their carrying amounts due to their short-term maturities.

Financial instruments which are recorded at fair value are to be classified using a three-level hierarchy. Each level reflects the inputs used to measure the fair valued recorded on the financial statements, and are as follows:

- Level 1: Inputs are unadjusted quoted prices of identical instruments in active markets;
- Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3: Inputs for the liabilities that are not based on observable market data (unobservable inputs).

The First Nation's fair value hierarchy is classified as Level 1 for investments that are quoted in an active market. Investments in Sky Canoe Inc and Voyageur Services are recorded at amortized cost. Mortgages due from First Nation members are recorded at the exchange amount, equal to amortized cost. The fair values cannot be reliably determined because there is no active market for these instruments.

20. COMMITMENTS

As at March 31, 2023 the First Nation has committed to the following amounts for capital projects.

| | |

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended March 31, 2023

21. FINANCIAL RISK MANAGEMENT

The First Nation has exposure to the following risks:

(a) Interest rate risk

Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in market interest rates. The First Nation's interest bearing financial instruments are subject to interest rate risk.

(b) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The First Nation has exposure to credit risk as the total of all receivables are significant. Management feels the risk is low as most of the receivables are due from various levels of government, First Nation members or rent receivables. Any receivables that management feels are uncollectible are allowed for.

(c) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issues, or factors affecting all similar financial instruments traded in the market.

(d) Other risk

The First Nation has risk with regards to the valuation of the investments recognized at amortized cost. These investments are not traded in an active market. Management assesses these investments for impairment annually and records any loss in the year the impairment is assessed.

22. CONTINGENT LIABILITIES

The First Nation, in the course of its operations, has been named in several lawsuits the outcome of which is indeterminable at this time. No amounts in connection with these items have been reflected in these financial statements.

23. COMPARATIVE FIGURES

Certain comparative figures were restated, where required, to conform with the current year presentation.

24. SUBSEQUENT EVENTS

Subsequent to year end, Noozhoo Nokiiyan Limited Partnership purchased additional shares in Sky Canoe resulting in a majority stake in the organization. The amount of the additional investment was \$1,940,757.

Subsequent to year end, the Phase 6 debt with CMHC was secured into a mortgage. The terms are locked in for a 5 year term at 4.49% and the building has been pledged as collateral. The total amount of the mortgage is \$930,000.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the Year Ended March 31, 2023

25. CHANGES IN ACCOUNTING POLICIES

The First Nation has implemented the following PSA section which is now effective under the PSA Handbook: 3280 Asset Retirement Obligations.

Section 3280 addresses the reporting of legal obligations associated with the retirement of certain tangible capital assets, such as asbestos removal in retired buildings by public sector entities. The new accounting standard has resulted in a withdrawal of the existing Section PS 3270 – Solid Waste Landfill Closure and Post-Closure Liability. These sections have been applied prospectively. Under the prospective method, the discount rate and assumptions used on initial recognition are those as of the date of adoption of the standard.

On April 1, 2022, the First Nation recognized an asset retirement obligation relating to several buildings owned by the First Nation that contain asbestos. The liability was measured as of the date of adoption of this standard.

In accordance with the provisions of this new standard, the First Nation reflected the following adjustments at April 1, 2022:

- An increase of \$396,388 to the Buildings capital asset account, representing the original estimate of the obligation as of the date of the adoption of the standard.
- An asset retirement obligation in the amount of \$396,388, representing the estimate of the obligation as of the date of adoption of the standard.

26. ASSET RETIREMENT OBLIGATION

The First Nation's asset retirement obligation consists of the following:

Asbestos obligation

The First Nation owns and operates several buildings that are known to have asbestos, which represents a health hazard upon demolition of the building and there is a legal obligation to remove it. Following the adoption of PS3280 – Asset retirement obligations, the First Nation recognized an obligation relating to the removal and post-removal care of the asbestos in these building as estimated at April 1, 2022.

Changes to the asset retirement obligation in the year are as follows:

| Asset Retirement Obligation | Asbestos removal | Balance at March 31, 2023 |
|--|------------------|---------------------------|
| Opening balance | - | - |
| Adjustment on adoption of the asset retirement obligation standard | 396,388 | 396,388 |
