## Management's Responsibility

---

To the Chief and Council and Members of Fort Albany First Nation

The accompanying consolidated financial statements of Fort Albany First Nation and its subsidiaries (the "Nation") are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Nation's Chief and Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. Chief and Council fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. Chief and Council is also responsible for the appointment of the Nation's external auditors.

MNP LLP is appointed by Chief and Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both Chief and Council and management to discuss their audit findings.

Ashley Schubert  
On behalf of management

January 22, 2025

To the Chief and Council and Members of Fort Albany First Nation:

### **Qualified Opinion**

We have audited the accompanying consolidated financial statements of Fort Albany First Nation and its subsidiaries (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2022, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2022, and the results of its consolidated operations, changes in its net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Qualified Opinion**

The Nation's consolidated statements of operations and accumulated surplus, and changes in net financial assets do not present a comparison of the results for the accounting period with those originally planned, which constitutes a departure from Canadian public sector accounting standards. The audit opinion on the consolidated financial statements for the year ended March 31, 2021 was qualified accordingly.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**1. Operations**

Fort Albany First Nation (the "Nation") is located in the province of Ontario, and provides various services to its members. Fort Albany First Nation includes the Nation's members, government and all related entities that are accountable to the Nation and are controlled by the Nation.

*Impact on operations of COVID-19 (coronavirus)*

In early March 2020 the impact of the global outbreak of COVID-19 (coronavirus) began to have a significant impact on business entities through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders.

The Nation's operations were impacted by COVID-19 due to periodic closures of the Nation's band office and other community services, changes in methods of program delivery, including delays in infrastructure and/or capital projects, and increases in pandemic specific funding. This impact has been mitigated by increased funding from several sources, including Indigenous Services Canada, Nishnawbe Aski Nation, the Ministry of Indigenous Affairs and the Ministry of Children, Community and Social Services.

At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Nation as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus. While the extent of the impact is unknown, we anticipate this outbreak may cause periodic shutdowns of major capital projects and increased expenditures in pandemic specific funding.

**2. Significant accounting policies**

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

***Reporting entity - consolidated***

The consolidated financial statements consolidate the financial activities of all entities and departments comprising the First Nation reporting entity, except for First Nation business entities. Trusts administered on behalf of third parties by Fort Albany First Nation are excluded from the First Nation reporting entity.

The First Nation has consolidated the assets, liabilities, revenues and expenses of the following entities and departments:

- Fort Albany First Nation Band;
- Mundo Peetabeck Education Authority; and
- Peetabeck Health Services.

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

Nation business entities, owned or controlled by the First Nation but not dependent on the First Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the First Nation. Thus, the First Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

- Fort Albany Power Corporation.

***Cash and cash equivalents***

Cash and cash equivalents include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Portfolio investments***

Long-term investments in entities that are not owned, controlled or influenced by the First Nation reporting entity are accounted for using the cost method. They are recorded at cost, less any provision for other than temporary impairment.

***Inventory***

Inventory of coarse aggregate stockpiles for use in operations are recorded at the lower of cost and net realizable value, with cost being determined on a weighted average basis.

Inventory of heating fuel for use in operations is recorded at the lower of cost and net realizable value, with cost being determined on a weighted average basis.

Inventory of supplies for use in operations are recorded at the lower of cost and net realizable value, with cost being determined on the specific identification basis.

***Tangible capital assets***

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed tangible capital assets are recorded at their fair value at the date of contribution. One-half of the annual amortization is charged in the year of acquisition. Assets under construction are not amortized until the asset is available for productive use.

***Capital lease***

A lease that transfers substantially all of the benefits and risks of ownership is classified as a capital lease. At the inception of a capital lease, an asset and a payment obligation is recorded at the present value of the minimum lease payments. Assets under capital leases are amortized on the declining balance basis over their estimated useful lives. All other leases are accounted for as operating leases and rental payments are expensed as incurred.

***Amortization***

The cost, less residual value, of the tangible capital assets are amortized as follows:

	<b><i>Method</i></b>	<b><i>Rate</i></b>
Buildings	declining balance	5 %
Equipment and furnishing	declining balance	20 %
Roads and sewer	straight-line	10-40 years
Water infrastructure	straight-line	10-50 years
Computer equipment	declining balance	30-55 %
Vehicles	declining balance	30 %

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

When the Nation determines that a long-lived asset no longer has any long-term service potential to the Nation, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations. Write-downs are not reversed.

***Net financial assets (net debt)***

The First Nation's financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets (net debt) of the First Nation is determined by its financial assets less its liabilities. Net financial assets (net debt) combined with non-financial assets comprise a second indicator of financial position, accumulated surplus.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Asset classification***

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, prepaid expenses and inventory for internal use.

***Revenue recognition***

***Funding***

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the consolidated statement of financial position in the year of receipt.

***Government Transfers***

Government transfers are transfers from senior levels of government that are not the result of an exchange transaction and are not expected to be repaid in the future. Government transfers without eligibility criteria or stipulations are recognized as revenue when the transfer is authorized. A transfer with eligibility criteria is recognized as revenue when the transfer is authorized and all eligibility criteria have been met. A transfer with or without eligibility criteria but with stipulations is recognized as revenue in the period the transfer is authorized and all eligibility criteria have been met, except where and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the Nation. Government transfers that meet the definition of a liability are recognized as revenue as the liability is extinguished.

***Funds held in Ottawa Trust Fund***

Revenue related to funds held in the Ottawa Trust Fund is recognized when it is received.

***Other revenues***

Other revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned. Amounts received which relate to revenues that will be earned in a subsequent year, are deferred and reported as liabilities.

***Measurement uncertainty***

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Provisions are made for slow moving and obsolete inventory.

Amortization is based on the estimated useful lives of tangible capital assets.

Accounts payable and accruals are estimated based on historical charges for unbilled goods and services at year-end.

***Liability for contaminated site***

Expenditures that relate to on-going environmental and remediation programs are charged against annual surplus as incurred. A liability for a contaminated site reflects management's best estimate of the amount required to remediate the contaminated site. The best estimate of the liability is based upon assumptions and estimates related to the amount and timing of costs for future site remediation.

Changes to the underlying assumptions and estimates or legislative changes in the near term could have a material impact on the provision recognized.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Prior period funding adjustments***

The Nation has entered into accountable contribution arrangements with several government funding agencies. These programs are subject to audit by the various governments, with potential audit adjustments repayable to the government. These adjustments are recorded in the consolidated financial statements in the year they become known.

***Segments***

The Nation conducts its business through nine reportable segments. These operating segments are established by senior management to facilitate the achievement of the Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 21.

**3. Cash and cash equivalents**

Under the terms of an agreement with Canada Mortgage and Housing Corporation (CMHC), the Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by CMHC with any interest earned to be credited as revenue to the Apartment Replacement and Subsidy Fund. At the year-end date, the respective monies on hand in the amount of \$115,384 (2021 - \$115,800) were not sufficient to meet the CMHC reserve fund requirements. The deficiency amounted to \$211,690 (2021 - \$171,817).

	2022	2021
Cash - unrestricted	18,610,660	14,363,062
CMHC Reserve Fund - Restricted	115,384	115,800
	<b>18,726,044</b>	<b>14,478,862</b>

**4. Accounts receivable**

	2022	2021
Accounts receivable	1,622,721	1,245,265
Less: Allowance for doubtful accounts	727,266	950,093
	<b>895,455</b>	<b>295,172</b>

**Fort Albany First Nation**

**5. Portfolio investments**

Portfolio investments consists of:

A 25% partnership interest in Kimesskanemenow Limited Partnership, a partnership controlled by several Nations whose primary business activity is the annual construction and maintenance of a winter road from Moosonee to Attawapiskat, Ontario. The investment is carried at cost, being the initial contribution and amounts assumed on transfer pursuant to reorganization transactions less any impairment loss.

A 25% partnership interest in Creewest Limited Partnership, a partnership controlled by several Nations whose primary business activity is the participation in contracting opportunities from development projects within the traditional territories of the limited partners, in order to generate income for the limited partners and employment opportunities for their respective memberships. The investment is carried at cost, being the initial contribution.

A minority equity interest in Mushkegowuk Development Corporation, a corporation controlled by several Nations whose primary business activity is providing its shareholders with access to training initiatives. The investment is carried at cost, being the initial contribution.

A minority partnership interest in Ontario First Nations Sovereign Wealth LP, a partnership controlled by several Nations whose primary business activity is providing its partners with access to investment income from its holdings. The investment is carried at cost, being the initial contribution.

A minority equity interest, being one common share, in OFN Asset Management GP Corp., a corporation controlled by several Nation bands whose primary business activity is providing its shareholders with access to investment income from its holdings. The investment is carried at cost, being the initial contribution.

A guaranteed investment certificate in the amount of \$501,279 (2021 - \$500,000), bearing interest at 0.10% per annum, maturing September 15, 2022.

**8. Investment in Nation business entity (continued from previous page)**

During the year, the following First Nation business enterprise had transactions with other organizations of the First Nation:

<b>Name of business enterprise</b>	<b>Name of organization</b>	<b>Nature of transactions/balances</b>
Fort Albany Power Corporation	Fort Albany First Nation - Band	Electricity distribution and infrastructure
Fort Albany Power Corporation	Mundo Peetabeck Education Authority	Electricity distribution
Fort Albany Power Corporation	Peetabeck Health Services	Electricity distribution

**9. Funds held in trust**

Capital and revenue trust monies are transferred to the Nation on the authorization of Indigenous Services Canada, with the consent of the Nation's Chief and Council.

	<b>2022</b>	<b>2021</b>
Balance, beginning of year	<b>503,176</b>	493,167
Interest	9,677	10,009
Balance, end of year	<b>512,853</b>	503,176

The Trust Funds arise from moneys derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the consolidated Revenue Fund of the Government of Canada. The management of these Funds is primarily governed by Sections 63 to 69 of the Indian Act.

**10. Bank indebtedness**

Mundo Peetabeck Education Authority, whose books and records are consolidated in these consolidated financial statements, is party to an RBC credit facility agreement bearing interest at the bank prime rate plus 1.80% (4.50% (2021- 4.25%) with a borrowing limit of \$100,000 (2021 - \$100,000). No balance was drawn on this facility in 2022 or 2021.

**Fort Albany First Nation**

---

**12. Debt** *(Continued from previous page)*

Each of the above CMHC debt facilities is secured by a Ministerial Guarantee from Indigenous Services Canada.

Principal repayments and forgiveness on long-term debt in each of the next five years and thereafter, assuming long-term debt subject to refinancing is renewed on similar terms, are estimated as follows:

2023	347,045
2024	351,154
2025	353,045
2026	337,975
2027	303,793
Thereafter	4,142,744
	<hr/>
	5,835,756

**13. Tangible capital assets**

The tangible capital assets reconciliation is included in Schedule 1.

Assets under construction or otherwise not available for use include housing and other structural buildings with a carrying value of \$5,754,960 (2021 - \$5,953,850) and vehicles and moveable equipment with a carrying value of \$Nil (2021 - \$91,980). No amortization of these assets have been recorded during the year because they are currently under construction or not available for use.

The First Nation holds works of art and historical treasures which have not been included in tangible capital assets due to the inability of estimating future benefits associated with such property.

Any intangibles and items inherited by right of the Crown, such as Crown lands, forests, water, and mineral resources, are not recognized in the consolidated financial statements.

Included in cost of tangible capital assets is \$2,910 (2021 - \$Nil) of interest incurred during the current fiscal year on the 3 unit housing project.

**14. Related party transactions**

Related party transactions are recorded at their exchange amount, which is the amount agreed to by the parties. Transactions with Fort Albany Power Corporation (a wholly owned subsidiary), relating to electricity distribution, are recorded at the Ontario Energy Board approved rates.

Included in accounts payable is \$274,704 (2021 - \$119,350) owing to Fort Albany Power Corporation in the normal course of operations.

During the year, the First Nation conducted the following transactions with a related entity. The transactions were recorded at the exchange amount.

	2022	2021
Electricity distribution provided by Fort Albany Power Corporation, a related First Nation business enterprise:	598,058	491,841

**Fort Albany First Nation**

	<b>839,928</b>	790,794
	<b>63,259,626</b>	55,213,675

**16. Other revenue**

The balance reported as "Other Revenue" on the Consolidated Statement of Operations and Accumulated Surplus consists of the following:

	<b>2022</b>	<b>2021</b>
User fees - land use, water/sewer	82,969	104,500
Insurance proceeds	60,743	-
HST rebates	6,920	141,857
Interest income	20,669	15,696
Environmental studies	29,200	26,400
Other	<u>65,289</u>	339,218
	<b>265,790</b>	627,671

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**17. Contingencies**

The Nation has entered into contribution agreements with various federal and provincial government departments. Funding received under these contribution agreements is subject to repayment if the Nation fails to comply with the terms and conditions of the agreements.

The Nation is involved in legal actions in the normal course of its operations. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on the Nation's consolidated financial statements. Included in accounts payable and accruals is \$Nil (2021 - \$204,561) in respect of such claims.

The Nation operates sewage lagoons and waste storage facilities adjacent to the reserve lands. The Ontario Ministry of the Environment has identified certain non-compliance issues in relation to these facilities and has issued action directives which, at the date of these consolidated financial statements, have not been completed. Management is of the opinion the resolution will include funding from other levels of government.

Public Sector Accounting Standards require the disclosure of the net present value of landfill closure and post-closure care expenditures. The landfill site in operation is at full capacity and management is involved in discussions to develop a second landfill location. Closure involves capping the site with a compacted impermeable clay layer, a layer of topsoil, the re-introduction of a vegetative cover and the construction of surface drainage controls. Post-closure care involves routine inspections, cap maintenance, and ground water sampling and analysis, if applicable. The reported liability is based on estimates and assumptions using information available to management. Future events may result in significant changes to the estimated total expenditures, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, if and when applicable. Accounts payable and accruals includes \$800,000 (2021 - \$600,000) in respect of landfill closure and post-closure expenditures.

The Nation has a number of credit facilities with CMHC that contain provisions for forgiveness of the liabilities over time pursuant to covenants. Failure to meet these covenants could result in the credit facilities being converted from forgivable to repayable instruments (Note 12).

On December 22, 2021, the Federal Court of Canada has approved a settlement between Canada and certain First Nations and their members who were subject to a drinking water advisory that lasted at least one year between November 20, 1995, and June 20, 2021. Subsequent to year-end, the First Nation received an initial \$500,000. The First Nation is unable to reasonably estimate a value or range of outcomes for the settlement as it is in part based on individual impacted members' claims which can be filed up to March 7, 2024.

**18. Distributions from Ontario First Nations Limited Partnership**

Commencing with the 2012 fiscal year and in each fiscal year thereafter, pursuant to an agreement between the Province of Ontario and Ontario First Nations Limited Partnership (OFNLP), the Province of Ontario shall pay to OFNLP 12 monthly payments equal to one-twelfth of 1.7% of the aggregate provincial gross gaming revenues. OFNLP then distributes to the Nation its share of these revenues according to a formula used for that purpose. The use of these funds, according to agreements is restricted to community development, health, education, cultural development and economic development.

The Nation holds a unit in the Ontario First Nations Limited Partnership, and a share in a related company, Ontario First Nations General Partner Inc., the carrying values of which are nominal and are therefore not recorded in these consolidated financial statements.

**19. Impact benefit agreement receipts and distributions**

During the year, the Nation received \$698,000 (2021 - \$Nil) as part of an impact benefit agreement with De Beers Canada Inc.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**20. Budget information**

Canadian public sector accounting standards (PSAS) require the disclosure of budget information for comparison to the First Nation's actual revenue and expenses. The consolidated budgeted revenue and expenses, and surplus have not been reported in these consolidated financial statements. While having no effect on reported revenue, expenses, and surplus, omission of this information is a departure from PSAS.

**21. Segments**

Fort Albany First Nation is a diversified local government that provides a wide range of services to its members, including water, fire protection, roadworks, technical services, recreation, social services, health services, education, social housing and economic development among others. For management reporting purposes, the Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, requirements or limitations.

The Nation's services are provided by departments and their activities are recorded in these funds. Certain departments that have been disclosed in the segmented information, along with the services they provide, are as follows:

**ADMINISTRATION AND GOVERNANCE**

-Manages the administrative operations of the Nation, undertakes Nation operated governance initiatives through the activities of Chief and Council and other activities relating to reserve lands, membership matters and other governance initiatives. Those costs that relate directly to the administration of the various segments have been allocated to the appropriate segment.

**COMMUNITY AND ECONOMIC DEVELOPMENT**

-Manages the development of economic opportunities for Nation entities and provides support to member entities as well undertakes activities of the Ontario First Nations Limited Partnership (OFNLP) Fund and the Impact Benefit Agreement.

**COMMUNITY SERVICES- OPERATIONS AND MAINTENANCE**

-Provides contract management services, heavy equipment operations, bulk fuel operations, general labour services and other related activities.

**DAYCARE**

-Manages the activities of the local children's daycare program.

**EDUCATION**

-Provides elementary and secondary instructional services and financial support to post-secondary students.

**HEALTH SERVICES**

-Provides a variety of health care programs and support to Nation members.

**HOUSING**

-Provides housing to members under CMHC and other programs and reports on the respective revenues and expenditures.

**INFRASTRUCTURE**

-Manages Nation infrastructure programs including facilities operations and maintenance, capital projects, water and waste water plant operations and other related activities.

**SOCIAL ASSISTANCE**

-Administers the provision of social assistance to qualifying members.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2.

**Fort Albany First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2022*

---

**22. Pension agreements**

**Multi-employer plans**

Mundo Peetabek Education Authority makes contributions to the Ontario Teachers Pension Plan (OTTP), which is a multi-employer plan on behalf of its teaching staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to OTTP in 2022 was \$143,312 (2021 - \$175,537) for current service and is included as an expenditure in the "Consolidated Statement of Operations and Accumulated Surplus".

**23. Comparative figures**

Certain figures presented for comparative purposes have been reclassified to conform with the current year's presentation.

**24. Subsequent event**

Subsequent to the year-end, the Nation entered into an agreement to construct four modular homes in the amount of \$1,417,413. The Nation was approved a related CMHC loan in the amount of \$878,000.
