MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements of Attawapiskat First Nation for the year ended March 31, 2017 are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. A summary of the significant accounting policies is described in Note 1 to the consolidated financial statements. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material aspects.

Attawapiskat First Nation's management is responsible for maintaining systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and Attawapiskat First Nation's assets are appropriately accounted for and adequately safeguarded.

Attawapiskat First Nation's Chief and Council are responsible for ensuring that management fulfills its responsibilities of financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council meet periodically with management, as well as the external auditor, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging its responsibilities, and to review the consolidated financial statements and the external auditor's report.

The consolidated financial statements have been audited by MNP LLP in accordance with Canadian generally accepting auditing standards on behalf of the members. MNP LLP has full and free access to the Chief and Council with regard to audit requirements.

On behalf of Attawapiskat First Nation:

Chief

Date

INDEPENDENT AUDITOR'S REPORT

To the Members of Attawapiskat First Nation:

We have audited the accompanying consolidated financial statements of Attawapiskat First Nation which comprise the consolidated statement of financial position as at March 31, 2017 and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair representation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

The First Nation has investments in various government business enterprises which operate independent of the First Nation. Current financial information for certain of these entities was not available at the date of the consolidated financial statements. Accordingly, we were unable to obtain sufficient appropriate audit evidence relating to current operations which may or may not result in a material misstatement in the investment in government business enterprises reported in the consolidated statement of financial position or the earnings of government business enterprises reported in the consolidated statement of operations and accumulated surplus. Consequently, we were unable to determine whether any adjustments to these amounts were necessary. In addition, Canadian public sector accounting standards require budget figures be reported in the statement of operations and accumulated surplus and change in net debt. No budget figures were available.

Qualified Opinion

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of Attawapiskat First Nation as at March 31, 2017 and the results of its operations, changes in its net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

YEAR ENDED MARCH 31, 2017

OPERATIONS

Attawapiskat First Nation (the Nation) is an Indian Band located in the James Bay Region of Northern Ontario, and provides various services to its members. Attawapiskat First Nation includes the Nation's members, government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

1. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements are the representation of management and have been prepared in accordance with public sector accounting standards and include the following significant accounting policies:

(a) REPORTING ENTITY

The reporting entity includes the Attawapiskat First Nation government and all related entities controlled by the Nation.

(b) PRINCIPLES OF CONSOLIDATION

All controlled entities are fully consolidated on a line-by-line basis except for commercial enterprises which meet the definition of government business enterprises which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Organizations consolidated in Attawapiskat First Nation's financial statements are as follows:

Attawapiskat First Nation Band
Attawapiskat First Nation Education Authority
Attawapiskat First Nation Maytawaywin Authority (Arena Gymnasium facility)
Attawapiskat Development Corporation
Attawapiskat Health Services Board

The Nation manages the operation of community health services previously operated by Attawapiskat Health Services Board. As such, Attawapiskat Health Services Board reported no revenues or expenditures during the year.

Organizations accounted for on a modified equity basis are as follows:

Attawapiskat Power Corporation
Attawapiskat Enterprises, which is comprised of the following entities:
Attawapiskat Resources Inc.
Attawapiskat Limited Partnership
Attawapiskat Catering Limited Partnership
Attawapiskat Catering Inc.
Advanced Security Limited Partnership
Attawapiskat Security Inc.

(c) ASSET CLASSIFICATION

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, prepaid expenses and inventories of supplies.

(d) PORTFOLIO INVESTMENTS

Portfolio investments traded in an active market are recorded at their market value with any changes in market value reported as remeasurement gains and losses until realized. Other portfolio investments are recorded at cost.

(e) INVENTORY OF SUPPLIES

Inventory of supplies, comprised of fuel stock, building materials, coarse aggregate stockpiles for resale and use in operations, and parts inventory for own use, are recorded at the lower of cost and net realizable value, with cost being determined on a first-in, first-out basis. All inventory is reported as non-financial assets as the proportion held for resale is indeterminable and represents a minor portion of the reported amount. Management expects the inventory to be utilized in the 2018 fiscal year.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(f) TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on the declining balance and straight line methods as follows:

Land improvements	15 years
Buildings	10% and 20 - 40 years
Vehicles	5 - 20 years
Equipment	4 - 100% and 5 - 20 years
Roads	80 years
Sewer and water	50 years

One-half of the annual amortization is charged in the year of acquisition. Assets under construction are not amortized until the asset is available for productive use.

(g) NET DEBT

The Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the Nation is determined by its financial assets less its financial liabilities.

(h) REVENUE

The financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenditures are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon, when restricted by agreement or legislation, are accounted for as deferred revenue until used for the purpose specified. Government transfers, contributions and other amounts are received from third parties pursuant to legislation, regulation or agreement and may only be used for certain programs, in the completion of specific work, or for the acquisition of tangible capital assets. In addition, certain user charges and fees are collected for which the related services have yet to be performed. Revenue is recognized in the period the related expenditures are incurred, services performed or the tangible capital assets are acquired.

Government transfers are transfers from senior levels of government that are not the result of an exchange transaction and are not expected to be repaid in the future. Government transfers without eligibility criteria or stipulations are recognized as revenue when the transfer is authorized. A transfer with eligibility criteria is recognized as revenue when the transfer is authorized and all eligibility criteria have been met. A transfer with or without eligibility criteria but with stipulations is recognized as revenue in the period the transfer is authorized and all eligibility criteria have been met, except where and to the extent that the transfer gives rise to an obligation that meets the definition of a liability for the organization. Government transfers that meet the definition of a liability are recognized as revenue as the liability is extinguished.

Other revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned. Amounts received which relate to revenues that will be earned in a subsequent year, are deferred and reported as liabilities.

(i) MEASUREMENT UNCERTAINTY

In preparing the financial statements for the Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenditures during the period. The main estimates used in preparing these financial statements include an allowance for doubtful accounts, amortization of tangible capital assets and landfill closure and post-closure liability. Actual results could differ from these estimates.

(j) PRIOR YEAR FUNDING ADJUSTMENTS

The Nation has entered into accountable contribution arrangements with several government funding agencies. These programs are subject to audit by the various governments, with potential audit adjustments repayable to the government. These adjustments are recorded in the financial statements in the year they become known.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(k) RECENT ACCOUNTING PRONOUNCEMENTS

PS 3210 Assets (New)

In June 2015, new PS 3210 Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section provides guidance for applying the definition of assets set out in PS 1000 Financial Statement Concepts. The main features of this standard are as follows:

- Assets are defined as economic resources controlled by a government as a result of past transactions or events and from which future economic benefits are expected to be obtained.
- Economic resources can arise from such events as agreements, contracts, other government's legislation, the government's own legislation, and voluntary contributions.
- The public is often the beneficiary of goods and services provided by a public sector entity. Such assets benefit public sector entities as they assist in achieving the entity's primary objective of providing public goods and services.
- A public sector entity's ability to regulate an economic resource does not, in and of itself, constitute control of an asset, if the interest extends only to the regulatory use of the economic resource and does not include the ability to control access to future economic benefits.
- A public sector entity acting as a trustee on behalf of beneficiaries specified in an agreement or statute is merely administering the assets, and does not control the assets, as future economic benefits flow to the beneficiaries.
- An economic resource may meet the definition of an asset, but would not be recognized if there is no appropriate basis for measurement and a reasonable estimate cannot be made, or if another Handbook Section prohibits its recognition. Information about assets not recognized should be disclosed in the notes.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. Management expects no impact of the above pronouncement on its financial statements.

PS 3320 Contingent Assets (New)

In June 2015, new PS 3320 Contingent Assets was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on contingent assets. The main features of this Standard are as follows:

- Contingent assets are possible assets arising from existing conditions or situations involving uncertainty. That uncertainty will ultimately be resolved when one or more future events not wholly within the public sector entity's control occurs or fails to occur. Resolution of the uncertainty will confirm the existence or non-existence of an asset.
- Passing legislation that has retroactive application after the financial statement date cannot create an existing condition or situation at the financial statement date.
- Elected or public sector entity officials announcing public sector entity intentions after the financial statement date cannot create an existing condition or situation at the financial statement date.
- Disclosures should include existence, nature, and extent of contingent assets, as well as the reasons for any non-disclosure of extent, and the bases for any estimates of extent made.
- When a reasonable estimate can be made, disclosure should include a best estimate and a range of possible amounts (or a narrower range of more likely amounts), unless such a disclosure would have an adverse impact on the outcome.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. Management expects no impact of the above pronouncement on its financial statements.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

PS 3380 Contractual Rights (New)

In June 2015, new PS 3380 Contractual Rights was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). This new Section establishes disclosure standards on contractual rights, and does not include contractual rights to exchange assets where revenue does not arise. The main features of this Standard are as follows:

- Contractual rights are rights to economic resources arising from contracts or agreements that will result in both an asset and revenue in the future.
- Until a transaction or event occurs under a contract or agreement, an entity only has a contractual right to an economic resource. Once the entity has received an asset, it no longer has a contractual right.
- Contractual rights are distinct from contingent assets as there is no uncertainty related to the existence of the contractual right.
- Disclosures should include descriptions about nature, extent, and timing.

The standard is effective for fiscal years beginning on or after April 1, 2017. Earlier adoption is permitted. Management expects no impact of the above pronouncement on its financial statements.

PS 3430 Restructuring Transactions (New)

In June 2015, new PS 3430 Restructuring Transactions was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new Section establishes disclosure standards on contingent assets. The main features of this Standard are as follows:

- A restructuring transaction is defined separately from an acquisition. The key distinction between the two is the absence of an exchange of consideration in a restructuring transaction.
- A restructuring transaction is defined as a transfer of an integrated set of assets and/or liabilities, together with related program or operating responsibilities that does not involve an exchange of consideration.
- Individual assets and liabilities transferred in a restructuring transaction are derecognized by the transferor at their carrying amount and recognized by the recipient at their carrying amount with applicable adjustments.
- The increase in net assets or net liabilities resulting from recognition and derecognition of individual assets and liabilities received from all transferors, and transferred to all recipients in a restructuring transaction, is recognized as revenue or as an expense.
- Restructuring-related costs are recognized as expenses when incurred.
- Individual assets and liabilities received in a restructuring transaction are initially classified based on the accounting policies and circumstances of the recipient at the restructuring date.
- The financial position and results of operations prior to the restructuring date are not restated.
- Disclosure of information about the transferred assets, liabilities and related operations prior to the restructuring date by the recipient is encouraged but not required.

The Section is effective for new restructuring transactions that occur in fiscal periods beginning on or after April 1, 2018. Earlier application is encouraged. Management expects no impact of the above pronouncement on its financial statements.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

2. GOING CONCERN

These consolidated financial statements have been prepared on the basis of a going concern which assumes the Nation will be able to realize its assets and settle its obligations in the normal course of operations. At the date of these financial statements, the Nation, pursuant to Indigenous and Northern Affairs Canada (INAC) directives, was operating under a Management Action Plan with the assistance of a Recipient Appointed Advisor. At the year-end date, the Nation had a working capital deficit of \$6,494,447 (2016 - \$5,346,479) and net debt of \$12,586,339 (2016 - \$11,189,241).

3. CASH AND BANK INDEBTEDNESS

Under the terms of an agreement with Canada Mortgage and Housing Corporation (CMHC), the Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by CMHC with any interest earned to be credited as revenue to the CMHC Replacement Reserve Fund. At the year-end date, the respective monies on hand were not sufficient to meet the CMHC reserve fund requirements. The deficiency amounted to \$424,986 (2016 - \$196,010).

Attawapiskat First Nation Band has available a credit facility bearing interest at the bank prime rate plus 2.75% with a borrowing limit of \$750,000 of which \$277,586 (2016 - \$127,028) was utilized at the year-end date.

Cash and restricted cash funds are comprised of the following:

	2017	2016
Cash:		
Education	\$ 814,932	\$ 286,145
Economic development	369,711	361,019

Total accounts receivable	\$ 3,622,261	\$ 3,357,055

The carrying value of impaired receivables were \$2,102,016

6. FUNDS HELD IN TRUST - OTTAWA

Trust funds held by the federal government arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

	Opening Balance	Additions	Withdrawals	2017	2016
Trust Funds - Ottawa:					
Revenue	\$ 197,688	\$ 1,675	\$ -	\$ 199,363	\$ 197,688

7. GOVERNMENT BUSINESS ENTERPRISES

The Nation has interests in a number of Government Business Enterprises and Government Business Partnerships as described below. Unless otherwise noted, the Nation's interest is 100% of the shares or units of the respective entities. Summarized financial statements for these entities are provided in Schedule C:

Attawapiskat Power Corporation was established by the Nation to provide hydro-electric power distribution to members of the community.

Attawapiskat Enterprises is comprised of the following entities:

- Attawapiskat Resources Inc. - conducts economic development activities on behalf of the First Nation.
- Attawapiskat Limited Partnership - seeks business opportunities for the benefit of the First Nation and its members.
- Attawapiskat Catering Limited Partnership - provides catering services at the DeBeers Canada Victor Mine.
- Attawapiskat Catering Inc. - is the general partner of Attawapiskat Catering Limited Partnership.
- Advanced Security Limited Partnership - provides security and related services in Northern Ontario.
- Attawapiskat Security Inc. - is the general partner of Advanced Security Limited Partnership.

2022	308,005
Thereafter	4,170,607
	\$ 5,859,427

15. CONTINGENCIES

The Nation has entered into contribution agreements with various federal and provincial government departments. Funding received under these contribution agreements is subject to repayment if the Nation fails to comply with the terms and conditions of the agreements.

In addition, in the normal course of its operations, the Nation becomes involved in legal actions pertaining to employment matters, contract disputes, and other matters. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expenditure recorded in the Nation's financial statements.

16. ECONOMIC DEPENDENCE

The Nation received 51.7% of its revenue from Indigenous and Northern Affairs Canada, Health Canada, the Province of Ontario and other funding agencies (2016 - 52.6%). The nature and extent of this revenue is of such significance that the Nation is economically dependent on these sources of revenue. The ability of the Nation to continue program delivery to its members is dependent on this funding.

17. DISTRIBUTION FROM ONTARIO FIRST NATIONS LIMITED PARTNERSHIP

Commencing with the 2012 fiscal year and in each fiscal year thereafter during the initial and renewal terms of the agreement between the Province of Ontario and Ontario First Nations Limited Partnership (OFNLP), the Province of Ontario shall pay to OFNLP 12 monthly payments equal to one-twelfth of 1.7% of the aggregate provincial gross gaming revenues. OFNLP then distributes to the Nation its share of these revenues according to a formula used for that purpose. The use of these funds, according to agreements, is restricted to community development, health, education, cultural development and economic development.

The Nation holds a unit in the Ontario First Nations Limited Partnership, and a share in a related company Ontario First Nations General Partner Inc. - the carrying values of which are nominal and are therefore not recorded in these financial statements.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

18. FINANCIAL INSTRUMENTS

The Nation is exposed to various risks through its financial instruments. The following analysis provides information about the Nation's risk exposure and concentration as of March 31, 2017.

Credit Risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Nation is exposed to credit risk from members and customers. An allowance for doubtful accounts (\$1,466,392; 2016 - \$1,177,698) is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Nation has a significant number of members/customers which minimizes concentration of credit risk.

Interest Rate Risk

The Nation has interest bearing credit facilities on which prevailing interest rate fluctuations apply. Accordingly, there is a financial risk to the Nation's annual surplus that arises from fluctuations in prevailing interest rates and the degree of volatility of these rates. The Nation does not utilize derivative instruments to reduce its exposure to interest rate risk.

Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Nation is exposed to this risk mainly in respect of its receipt of funds from its funders and other related sources, long-term debt, callable debt and accounts payable.

19. BUDGET FIGURES

Budget figures have not been presented as the information was not available from the management of certain entities.

20. OTHER REVENUE

The balance reported as "Other Revenue" on the Consolidated Statement of Operations and Accumulated Surplus consists of the following:

	2017	2016
Attawapiskat Development Corporation - sales	\$ 1,619,318	\$ 1,712,225
Attawapiskat First Nation Education - other	157,961	177,699
Debeers revenue	38,183	-
Donations	3,529	-
Interest income	5,432	3,955
Loss on disposal of tangible capital assets	-	(156,562)
Ministry of Education	360,563	360,184
Nishnawbe Aski Development Fund	-	10,000

Water billings	247,860	-
	\$ 5,232,906	\$ 3,422,304

ATTAWAPISKAT FIRST NATION**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)****YEAR ENDED MARCH 31, 2017****21. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY**

Public Sector Accounting Standards require the disclosure of the net present value of landfill closure and post-closure care expenditures. The landfill site in operation is at full capacity and management is involved in discussions to develop a second landfill location. Accounts payable and accruals includes \$507,828 in respect of landfill closure and post-closure expenditures.

Closure involves capping the site with a compacted impermeable clay layer, a layer of topsoil, the re-introduction of a vegetative cover and the construction of surface drainage controls. Post-closure care involves routine inspections, cap maintenance, and ground water sampling and analysis, if applicable. The reported liability is based on estimates and assumptions using information available to management. Future events may result in significant changes to the estimated total expenditures, capacity used or total capacity and the estimated liability, and would be recognized prospectively, as a change in estimate, if and when applicable.

22. ACCUMULATED SURPLUS

Accumulated surplus consists of restricted and unrestricted amounts and equity in tangible capital assets as follows:

	2017	2016
Unrestricted Deficit	\$ (3,831,041)	\$ (4,011,427)
Restricted Surplus		
INAC - Trust Fund	199,363	197,688

CMHC Replacement Reserve	1,152,485	1,299,210
Repayable to funding agencies	(1,197,636)	(1,197,636)
Equity in tangible capital assets	102,062,968	104,880,471
	\$ 98,751,021	\$ 101,805,734

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

23. SEGMENTED INFORMATION

Attawapiskat First Nation is a diversified local government that provides a wide range of services to its members, including water, fire protection, roadworks, technical services, recreation, social services, health services, education, social housing and economic development among others. For management reporting purposes, the Nation's operations and activities are organized and reported by fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, requirements or limitations.

The Nation's services are provided by departments and their activities are recorded in these funds. Certain departments that have been disclosed in the segmented information, along with the services they provide, are as follows:

ADMINISTRATION

-Manages the administrative operations of the Nation. Those costs that relate directly to the administration of the various segments have been allocated to the appropriate segment.

COMMUNITY DEVELOPMENT

-Undertakes activities of the Ontario First Nations Limited Partnership (OFNLP) Fund, which derives revenue from gaming facilities located in the Province of Ontario.

DAYCARE

-Manages the activities of the local children's daycare program.

ECONOMIC DEVELOPMENT

-Manages the development of economic opportunities for Nation entities and provides support to member entities as well as operates telecommunication services throughout the community.

EDUCATION

-Provides elementary and secondary education instructional services and provides financial support to post-secondary students.

GOVERNANCE

-Undertakes Nation operated governance initiatives through the activities of Chief and Council and other activities relating to reserve lands, membership matters and other governance initiatives.

HEALTH

-Provides a variety of health care programs and support to Nation members.

SOCIAL HOUSING

-Provides housing to members under CMHC programs and reports on the respective revenue and expenditures.

INFRASTRUCTURE

-Manages Nation infrastructure programs including facilities operations and maintenance, capital projects, water and waste water plant operations and other related activities.

SOCIAL ASSISTANCE

-Administers the provision of social assistance to qualifying members.

TECHNICAL SERVICES

-Provides contract management services, heavy equipment operations, bulk fuel operations, general labour services and other related activities.

ATTAWAPISKAT FIRST NATION

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

YEAR ENDED MARCH 31, 2017

23. SEGMENTED INFORMATION (CONT'D)

OTHER

-Reports on the reserve and equity portions of other funds.

For each reported segment, revenues and expenditures represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

24. EXPENDITURES BY OBJECT

	2017	2016
Administration	\$ 2,559,084	\$ 2,203,158
Amortization	5,048,859	4,880,721
Interest and bank charges	124,751	111,318

	<hr/> \$ 37,570,860	<hr/> \$ 37,562,592

25. PRIOR PERIOD ADJUSTMENT AND COMPARATIVE FIGURES

Prior period comparative figures have been restated to account for changes made to the reported balance of investments in government business enterprises arising from financial information which was previously unavailable. The effect of these changes on the 2016 comparative figures were as follows:

	As Previously Reported	Prior Period Adjustment	As Restated
Investments in Government business enterprises	3,550,618	1,564,273	5,114,891
Income from Government business enterprises	(237,859)	1,564,273	1,326,414
Annual Surplus	(2,956,930)	1,564,273	(1,392,657)
Net Debt	(12,753,514)	1,564,273	(11,189,241)
Ending Accumulated Surplus	100,241,461	1,564,273	101,805,734

Certain other comparative figures have been restated to conform with the current year financial statement presentation.
