Management's Responsibility

To the Members of Weenusk First Nation:

The accompanying financial statements of Weenusk First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Weenusk First Nation Chief and Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. The Chief and Council fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and the external auditors. The Chief and Council is also responsible for recommending the appointment of the First Nation's external auditors.

MNP LLP is appointed by the Chief and Council to audit the financial statements and report directly to the members; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Chief and Council and management to discuss their audit findings.

December 9, 2021

Chief

Director of Finance

To the Members of Weenusk First Nation:

Qualified Opinion

We have audited the financial statements of Weenusk First Nation (the "First Nation"), which comprise the statement of financial position as at March 31, 2020, and the statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the First Nation as at March 31, 2020, and the results of its operations, changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

Canadian public sector accounting standards require budget figures be reported in the statement of operations and accumulated surplus and change in net debt. No budget figures were available.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Effects of a Fire

We draw attention to Note 11 of the financial statements, which describes the effects of a fire in the First Nation's production facilities. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Licensed Public Accountants

December 9, 2021

Chartered Professional Accountants

Timmins, Ontario

MNP LLP

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

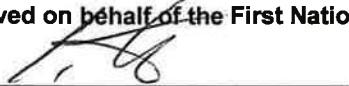

- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or businesses activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.
- Communicate with the First Nation to determine the date of our auditors' report. However, to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, to draw attention in our auditors' report to the underlying transactions and events in the financial statements that may cast significant doubt on the future events or conditions as a going concern.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Weenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

1. Nature of operations

Weenusk First Nation (the "First Nation") is a First Nation located in the James Bay region of Ontario, and provides various services for the benefit of its members. Weenusk First Nation includes the First Nation's members, government and all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation. The First Nation operates under the Indian Act.

2. Going concern

These financial statements have been prepared on a going concern basis, which contemplates the realization of assets and the payment of liabilities in the ordinary course of operations. Should the First Nation be unable to continue as a going concern, it may be unable to realize the carrying value of its assets and to meet its liabilities as they become due.

At the date of these financial statements, the First Nation, pursuant to Indigenous Services Canada (ISC) directives, was operating under a co-management arrangement. During the 2020 fiscal year the First Nation's working capital deficiency decreased by \$1,089,165 (2019 - decrease of \$31,045). At March 31, 2020, the First Nation had net debt of \$4,215,640 (2019 - \$4,715,607).

The continuation of the First Nation is dependent upon the continuing availability of Federal and Provincial funding, and the First Nation's continued compliance with funding requirements. These financial statements do not reflect the adjustments or reclassification of assets and liabilities which would be necessary if the First Nation were unable to continue its operations.

3. Significant accounting policies

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

Reporting entity

Weenusk First Nation business entities, owned or controlled by the First Nation's Council but not dependent on the First Nation for their continuing operations, are included in the financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the First Nation. Thus, the First Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for on the basis of the modified equity basis include:

- Winisk 500 Corporation

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Cash and cash equivalents

Cash and cash equivalents include balances with banks and cash on hand to be deposited.

Wenenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

3. Significant accounting policies *(Continued from previous page)*

Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined by the first-in, first-out method. Net realizable value is the estimated selling price in the ordinary course of business less any applicable selling costs.

Inventory held for resale is classified as a financial asset when all of the following criteria are met:

- Prior to March 31, 2020, the First Nation has committed to sell the asset;
- The asset is in a condition to be sold;
- The asset is publicly seen to be for sale;
- There is an active market for the asset;
- A plan exists for selling the asset; and
- A sale to a party external to the First Nation can reasonably be expected within one year.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, prepaid expenses and fuel inventory.

Net debt

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Net debt combined with non-financial assets comprise a second indicator of financial position, accumulated surplus.

Tangible capital assets

Tangible capital assets are initially recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. Contributed tangible assets are recorded at their fair value at the date of receipt and also are recorded as revenue.

Amortization

Tangible capital assets are amortized annually using the straight-line method at rates intended to amortize the cost of the assets over their estimated useful lives:

| | Rate |
|--------------------------------|---------------|
| Buildings | 15 - 30 years |
| Computer equipment | 4 years |
| Landfill | 30 years |
| Machinery and equipment | 7 years |
| Rental units | 25 years |
| Roads | 25 years |
| Vehicles | 3 - 7 years |
| Water and sewer infrastructure | 75 years |

Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The First Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using quoted market prices. Any impairment is included in surplus for the year.

Wenenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

3. Significant accounting policies *(Continued from previous page)*

Funds held in Ottawa Trust Fund

Funds in trust held by the federal government arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported as part of cash and cash equivalents on the statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other First Nation tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Capital and revenue trust monies are transferred to the First Nation on the authorization of Indigenous Services Canada, with the consent of the First Nation's members.

Debt

Financing received to fund tangible capital asset purchases is recognized in the period the financing is acquired and recorded as an increase in debt.

Repayments of financing are recognized as a decrease in debt.

Revenue recognition

Funding

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

Government Transfers

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Externally restricted revenue

The First Nation recognizes externally restricted inflows as revenue in the period the resources are used for the purpose specified in accordance with an agreement or legislation. Until this time, the First Nation records externally restricted inflows in deferred revenue.

Funds held in Ottawa Trust Fund

Due to measurement uncertainty, revenue related to the receipt of funds held in the Ottawa Trust Fund is recognized when it is received.

Other income

Other income is recognized in the year in which the related expenses are incurred if the amount to be received can be reasonably estimated and collection is reasonably assured.

Wenenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

3. Significant accounting policies *(Continued from previous page)*

Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Amortization is based on the estimated useful lives of tangible capital assets.

Accrued liabilities are estimated based on historical charges for unbilled goods and services at year-end.

Payable to funding agencies is based on anticipated repayment requirements; however, actual repayments will be determined upon funding agencies' review of the financial statements and any related programs.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in earnings in the year in which they become known.

Segments

The First Nation conducts its business through eight reportable segments:

- Band support;
- Community Infrastructure and Buildings;
- Economic Development and Other Funded Programs;
- Community Health;
- Education;
- Social Housing; and
- Ontario First Nations Limited Partnership.

These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 3 the *Significant accounting policies*.

Weenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

4. Cash and cash equivalents

Under the terms of an agreement with Canada Mortgage and Housing Corporation ("CMHC"), the First Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation (Note 14).

Restricted cash of the Ottawa Trust Fund relates to funds on deposit with Indigenous Indigenous Services Canada generated from land that is leased to non-native parties and interest earned on the related lease rentals. Capital and revenue trust monies are transferred to the First Nation on the authorization of the Minister of Indigenous Indigenous Services Canada, with the consent of the First Nation's Chief and Council.

| | 2020 | 2019 |
|--|----------------|----------------|
| Unrestricted cash | 675,511 | 248,462 |
| Externally restricted cash - CMHC social housing reserves | 10,623 | 13,455 |
| Externally restricted cash - Funds held in Ottawa Trust Fund | 5,998 | 5,883 |
| Total | 692,132 | 267,800 |

5. Accounts receivable

| | 2020 | 2019 |
|----------------------------|------------------|------------------|
| Trade accounts receivable | 90,104 | 129,496 |
| Indigenous Services Canada | 1,535,140 | 1,140,661 |
| Total | 1,625,244 | 1,270,157 |

6. Inventory for resale

Inventory predominately represents gasoline for resale to First Nation members and to parties external to the First Nation.

The cost of inventories recognized as an expense and included in various programs amounted to \$1,112,712 (2019 – \$1,046,541).

7. Deferred revenue

The following table represents changes in the deferred revenue balance attributable to each major category of external restrictions:

| | <i>Balance, beginning of year</i> | <i>Funding received</i> | <i>Revenue Recognized</i> | <i>Balance, end of year</i> |
|---------------------------|---|-----------------------------|-------------------------------|---------------------------------|
| ISC - Fuel system upgrade | 326,754 | (1,179,002) | 326,754 | (1,179,002) |
| ISC - Housing Capital | 805,094 | (621,355) | 805,094 | (621,355) |
| | 1,131,848 | (1,800,357) | 1,131,848 | (1,800,357) |

Wenenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

8. Debt

| | 2020 | 2019 |
|---|------------------|-------------|
| Canada Mortgage and Housing Corporation mortgage payable, bearing interest at 1.13% (2019 - 1.13%) payable in monthly instalments of \$7,380, renewal July 2021, due October 2025, secured by a guarantee by Indigenous Services Canada. | 478,958 | 561,600 |
| Canada Mortgage and Housing Corporation mortgage payable, bearing interest at 1.13% (2019 - 1.13%) payable in monthly instalments of \$4,150, renewal July 2021, due December 2035, secured by a guarantee by Indigenous Services Canada. | 718,356 | 759,784 |
| Canada Mortgage and Housing Corporation mortgage payable, bearing interest at 2.50% (2019 - 2.50%) payable in monthly instalments of \$3,334, renewal June 2023, due November 2037, secured by a guarantee by Indigenous Services Canada. | 571,569 | 596,986 |
| Ford Credit Loan, bearing interest at 2.99% payable in monthly instalments of \$1,080, due March 2024, secured by a specific vehicle with a net book value of \$41,328. | 48,733 | - |
| RBC Demand Loan, bearing interest at 7.24% payable in monthly instalments of \$749, due February 2024, secured by a specific vehicle with a net book value of \$27,948. | 30,740 | 37,413 |
| RBC Demand Loan, repaid during the year. | - | 43,406 |
| | 1,848,356 | 1,999,189 |

Principle repayments on debt in each of the next five years and thereafter, assuming all term debt is subject to contractual terms of repayment and debt subject to refinancing is renewed on comparable terms, are estimated as follows:

| | |
|-------------------|------------------|
| 2021 | 170,125 |
| 2022 | 173,084 |
| 2023 | 176,126 |
| 2024 | 178,705 |
| 2025 | 160,015 |
| <u>Thereafter</u> | <u>1,039,016</u> |

Interest on debt amounted to \$35,824 (2019 - \$27,249).

9. Contingencies

The First Nation has entered into accountable contribution agreements with several government funding agencies. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

10. Commitments

The First Nation is required to provide for replacement reserve fund under the terms of agreements with Canada Mortgage and Housing Corporation.

11. Subsequent events

Subsequent to year-end a building caught fire. This building contained heavy equipment used to maintain winter roads and other equipment used in operations. The extent of the damage to the building and equipment cannot be estimated as at the financial reporting date.

Weenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

12. Tangible capital assets

The tangible capital assets reconciliation is included in Schedule 1.

No amortization has been recorded on capital projects in progress. Amortization will commence when the assets are available for use.

During the year, capital assets were acquired at an aggregate cost of \$1,279,444 (2019 - \$2,898,258), of which \$48,715 (2019 - \$94,337) was acquired by means of capital loans and \$1,230,729 (2019 - \$2,803,921) was acquired in cash.

13. Accumulated surplus

Accumulated surplus consists of the following:

| | 2020 | 2019 |
|---|--------------------|-------------|
| Unappropriated members' (deficit) | | |
| General | (2,390,239) | (2,788,984) |
| Internally restricted | | |
| Invested in tangible capital assets | 11,028,045 | 9,762,287 |
| Externally restricted | | |
| Ontario First Nations Limited Partnership distributions | 172 | 172 |
| Restricted funds held in trust in Ottawa | 5,998 | 5,883 |
| Social housing replacement reserve | 316,993 | 295,203 |
| | 323,163 | 301,258 |
| | 8,960,969 | 7,274,561 |

The Ottawa trust fund represents trust funds held in Ottawa trust accounts derived from capital or revenue sources.

The social housing replacement reserve is an externally restricted reserve which is required by the CMHC and which must be funded. As of March 31, 2020, there was a shortfall of \$306,370 (2019 - \$281,747). The impact of this shortfall has not been determined.

Ontario First Nations Limited Partnership

The First Nation holds one unit in the Ontario First Nation Limited Partnership ("OFNLP") and a share in a related company Ontario First Nations General Partner Inc. - the carrying value of which are nominal and are therefore not recorded in these financial statements.

Commencing with the 2012 fiscal year and in each fiscal year thereafter during the initial and renewal terms of the agreement between the Province of Ontario and OFNLP, the Province of Ontario shall pay to OFNLP 12 monthly payments equal to one-twelfth of 1.7% of the aggregate provincial gross gaming revenues. OFNLP then distributes to the First Nation its share of these revenues according to a formula used for that purpose. The use of these funds, according to agreements, is restricted to community development, health, education, cultural development and economic development.

14. Economic dependence

Weenusk First Nation receives a significant portion of its revenue from ISC as a result of Treaties entered into with the Government of Canada. These treaties are administered by ISC under the terms and conditions of the Indian Act. The ability of the First Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these treaties.

Wenenusk First Nation
Notes to the Financial Statements
For the year ended March 31, 2020

15. Non-compliance with First Nations Financial Transparency Act

First Nations Financial Transparency Act requires First Nations to file their financial statements and other financial information by July 31, 2020. The First Nation was unable to meet this deadline and therefore is not in compliance with the First Nations Financial Transparency Act.

16. Segments

The First Nation provides a wide range of services to its members such as education, health and social services, economic development, public works and housing and other general services. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and activities they encompass are as follows:

Band Support

The band support program oversees the delivery of all services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council.

Community Infrastructure and Buildings

The community infrastructure and buildings program is responsible for the infrastructure, including roads, water, sewer and building maintenance.

Economic Development and Other Funded Programs

The economic development program is responsible for promoting economic growth within the First Nation.

Community Health

The community health program provides a diverse bundle of services directed towards the well-being of members, including such activities as pre-natal care, nursing, health representation, traditional healing, family violence and many other smaller programs designed to enhance the health of members. The social services department is responsible for administering social assistance payments as well as providing services directed towards members.

Education

The education department provides direct elementary school services and secondary education by entering into service contracts with provincially funded area school boards.

Social Housing

The social housing program is responsible for providing affordable housing to members.

Capital Projects and Major Repairs

The capital projects and major repairs program is responsible for carrying out capital projects and major repairs to buildings and facilities in the First Nation.

Ontario First Nations Limited Partnership

The OFNLP distributions program is responsible for allocating distributions to various segments of the First Nation.

17. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
