Management's Responsibility

To the Members and Chief and Council of Niisaachewan Anishinaabe Nation:

The accompanying consolidated financial statements of Niisaachewan Anishinaabe Nation (the "Nation") are the responsibility of management and have been approved by the Chief and Council (the "Council").

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Niisaachewan Anishinaabe Nation Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management, and external auditors. The Council is also responsible for recommending the appointment of the Nation's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Independent Auditor's Report

To the Members and Chief and Council of Niisaachewan Anishinaabe Nation:

Opinion

We have audited the consolidated financial statements of Niisaachewan Anishinaabe Nation (the "Nation"), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations and accumulated surplus, change in net financial assets (net debt) and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2020, and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

1. Operations

The Niisaachewan Anishinaabe Nation (the "Nation") is located in the Province of Ontario, and provides various services to its members.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting principles and include the following significant accounting policies:

Cash

Cash includes balances with chartered banks.

Funds held in Ottawa Trust Fund

The funds held in trust in the consolidated revenue fund of the Government of Canada are subject to audit by the office of the Auditor General of Canada. Revenue from the funds held in trust are recognized in the year in which it is earned when it is measurable and collection is reasonably assured. Trust monies consist of:

- Capital trust monies derived from non-renewable resource transactions on the sale of land or other Nation capital assets; and
- Revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

Portfolio investments

Portfolio investments not quoted in an active market are recorded at amortized cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.

Tangible capital assets

Tangible capital assets are initially recorded at cost based on historical cost accounting records. Contributed tangible capital assets are recorded at their fair value at the date of contribution.

Amortization

Tangible capital assets are amortized annually using the straight line method at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Water and Sewer - Infrastructure	straight-line	40 years
Water and Sewer - Buildings	straight-line	30 years
Electrical Systems	straight-line	20 years
Roads	straight-line	40 years
Office Furniture and Equipment	straight-line	5 years
Heavy Equipment	straight-line	10 years
Automotive	straight-line	5-10 years
Machinery and Equipment	straight-line	5 years
Community Buildings	straight-line	30 years
Band Housing	straight-line	40 years
CMHC Housing	straight-line	40 years

During the year assets under construction with a carrying value of \$2,349,072 were put into use. Amortization has been recorded for the current year.

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

2. Significant accounting policies *(Continued from previous page)*

Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from its use and disposal are less than the assets' carrying amount. Impairment is measured as the amount by which the assets' carrying value exceeds its fair value. Any impairment is included in operations for the year.

Discounted cash flows are used to measure fair value of long-lived assets.

Non-financial assets

The Nation's tangible capital assets and other non-financial assets are accounted for as assets because they can be used to provide government services in future periods. These assets do not normally provide resources to discharge the liabilities of the government unless they are sold.

Revenue recognition

Government transfers

The Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Concentra Trust Fund investment revenue

Income from trust is recorded when received.

Rent revenue

Rental revenue is recorded when the payments are received.

Other revenue

Other revenue, such as miscellaneous, reimbursements, administration, and Hydro One are recognized when services are provided and collectability is reasonably assured.

Financial instruments

All significant financial assets, financial liabilities and equity instruments on the Nation are either recognized or disclosed in the consolidated financial statements together with other information relevant for making a reasonable assessment of the future cash flows and interest rate, currency or credit risk.

Measurement uncertainty

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Accounts payable and accruals are based on historical charges for unbilled goods and services at year-end.

Amortization is based on the estimated useful lives of the tangible capital assets.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in operations in the periods in which they become known.

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

2. Significant accounting policies *(Continued from previous page)*

Segments

The Nation conducts its business through eight reportable segments: Administration, Capital, Economic Development, Education, Ontario First Nations Limited Partnership, Health, Operations and Maintenance and Social. These segments are established by senior management to facilitate the achievement of the Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the significant accounting policies.

Net financial assets (net debt)

The Nation's consolidated financial statements are presented so as to highlight net financial assets (net debt) as the measurement of financial position. The net financial assets (net debt) of the Nation is determined by its financial assets less its liabilities. Net financial assets (net debt) is comprised of two components, non-financial assets and accumulated surplus.

3. Cash

	2020	2019

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

6. Funds Held in Ottawa Trust Fund

Capital and revenue trust monies are transferred to the Nation on the authorization of the Minister of Indigenous Services Canada, with the consent of the Nation's Council.

	2020	2019
Capital Trust		
Balance, beginning of year	18,126	18,126
Balance, end of year	18,126	18,126
Revenue Trust		
Balance, beginning of year	55,489	53,818
Interest	1,445	1,671
Balance, end of year	56,934	55,489
	75,060	73,615

7. CMHC replacement reserve

During the year the CMHC debt was extinguished and the agreement fulfilled. No new debt has been obtained from CMHC as of March 31, 2020. Replacement reserve funds are no longer restricted and therefore were transferred to unrestricted net assets (deficit).

	2020	2019
Funded balance, beginning of year	38,779	34,358
Annual allocation	-	4,200
Interest earned	-	221
Transfer to unrestricted net assets (deficit)	(13,596)	-
Funded balance, end of year	25,183	38,779
Less: Unfunded portion	(25,183)	(25,183)
Replacement reserve cash at end of year	-	13,596

8. Line of credit

The Nation has an operating line of credit of \$2,500,000 for the construction of a Community Centre. This line of credit bears interest at bank prime plus 2.5% (March 31, 2020 - 4.95%), monthly payments of interest only and is due on demand while construction is taking place and the loan is being drawn down.

Once construction is complete, the line of credit will be converted to a loan with a maximum term of 15 years with interest at bank prime plus 2.5%. At March 31, 2020 the drawn down amount is \$519,088 (2019 - \$200,000). The line of credit is secured with a floating charge over all of the assets and undertakings of the Nation.

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

9. Accounts payable and accruals

	2020	2019
Trade payables	1,048,154	701,936
Tuition accrual	169,372	137,273
Accruals	92,833	76,985
Membership payable	26,200	26,200
Government remittances	26,153	140,058
Harmonized Sales Tax payable	-	21,498
	1,362,712	1,103,950

10. Funding repayable

	2020	2019
Indigenous Services Canada	505,037	505,037

11. Deferred revenue

Deferred revenue consists of revenue that has not yet been allocated to projects, revenue that has been allocated to projects to be carried out in future years, and the unexpended portion of revenue on projects in progress at March 31, 2020.

The following table represents changes in the deferred revenue balance attributable to each major category of external restriction:

	Balance March 31, 2019	Funding Received 2020	Other Revenue (Recoveries) 2020	Revenue Recognized 2020	Balance March 31, 2020
Federal Government					
Capital	57,000	284,948	11,187	308,135	45,000
Economic Development	-	93,200	595,392	297,177	391,415
Education	10,470	2,187,579	(2,372)	2,195,677	-
OFNLP	-	-	625,379	278,311	347,068
Health	-	452,515	711,640	1,149,442	14,713
Operations and Maintenance	92,084	286,234	39,980	353,952	64,346
Social	-	286,262	816,301	1,092,861	9,702
	159,554	3,590,738	2,797,507	5,675,555	872,244

12. Term loans due on demand

The Nation has a term loan of \$2,000,000 for a community payout. This loan is payable on July 31, 2020 or on demand with interest at bank prime plus 1.25% (March 31, 2020 - 3.70%). The drawn amount as at March 31, 2020 is \$1,015,000. Loan is secured by a Band Council resolution agreeing to repay the loan in full upon receiving financial compensation for the settlement of the Nation's flood claim. Subsequent to year end an amendment to the loan was made to change the due date to December 16, 2020. All other terms remain the same.

Niisaachewan Anishinaabe Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2020

17. Ontario First Nations Limited Partnership

Commencing with the 2012 fiscal year and in each fiscal year thereafter during the initial and renewal terms of the agreement between the Province of Ontario and Ontario First Nations Limited Partnership (OFNLP), the Province of Ontario shall pay to OFNLP 12 monthly payments equal to one-twelfth of 1.7% of the aggregate provincial gross gaming revenues. OFNLP then distributes to the Nation its share of these revenues according to a formula used for that purpose. The use of these funds, according to agreements, is restricted to community development, health, education, cultural development and economic development and permitted interim investments.

The Nation holds a unit in the Ontario First Nations Limited Partnership, and a share in a related company Ontario First Nations General Partner Inc.

18. Economic dependence

The Nation receives 35% (2019 - 33%) of its revenue from Indigenous Services Canada (ISC) as a result of treaties entered into with the Government of Canada. These treaties are administered by ISC under the terms and conditions of the Indian Act. The ability of the Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these treaties.

19. Contingent liabilities

The Nation has entered into contribution agreements with various government departments. Funding received under these contribution agreements is subject to repayment if the Nation fails to comply with the terms and conditions of the agreements.

20. Budget information

The disclosed budget information has been approved by the Chief and Council, and presented to the members of the Nation.

21. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.

22. Significant event

During the year there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses and organizations through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Nation as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

23. First Nation Financial Transparency Act

The Nation is required by the First Nation Transparency Act to post its consolidated financial statements on a website and submit the consolidated financial statements to ISC by July 29, 2020. As the audit report is dated after this date the First Nation is not in compliance with this requirement. The possible effect of this non-compliance has not yet been determined.
