SAINT MARY'S FIRST NATION

MARCH 31, 2014

MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of Saint Mary's First Nation are the responsibility of management and have been approved by Chief and Council.

These consolidated financial statements have been prepared by management in accordance with the Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgements of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The First Nation Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Teed Saunders Doyle & Co., conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Saint Mary's First Nation and meet when required.

INDEPENDENT AUDITORS' REPORT

To the Chief and Band Councilors of Saint Mary's First Nation

We have audited the accompanying consolidated financial statements of Saint Mary's First Nation, which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statements of operations, changes in net debt and cash flows, and schedules for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Saint Mary's First Nation as at March 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SAINT MARY'S FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

1. Description of Entity

The Saint Mary's First Nation operates a First Nations Band in Fredericton, New Brunswick for the benefit of its members.

2. Significant Accounting Policies

Basis of Accounting

These financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

Reporting Entity

The Saint Mary's First Nation reporting entity includes the Saint Mary's First Nation government and all related entities that are controlled by the First Nation.

Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Saint Mary's First Nation's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Saint Mary's First Nation.

Organizations consolidated in the Saint Mary's First Nation's financial statements include:

- Band Support Fund
- Housing Fund
- Welfare Fund
- Post Secondary Education Program
- Health Program
- Saint Mary's Retail Sales Program Operation
- Saint Mary's Leasing Company Ltd.
- Aboriginal Skills and Employment Training Strategy
- Logging Program
- Saint Mary's CMHC Housing

The consolidated statements also include an investment in the Saint Mary's Economic Development Corporation (note 14) using the modified equity method.

Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, and prepaid expenses.

SAINT MARY'S FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

2. Significant Accounting Policies (cont'd)

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and cash in bank accounts.

Accounts Receivable and Contributions Receivable

Accounts receivable and contributions receivable arise from trade receivables, loans and advances, and federal and provincial government funding. An allowance for bad debts has been calculated, through discussions with management, assessment of the other circumstances influencing the collectability of amounts, and using historical loss experience. Amounts deemed uncollectable are written off and deducted from the carrying value of the receivable. Amounts subsequently recovered from accounts previously written off are credited to the allowance account in the period of recovery.

Inventory

Inventory is recorded at the lower of cost and net realizable value. Cost is determined on the first in, first out basis.

Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods or delivering services.

Tangible capital assets are reported at net book value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Amortization is provided annually, at rates calculated to write-off the assets over their estimated useful lives as follows:

Housing/Buildings	4% Straightline and declining balance
Paving	5% Straightline
Pool	10% Straightline
Equipment	10% Straightline and 20% declining balance
Computer equipment	25% Straightline
Vehicles	20% Straightline

Employee Future Benefits

Provision is made for benefits accruing to employees in respect of wages and salaries, sick leave, annual vacation leave, and defined contributions to employee benefit plans when it is probable that settlement will be required and they are capable of being measured reliably.

SAINT MARY'S FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

2. Significant Accounting Policies (cont'd)

Net Debt

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its liabilities less its financial assets. Net debt is comprised of two components, non-financial assets and accumulated surplus.

Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service is performed.

Expense Recognition

Expenses are recorded on the accrual basis as they are incurred and measurable based on receipt of goods or services and obligation to pay.

Foreign Currency Translation

Assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the exchange rate in effect at the balance sheet date. Revenues and expenses denominated in foreign currencies are translated using the average exchange rate for the year.

Income Taxes

The First Nation is an Indian Band and is not subject to income tax. Accordingly, no provision has been made for income taxes.

SAINT MARY'S FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

2. Significant Accounting Policies (cont'd)

Measurement Uncertainty

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

Significant estimates pertaining to these financial statements include the determination of amortization rates and residual values of tangible capital assets.

Financial Instruments Policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale or issue of financial instruments are expensed when incurred.

3. Cash

Cash is comprised of the following:

	<u>2014</u>	<u>2013</u>
Externally restricted		
Moveable assets reserve	\$ 77,996	\$ 69,719
Trust funds held by federal government	<u>4,190</u>	<u>4,086</u>

2017	1,132,678
2018	1,126,783
2019	1,020,801

11. Financial Instruments

Saint Mary's First Nation is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the company's risk exposure and concentration as of March 31, 2014.

Liquidity Risk

Liquidity Risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The company is exposed to this risk mainly in respect of its payment of funds for accounts payable and long term debt.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the entity manages exposure through its normal operating and financing activities. Saint Mary's First Nation is exposed to interest rate risk primarily through floating interest rates on certain bank loans.

12. Reconciliation of Aboriginal Affairs and Northern Development Canada (AANDC) Funding

	2014	2013

13. Trust Funds Held by Federal Government

Trust fund accounts arise from moneys derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

	Opening Balance	Additions	Withdrawals	Closing Balance	2014 Total	2013 Total

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

14. Investment in Government Business Enterprises (cont'd)

Contractual obligations and contingencies to be disclosed:

Saint Mary's Economic Development Corporation

Saint Mary's Economic Development Corporation is contingently liable for guaranteed loans of \$3,845,873 on debt owing from Saint Mary's First Nation to Canadian Imperial Bank of Commerce. The loans guaranteed are supported by general security agreements.

Retail Sales Program Operation

Saint Mary's First Nation Retail Sales Program Operation has entered into supply agreement with its most significant supplier as follows:

- Agreement reached in principle, but not yet signed, with TRA Atlantic to purchase virtually all merchandise for sale in the Saint Mary's Grocery Store for a fifteen year period ending May, 2018.

This entity is a division of Saint Mary's First Nation (the Band) and as such its assets are subject to the provisions of general security arrangements entered into by the Band. The Band has entered into general security arrangements with CIBC to secure loans and other liabilities in the amount of approximately \$6,000,000.

15. Inventories for Resale

	<u>2014</u>	<u>2013</u>
Retail Sales Program Operation	\$ <u>922,835</u>	\$ <u>683,524</u>
