**FINANCIAL STATEMENTS**  
**FOR THE YEARS ENDED MARCH 31, 2014 AND 2013**

**MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS**

The consolidated financial statements of Anishinabe of Wauzhushk Onigum Nation are the responsibility of management and have been approved by Chief and Council.

Management is responsible for the integrity and objectivity of the financial statements. Estimates are necessary in the preparation of these financial statements and, based on careful judgments, have been properly reflected. Management has established systems of internal control, which are designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use and to produce reliable accounting records for the preparation of financial information.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The financial statements have been audited by Holukoff Chiarella in accordance with Canadian generally accepted auditing standards on behalf of the Members. Holukoff Chiarella have full and free access to Council.

### INDEPENDENT AUDITORS' REPORT

To the Chief, Council and Members of  
Anishinabe of Wauzhushk Onigum Nation

We have audited the accompanying consolidated financial statements of Anishinabe of Wauzhushk Onigum Nation, which comprise the consolidated statements of financial position as at March 31, 2014 and 2013 and the consolidated statements of accumulated surplus, consolidated statements of operations, consolidated statements of change in net debt and consolidated statements of cash flows for the years then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

## INDEPENDENT AUDITORS' REPORT- CONTINUED

### **Basis for Qualified Opinion**

The First Nation has undertaken to identify the total cost of tangible capital assets not previously recorded and any impairment or related amortization attributed to each of those assets. The full extent of these unrecorded assets and appropriate amortization is not determinable at the date of the audit report. As a result we were unable to determine what further adjustments, if any, might be necessary to tangible capital assets, annual surplus and accumulated surplus.

These financial statements consolidate the unaudited assets, liabilities and results of operations for the Golden Eagle Charitable Casino and Entertainment Centre, Kineew Day Care and Wauzhushk Onigum Foundation. Therefore we were unable to determine whether any adjustments might be necessary to the financial results.

### **Qualified Opinion**

In our opinion, except for the effect of adjustments, if any, which might have determined to be necessary, as detailed in the preceding paragraphs, the financial statements present fairly, in all material respects, the consolidated financial position of Anishinabe of Wauzhushk Onigum Nation as at March 31, 2014 and 2013, and its financial performance and its cash flows for the years then ended in accordance with Canadian generally accepted accounting principles.

**ANISHINABE OF WAUZHUSHK ONIGUM NATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEARS ENDED MARCH 31, 2014 AND 2013**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the Public Sector Accounting and Auditing handbook of the Canadian Institute of Chartered Accountants.

**a) Reporting Entity**

These financial statements are presented on a consolidated basis which include the Not-For-Profit organizations and unincorporated business operations which are owned and/or controlled by Anishinabe of Wauzhushk Onigum Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following funds and entities which use accounting principles which lend themselves to consolidation. These entities include:

- Golden Eagle Casino and Charitable Entertainment Centre
- Wauzhushk Onigum Foundation
- Kinew Day Care

All inter-entity balances have been eliminated on summarization; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

Wauzhushk Onigum Nation incorporated business entities, owned or controlled by the Nation's Council but not dependent on the Nation for their continuing operations, are included in the financial statements using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform to those of the Nation. Thus the Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. An entity accounted for by the modified equity basis is the Ozhushk-Onegaming Corporation.

Long-term investment in non-consolidated entities is recorded at the lower of cost or net realizable value.

**b) Fund Accounting**

Anishinabe of Wauzhushk Onigum Nation uses fund accounting procedures that result in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The funds have been amalgamated for the purpose of presentation in the financial statements.

Anishinabe of Wauzhushk Onigum Nation maintains the following funds:

- Ottawa Trust fund reports on trust monies owned by the First Nation and held by third parties.
- Replacement Reserve Fund reports on the CMHC replacement reserve.
- Operating fund reports the unrestricted net assets related to general activities of the First Nation.
- Enterprise Fund reports investments of incorporated business entities owned and controlled by the First Nation.

FOR THE YEARS ENDED MARCH 31, 2014 AND 2013

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued

c) Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods and delivering services. The organization does not capitalize computer software.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artefacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

d) Amortization

Social housing assets acquired under CMHC sponsored programs are amortized at a rate equivalent to the annual principal reduction in the related long-term debt, which approximates its economic life. Amortization for other tangible capital assets is provided using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives, as follows:

|                     | <u>Method</u>     | <u>Rate</u> |
|---------------------|-------------------|-------------|
| Infrastructure      | Declining balance | 4%          |
| Community buildings | Declining balance | 4%          |
| Computer equipment  | Declining balance | 30%         |
| Heavy equipment     | Declining balance | 30%         |
| Equipment           | Declining balance | 20%         |
| Automotive          | Declining balance | 30%         |

e) Net Debt/Net Financial Assets

The organization's financial statements are presented so as to highlight net debt/net financial assets as the measurement of financial position. The net debt/net financial assets of the organization are determined by its financial assets less its liabilities.

f) Revenue Recognition

Government transfer revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period is reflected as deferred revenue on the statement of financial position in the year of receipt, and is matched with the related department expenditures in the year of their occurrence.

g) Deferred Revenue

Deferred revenue represents funding received or receivable under the terms of their respective funding arrangements for specified purposes and for which the related expenses have not been incurred. Unspent funding or expenses made which are not in accordance with the terms of the funding arrangements may constitute a debt to the funding authority upon review of the funding arrangement expenses. Note 11 provides a summary of deferred revenue by project.

**FOR THE YEARS ENDED MARCH 31, 2014 AND 2013**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**h) Financial Instruments**

The organization's financial instruments consist of cash resources, cash held in trust by legal representative, accounts receivable, loan receivable, Ottawa Trust Funds, accounts payable and accruals, amounts due to related First Nation entities and long-term debt. Unless otherwise noted, it is management's opinion that the organization is not exposed to significant interest, currency or credit risk arising from these financial instruments. The fair market value of these financial instruments approximate their carrying charges.

**i) Use of Estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.

**j) Economic Dependence**

The First Nation receives the majority of its annual operations revenue pursuant to an agreement with Aboriginal Affairs Northern Development Canada.

5. LOAN RECEIVABLE

Loan advanced to Ozhushk-Onegaming Corporation, a band controlled entity, for the building of a new marina store and gas bar. Payments of \$10,086, including interest at 6.49%, are payable monthly. The loan is due June 26, 2015, and is unsecured. No payments were made during the current year.

6. DUE FROM RELATED FIRST NATION ENTITIES

The amount due from related First Nation entities is due from Ozhushk-Onegaming Corporation, a band controlled entity, and is due on demand, without interest and is unsecured.

7. REPLACEMENT RESERVE

Under agreements with CMHC, the First Nation has established a replacement reserve, perpetuated by an annual allocation of funds to ensure replacement of buildings financed by CMHC as follows:

Project No.

A subsidy surplus reserve may also be established by retaining excess federal assistance payments received plus interest. Reserve funds may be used to meet future subsidy requirements of income test occupants, over and above the maximum federal assistance. As at March 31, 2014, no subsidy surplus reserve has been established.

In accordance with terms of the agreements, CMHC reserve monies must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

## 15. ASSETS UNDER CONSTRUCTION

Capital projects under construction at year end are recorded at cost and are segregated as part of the non-financial assets. As the construction of these assets is completed, they are added to the appropriate tangible capital asset category. Amortization is not taken until the asset is put into use.

The net changes in assets under construction for the year are as follows:

## 16. ACCUMULATED SURPLUS

A portion of this balance includes surpluses and/or deficits from funds contributed by government agencies. Such surpluses/deficits may be subject to repayment or recovery by the contributing agencies, depending on the terms and conditions of the relevant agreements. Repayments or recoveries are reflected in the year in which they are repaid or received.

## 17. COMPARATIVE AND BUDGET FIGURES

Certain prior year comparative amounts have been reclassified to conform to the current year financial statement presentation. The budget figures are unaudited.
