## Management's Responsibility for Financial Reporting

---

The accompanying consolidated financial statements of the Iskatewizaagegan No. 39 Independent First Nation are the responsibility of management and have been approved by the Chief and Council of the Band.

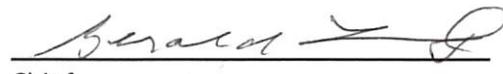

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

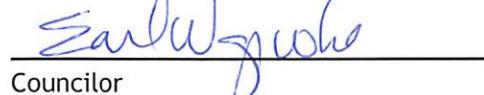

The First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the First Nation's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the financial statements and the external auditor's report. The Chief and Council takes this information into consideration when approving the financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The financial statements have been audited by BDO Canada LLP in accordance with Canadian auditing standards on behalf of the members. BDO Canada LLP has full access to the First Nation Council.

## Independent Auditor's Report

To the Chief and Council of Iskatewizaagegan No. 39 Independent First Nation

### **Qualified Opinion**

We have audited the consolidated financial statements of Iskatewizaagegan No. 39 Independent First Nation and its entities (the Group), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statement of operations, consolidated statement of changes in net debt and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for matters described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at March 31, 2019, and its consolidated results of operations, its consolidated changes in net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Qualified Opinion**

The Summary of Significant Accounting Policies describes the capitalization policies with respect to the First Nation's tangible capital assets. The First Nation has not completed an assessment of their tangible capital assets with respect to PS 3150 Tangible Capital Assets adoption. The capital assets recorded are only those assets that have been acquired since 1996 and as such the tangible capital asset amounts reported may not be complete. The First Nation has not reviewed the remaining useful lives or condition of recorded capital assets which may impact the valuation of capital assets and the accuracy and completeness of accumulated amortization. This caused us to modify our audit opinion on the financial statements relating to the years ended March 31, 2019 and 2018. Accordingly, we were unable to determine whether any adjustments might be necessary to tangible capital assets, accumulated amortization and accumulated surplus as at April 1, 2018 and 2017 and March 31, 2019 and 2018 and amortization expense and annual surplus (deficit) for the years ended March 31, 2019 and 2018.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

#### **Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Iskatewizaagegan No. 39 Independent First Nation Summary of Significant Accounting Policies

**March 31, 2019**

---

<b>Basis of Accounting</b>	<p>These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the CPA Canada Public Sector Accounting Handbook.</p> <p>These consolidated financial statements were prepared using the accrual basis of accounting. The accrual basis recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipts of goods or services and the creation of a legal obligation to pay.</p>
<b>Basis of Consolidation</b>	<p>The Iskatewizaagegan No. 39 Independent First Nation reporting entity includes the Iskatewizaagegan No. 39 Independent First Nation government and all related entities which are accountable to the First Nation and are either owned or controlled by the Iskatewizaagegan No. 39 Independent First Nation.</p>
<b>Revenue Recognition</b>	<p>Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.</p> <p>Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the specific purpose.</p> <p>Revenue from the Shoal Lake Landing and Mr. Bubbles Laundromat is recognized at point of sale.</p>
<b>Use of Estimates</b>	<p>The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make assumptions and estimates that have an effect on the reported amounts of assets and liabilities and disclosure at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could be different from those estimates. Accounts subject to significant estimates include allowance for doubtful accounts receivable, useful lives of tangible capital assets and surpluses repayable.</p>
<b>Inventories for Resale</b>	<p>Inventories consist of goods for resale at Shoal Lake Landing and are valued at the lower of cost and net realizable value.</p>

## Iskatewizaagegan No. 39 Independent First Nation Summary of Significant Accounting Policies

**March 31, 2019**

---

**Capital Assets** Prior to April 1, 1996, acquired tangible capital assets were recognized as operating expenses and were not reported in the consolidated statement of financial position.

Subsequent to March 31, 1996, capital assets are stated at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital assets including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs.

Amortization is recorded over the estimated useful life of the tangible capital asset commencing once the asset is available for productive use using the declining balance basis at the following annual rates:

Housing	5% and 10%
Infrastructure	4 and 10%
Community buildings and renovations	10%
Equipment	10%
Laundromat investment	5 and 6%
Computer equipment	30%
Gravel pit	10%
Vehicles	30%

**Pension Plan** The First Nation maintains a defined contribution pension plan for its personnel. Expenses for this plan are equal to the First Nation's required contribution for the year.

**Temporary Investments** Temporary investments are recorded at cost, unless the market value has declined below cost, in which case they are written down to market value.

These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. The First Nation is permitted to use its revenue for any purpose that will promote the general progress and welfare of the First Nation and First Nation members. The expenditure of capital funds requires the consent of Indigenous and Northern Affairs Canada and generally must be for projects of a capital nature.

The net book value of tangible capital assets not being amortized because they are under construction or development or otherwise not yet available for use is \$94,500 (2018 - \$732,917).

For the year ending March 31, 2011, the First Nation was required to comply with Section 3150, Tangible capital assets of the Public Sector Accounting Board Handbook. Section 3150 requires the capitalization and amortization of tangible capital assets in the financial statements. As at March 31, 2019, this has not been completed. As a transitional provision, Public Sector Guideline - 7, Tangible Capital Assets of Local Governments, requires disclosure of information for each major class of tangible capital assets for which all the relevant information can be provided for the complete stock of tangible capital assets of that category. The First Nation has completed inventories of several categories of tangible capital assets, however total amounts for cost and accumulated amortization have not been completed.

### 10. Accumulated Surplus

The First Nation segregates its accumulated surplus into the following categories:

	2019	2018
Current funds	\$ (104,340)	\$ (501,109)
Investment in capital assets	12,991,588	12,702,585
Replacement reserve	53,642	49,804
Ottawa Trust Funds (Note 4)	<u>66,416</u>	<u>64,909</u>
	<u><u>\$ 13,007,306</u></u>	<u><u>\$ 12,316,189</u></u>

Current funds represent the general activities of the First Nation.

The investment in capital assets represents amounts already spent and invested in capital assets.

The replacement reserve reports on the CMHC replacement reserve activities.

---

### 11. Defined Contribution Pension Plan

The expense for the First Nation's pension plan for the year was \$112,371 (2018 - \$101,674). The plan is funded equally by the organization and the First Nation's employees at rates of 3%, 5% or 8% of the employee's salary. The funds are invested in segregated funds as directed by the First Nations' individual employees' investment directives.

---

### 12. Segmented Information

Iskatewizaagegan No. 39 Independent First Nation is a local government that provides a wide range of services to its citizens and members, including band support, economic development, social services, infrastructure, training and education, health, child care and commercial enterprises. The Casino Rama segment includes the use of funds received under Ontario First Nations Limited Partnership agreements.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Operations and maintenance fee allocations have been made to each building based on a percentage of overall maintenance costs. Administrative fees, based on a percentage of revenues, have been allocated to programs where permitted by the funder.

### 14. Contingent Asset

The First Nation is under ongoing negotiations with the Government of Canada and Province of Ontario regarding farming lands, Garden Islands and flooding claims. It is likely that these claims will result in a financial settlement in favour of the First Nation but the amount remains uncertain. Contingent assets are not recorded in these consolidated financial statements.

---

### 15. Budget

The program budgets approved by Chief and Council were not prepared on a basis consistent with that used to report actual financial statement results (Public Sector Accounting Standards). The budgets were prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budgets expensed all capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statement of operations and changes in net debt represent the budgets adopted by Council with adjustments as follows. As well, the budget approved by Chief and Council was not prepared on a consolidated basis and does not include all of the activities of the First Nation. As a result, budget figures are only presented on where available.

Budget surplus	\$ 632,566
Add:	
Capital expenditures	683,103
Budgeted payments of long term debt	<u>100,000</u>
Budget surplus per statement of operations	<u>\$ 1,415,669</u>

### **16. Subsequent Events**

Subsequent to the year-end, the First Nation entered into an agreement to purchase the assets of a tourist camp at a cost of \$1,743,000.

Also subsequent to the year-end, the First Nation entered into a financing agreement with the First Nations Finance Authority authorizing borrowing of not more than \$4,383,000, with an initial draw requested July 3, 2019 of \$1,369,000 with interest payable at 2.72%.

---

### **17. Contingent Liabilities**

The First Nation was been co-named in a claim for \$17.1 million in damages, plus interest and legal costs. Subsequent to the year-end, the claim was settled by the insurers but the settlement requires court approval. Any loss to the First Nation is expected to nil.
