## Management's Responsibility for Financial Reporting

---

The accompanying consolidated financial statements of Wabigoon Lake Ojibway Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council of the Band.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting principles. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the Band's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the Members. BDO Canada LLP has full access to the Band Council.

## Independent Auditors' Report

**To the Members of  
Wabigoon Lake Ojibway Nation**

We have audited the accompanying consolidated financial statements of Wabigoon Lake Ojibway Nation, which comprise the consolidated statement of financial position as at March 31, 2015, and the consolidated statements of operations and accumulated surplus, change in net debt, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our qualified audit opinion.

#### **Basis for Qualified Opinion**

We have consolidated the financial statements of government business enterprises owned by the First Nation using the modified equity method. We have not examined or expressed an opinion on all of these enterprises. We have been unable to determine whether there would be any adjustments to investments in incorporated business entities, equity in incorporated business entities or income of the incorporated business entities, had we audited these financial statements for the years ended March 31, 2014 and 2015.

The First Nation derives some of its revenue from fundraising efforts, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the organization and we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenue over expenses and cash flows from operations for the years ended March 31, 2015 and 2014, current assets as at March 31, 2015 and 2014 and net assets as at April 1 and March 31 for both the 2015 and 2014 years.

Our audit opinion for the year ended March 31, 2014 was modified accordingly because of the possible effects of these limitations in scope.

#### **Qualified Opinion**

In our opinion, except for the possible effects of matter described in the Basis for Qualified Opinion paragraph, the consolidated financial statements present fairly, in all material respects, the financial position of Wabigoon Lake Ojibway Nation as at March 31, 2015, and the results of its operations and cash flows for the year then ended in accordance with Canadian public sector accounting principles.

## Wabigoon Lake Ojibway Nation Summary of Significant Accounting Policies

March 31, 2015

**Basis of Presentation** These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting standards for governments, as defined by the Public Sector Accounting Board.

**Investment in Common Shares** Investment in common shares is recorded at fair value.

**Tangible Capital Assets** Tangible capital assets are recorded at cost less accumulated amortization. Cost includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization of these assets is recorded on a straight-line basis commencing in the year of acquisition or construction as follows:

General and CMHC Housing	5%
Infrastructure and Community Buildings	5%
Equipment	20%
Automotive	30%

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

Assets under construction are not amortized until the asset is available to be put into service.

**Reporting Entity and  
Principles of  
Financial Reporting**

Wabigoon Lake Ojibway Nation reporting entity includes the Wabigoon Lake Ojibway Nation government and related entities which are accountable to the First Nation and are either owned or controlled by the First Nation. These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

- Wabigoon Lake Ojibway Nation Fundraising Account
- Wabigoon Lake Ojibway Nation CMHC
- Wabigoon Saaga'igan Anishinaabeg Development Corporation

Incorporated business entities, which are owned or controlled by Wabigoon Lake Ojibway Nation and which are not dependent on the First Nation for their continuing operations are included in the financial statements using the modified equity method. These include:

- Wabigoon Anishnaabe Gitigewin Corporation (o/a Wabigoon Lake Tree Nursery)
- 1013215 Ontario Inc. (o/a Wabigoon Lake Community Store)
- WLON Distribution Ltd.
- WLON Distribution, LP
- Wabigoon Lake Ojibway Nation General Partner Inc.

These financial statements do not include the following:

**Wabigoon Lake Ojibway Nation Trust**

The First Nation entered into a Flooding Claim Settlement Agreement with the government of Ontario. Under the agreement, the First Nation agreed to create the Wabigoon Lake Ojibway Nation Trust (the "Trust") to manage and administer certain monies to be paid for the acquisition or construction of long-term community assets and other implementation administration. The Trust was created February 17, 2012. The beneficiary of the Trust is Wabigoon Lake Ojibway Nation. The Trust is managed and controlled by a Board of Trustees.

**Revenue Recognition** Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the specific purpose.

Rental and user fee revenue is recognized on a monthly basis as income is earned and when collection is reasonably assured.

Sale of goods and other revenue from services provided is recognized when title passes to the buyer and/or when services have been rendered and the transaction can be reasonably assured.

**Use of Estimates** The preparation of the consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have impact on future periods.

### 6. Temporary Borrowings

The bank indebtedness is due on demand and bears interest at prime plus 2% payable monthly. The bank indebtedness is secured by a general security agreement covering a school bus and various band council resolutions with respect to asset purchases and borrowing.

The credit facility letter signed with the bank has certain reporting requirements, specifically to not record a cumulative operating deficit in the current fiscal year. This covenant has been met. As well, the reporting requirements of providing the bank with annual audited financial statements within 150 days of the fiscal year end will not be met in the current year.

### 19. Segmented Information

Wabigoon Lake Ojibway Nation is a diversified local government that provides a wide range of services to its citizens and members, including band support, Casino Rama, infrastructure, health, flood claims, economic development, social services, fundraising, education and training, CMHC and commercial enterprises.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Administrative fees, based on a percentage of revenues, have been allocated to programs where permitted by the funder.
