## Management's Responsibility for Financial Reporting

## To the Members Naotkamegwanning First Nation

The accompanying consolidated financial statements of Naotkamegwanning First Nation are the responsibility of the First Nation's management, and have been approved by the Chief and Council of the First Nation.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

The Band Council is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the financial statements.

The Band Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the financial statements and the external auditors' report.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to financial management of Naotkamegwanning First Nation and meet when required.

## Independent Auditor's Report

---

**To Chief and Council  
Naotkamegwanning First Nation**

**Qualified Opinion**

We have audited the consolidated financial statements of the Naotkamegwanning First Nation and its entities (the Group), which comprise the consolidated statement of financial position as at March 31, 2023, and the consolidated statement of operations, consolidated statement of changes in net debt, consolidated statement of remeasurement gains and losses and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2023, and its consolidated results of operations, its consolidated changes in net debt, its consolidated remeasurement gains and losses, and its consolidated cash flows for the year then ended in accordance with Public Sector Accounting Standards.

**Basis for Qualified Opinion**

Effective April 1, 2022, the Group was required to adopt PS 3280 Asset Retirement Obligations which requires the recognition of legal obligations associated with the retirement of tangible capital assets by public sector entities. Under the modified retroactive application method, the asset retirement obligation on transition is to be recorded using assumptions as of April 1, 2022. The corresponding asset retirement cost is added to the carrying value of the related tangible capital assets adjusted for amortization since the time the legal obligation was incurred. The net adjustment is charged to accumulated surplus. Comparative figures are to be restated to reflect this change in accounting policy. Management has not completed its assessment of the tangible capital assets for potential asset retirement obligations. As a result, it is not possible to quantify the impact of this departure from Canadian public sector accounting standards on expenses and annual surplus for the years ended March 31, 2023 and 2022, tangible capital assets and the asset retirement obligation as at March 31, 2023 and 2022, and accumulated surplus as at April 1 and March 31 for both the 2023 and 2022 years.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Naotkamegwanning First Nation Summary of Significant Accounting Policies

**March 31, 2023**

---

<b>Basis of Accounting</b>	These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities as defined in the CPA Canada Public Sector Accounting Handbook.												
<b>Reporting Entity</b>	The Naotkamegwanning First Nation reporting entity includes the Naotkamegwanning First Nation government and all related entities that are controlled by the First Nation. This includes all aspects of band operations including provision of social, educational, administrative, housing, child and family, economic development and operational services.												
<b>Basis of Consolidation</b>	All controlled entities are fully consolidated on a line-by-line basis. Inter-organizational balances and transactions are eliminated upon consolidation.  Organizations consolidated in Naotkamegwanning First Nation's consolidated financial statements include:  Naotkamegwanning First Nation Naotkamegwanning Education Authority Naotkamegwanning Health and Social Services Shawendaasowin Child and Family Services												
	The government business enterprise is a separate legal entity which does not rely on the First Nation for funding. The investment in the government business enterprise is accounted for using the modified equity method. Under this method, the government business enterprise's accounting policies are not adjusted to conform with Public Sector Accounting Standards and inter-entity transactions and balances are not eliminated. The Paagitoon Limited Partnership was the only government business enterprise reflected in the consolidated statements.												
<b>Tangible Capital Assets</b>	Tangible capital assets are reported on the consolidated statement of financial position at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.  Amortization is recorded over the estimated useful life of the tangible capital assets commencing once the asset is available for productive use with annual rates as follows:												
	<table><tbody><tr><td>Buildings</td><td>- 40 years straight line</td></tr><tr><td>Sewer and water</td><td>- 40 years straight line</td></tr><tr><td>Housing</td><td>- 20 years straight line</td></tr><tr><td>Roads and streets</td><td>- 10 years straight line</td></tr><tr><td>Automotive equipment</td><td>- 4 years straight line</td></tr><tr><td>Furniture and equipment</td><td>- 4 to 10 years straight line</td></tr></tbody></table>	Buildings	- 40 years straight line	Sewer and water	- 40 years straight line	Housing	- 20 years straight line	Roads and streets	- 10 years straight line	Automotive equipment	- 4 years straight line	Furniture and equipment	- 4 to 10 years straight line
Buildings	- 40 years straight line												
Sewer and water	- 40 years straight line												
Housing	- 20 years straight line												
Roads and streets	- 10 years straight line												
Automotive equipment	- 4 years straight line												
Furniture and equipment	- 4 to 10 years straight line												

Tangible capital assets are written down when conditions indicate that they no longer contribute to Naotkamegwanning First Nation's ability to provide services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. Any net write-downs are accounted for as expenses in the consolidated statement of operations.

<b>Revenue Recognition</b>	<p>Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.</p> <p>Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Interest on investments is recognized as it is earned. Gains or losses on the disposal of investments are recognized once the transaction takes place.</p>
<b>Financial Instruments</b>	<p>Cash and equity instruments quoted in an active market are measured at fair value. Accounts receivable, accounts payable, and long-term debt are measured at cost or amortized cost. The carrying amount of each of these financial instruments is presented on the statement of financial position.</p> <p>Unrealized gains and losses from changes in the fair value of financial instruments are recognized in the statement of remeasurement gains and losses. Upon settlement, the cumulative gain or loss is reclassified from the statement of remeasurement gains and losses and recognized in the statement of operations. Interest and dividends attributable to financial instruments are reported in the statement of operations.</p> <p>When investment income and realized and unrealized gains and losses from changes in the fair value of financial instruments are externally restricted, the investment income and fair value changes are recognized as revenue in the period in which the resources are used for the purpose specified.</p> <p>All financial assets are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations.</p> <p>Transaction costs are added to the carrying value for financial instruments measured using cost or amortized cost. Transaction costs are expensed for financial instruments measured at fair value.</p>
<b>Use of Estimates</b>	<p>The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.</p>
<b>Pension Plan</b>	<p>The First Nation maintains a defined contribution pension plan for its personnel. Expenses for this plan are equal to the First Nation's required contribution for the year.</p>

The following provides an analysis of financial instruments that are measured at fair value, using a fair value hierarchy of levels 1, 2 and 3. The levels reflect the significance of the inputs used in making the fair value measurements, as described below:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (i.e. as prices) or indirectly (i.e. derived from prices)
- Level 3 – Inputs for the asset or liability that are not based on observable market data (unobservable inputs)

The RBC Dominion Securities are considered level 1. During the year, there have been no transfers between levels.

The trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. These funds are restricted for their use, of which the Band is generally permitted to use for a purpose that will promote the general progress and welfare of the Band and Band members. The management of these funds is primarily governed by the sections of the Indian Act.

Trust funds administered by Indigenous Services Canada for the benefit of the First Nation have not been included in the statement of financial position nor have the operations been included in the statement of financial activities.

**13. Budget**

The budget approved by Chief and Council was not prepared on a basis consistent with that used to report actual financial statement results (Public Sector Accounting Standards). The budgets were prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budgets expensed all capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statement of operations and changes in net debt represent the budgets adopted by Council with adjustments as follows. As well, the budget approved by Chief and Council was not prepared on a consolidated basis and does not include all of the activities of the First Nation. As a result, budget figures are only presented on where available.

### **15. Defined Contribution Pension Plan**

Naotkamegwanning First Nation provides a defined contribution plan for eligible employees. The plan is funded equally by the First Nation and the First Nation employees at rates of 6% of the employee's salary. The funds are invested in segregated funds as directed by the First Nations' individual employees' investment directives.

The expense for the First Nation's pension plan for the year was as follows:

	<b>2023</b>	<b>2022</b>
Band employees	\$ 90,144	\$ 108,445
Education Authority employees	149,337	140,437

### **16. Flood Claim Settlement**

During the year, The First Nation finalized negotiations with the Government of Canada and Province of Ontario regarding flooding claims. In July 2022, the First Nation approved Canada's and Ontario's offer for compensation for settlement of the Flood Claim. The settlement was ratified and the settlement agreement was executed with Ontario and Canada that addresses matters including but not limited to assessment, releases, return of island and addition to reserve lands. The combined settlement amount was \$88.4 million which was paid in its entirety to the Naotkamegwanning Community Trust. During the year \$25.4 million was utilized to settle legal fees and for per capita distributions, as outlined in the trust agreement.

---

### **17. Contractual Rights**

The First Nation has an ongoing Impact Benefit Agreement with New Gold Inc. in which the First Nation receives metal production payments based on actual production with a minimum of \$125,000 per year, royalty payments based on New Gold Inc.'s share price with a minimum of \$125,000 annually and an annual education payment of \$50,000, until all metal production at the Rainy River Project ceases.

**March 31, 2023**

---

### **18. Financial Instrument Risk Management**

The First Nation is exposed to credit risk, liquidity risk, interest rate risk and other price risk from its financial instruments. This note describes the First Nation's objectives, policies and processes for managing those risks and the methods used to measure them. Further qualitative and quantitative information in respect of these risks is presented below and throughout these financial statements.

#### **Credit Risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The is exposed to credit risk through its cash and accounts receivable.

#### ***Trade, grant and other receivables***

As at March 31	2023			2022		
	Accounts receivable	Less: Impairment Allowance	Total	Accounts receivable	Less: Impairment Allowance	Total
Current	\$ 3,235,364	\$ (179,810)	\$ 3,055,554	\$ 3,917,312	\$ (180,145)	\$ 3,737,167

<b>Total</b>	<b>\$ 3,454,192</b>	<b>\$ (179,810)</b>	<b>\$ 3,274,382</b>	<b>\$ 3,917,312</b>	<b>\$ 122,786</b>	<b>\$ 4,040,098</b>

#### **Liquidity Risk**

Liquidity risk is the risk that the First Nation will encounter difficulty in meeting obligations associated with financial liabilities. The First Nation is exposed to liquidity risk through its accounts payable and long-term debt. The First Nation manages its liquidity risk by monitoring cash activities and expected outflows through budgeting. The First Nation measures its exposure to liquidity risk based on its cash flow activities against budget throughout the year.

#### **Market Risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk. The First Nation is mainly exposed to interest rate risk and other price risk.

#### ***Interest rate risk***

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The First Nation is exposed to interest rate risk through its long-term debt.

The First Nation manages its interest rate risk by utilizing fixed-rate long term debt and term deposits in order to limit the exposure to fluctuations in interest rates. Any changes in interest rates would not impact the annual surplus.

---

## Naotkamegwanning First Nation Notes to Consolidated Financial Statements

**March 31, 2023**

---

### **18. Financial Instrument Risk Management (cont'd)**

#### ***Other price risk***

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. The First Nation is exposed to other price risk through its short term investment balances. The First Nation manages this risk by utilizing a designated investment manager.

A 5% increase in the market value of equities would increase the First Nation's remeasurement gains (losses) by \$75,720. A 5% decrease in the market value of equities would decrease the First Nation's remeasurement gains (losses) by \$75,720. This sensitivity analysis was prepared on the basis that the equity portfolio is perfectly aligned to the markets.

### **19. Segmented Information**

Naotkamegwanning First Nation is a diversified local government that provides a wide range of services to its citizens and members, including band support, Ontario First Nations (2008) Limited Partnership (OFNLP), economic development, education, child and family services, social services (including emergency operations, day care, social development, prevention services and native justice), health services (including community services, health care centre), infrastructure (including capital, arena, and community centre), and housing (including housing maintenance and renovations).

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Operations and maintenance fee allocations have been made to each building based on a percentage of overall maintenance costs. Administrative fees, based on a percentage of revenues, have been allocated to programs where permitted by the funder.
