Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of the **Mohawk Council of Akwesasne** are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Welch LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of the Mohawk Council of Akwesasne and meet when required.

On behalf of the Mohawk Council of Akwesasne:

Jordan Wapass
Executive Director
Mohawk Council of Akwesasne

Abram Benedict
Grand Chief
Mohawk Council of Akwesasne

INDEPENDENT AUDITOR'S REPORT

To:

MOHAWK COUNCIL OF AKWESASNE

We have audited the accompanying consolidated financial statements of **Mohawk Council of Akwesasne**, which comprise the consolidated statement of financial position as at March 31, 2017 and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the **Mohawk Council of Akwesasne** as at March 31, 2017 and the results of its consolidated operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Other Matters

Schedules 1 to 8 accompanying the consolidated financial statements are presented as supplementary information only and are unaudited.

MOHAWK COUNCIL OF AKWESASNE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
YEAR ENDED MARCH 31, 2017

NATURE OF OPERATIONS

The Mohawk Council of Akwesasne (Council) is the body which administers various programs to the Akwesasne community. Activities are funded by Indigenous and Northern Affairs Canada (INAC) (formerly known as Aboriginal Affairs and Northern Development Canada) (AANDC) under a multi-year agreement which will expire March 31, 2020 and other agreements with federal and provincial government bodies. The operations of the Council are dependent upon continued funding under these agreements. The Council is responsible for ensuring compliance with agreements.

The Council is not subject to income taxes.

1. SIGNIFICANT ACCOUNTING POLICIES

The Council prepares its consolidated financial statements in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada (CPA). These consolidated financial statements include the following significant accounting policies:

a) *Reporting entity*

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of a government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

The organization has consolidated the assets, liabilities, revenues and expenses of the following entity:

- Akweks:kowa Corp.

Under the modified equity method of accounting, only the Mohawk Council of Akwesasne's investment in a government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for the accounting policies of the organization that are different from those of MCA.

The organization accounted for on a modified equity basis includes:

- Akwesasne Harbour Development Corporation

b) *Basis of accounting*

These consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they are earned and measurable. Expenses are recognized as they are incurred and measurable based upon cost of goods and services acquired.

c) *Asset classification*

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services and may be consumed in normal operations. Non-financial assets consist of tangible capital assets, tangible capital assets under construction, other assets held for resale, deferred charges and prepaid expenses.

MOHAWK COUNCIL OF AKWESASNE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - Cont'd.
YEAR ENDED MARCH 31, 2017

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

d) *Deferred charges*

Costs related to the Dundee land claim negotiations which are ongoing and expected to continue into the foreseeable future are recorded as deferred charges until such time as settlement of the land claims have been confirmed by Canada and ratified by the Community. Accumulated deferred charges will then be recorded in operations and matched against settlement receipts. Should it become apparent that the anticipated settlement will not be received, the accumulated charges, at that point, will be recognized in the consolidated statement of financial activities.

e) *Tangible capital assets*

Purchased tangible capital assets are recorded at cost less accumulated amortization. The costs of constructing tangible capital assets, including direct overhead and carrying costs, are recorded as tangible capital assets under construction until the assets are substantially complete, at which time they are transferred from tangible capital assets under construction to tangible capital assets and amortization is commenced. Government funding related to tangible capital assets is recorded using the percentage of completion method.

Amortization is recorded using the declining balance method at the following annual rates:

Buildings and major infrastructures	2.5%
Computer hardware	20%
Computer software	50%
Equipment	20%
Equipment under capital lease	20%
Furniture and fixtures	10%
Roads	10%
Vehicles	25%

Amortization is charged at 50% of the amount in the year of acquisition but no amortization is charged in the year of disposal.

f) *Net financial assets*

The Mohawk Council of Akwesasne's consolidated financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of the Mohawk Council of Akwesasne is determined by its financial assets less its financial liabilities. Net assets are comprised of two components, net financial assets and non-financial assets.

The Council restricts funds to recognize the investment in tangible capital assets, tangible capital assets under construction and housing and housing construction loans to meet reserve requirements of certain funding arrangements and to reflect internal restrictions placed on the use of certain funds by Council.

g) *Revenue recognition*

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Unrestricted contributions and Ontario Lottery and Gaming Corporation ("OLG") revenue are recognized as revenue in the year received or receivable if the amount can be reasonably estimated and collection is reasonably assured. Restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred.

MOHAWK COUNCIL OF AKWESASNE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - Cont'd.
YEAR ENDED MARCH 31, 2017

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

g) *Revenue recognition (continued)*

Where the terms of the agreement require unexpended contributions to be returned to the funder, the unexpended amount is recorded as a contribution repayable and not included in the determination of annual surplus for the year.

Administration fees and user charges and rental revenues represent internal charges to programs which are included in both revenues and expenses. Land lease income are fees collected from rental of land on Council territory and is recognized when it becomes receivable. Interest income represents interest earned on cash and temporary investments. Other income represents actual income earned from various Council operations and is recorded when the services are provided.

h) *Funds held in trust*

The Council receives revenue from the lease of certain Council owned lands and from interest on funds held by INAC on behalf of Council. This interest and lease revenue is paid directly into trust funds administered by INAC on Council's behalf. It is recorded as revenue of Council in the year in which it is paid into the INAC trust accounts irrespective of whether or not Council has permitted the withdrawal of the funds from the trusts.

i) *Pension plan*

The Council operates a defined contribution pension plan which offers Council employees a pension benefit upon retirement or termination based on the accumulated contributions made by the individual employee and on the employee's behalf by Council plus any investment earnings on these contributions. The Council's contributions to the plan are based on participants' earnings up to a maximum of 9.00% and are expensed as incurred. Pension expense recorded in the accounts for the 2017 fiscal year amounted to \$2,667,307 (2016 - \$2,709,404).

The Council is not making any past service contributions to the plan.

j) *Use of estimates*

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting periods. Significant estimates include Ontario Power Generation settlement receivable, allowance for doubtful accounts receivable, certain accrued liabilities and estimated useful lives of tangible capital assets. Actual results could differ from these estimates.

k) *Temporary investments*

Temporary investments are short-term investments made to obtain a return on a temporary basis and are carried at market value.

l) *Employee benefit obligations*

Employee benefit obligations is the accumulation of vacation pay accrued to all employees of the Mohawk Council of Akwesasne at their current salary as of March 31, 2017.

MOHAWK COUNCIL OF AKWESASNE
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - Cont'd.
YEAR ENDED MARCH 31, 2017

2. FINANCIAL INSTRUMENTS

Financial instruments recognized in the consolidated statement of financial position consist of cash, due from government and other government organizations, accounts receivable, temporary investments, Ontario Power Generation Settlement receivable, housing and housing construction loans, funds held by INAC, accounts payable and accrued liabilities, due to government and other government organizations, long-term debt and promissory note. The book value of these financial instruments approximate their fair value due to the short-term nature of the current items and the market rates of interest on the long-term items with the exception of housing and housing construction loans, the promissory notes and the Ontario Power Generation Settlement receivable. Ontario Power Generation Settlement receivable is recorded at amortized cost which approximates fair value. Housing and housing construction loans are repayable over 10 to 20 years and are non-interest bearing. Certain mortgages are subsidized by Canada Mortgage and Housing Corporation such that the effective annual rate of interest paid by Council is 2%. The promissory note from INAC is payable in full upon settlement of the related land claim and is interest free until maturity or unless Council is in default. Management considers it not practicable within the constraints of timeliness and cost to determine the fair value of the housing and housing construction loans and promissory notes with sufficient reliability.

Financial instruments which potentially subject the Council to concentrations of credit risk consist of cash, due from government and other government organizations, accounts receivable, temporary investments, Ontario Power Generation Settlement receivable, housing and housing construction loans and funds held by INAC. Cash and temporary investments are held at reputable financial institutions and contributions, accounts receivable and Ontario Power Generation settlement receivable are principally due from federal and provincial governments or bodies, therefore the Council believes the risk of non-performance to be remote. Housing and housing construction loans are due from community members and Council believes that an adequate provision has been made for the possibility of these loans proving uncollectible.

Assets are classified as held for sale when certain criteria are met including Council's commitment to a plan, and availability of the asset for immediate sale in its present condition.

In fiscal year 2006, Council designated the Stanley Island log cabins as held for sale. The carrying value of these log cabins have been written down to approximate fair value. As at March 31, 2017 the carrying value recorded for both the Stanley Island Cabins and the property acquired from the BMO housing program are \$60,693 (2016 - \$82,565). Two cabins remain and none were sold during the year.

	<u>\$ 6,603,897</u>	<u>\$ 6,561,462</u>

Interest expense for the year on long-term debt is \$111,962 (2016 - \$132,206)

The aggregate amount of principal payments required in each of the next five years and beyond, assuming renewal at similar rates and terms, to meet loan retirement provision is as follows:

2018	401,581
2019	357,583
2020	363,841
2021	370,213
2022	376,703
2023 and beyond	4,733,976

Management has a practice of refinancing long-term loans in advance of maturity.

The mortgage loans are guaranteed by INAC in lieu of a normal mortgage lien on properties. Canada Mortgage and Housing Corporation (CMHC) subsidizes the interest rate on certain mortgages such that the effective annual rate paid by the Council on these loans is 2%. CMHC also offers a housing development subsidy program such that approximately 50% of the operating expenses, including interest is subsidized. Interest expense on long-term loans, net of subsidies, totaled \$22,514 (2016 - \$7,878).

Council has entered into a Tri-Partite agreement with The Secretariat aux Affaires Autochtones-Quebec (SAA) and La Caisse Populaire Desjardins de Kahnawake (La Caisse). Under the terms of this agreement, SAA agrees to finance various minor capital projects put forward by Council. This enables Council to obtain financing by means of long-term loans from La Caisse, supported by the SAA's undertaking to assume the repayment of the principal, interest and other expenses of these loans.

16. ASSETS HELD IN TRUST FOR OTHERS

The Council acts as trustee for a number of third parties, holding assets and administering them on their behalf. These assets held in trust are not included on the statement of financial position as assets of the Council. Amounts held in trust at the year-end are:

	<u>2017</u>	<u>2016</u>
Akwesasne Settlement Fund	<u>\$ 60,703</u>	<u>\$ 60,300</u>

MOHAWK COUNCIL OF AKWESASNE

YEAR ENDED MARCH 31, 2017

17. INTERNAL CHARGES

Added to tangible capital assets and deferred charges during the year are certain administrative and salary amounts totaling \$122,727 (2016 - \$32,200).

18. CONTINGENCIES AND COMMITMENTS

The Council has a loan facility of up to \$7,000,000 with the Bank of Montreal which may be drawn on by qualified borrowers for the purchase, renovation or construction of owner-occupied homes.

Under the terms of this facility, the borrowers are responsible for the repayment of the loans and Council provides a guarantee for the amounts outstanding under the facility. As at March 31, 2017 the Council had guarantees outstanding under this program of \$5,242,993 (2016 - \$5,529,996). These amounts have not been recognized in these financial statements.

The nature of the Mohawk Council of Akwesasne's various activities is such that there is usually litigation pending or in prospect at any time. With respect to claims at March 31, 2017, management believes the Mohawk Council of Akwesasne has valid defences and appropriate insurance coverage in place. In the event any claims are successful, management believes that such claims are not expected to have a material effect on the Mohawk Council of Akwesasne's financial position.

The Council is committed under various operating lease agreements for office equipment to pay approximately \$22,146 (2016 - \$22,146) annually over the next 4 years.

The Council has committed to pursuing land claims that will require an estimated \$600,000 per year in professional fees over the next two years.

19. ACCUMULATED SURPLUS

The Council restricts funds to recognize the investment in property, plant and equipment and housing and housing construction loans, to meet reserve requirements of certain funding arrangements and to reflect internal restrictions placed on the use of certain funds by Council.

20. ONTARIO POWER GENERATION SETTLEMENT

On October 2, 2008 the Mohawk Council of Akwesasne and the Ontario Power Generation Inc. (OPG) signed a Past Grievance Final Settlement Agreement (Agreement) in respect of any impact, loss or damage to the Reserve Lands and other lands of Traditional Territory and any infringement or impact on the aboriginal title, rights and treaty rights of the Mohawks of Akwesasne, whether proven or asserted.

Upon execution of the Agreement in November 2008, OPG paid \$20,363,520 to Council and agreed to pay beginning in October 2009, ten annual payments of \$2,560,000 on the respective anniversary of the Execution Date of the Agreement. On October 6, 2016, the eighth of the annual payment of \$2,560,000 was received.

The final settlement agreement was recorded as revenue in 2009 with the remaining future payments being recorded as a receivable using a discount rate of 5.5% based on comparable industry indices. As at March 31, 2017 the net present value of the future payments is recorded as a receivable of \$5,120,000 (2016 - \$7,680,000). Accreted interest of \$461,491 (2016: \$361,198) was recorded in 2017 and is included in the statement of financial activities within interest income.

These temporary investments have been committed to the Mohawks of Akwesasne Community Settlement Trust. It is Council's intention to transfer these funds to the Trust as they are received on an annual basis, however MCA has no obligation to do so and has not accrued any such obligation in these statements.

YEAR ENDED MARCH 31, 2017

21. ECONOMIC DEPENDENCE

The Council receives a major portion of its revenue from Indigenous and Northern Affairs Canada (formerly Aboriginal Affairs and Northern Development Canada) and Health Canada. The nature and extent of this revenue is of such significant that the Council is economically dependent on this source of revenue.

22. MOHAWKS OF AKWESASNE COMMUNITY SETTLEMENT TRUST

During the 2015 fiscal year, the Council created the Mohawks of Akwesasne Community Settlement Trust. The purpose of the Trust was to receive the settlement funds of the OPG and Kawenoke-Easterbrook Settlement Claims and invest those funds on behalf of the community. Those re-invested funds are to be used for community based projects within certain parameters established by the Trust.

The Trust was established on June 17, 2014 and is administered by an independent Board of Trustees. The Mohawk Council of Akwesasne, or its successor body or entity, acting on behalf of the Mohawks of Akwesasne, is the named beneficiary of the Trust.

The Council transferred \$2,560,000 (2016: \$13,423,257) to the Trust during the year. The remaining OPG settlement funds will be received by the Trust over the next 2 years. Those funds, as well as any accreted interest, are intended to be transferred to the Trust as they are received by Council, however, MCA has no obligation to do so and has not accrued such obligation in these consolidated financial statements (see Note 20).

24. COMPARATIVE FIGURES

Comparative figures have been reclassified where necessary to conform to the presentation adopted in the current year.

25. BUDGETED FIGURES

Budgeted figures have been provided for comparison purposes and have been derived from the estimates approved by the Mohawk Council of Akwesasne. Internal administration fees and charges have been eliminated.

26. INVESTMENT IN GOVERNMENT BUSINESS ENTITY

The Mohawk Council of Akwesasne has an investment in a wholly owned corporation, the Akwesasne Harbour Development Corporation ("AHDC"). This company in turn holds a 50% co-ownership interest in the Cornwall port facilities with the Cornwall Harbour Development Corporation.
