CURVE LAKE FIRST NATION

For The Year Ended March 31, 2014

MANAGEMENT REPORT

The accompanying financial statements of the Curve Lake First Nation are the responsibility of management and have been approved by Council.

The financial statements have been prepared by management in accordance with Canadian Public Sector Accounting Standards. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation's Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving financial statements.

Council reviews and approves the First Nation's financial statements for issuance to the members. Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the financial statements and the independent auditor's report.

The financial statements have been audited by Collins Barrow Kawarthas LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. Collins Barrow Kawarthas LLP has full and free access to Council.

INDEPENDENT AUDITORS' REPORT

To Council and the Members of Curve Lake First Nation

Report on the Financial Statements

We have audited the accompanying financial statements of Curve Lake First Nation, which comprise the statement of financial position as at March 31, 2014, the statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of Curve Lake First Nation as at March 31, 2014 and the results of its operations and cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

CURVE LAKE FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook. Significant aspects of the accounting policies are as follows:

(a) Reporting Entity

These financial statements reflect the assets, liabilities, revenues and expenses and accumulated surplus of the Curve Lake First Nation.

The reporting entity includes the Curve Lake First Nation government and all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation. There are no non-consolidated entities.

All interdepartmental assets and liabilities and revenues and expenses have been eliminated.

(b) Trust Funds

Trust funds and their related operations administered by the First Nation are not included in these financial statements but are reported on separately on the Trust Funds Statement of Continuity and Statement of Financial Position.

(c) Inventory

Inventory, which consists of land available for resale, is recorded at the lower of cost and market.

(d) Tangible Capital Assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, if any, of tangible capital assets is amortized on a straight-line basis, over the expected useful life of the asset, as follows:

Land improvements	10-50 years
Buildings	25-40 years
Machinery and equipment	10-50 years
Vehicles	3-5 years
Furniture and fixtures	10 years
Computer hardware and software	4 years
Roads and bridges	20-50 years
Water and sewer	30-100 years

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and are also recorded as revenue.

Assets under construction are not amortized. When assets under construction are put into service they are transferred to the appropriate tangible capital asset classification

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(e) Recognition of Revenues and Expenses

Revenues and expenses are reported on the accrual basis of accounting. The accrual basis of accounting recognizes revenues in the period in which the transactions or events occurred that give rise to the revenue. Funding received under the terms of contribution agreements with the federal government is recognized as revenue once eligibility criteria have been met. Funding is recorded as deferred revenue if it has been restricted by the federal government for a stated purpose, such as a specific program or the purchase of tangible capital assets. Deferred revenue is recognized in revenue over time as the recognition criteria are met. Expenses are recognized in the period the goods or services are acquired and a legal liability is incurred or transfers are due.

(f) Asset Classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Tangible capital and other non-financial assets are accounted for as assets by the First Nation because they can be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the First Nation unless they are sold.

(g) Net Financial Assets

The First Nation's financial statements are presented so as to highlight net financial assets as the measurement of financial position. The net financial assets of the First Nation is determined by its financial assets less its liabilities. Net financial assets are comprised of two components, non-financial assets and accumulated surplus.

(h) Deferred Revenue

Deferred revenue represents grants, user charges and fees which have been collected but for which the related services have yet to be performed. These amounts will be recognized as revenue in the fiscal year the services are performed.

(i) Government Funding

Government funding is recognized in the financial statements as revenue in the period in which events giving rise to the transfers occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Reimbursement for program costs is dependent ultimately upon their acceptance by the various agencies that fund the programs.

NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014

1. SIGNIFICANT ACCOUNTING POLICIES, continued

(j) Use of Estimates

Certain items recognized in the financial statements are subject to measurement uncertainty. The recognized amounts of such items are based on the First Nation's best information and judgment. By their nature, these estimates are subject to measurement uncertainty and the effect on the financial statements of changes in such estimates in future periods could be significant.

- The amounts recorded for amortization and opening costs of tangible capital assets are based on estimates of useful life, residual values and valuation rates.
- The amount recorded as allowance for doubtful accounts receivable is based on management's estimate of future payments on receivable account balances.

(k) Financial Instruments

The First Nation's financial instruments consist of cash, investments, due from Government and other Government organizations, other accounts receivable, mortgages due from First Nation members, funds held in trust by the Federal Government, accounts payable and accrued liabilities, Islands in the Trent payable, due to Government and other Government organizations and long term debt. Unless otherwise noted, it is management's opinion that the carrying value of the financial instruments approximates their fair values and that the First Nation does not have any significant concentration of interest, currency or credit risk.

2. CASH

Cash consists of the following:

	2014	2013
	\$	\$
Externally restricted		
Ontario First Nation Limited Partnership	354,389	476,376

	225,085	130,849

CURVE LAKE FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014

6. MORTGAGES DUE FROM FIRST NATION MEMBERS

The amount shown as mortgages due from First Nation members represents the amount of funds due from First Nation members with respect to approved loans. The unexpended portion of approved loans is not recorded until an actual expenditure has been incurred. The First Nation members have a legal obligation to repay the full amount of the approved loans. Interest is charged on these loans at rates between 0% and 6.25%. The provision for forgiveness is calculated as a percentage of the initial mortgage balance and is provided for, if the First Nation members' loan balance is current.

Mortgages due from First Nation members and provision for forgiveness are as follows:

	2014	2013
	\$	\$
Mortgages due from First Nation members	3,711,337	3,730,438
Provision for forgiveness	(291,519)	(379,201)
	<u>3,419,818</u>	<u>3,351,237</u>

7. FUNDS HELD IN TRUST

The funds held by the Federal Government on behalf of the First Nation of \$518,423 (2013 - \$504,056) are for the use of the First Nation for specific projects. At the request of the First Nation, these funds can be obtained.

17. PENSION AGREEMENTS

Some of the employees of the First Nation are eligible to be members of a contributory pension plan. Employer contributions to the plan by the First Nation during the year amounted to \$134,606 (2013 - \$142,604). These contributions which match the employee's contributions for current service, are expensed during the year in which services are rendered and represent the total pension obligation of the First Nation.

18. TRUST FUNDS

Trust funds administered by the First Nation amounting to \$6,054,272 (2013 - \$6,632,212) have not been included in the Statement of Financial Position nor have their operations been included in the Statement of Operations and Accumulated Surplus. As such balances are held in trust by the First Nation for the benefit of others, they are not presented as part of the First Nation financial position or operations.

19. ECONOMIC DEPENDENCE

The First Nation receives a significant portion of its revenue from Aboriginal Affairs and Northern Development Canada. The nature and extent of this revenue is of such significance that the First Nation is economically dependent on this source of revenue.

CURVE LAKE FIRST NATION
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014

20. BUDGET FIGURES

The budget, approved by the First Nation, for 2014 is reflected on the Statement of Operations and Accumulated Surplus and the Statement of Change in Net Financial Assets. The budgets established for capital investment in tangible capital assets are on a project-oriented basis, the costs of which may be carried out over one or more years and, therefore, may not be comparable with current year's actual amounts. Budget figures have been reclassified for the purposes of these financial statements to comply with PSA reporting requirements. Budget figures are not subject to audit.

21. CONTINGENT LIABILITIES

The First Nation, in the course of its operations, has been named in several lawsuits the outcome of which is indeterminable at this time. No amounts in connection with these items have been reflected in these financial statements.

Curve Lake First Nation, along with six other First Nations, are contingently liable for a loan. The purpose of the loan is to finance Treaty negotiations. Once the Treaty has been settled, the proceeds of the settlement will be used to repay the loan. Curve Lake's share of this loan at March 31, 2014 is \$29,700 (2013 - \$29,700).

During the fiscal years 2003/04 to 2013/14 the First Nation entered into loan agreements in the amount of \$1,045,775 with the Federal Government for flooding claims. Expenditures to March 31, 2014 amounted to \$982,440. Total claims are expected to be equal to or greater than amounts received.

22. SEGMENTED INFORMATION

Curve Lake First Nation is a territorial government that provides a range of services to its members. First Nation services are reported by function and their activities are separately disclosed in the segmented information.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 1. For additional information see the Schedule of Segment Disclosure.

Administration

Administration consists of the activities of Council and general financial and administrative management of the First Nation and its programs and services.

Community Operations

Community Operations include police, fire, public works and operation of waste management, water systems and buildings not included under other segments.

Economic Development

Economic development includes the operations of the resource centre, cottage and small business centre rentals and the various employment oriented programs of the First Nation.

22. SEGMENTED INFORMATION, continued

Education

Education includes the Curve Lake School, schools off the First Nation and post secondary education.

Land Management

Lands includes the First Nation lands management function including lot purchases, flooding claims and Williams Treaty negotiations.

Social Development

Social development consists of General Assistance to members and inhabitants of the First Nation, homes for the aged and child care services.

Health

Health services includes operations of the health centre, medical transportation, and various other health related programs of the First Nation.

Gaming Revenue

Gaming revenue consists of funds received from the Ontario First Nation Limited Partnership and related expenditures.

23. COMPARATIVE FIGURES

Certain comparative figures were restated, where required, to conform with the current year presentation.

INDEPENDENT AUDITORS' REPORT

To Council and the Members of Curve Lake First Nation

Report on the Financial Statements

We have audited the accompanying financial statements of the Trust Fund of Curve Lake First Nation, which comprise the statement of financial position as at March 31, 2014, the statement of continuity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Trust Fund of the First Nation as at March 31, 2014 and the continuity of the Trust Fund for the year then ended in accordance with Canadian Public Sector Accounting Standards.

**CURVE LAKE FIRST NATION
TRUST FUND
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014**

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with the standards in the Chartered Professional Accountants Canada Public Sector Accounting (PSA) Handbook.

(a) Basis of Accounting

Revenue and expenses are reported on the accrual basis of accounting which recognizes revenues as they become available and measurable; expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(b) Financial Instruments

The Trust Fund financial instruments consist of investments and accrued interest receivable. It is management's opinion that the fair value of financial instruments are not materially different from their carrying value. Unless otherwise noted, the Trust Fund does not have any significant concentration of credit, currency or interest rate risk.

(c) Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions. These estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the period and are based on the First Nation's best information and judgment. Actual results could differ from these estimates.

2. INVESTMENTS

Included in investments are the following investments recorded at the lower of cost and market value:

	2014	2013
	\$	\$
Cash account	21,044	27,044
Money Market Fund	10	850,390
Government bonds	3,983,874	3,967,631
Corporate bonds	2,035,630	1,775,400
	<hr/> <u>6,040,558</u>	<hr/> <u>6,620,465</u>
Market Value	6,040,558	6,645,062

The Government and corporate bonds have interest rates between 2.36% and 3.10% and mature from September 15, 2014 and December 15, 2022. The Trust Fund is exposed to interest rate risk as the market value of the fund will generally rise if interest rates fall and conversely fall if interest rates rise.

**CURVE LAKE FIRST NATION
TRUST FUND
NOTES TO THE FINANCIAL STATEMENTS
For the Year Ended March 31, 2014**

3. YOUTH ALLOCATION FUND

The Youth Allocation Fund was created to hold the per-capita distribution for minor members. As each member reaches the age of eighteen, a cheque for \$10,000 plus accumulated interest will be issued to them.
