## Independent Auditor's Report

---

To the council of Munsee-Delaware Nation

**Qualified Opinion**

We have audited the consolidated financial statements of Munsee-Delaware Nation (the Nation), which comprise the consolidated statement of financial position as at March 31, 2022, the consolidated statements of operations and accumulated surplus, change in net financial assets, and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Nation as at March 31, 2022, and its consolidated results of operations, its consolidated change in net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian Public Sector accounting standards.

**Basis for Qualified Opinion**

The Nation has an investment in 1748960 Ontario Limited o/a Paradise Bingo which was accounted for as of March 31, 2021 under the modified equity method but did not meet the criteria of a government business enterprise. The Nation also controls Munsee-Delaware Nation Charity Association, a government not-for-profit organization, that was not consolidated for the year ended March 31, 2021. The predecessor auditor's opinion on the consolidated financial statements for the year ended March 31, 2021 was modified because of the effects of these departures from Canadian Public Sector accounting standards. As described in Note 2, this matter has been corrected in the current year in accordance with the requirements of PS 2020.31. As a result, our opinion on the consolidated financial statements for the year ended March 31, 2022 is qualified due to the effects of the matter on the comparability of the current year figures and the corresponding figures.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Emphasis of Matter - Restated Comparative Information**

We draw attention to Note 3 to the consolidated financial statements, which explains that certain comparative information presented for the year ended March 31, 2021 has been

restated. Our opinion is not modified in respect of this matter.

#### Other Matter

The consolidated financial statements for the year ended March 31, 2021 (prior to the adjustments that were applied to restate certain comparative information explained in Note 3) were audited by another who expressed a qualified opinion on those statements on September 6, 2022 for the reason described in the Basis for Qualified Opinion section.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Nation's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Munsee-Delaware Nation Notes to Consolidated Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies

Nature of Business	The Munsee-Delaware Nation is located in Muncey, Ontario. The elected government consists of a Chief and four members of Council. The organization manages and administers all political, social and economic programs of this Nation.							
Reporting Entity	The reporting entity includes the Nation and all entities that are controlled by the Nation.							
	All controlled entities are consolidated in the Nation's financial statements according to the Nation's percentage ownership except for entities that meet the definition of a business enterprise or a business partnership, which are included in the financial statements on a modified equity basis. Accounting policies of consolidated and proportionately consolidated entities are conformed to those of the Nation and inter-organizational balances and transactions are eliminated upon consolidation.							
	Entities fully consolidated in the Nation's financial statements include:							
	<table><thead><tr><th></th><th>% ownership</th></tr></thead><tbody><tr><td>- 1748960 Ontario Limited o/a Paradise Bingo</td><td>100%</td></tr><tr><td>- Munsee-Delaware Nation Charity Association</td><td>100%</td></tr></tbody></table>			% ownership	- 1748960 Ontario Limited o/a Paradise Bingo	100%	- Munsee-Delaware Nation Charity Association	100%
	% ownership							
- 1748960 Ontario Limited o/a Paradise Bingo	100%							
- Munsee-Delaware Nation Charity Association	100%							
	Under the modified equity method of accounting, only the Nation's investment in the entity and the Nation's portion of the entity's net income and other changes in equity are recorded/ No adjustment is made for accounting policies of the entity that are difference from those of the Nation's and inter-organizational balances and transactions are not eliminated.							
Management's Responsibility	These financial statements of the Nation are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards for local government entities.							
Basis of Presentation	The financial statements have been prepared in accordance with Canadian public sector accounting standards for local government entities.

### 1. Significant Accounting Policies (continued)

**Revenue Recognition** Revenues are recognized in the period in which the transactions or events give rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized in revenue when used for the specific purpose.

Investment income is recognized as revenue on an accrual basis.

Rental revenue and interest on loans is recognized when it is due in accordance with the respective agreements.

**Tangible Capital Assets** Tangible capital assets have been recorded at cost and amortized over their useful lives. Amortization is computed using the following annual rates and methods:

	Method	Rate
CMHC Housing	Straight-line	25-30 years
Water treatment plant	Straight-line	20 years
Multiplex and royal homes	Straight-line	25 years
Buildings	Straight-line	40 years
Furniture and fixtures	Straight-line	10 years
Parking Lots	Straight-line	20 years
Machinery and equipment	Straight-line	10 years
Vehicles	Straight-line	10 years
Computer Hardware	Straight-Line	3 years
Roads	Straight-line	40 years
Signs	Straight-line	10 years

Tangible capital assets under construction, development or that have been removed from service are not amortized until they are available to be put into service.

---

## Munsee-Delaware Nation Notes to Consolidated Financial Statements

March 31, 2022

---

### 1. Significant Accounting Policies (continued)

Management estimates	The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in operations in the period in which they become known.
Loans to Band Members	<p>Funding received for the purpose of building and renovating houses is recorded as revenue of a specific program. The commitment of the funds to a particular Nation member for the purchase of approved housing is recorded as an expenditure of the program and as a commitment to that Nation member. Commitments outstanding at the end of the year are reported as liabilities.</p> <p>Agreements exist between the Council and the members regarding the terms of repayment of various expenses. The portion of the expenses determined to be repayable are recorded as loans due from the members on the Consolidated Statement of Financial Position.</p> <p>Loans to band members are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. When the loss is known with sufficient precision and there is no realistic prospect of recovery, the loan receivable is reduced by the amount of the loss. Loans are reviewed on an annual basis by management.</p>

---

## Munsee-Delaware Nation Notes to Consolidated Financial Statements

March 31, 2022

---

### 2. Restatement

The Nation has an investment in 1748960 Ontario Limited o/a Paradise Bingo which was accounted for as of March 31, 2021 under the modified equity method but did not meet the criteria of a government business enterprise. The Nation also controls Munsee-Delaware Nation Charity Association, a government not-for-profit organization, that was not consolidated for the year ended March 31, 2021. This matter has been corrected in the current year in accordance with the requirements of PS 2020.31. The impact of this restatement is shown below:

	March 31, 2021 Balance	Effect of Consolidation	Revised Opening April 1, 2021 Balance
Cash	7,580,438	164,033	7,744,471
Tangible capital assets	10,817,008	7,872	10,824,880
Due from related parties	193,763	(193,763)	-
Accounts payable and accrued liabilities	(1,718,415)	(7,859)	(1,726,274)
Accumulated Surplus	(13,516,262)	29,717	(13,486,545)

---

### 3. Prior Period Error

The Nation has determined that deferred revenue was overstated for the year ended March 31, 2021. As a result, revenue was understated and accumulated surplus was understated as at March 31, 2021. The entity determined that a correction was required for the prior year. In addition to the corrections noted below, notes 7, 11 were corrected for this amendment.

	2021 (Restated)
Deferred revenue as previously reported	\$ 4,248,482
Correction to deferred revenue	<u>(183,997)</u>
Deferred revenue - Restated	<u>\$ 4,064,485</u>
Kinomaadswin Education Body Inc. revenue as previously reported	\$ 4,918,821
Correction to deferred revenue	<u>183,997</u>
Kinomaadswin Education Body Inc. revenue - Restated	<u>\$ 5,102,818</u>
Accumulated Surplus, end of year - as previously reported	\$13,516,262
Correction to revenue	<u>183,997</u>
Accumulated Surplus, end of year - Restated	<u>\$13,700,259</u>

## Munsee-Delaware Nation Notes to Consolidated Financial Statements

March 31, 2022

---

### 15. Budget

The budget adopted by the Nation was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while the Public Sector Accounting Standards now require full accrual basis. The budget figures did not include amortization expenses.

---

### 16. Segmented Information

Munsee-Delaware Nation is a diversified government institution that provides a wide range of services to its members, including education, infrastructure maintenance, medical and other health services, administration, capital, enterprises and other services.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements. Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

#### Administration and Governance

The administration segment manages the administrative operations of the Nation. Those costs that relate directly to the administration of the various segments have been allocated to the appropriate segment. This segment also manages the repairs and maintenance for the roads, bridges and community buildings and also manages infrastructure programs including facilities operations and maintenance, capital projects, water and waste water plant operations and other related activities. This segment also provides housing to members under CMHC programs and reports on the respective revenue and expenditures.

#### Education

The education segment provides elementary and secondary education instructional services and provides financial support to post-secondary students. It also manages the activities of the Nation's daycare program.

#### Health and Social Services

The health and social services segment provides a variety of health care programs and support to Nation members as well as administers the provision of social assistance to qualifying members.

---

### 17. Subsequent Event

On April 1, 2023, the Nation signed a Community Benefits Agreement with the City of Toronto. The purpose of the agreement is to foster a reconciliation between the City and the Nation with respect to the Greenlane Landfill site that neighbours Munsee-Delaware Nation's lands. The total amount to be provided to the Nation is \$2.5 million. The Nation will receive a lump sum payment of \$1.25 million by May 30, 2023 and will receive the remaining amount over a period of 13 years.
