## Independent Auditor's Report

### To the Band Council of Aamjiwnaang First Nation

We have audited the accompanying consolidated financial statements of **Aamjiwnaang First Nation** which comprise the consolidated statement of financial position as at March 31, 2015 and the consolidated statement of revenue and expenditure, changes in members' equity, change in net financial assets and cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

- *Continued*

*Opinion*

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of Aamjiwnaang First Nation as at March 31, 2015 and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### **1. PURPOSE OF THE ORGANIZATION**

The Aamjiwnaang First Nation is located in Sarnia, Ontario. The elected government consists of a Chief and nine members of Council. The organization manages and administers all political, social and economic programs of this First Nation.

#### **2. ACCOUNTING POLICIES**

The Aamjiwnaang First Nation reporting entity includes the Aamjiwnaang First Nation Band. These financial statements include the assets, liabilities, results of operations and cash flows for the following funds:

##### *Operating*

The operating fund reports the general activities of the First Nation administration.

##### *Housing projects*

The housing projects fund reports the activities of the various housing projects that are administered by the First Nation. These include Canada Mortgage and Housing Corporation (“CMHC”) assisted housing projects.

##### *Internally restricted*

The internally restricted fund reports the designated assets, as established by Band council, which require a Band Council motion to release any portion of these funds for expenditure.

##### *Externally restricted*

The externally restricted fund reports the activities and assets of all externally restricted assets, including the Trust funds in Ottawa and the CMHC operating surplus and replacement reserve funds.

##### *Revenue recognition*

Government grants and subsidies are recorded as earned according to the provisions of the project. Any unearned portion is recorded as deferred revenue.

**2. ACCOUNTING POLICIES - continued**

*Government business enterprises*

Investments in government business enterprises are adjusted to reflect the cumulative retained earnings of the government business enterprises using the modified equity method. The modified equity method was applied using the wholly owned subsidiaries balance sheets as at December 31, 2014 and the statements of earnings and retained earnings for the year then ended.

*Tangible capital assets*

Tangible capital assets have been recorded at cost and amortized over their useful lives. Amortization is computed using the following annual rates and methods:

Buildings and infrastructure	4% diminishing-balance
Furniture and equipment	20% diminishing balance
Vehicles and machinery	30% diminishing-balance
Computers	55% diminishing balance

The CMHC housing projects are amortized in accordance with the agreements which require annual amortization to equal the principal repayment of the associated long-term debt to acquire the property.

*Marketable securities*

Investments are recorded at cost.

*Management estimates*

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenditure during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in operations in the period in which they become known.

**3. FINANCIAL INSTRUMENTS**

*Interest rate risk*

The Band manages its interest rate risk by having fixed interest rates on the long-term debt.

*Credit risk*

Credit risk arises from the potential that a tenant or borrower will be unable to pay an amount owing to the Band. The Band monitors its accounts receivable regularly and establishes allowances for doubtful accounts as needed.
