Independent Auditor's Report

To the council of Aamjiwnaang First Nation

Opinion

We have audited the consolidated financial statements of Aamjiwnaang First Nation and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at March 31, 2021, the consolidated statements of operations and accumulated surplus, change in net financial assets, and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Group as at March 31, 2021, and its results of operations and its cash flows for the year then ended in accordance with Canadian Public Sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. Significant Accounting Policies

Nature of Business	The Aamjiwnaang First Nation is located in Sarnia, Ontario. The elected government consists of a Chief and nine members of Council. The organization manages and administers all political, social and economic programs of this First Nation.
Management's Responsibility	These financial statements of the First Nation are the responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards for local government entities.
Basis of Presentation	The financial statements have been prepared in accordance with Canadian public sector accounting standards for local government entities.
Revenue Recognition	<p>Revenues are recognized in the period in which the transactions or events give rise to the revenues. All revenues are recorded on an accrual basis.</p> <p>Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized in revenue when used for the specific purpose.</p> <p>Investment income is recognized as revenue of the appropriate reserve on an accrual basis.</p> <p>Rental revenue and interest on loans is recognized when it is due in accordance with the respective agreements.</p> <p>Investment income earned is recognized as revenue of the appropriate reserve on an accrual basis.</p> <p>Revenue related to fees or services received in advance of the fee being earned or the services performed is deferred and recognized when the fee is earned or service provided.</p> <p>Settlement proceeds is recognized as revenue in the period in which the settlement occurred that gave rise to the revenues and the amount to be received can be reasonably estimated and collection is reasonably assured.</p>

1. Significant Accounting Policies (continued)

Tangible Capital Assets Tangible capital assets have been recorded at cost and amortized over their useful lives. Amortization is computed using the following annual rates and methods:

	Method	Rate
Building	Diminishing balance	4%
Furniture and equipment	Diminishing balance	20%
Vehicles and machinery	Diminishing balance	30%
Computers	Diminishing balance	30%

Tangible capital assets under construction, development or that have been removed from service are not amortized until they are available to be put into service.

Management estimates The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenue and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in operations in the period in which they become known.

Portfolio investments Portfolio investments are recorded at cost. The market value of the portfolio investments that are publicly traded is \$27,367,638 (2020 - \$26,125,000).

Principal of consolidation Commercial enterprises that meet the definition of a government business enterprise are included in the consolidated financial statements on a modified equity basis. Under the modified equity method of accounting, only Aamjiwnaang First Nation's investment in the government business enterprise and the First Nation's portion of the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Aamjiwnaang First Nation and inter-organizational balances and transactions are not eliminated.

Organizations accounted for on a modified equity basis include:

Chippewa Industrial Developments Limited
Ojibwe Legends Trading Company Ltd.
Ojibwe Filters and Industrial Supplies Ltd.

1. Significant Accounting Policies (continued)

Loans to Band Members Funding received for the purpose of building and renovating houses is recorded as revenue of a specific program. The commitment of the funds to a particular First Nation member for the purchase of approved housing is recorded as an expenditure of the program and as a commitment to that First Nation member. Commitments outstanding at the end of the year are reported as liabilities.

Agreements exist between the Council and the members regarding the terms of repayment of various expenses. The portion of the expenses determined to be repayable are recorded as loans due from the members on the Consolidated Statement of Financial Position.

Loans to band members are recorded at cost less any amount for valuation allowance. Valuation allowances are made when collection is in doubt as assessed by management. When the loss is known with sufficient precision and there is no realistic prospect of recovery, the loan receivable is reduced by the amount of the loss. Loans are reviewed on an annual basis by management.

Reserve Accounting The First Nation records accounting transactions using the reserve accounting method generally in use for government organizations. A reserve is determined for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations. The various funds have been amalgamated for the purpose of presentation in the financial statements. The First Nation maintains the following reserves:

Operating - the operating reserve reports the general activity of the First Nation administration

Enterprise - the enterprise reserve reports the activity of the various investments in government business enterprises. These government business enterprises include wholly owned subsidiaries Chippewa Industrial Developments Limited, Ojibwe Legends Trading Company Ltd., and Ojibwe Filters and Industrial Supplies Ltd.

Internally restricted - the internally restricted reserve reports the designated assets, as established by the First Nation's council, which requires Band Council motion to release any portion of these reserves for expenses.

Externally restricted - the externally restricted reserve reports the activities and assets of all externally restricted assets, including the Trust funds in Ottawa and Ontario First Nations Limited Partnership.

12. Contingent Liabilities

- (a) The First Nation is contingently liable as guarantor of 8 (2020 - 8) bank loans for Band members to a maximum of \$913,876. As at March 31, 2021, the amount of the loans outstanding was \$913,876. The property the loans were used to purchase will be forfeited to the Band if the Band is required to repay the loans and is not reimbursed in full. The total amount available under this First Nations On Reserve Loan Program is not to exceed \$2,000,000.
- (b) The First Nation received a claim for damages in the amount of \$21,500,000. The First Nation is still evaluating the claim.
- (c) Subsequent to year-end a claim against the First Nation was received for a lawsuit arising in the ordinary course of operations. Legal counsel for the First Nation has advised that it premature to make any evaluation of the possible outcome or possible settlement amount of this claim. Consequently, no provision has been made in the financial statements.

13. Pension Plan

It is mandatory that, after three months, all permanent employees of the Band who work at least 25 hours per week become members of a private pension plan that is a defined contribution plan. The employee has the option to contribute either 5% or 8.2% which is matched by the Band. Contributions to the plan made during the year by the Band on behalf of its employees amounted to \$365,199 (2020 - \$307,367) and are included in salaries and benefits in expenses.

15. Segmented Information

Aamjiwnaang First Nation is a diversified government institution that provides a wide range of services to its members, including education, infrastructure maintenance, medical and other health services, administration, capital, enterprises and other services.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements. Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Community Services

Aamjiwnaang First Nation provides a wide array of other services, including fire protection, police protection, social assistance, garbage collection, infrastructure services, student transportation, medical travel, home support services, prenatal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members. Also included are community events such as the Pow Wow and Community Days.

The social assistance department is responsible for administering assistance payments as well as providing services directed towards members.

Economic Development and Training

This department is responsible for all economic development to develop future programs and funding.

Housing

This department is responsible for all housing including rental units, CMHC rent-to-own housing and any Residential Repair Assistance Programs (RRAP).

General

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the government activities of Chief and Council. Also included are pipeline lease activity as well as activity from government business enterprises and government business partnerships.

16. Comparative Figures

Certain of the prior period's figures have been reclassified to conform to the presentation of the current period.

17. COVID-19

The global pandemic of COVID-19 has continued to disrupt economic activities and supply chains. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of business disruption, the related financial impact cannot be reasonably estimated at this time. The entity does not expect a material decrease in funding revenue and expects services to its members to continue. Management is actively monitoring the affect on its financial condition, liquidity, operations and workforce. At this time, the full potential impact of COVID-19 on the entity is not known.
