Dear Sir or Madam:

**Sheguiandah Inlet First Nation**

At the request of our client, Sheguiandah First Nation, we are submitting the following items regarding the March 31, 2021 year-end, which comply with terms of the FNFTA, and can be made available on your internet site:

- Audited Financial Statements
- Schedule of Remuneration and Expenses – Chief & Council

The following additional required reporting documents will not be published and are for your internal purposes only:

- Schedule of Remuneration and Expenses – Unelected Senior Officials
- Revenues and Expenses – Indigenous Services Canada

We trust this is satisfactory. Should you have any questions or require any additional information, please do not hesitate to contact our office.

Yours very truly

Kyle Ellis, CPA, CA, CBV  
Partner

Consolidated Financial Statements of

**SHEGUIANDAH FIRST NATION**

And Independent Auditors' Report thereon

Year ended March 31, 2021

## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of Sheguiandah First Nation (the "First Nation") are the responsibility of management and have been approved by the Chief and Council of the First Nation (the "Council").

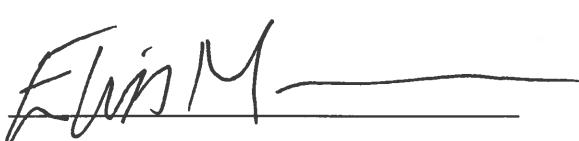

The consolidated financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council reviews the First Nation's consolidated financial statements and recommend their approval. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditors' report. The Council takes this information into consideration when approving the consolidated financial statements for issuance to the members. The Council also considers the engagement of the external auditors.

The consolidated financial statements have been audited by KPMG LLP in accordance with Canadian generally accepted auditing standards on behalf of the members.

## INDEPENDENT AUDITORS' REPORT

To the Members and Chief and Council of Sheguiandah First Nation

### *Opinion*

We have audited the consolidated financial statements of Sheguiandah First Nation (the "First Nation"), which comprise:

- the consolidated statement of financial position as at March 31, 2021
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and the consolidated notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements")

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2021, and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB).

### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibility under those standards are further described in the **"Auditors' Responsibilities for the Audit of the Financial Statements"** section of our auditors' report.

We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

***Responsibility of Management and those Charged with Governance for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations or has no realistic alternative but to do so.

Those charged with Governance are responsible for overseeing the First Nation's financial reporting process.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, internal omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

# SHEGUIANDAH FIRST NATION

Notes to Consolidated Financial Statements

Year ended March 31, 2021

---

Sheguiandah First Nation (the “First Nation”) located on Manitoulin Island administers programs and provides services on behalf of its members.

## 1. Significant accounting policies:

These consolidated financial statements of the First Nation are the representation of management and have been prepared in accordance with Canadian generally accepted accounting principles for local governments as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada. The following is a summary of the significant accounting policies followed in the preparation of these consolidated financial statements:

### (a) Reporting entity:

#### i) Consolidated entities:

These consolidated financial statements reflect the assets, liabilities, revenue and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the First Nation and are owned and controlled by the First Nation.

All interdepartmental and inter-organizational assets, liabilities, revenues and expenses have been eliminated.

#### ii) Investment in Government Business Partnerships:

Government Business Partnerships are accounted for using the modified equity method. Government Business Partnerships include the following organizations:

- U.C.C.M. Building Material Supply Limited Partnership (“UCCMLP”)
- M’Nidoo M’Nising Power Limited Partnership (“MMPLP”)

Under the modified equity method, the business partnership’s accounting principles are not adjusted to conform with those of the First Nation and inter-organizational transactions and balances are not eliminated.

### (b) Revenue recognition:

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements which relate to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the statement of financial position.

# SHEGUIANDAH FIRST NATION

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

---

## 1. Significant accounting policies (continued):

### (c) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### (i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land are amortized on a straight-line basis over their estimated useful lives as follows:

Assets	Useful Life - Years
Infrastructure	20 - 40
Buildings and housing	10 - 50
Vehicles and equipment	5 - 10
Computer equipment	1 – 5

Annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

#### (ii) Prepaid expenses:

Services to be received in the subsequent period, paid for in advance are recognized as prepaid expenses.

# SHEGUIANDAH FIRST NATION

## Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

---

### **1. Significant accounting policies (continued):**

#### **(d) Use of estimates:**

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates and assumptions include the carrying amount of tangible capital assets and valuation allowances for receivables. Actual results could differ from those estimates. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the year in which they become known.

In addition, the First Nation's implementation of the Public Sector Accounting Handbook PS3150 requires management to make estimates of historical cost and useful lives of tangible capital assets.

Actual results may differ from these estimates.

#### **(e) Prior year funding adjustments:**

The First Nation has entered into accountable contribution arrangements with several government funding agencies. All such programs are subject to audit by the various governments, with audit adjustments repayable to the government.

Adjustments made under funding arrangements relating to prior years are charged to operations in the year during which the adjustments are made.

#### **(f) Consolidated Trust Funds:**

Funds held in trust are comprised of funds held in Ottawa Trust accounts and arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

### **2. Restricted cash:**

In accordance with the operating agreements between the First Nation and Canada Mortgage and Housing Corporation ("CMHC"), cash in the amount of \$91,624 (2020 - \$91,624) is restricted for this purpose. Under the agreement, the First Nation is required to set aside funding to maintain a replacement and operating reserve bank account. As of fiscal year end, this First Nation is required to have set aside \$81,003 (2020 - \$101,634).

---

2022	\$ 44,786
2023	45,480
2024	46,185
2025	46,901
2026	47,629
Thereafter	495,429

---

## 8. Commitments and contingent liabilities:

In accordance with terms and conditions of a financing arrangement between the Bank of Montreal and the Robinson Huron Treaty Trust (the “Trust”), the First Nation, as a beneficiary of the Trust, has guaranteed borrowings in proportion to its beneficial interest in the Trust in the amount of \$188,500. As of March 31, 2021, its proportional outstanding loan balance as part of the Trust is \$188,090 (2020 - \$188,500).

The loan guarantee is secured by an assignment of the First Nation’s distributions from the Ontario First Nation Limited Partnership.

Notes to Consolidated Financial Statements (continued)

Year ended March 31, 2021

---

## **12. Line of credit:**

The First Nation has a line of credit available in the amount of \$40,000 which has not been utilized (2020 - \$Nil). The interest rate on the line of credit is prime plus 2.5%.

## **13. Comparative information:**

Certain 2020 comparative information have been reclassified where necessary to conform to the current year presentation.

## **14. Effects of COVID-19:**

On March 11, 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. This has resulted in governments worldwide, including the Canadian and Ontario governments, enacting emergency measures to combat the spread of the virus. These measures, which include the implementation of travel bans, self-imposed quarantine periods and social distancing, have caused material disruption to businesses globally and in Ontario resulting in an economic slowdown. Governments and central banks have reacted with significant monetary and fiscal interventions designed to stabilize economic conditions however the success of these interventions is not currently determinable. The current challenging economic climate may lead to adverse changes in cash flows, working capital levels and/or debt balances, which may also have a direct impact on the First Nation's operating results and financial position in the future. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect to the First Nation's business is not known at this time.

## **15. Segmented information:**

The First Nation is a diversified governmental institution that provides a wide range of services to its Members, including band government, social assistance, education, community infrastructure, health services, recreation, housing and community property, employment and economic development and social housing. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

### **Band Government**

The band government department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of chief and council as well as the Community Fund.

### **Social Assistance**

The social assistance department delivers a variety of programming including Ontario works and offers employment support services. In addition, the department manages the homemakers and transitional support programs.

---

## **15. Segmented information (continued):**

### **Education**

The education department enters into service contracts with provincially funded area school boards for elementary and secondary students. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

### **Community Infrastructure**

The community infrastructure department provides public services that contribute to sustainability through the provision of maintenance and operating services such as roads, water and sanitation, fire protection, street lighting, community buildings and band owned equipment.

### **Health Services**

The health services department provides a diverse bundle of services directed towards the well-being of the members including the delivery of programming such as the community health representative, medical transportation, healthy communities, community care, and many other smaller programs designed to enhance the health of members.

### **Recreation**

The recreation department provides cultural and recreational activities for the benefit of the Members of the First Nation.

### **Housing and Community Property**

The housing and community property department manages the construction and renovation of homes owned by the First Nation and its members.

### **Employment and Economic Development**

This department is responsible for identifying and developing economic opportunities for the benefit of the First Nation and its Members. The department also secures and delivers employment training funding for the First Nation.

### **Social Housing**

The social housing department manages the operations of CMHC housing owned by the First Nation. This includes tenant identification, rent collection and maintenance management.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis.

Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies.
