Ginoogaming First Nation Management's Responsibility for Financial Reporting

March 31, 2018

The accompanying consolidated financial statements of Ginoogaming First Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal control and administrative controls of quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council, composed of council members, reviews the First Nation's consolidated financial statements and recommends their approval. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters, and financial reporting issues, to satisfy themselves that each party is properly discharging its responsibilities, and to review the annual report, the consolidated financial statements, and the external auditors' report. The Council also considers, for review and approval by the members, the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian public sector accounting standards on behalf of the members. BDO Canada LLP have full and free access to Council.

Independent Auditor's Report

To the Members of Ginoogaming First Nation

We have audited the accompanying consolidated financial statements of Ginoogaming First Nation, which comprise the consolidated statement of financial position as at March 31, 2018 and the consolidated statements of operations and accumulated surplus, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our disclaimer of audit opinion.

Independent Auditor's Report (cont'd)

Basis for Disclaimer of Opinion

The First Nation was not able to provide satisfactory audit evidence with respect to the completeness or existence of expenses due to a lack of supporting documentation, the lack of supporting audit evidence with respect to the Education Authority and the lack of controls over the bingo operations. Accordingly, we were unable to confirm or verify by alternate means that all expenses of the First Nation have been properly recorded, nor whether the classification of expenses is appropriate. As a result, we were unable to determine whether any adjustments might be necessary to expenses, accounts payable and accumulated surplus.

The First Nation did not prepare budgets, which is not in compliance with Canadian public sector accounting standards.

Disclaimer of Opinion

Due to the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements

1. Significant Accounting Policies

Reporting Entity	<p>The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all related entities accountable for the administration of their financial affairs and resources to the Ginoogaming First Nation and which are owned or controlled by the First Nation. These financial statements include:</p> <p style="text-align: center;">Giizhagaakwe Development Corporation (GDC) Anishinaabeg Gikinoo A'Maagoziwin Education Authority</p>
Accounting Principles	<p>The consolidated financial statements of Ginoogaming First Nation are the representation of management prepared in accordance with principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada as prescribed by Indigenous Services Canada (ISC).</p>
Principles of Consolidation	<p>All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.</p> <p>Under the modified equity method of accounting, only Ginoogaming First Nation's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Ginoogaming First Nation.</p> <p>Organizations accounted for on a modified equity basis include:</p> <ul style="list-style-type: none"> • Giizhagaakwe Development Corporation (GDC) <p>A government partnership exists where the First Nation has shared control over the board or entity. The First Nation's pro-rata share of the assets, liabilities, revenues and expenditures are reflected in the consolidated financial statements using the proportionate consolidation method. The First Nation's proportionate interest of the following government partnerships are reflected in the consolidated financial statements:</p> <ul style="list-style-type: none"> • Anishinaabeg Gikinoo A'Maagoziwin Education Authority 38.36%

Cash and Cash Equivalents	Cash and cash equivalents consist of cash on hand, bank balances and bank overdrafts with maturities of three months or less.														
Tangible Capital Assets	<p>Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue.</p> <p>Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:</p> <table> <tr> <td>Commercial buildings</td> <td>- rates between 5 and 20 years</td> </tr> <tr> <td>Furniture and fixtures</td> <td>- 5 years</td> </tr> <tr> <td>Housing assets</td> <td>- 20 years</td> </tr> <tr> <td>Infrastructure</td> <td>- rates between 10 and 20 years</td> </tr> <tr> <td>Machinery and equipment</td> <td>- rates between 5 and 10 years</td> </tr> <tr> <td>Office equipment</td> <td>- rates between 3 and 5 years</td> </tr> <tr> <td>Vehicles</td> <td>- 5 years</td> </tr> </table> <p>Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.</p> <p>Certain assets which have historical or cultural value, including works of art, historical or cultural artifacts, are not recognized as tangible capital assets.</p>	Commercial buildings	- rates between 5 and 20 years	Furniture and fixtures	- 5 years	Housing assets	- 20 years	Infrastructure	- rates between 10 and 20 years	Machinery and equipment	- rates between 5 and 10 years	Office equipment	- rates between 3 and 5 years	Vehicles	- 5 years

1. Significant Accounting Policies (cont'd)

Revenue Recognition (cont'd)	<p>Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.</p> <p>Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.</p>
Use of Estimates	<p>The preparation of consolidated financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future. Significant estimates include estimated useful lives of tangible capital assets and allowance for doubtful accounts.</p>
Replacement Reserves	<p>Under the terms of agreements with Canada Mortgage and Housing Corporation, the Replacement Reserve for housing is to be credited in varying amounts annually until it accumulates to the maximum amount plus accumulated interest. These funds along with accumulated interest, must be held in separate bank accounts and may only be used as approved by Canada Mortgage and Housing Corporation.</p>
Going Concern	<p>These financial statements have been prepared on the basis of generally accepted accounting principles as applicable to a going concern. These financial statements show that Ginoogaming First Nation has had prior year deficits. As a result of the previous deficits that have occurred, the First Nation is currently under co-management.</p>

7. Investment in Government Partnership

The First Nation has an interest in the Anishinaabeg Gikinoo A'Maagoziwin Education Authority. Anishinaabeg Gikinoo A'Maagoziwin Education Authority provides elementary and secondary schooling to members of the First Nation.

Management was unable to obtain information regarding the carrying amount of the First Nation's proportion of the Education Authority as at March 31, 2018 and the First Nation's share of the Education Authority's surplus for the year. Consequently, management was unable to determine whether any adjustments to these amounts were necessary. There is a court order to begin the process to wind up the Education Authority.

17. Comparative Figures

Certain of the comparative figures presented in the accompanying consolidated financial statements have been reclassified to conform with the current year's presentation.

18. Segmented Information

Ginoogaming First Nation is a diversified government institution that provides a wide range of services to its members, including administration, medical and other health services, education, capital, infrastructure maintenance and other services. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations.

Services are provided by several departments and their activities are reported in these funds. The activities can also be categorized into segments. The following segments have been identified and as such are separately disclosed.

Administration

Administration oversees the delivery of all government services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities of Chief and Council.

Community Infrastructure

Community Infrastructure contains activities that provide infrastructure to the community such as road maintenance, sewer and water, community buildings and public utilities.

Education

Education provides public services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department provides sponsorship to students attending post secondary institutions.

Social Housing

Social Housing contains activities that provide housing and repairs and maintenance to band members.

Social Services

Social Services contains activities that provide financial support or support by other means to band members that are aimed at developing both the individual as well as the community.

Health Services

Health Services contains activities that provide medical services to band members. Furthermore, the community wellness department provides a diverse bundle of services directed towards transportation, pre-natal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

18. Segmented Information (cont'd)

Employment and Economic Development

Employment and Economic Development provides a wide array of activities to further support the development and progressively enhance the First Nation's economy and community.

Community Development

Community Development contains activities that provide a benefit to the community.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been appointed based on a percentage of budgeted expenses.

The accounting policies used in the segments are consistent with those followed in preparation of the financial statements as disclosed in the summary of significant accounting policies.
