Ojibways of the Pic River First Nation Management's Responsibility for Financial Reporting

March 31, 2014

The accompanying consolidated financial statements of Ojibways of the Pic River First Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

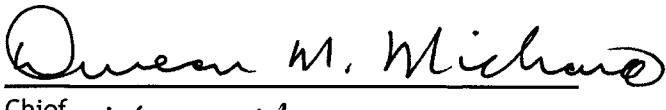

These consolidated financial statements have been prepared by management in accordance with generally accepted accounting principles for governments in Canada. Financial statements are not precise since they include certain amounts based on estimates and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains systems of internal control and administrative controls of quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable, and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

The Council, composed of council members, reviews the First Nation's consolidated financial statements and recommends their approval. The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters, and financial reporting issues, to satisfy themselves that each party is properly discharging its responsibilities, and to review the annual report, the consolidated financial statements, and the external auditors' report. The Council also considers, for review and approval by the members, the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. BDO Canada LLP have full and free access to Council.

Independent Auditor's Report

**To the Members
Ojibways of the Pic River First Nation**

We have audited the accompanying consolidated financial statements of the Ojibways of the Pic River First Nation, which comprise the consolidated statement of financial position as at March 31, 2014 and the consolidated statements of operations and accumulated surplus, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independent Auditor's Report (cont'd)

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Ojibways of the Pic River First Nation as at March 31, 2014, and the results of its operations, changes in net debt and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

Ojibways of the Pic River First Nation Notes to Consolidated Financial Statements

March 31, 2014

1. Significant Accounting Policies

Accounting Principles	The financial statements of the Ojibways of the Pic River First Nation are the representation of management prepared in accordance with principles established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants as prescribed by Aboriginal Affairs and Northern Development Canada (AANDC).
Reporting Entity	The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all related entities accountable for the administration of their financial affairs and resources to the Ojibways of the Pic River First Nation and which are owned or controlled by the First Nation. These financial statements include: 1698315 Ontario Inc. Begetekong Trust
	Inter-entity transactions and balances have been eliminated with the exception of loans or advances between reserve funds and any other fund of the First Nation and the resulting interest income and expenditures.
Cash and Cash Equivalents	Cash and cash equivalents consist of cash on hand, bank balances and bank overdrafts with maturities of three months or less.
Revenue Recognition	Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable. Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled. Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose. Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.
Use of Estimates	The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.

1. Significant Accounting Policies (Cont'd)

Tangible Capital Assets Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Computer equipment	- 3 years
Equipment	- 10 years
Furniture and fixtures	- 10 years
Vehicles	- 10 years
Buildings	- 20 years
Housing Assets	- 50 years
Other - Capital	- 20 years
Infrastructure	- 20-75 years

Long Term Investments The First Nation records its long term investments in the following manner:

Investments fully controlled by the First Nation are consolidated.

Investments in Government Business Enterprises are recorded using the modified equity method.

All other long term investments are recorded at the lower of cost and net realizable value.

Umbata Falls Hydro Electric Projects, Twin Falls Limited Partnership, Begetekong Power Corporation and Kagano Power Corporation are considered Government Business Enterprises and are recorded using the modified equity method.

Replacement Reserves Under the terms of agreements with Canada Mortgage and Housing Corporation, the Replacement Reserve for housing is to be credited in varying amounts annually until it accumulates to the maximum amount plus accumulated interest. These funds along with accumulated interest, must be held in separate bank accounts and may only be used as approved by Canada Mortgage and Housing Corporation.

The First Nation has also established reserve funds for new school capital, computer replacements, health services vehicle and for the construction of a new health centre. Annual determinations of amounts to be set aside in these reserve funds are approved by Chief and Council.

7. Investments in Government Business Enterprises (cont'd)

The government business enterprises are related to the generation of hydroelectricity.

In July 2009, the Band acquired approximately 69% of the remaining partnership interests in the Twin Falls Limited Partnership (Twin Falls) to bring its ownership interest to approximately 90%. In February 2014, the Band acquired 5 special B units of the Partnership from Pic River Development Corporation, bringing its ownership interest to approximately 97%. The remaining interest is owned by both a non-arm's length and arm's length party.

Twin Falls Limited Partnership was formed to carry on the business of constructing and operating a hydro electric project. The latest financial statements available for the partnership are for the year ended December 31, 2013. Twin Falls Limited Partnership realized net income for the year ended December 31, 2013 totaling \$133,647 (loss in 2012 - \$163,377). The Band recorded their proportionate share of the income, limited to the amount of investment in the Limited Partner Units which amounted to \$123,383 (loss in 2012 - \$147,480).

The Band has guaranteed that Twin Falls Limited Partnership's hydrology cash and maintenance reserve funds will remain funded to prescribed amounts of \$400,000 and \$100,000, respectively. As at December 31, 2013, these reserves were funded to a level of \$370,000 and \$100,000, respectively, and as a result, Twin Falls Limited Partnership's financial institution has the right to call for the additional capital from the Band. Subsequent to year end, an amendment to the externally imposed capital requirement was made relating to the reserve funds. For the fiscal year ending December 31, 2014, a security interest in the sum of \$400,000 is to be kept in reserve for a Hydrology/Maintenance Cash Reserve Fund.

The Band has a 51% interest in the Umbata Falls Limited Partnership with the remaining interest being owned by arm's length parties. No monies have been contributed by the Band to this Limited Partnership as all startup costs are to be paid by the 49% interest parties. The Band has no liability relating to the Umbata Falls Limited Partnership, which has accumulated losses as at December 31, 2013 amounting to \$7,406,733 (2012 - \$11,864,599). The net income for the Limited Partnership for the year ended December 31, 2013 was \$11,135,328 (2012 - net income of \$3,259,631). Future earnings will be recorded once the Limited partnership earnings exceed accumulated losses.

The Band has pledged its limited partnership units in Umbata Falls Limited Partnership as security for debt held by Umbata Falls Limited Partnership.

The Health Van and Clinic Capital Reserves have been funded by Health and Welfare Canada through the Health Services Fund.

Under the terms of agreements with Canada Mortgage and Housing Corporation, the Replacement Reserve for housing is to be credited in the amount of \$16,100 annually until it accumulates to the maximum of \$161,000 plus accumulated interest. These funds along with accumulated interest, must be held in separate bank accounts and may only be used as approved by Canada Mortgage and Housing Corporation. As at March 31, 2014, the replacement reserves have not been funded.

The First Nation has also established reserve funds for new school capital, computer replacements, health services vehicle and for the construction of a new health centre. Annual determinations of amounts to be set aside in these reserve funds are approved by Chief and Council.

March 31, 2014

15. Subsidy Surplus Reserve

	2014	2013
Balance, beginning and end of year	\$ 10,000	\$ 10,000

Under the terms of agreements with Canada Mortgage and Housing Corporation, excess federal assistance payments received may be retained in a subsidy surplus reserve up to a maximum of \$500 per unit plus interest. These funds, along with accumulated interest must be retained in separate bank accounts. The funds in this account may only be used to meet future subsidy requirements of income tested occupants over and above the maximum federal assistance. When the fund has attained the maximum of \$500 per unit, up to 10% of the excess assistance during a year may be transferred to other projects owned by the Band requiring additional assistance. As at March 31, 2014, the required funds have not been set aside in a separate bank account.

16. Economic Dependence

The Organization is dependent upon subsidy payments from various government agencies to finance its continuing operations.

17. Pension Plan

The Band has a defined contribution pension plan covering all employees. The employees contribute 5% of their earnings to the plan and the Band matches their contribution. Employees may also increase the size of their pension investment by making voluntary contributions by payroll deduction subject to the limit specified in the Income Tax Act (Canada). The expense to the Band included in wages and benefits for the year was \$132,607 (2013 - \$136,726).

18. Contingent Liability

The First Nation is contingently liable to Aboriginal Affairs and Northern Development Canada or any other funding agency for any expenditure it may have made in contravention of the contribution agreements. The likelihood and amounts, if any, cannot be reasonably determined.

The First Nation has also guaranteed the bank loan of Pic River Development Corporation up to an amount of \$250,000. The balance of the loan was \$130,000 as at March 31, 2014.

19. Budgeted Figures

Budget figures have been provided for comparison purposes and have been derived from estimates approved by Chief and Council for the year ended March 31, 2014. The First Nation prepares its budget on a program by program basis. The following is a summary of the approved budget surplus (deficits) per program area for the year ended March 31, 2014:

21. Segmented Information

The Ojibways of the Pic River First Nation is a diversified government institution that provides a wide range of services to its members, including administration, medical and other health services, education, capital, infrastructure maintenance and other services. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations.

Services are provided by several departments and their activities are reported in these funds. The activities can also be categorized into segments. The following segments have been identified and as such are separately disclosed.

Administration

The Administration department oversees the delivery of all government services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities of Chief and Council.

Education

The Education department provides public services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department provides sponsorship to students attending post secondary institutions.

Social Services

Social Services administers assistance payments as well as providing services directed towards members.

Health Services

Health Services contains activities that provide medical services to band members. Furthermore, the community wellness department provides a diverse bundle of services directed towards transportation, pre-natal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

Capital Projects

Capital Projects contains all activities that relate to the maintenance of the First Nation's buildings and land and the provision of housing and repairs and maintenance to band members' housing.

Energy

Energy contains all activities that relate to the management of the First Nation's power production investments.

Economic Development

The Economic Development department provides a wide array of activities to further support the development and progressively enhance the First Nation's economy and community.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been appointed based on a percentage of budgeted expenses.

The accounting policies used in the segments are consistent with those followed in preparation of the financial statements as disclosed in the summary of significant accounting policies.
