Thessalon First Nation Management's Responsibility for Financial Reporting

March 31, 2014

The accompanying consolidated financial statements of Thessalon First Nation are the responsibility of management and have been approved by Chief and Council.

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conduct an audit in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have access to financial management of Thessalon First Nation and meet when required.

On behalf of Thessalon First Nation:

Alfred Biault Chief

May-Jeanne Lachapelle Band Manager

Independent Auditor's Report

To the Members of Thessalon First Nation

We have audited the accompanying consolidated financial statements of Thessalon First Nation, which comprise the consolidated statement of financial position as at March 31, 2014 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Thessalon First Nation as at March 31, 2014 and the results of its operations, change in its net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

1. Significant accounting policies

a. Basis of Accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board.

b. Reporting Entity

The Thessalon First Nation reporting entity includes the First Nation government and all entities that are controlled by the First Nation.

c. Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for commercial enterprises which meet the definition of a government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

d. Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by external contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service being performed, is deferred and recognized when the fee is earned or service performed.

e. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, balances with banks and term deposits having a maturity of three months or less at acquisition which are held for the purposes of meeting short term cash commitments.

f. Leased Assets

Leased assets that transfer substantially all the benefits and risks of ownership are recorded as the acquisition of a tangible capital asset and the incurrence of an obligation. The asset is amortized in a manner consistent with tangible capital assets owned by the First Nation, and the obligation, including interest thereon, is repaid over the term of the lease. All other leases are accounted for as operating leases, and the rental costs are expensed as incurred.

g. Pension Plan

Thessalon First Nation provides a defined contribution pension plan for its employees. The pension costs are charged to operations as contributions are due. Contributions are a defined amount whereby the employer matches that paid by the employee.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

1. Significant accounting policies (continued)

h. Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a straight-line basis over the estimated lives as follows:

Land improvements	10 to 30
Buildings	30 to 40
Housing	30
Machinery and equipment	5 to 30
Vehicles	10
Infrastructure	7 to 100

Tangible capital assets are written down when conditions indicate that they no longer contribute to Thessalon First Nation's ability to provide goods and service, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write downs are accounted for as expenses in the consolidated financial statements.

Contributed tangible capital assets are recorded into revenues at their fair values on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case, they are recognized at nominal value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Assets under construction are not amortized until the asset is available to be put into service.

2. Trust funds

	Beginning	Additions	Withdrawals	Ending
Revenue	\$ 194,085	\$ 5,626	\$ -	\$ 199,711
Capital	14,666	-	-	14,666
	\$ 208,751	\$ 5,626	\$ -	\$ 214,377

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

Thessalon First Nation
Notes to Consolidated Financial Statements

March 31, 2014

3. Deferred revenue

	2014	2013
Post-secondary education	\$ 68,420	\$ 73,198
Transportation, Allowances and Supplies	20,191	21,740
Economic development	5,458	-
Community consultation program	23,540	42,000
Strategic business development plan	142,213	70,400
	<hr/>	<hr/>
	\$ 259,822	\$ 207,338

4. Obligation under capital lease

	2014	2013
5.152% capital lease, secured by equipment, repayable \$1,524 monthly including interest, maturing February 2018	\$ 63,488	\$ 78,091

Principal payments required on obligation under capital lease for the next four years are as follows:

Year	Amount
2015	\$ 15,373
2016	16,184
2017	17,038
2018	14,893
	<hr/>
	\$ 63,488

Interest paid on obligation under capital lease during the year was \$3,682 (2013 - \$340).

5. Accrued landfill closure and post-closure costs

Landfill closure and post-closure requirements include final covering and landscaping of the landfill, storm water management, creation of buffer lands, monitoring wells, fees, ongoing environmental monitoring, site inspection and maintenance. The reported liability is based on estimates and assumptions with respect to events extending over a thirty year period using the best information currently available to management. Future events may result in significant changes to total estimated expenditures, capacity used or total capacity and estimated liability. Any such changes would be applied prospectively as a change in estimate, when applicable.

Based on an up-dated study conducted during the year, the estimated remaining useful life of the landfill site is 4 years, after which the period for post-closure care costs is estimated to be 30 years. The estimated liability for landfill closure and post-closure costs is recognized as the landfill site's capacity is used.

The estimated total net present value of expenditures to close and maintain the landfill site is approximately \$738,329 (2013 - \$693,267). As at March 31, 2014, 96.0% (2013 - 95.0%) of the total estimated expenditures have been recognized based on the cumulative capacity used at that date compared to the total estimated landfill capacity. The First Nation has not designated any source of revenue to fund the cost of closing and maintaining the landfill site.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

6. Prepaid advances on housing renovations

During the 2012 fiscal year, chief and council committed to providing \$6,000 per year for housing renovations to band members to the fiscal year ending March 31, 2016 at an annual total cost of \$354,000 to be funded from Casino Rama revenues. Members were allowed full advance allotments during the current fiscal year.

During the 2014 fiscal year, chief and council provided a one-time \$3,000 grant for housing renovations to band members.

7. Accumulated surplus

Allocation of annual surplus (deficit)

	2014	2013
Reserves and reserve funds:		
Casino Rama - future generations	\$ (513,433)	\$ (40,100)
Casino Rama - regular funding	-	(479,393)
	<hr/>	<hr/>
	(513,433)	(519,493)
Equity in tangible capital assets	583,390	79,587
General surplus (deficit)	35,017	(30,673)
Unfunded landfill liabilities	(50,193)	(46,707)
Funds Held in Trust	5,626	4,047
	<hr/>	<hr/>
	\$ 60,407	\$ (513,239)

Accumulated surplus

	2014	2013
Reserve set aside for specific purposes		
Casino Rama - future generations fund	\$ 605,036	\$ 1,118,469
Equity in tangible capital assets	3,430,841	2,847,451
General surplus (deficit)	35,262	245
Unfunded liabilities	(708,797)	(658,604)
Funds held in trust	214,377	208,751
	<hr/>	<hr/>
	\$ 3,576,719	\$ 3,516,312

8. Pension agreement

The First Nation provides a defined contribution plan for eligible members of its staff. The First Nation matches employees' contributions. The amount to be received by employees will be the amount of retirement gratuity that could be purchased based on the employees share of the pension plan at the time of the employee's withdrawal from the plan. The First Nation contributed \$37,219 (2013 - \$38,040) during the year for retirement benefits.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

9. Contingencies and commitments

A \$500,000 revolving demand credit facility at prime plus 1.0% is secured by a guaranteed investment certificate. As at March 31, 2014, the First Nation was utilizing \$196,852 of this overdraft protection.

The First Nation is contingently liable to Canada Mortgage and Housing Corporation for housing renovations loans extended to band members. Loans are forgivable on a straight-line basis over four years as long as the occupant remains the same over the term. Any outstanding balance becomes payable by the First Nation if the terms of forgiveness are not met. Also, the First Nation is contingently liable in the amount of approximately \$20,000 in respect to an on-reserve housing loan.

The First Nation is disputing the assessment of municipal taxes, interest and penalties of approximately \$627,000 at March 31, 2014 on property it acquired from a land claim settlement. The outcome of this matter is not presently determinable. Any loss resulting therefrom will be recorded in the year of settlement.

10. AANDC funding

The Thessalon First Nation has a comprehensive funding arrangement with Aboriginal Affairs and Northern Development Canada (AANDC). The funds are used by the Band to administer its operations and provide service to its members in accordance with the terms of the funding arrangement. There were no adjustments to amounts confirmed by AANDC.

11. Segmented information

The Thessalon First Nation is a diversified government institution that provides a wide range of services to its members. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Social Assistance

The social assistance department is responsible for administering assistance payments as well as providing homemaking and other services directed towards members.

Education

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

11. Segmented information (continued)

Infrastructure maintenance

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection, electrical and community buildings.

Medical and other health services

The health services department provides a diverse bundle of services directed towards the well-being of members including such activities as long term care, medical transportation, prenatal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

Administration

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of chief and council.

Housing and community development

This department is responsible for community development activities occurring in the First Nation during the year, including housing renovations.

Enterprises and economic development

Band operated enterprises are activities conducted by the First Nation with the objective of promoting economic self-sufficiency. These activities could include income generated from renting out band-owned equipment, lease income and other projects from time to time.

Other programs

The First Nation provides a wide array of other services, including the library, Rama and other activities.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies. For additional information see Schedule 2 - Consolidated Segment Disclosure.

Thessalon First Nation Notes to Consolidated Financial Statements

March 31, 2014

12. Budget

The budget adopted by the First Nation was not prepared on a basis consistent with that used to report actual results. The budget was prepared on a modified accrual basis while Public Sector Accounting Board standards now require a full accrual basis. The budget figures anticipated use of reserves to reduce current year expenditures. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense, and expensed principal payments of debt. As a result, the budget figures presented in the statements of operations and change in net financial assets (debt) represent the budget adopted by the First Nation with adjustments as follows:

Budget surplus (deficit) for the year	\$ (4,313)
Add:	
Capital expenditures	695,000
Unfunded liabilities	50,000
Principal portion of payments under capital lease	15,000
Less:	
Net inter-fund transfers from reserves	(542,000)
Amortization	<u>(178,300)</u>
Budget surplus (deficit) per statement of operations	<u>\$ 35,387</u>
