WAPEKEKA FIRST NATION  
CONSOLIDATED FINANCIAL STATEMENTS  
MARCH 31, 2015

**MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS**

The consolidated financial statements of Wapekeka First Nation are the responsibility of management and have been approved by Chief and Council.

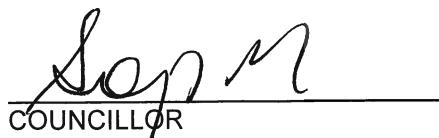

Management is responsible for the integrity and objectivity of the consolidated financial statements. Estimates are necessary in the preparation of these consolidated financial statements and, based on careful judgments, have been properly reflected. Management has established systems of internal control, which are designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use and to produce reliable accounting records for the preparation of financial information.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The consolidated financial statements have been audited by Holukoff Chiarella in accordance with Canadian generally accepted auditing standards on behalf of the members. Holukoff Chiarella have full and free access to the Chief and Council.

## INDEPENDENT AUDITORS' REPORT

To the Chief, Councillors and Members of  
Wapekeka First Nation

We have audited the accompanying financial statements of Wapekeka First Nation, which comprise the consolidated statements of financial position as at March 31, 2015 and the consolidated statements of accumulated surplus, operations, change in Ottawa Trust Funds, change in net financial assets/net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian public sector accounting standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

# **Holukoff Chiarella**

## INDEPENDENT AUDITORS' REPORT - CONTINUED

### **Basis for Qualified Opinion**

The First Nation has undertaken to identify the total cost of tangible capital assets not previously recorded and any impairment or related amortization attributed to each of those assets. The full extent of these unrecorded assets and appropriate amortization is not determinable at the date of the audit report. As a result we were unable to determine what further adjustments, if any, might be necessary to tangible capital assets, annual surplus and accumulated surplus.

Inventory consists of fuel purchased for the community of Wapekeka First Nation plus materials for projects and operations. We did not observe the inventory counts at the beginning or end of the year and alternative means did not provide us with the necessary assurance concerning the cost of inventory. As a result, we were unable to determine what adjustments, if any, might be necessary to assets, annual surplus (deficit) and accumulated surplus.

The financial statements include investments in Wasaya Partnership, Wasaya Group Inc. and Landmark Inn Limited Partnership. The financial information for Wasaya Partnership, Wasaya Group Inc. and Landmark Limited Partnership has not been audited. As a result, we were not able to determine if adjustments might have been found necessary in respect of the long-term investments and the elements marking up the consolidated statements of accumulated surplus, consolidated statements of operations, consolidated statements of financial position, consolidated statements of accumulated surplus, consolidated statements of operations, consolidated statements of change in net debt and consolidated statements of cash flows.

### **Qualified Opinion**

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraphs, the consolidated financial statements present fairly, in all material respects, the financial position of Wapekeka First Nation as at March 31, 2015, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**WAPEKEKA FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2015**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards for local government entities, as defined in the Public Sector Accounting and Auditing handbook of the Canadian Institute of Chartered Accountants.

**a) Nature and Purpose of Organization**

The purpose of the organization is the management and administration of all aspects of the Wapekeka First Nation. The organization operates with a Chief and Council, who are ultimately responsible for the establishment and administration of all programs of the First Nation.

**b) Reporting Entity and Principles of Financial Reporting**

Wapekeka First Nation reporting entity includes the Wapekeka First Nation government and all related unincorporated non-business entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements summarize on a combined basis the assets, liabilities and results of operations for the following entities. The readers of these summarized financial statements have access to the detailed information of each entity's financial statement.

Wapekeka First Nation Revenue Fund  
Wapekeka Education Authority  
Wapekeka First Nation Health Authority  
Ki-Chi-Ha-Gamic Home

All inter-entity balances have been eliminated on summarization, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated.

Investments in non controlled entities are recorded at the lower of cost and net realizable value.

**c) Amortization**

Assets are amortized over their expected useful life using the straight line method at the following rates:

Water and Sewage Service	2.5%
General Housing	5.0%
General Equipment	20.0%
Vehicles	20.0%
Small Business Centre	5.0%
Multi-Purpose Building	5.0%

In the year of acquisition, 50% of the normal amortization is recorded.

Social Housing assets acquired under CMHC sponsored housing programs are amortized at a rate equivalent to the annual principal reduction in related long term debt, which approximates its economic life.

**WAPEKEKA FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2015**

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued**

**d) Revenue Recognition**

The organization follows the deferral method of accounting for revenue. Revenue is recognized as it becomes receivable under the terms of applicable funding agreements and can reasonably be estimated and collection is reasonably assured. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the statement of financial position.

**e) Tangible Capital Assets**

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods or delivering services. The organization does not capitalize computer software. Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artefacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**f) Assets Under Construction**

Capital projects under construction at year end are recorded at cost and are segregated as part of the non-financial assets. As the construction of these assets is completed, they are added to the appropriate tangible capital asset category. Amortization is not taken until the asset is put into use.

**g) Net Debt/Net Financial Assets**

The organization's financial statements are presented so as to highlight the net debt/net financial assets as a measurement of financial position. The net debt/net financial assets of the organization are determined by its financial assets less its liabilities.

**h) Deferred Revenue**

Deferred revenue represents funding received or receivable under the terms of their respective funding arrangements for specified purposes and for which the related expenses have not been incurred. Unspent funding or expenses made which are not in accordance with the terms of the funding arrangements may constitute a debt to the funding authority upon review of the funding arrangement expenses. Note 5 provides a summary of deferred revenue by project.

WAPEKEKA FIRST NATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED MARCH 31, 2015

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued

i) Financial Instruments

*Initial and subsequent measurement*

The First Nation initially measures its financial assets and liabilities at fair value, except for certain related party transactions that are measured at the carrying amount or exchange amount, as appropriate.

The First Nation subsequently measures all its financial assets and liabilities at cost or amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in the fair value of these financial instruments are recognized in net income in the period incurred.

Financial assets measured at amortized cost on a straight-line basis include cash in bank, accounts receivable, investments and Ottawa Trust Funds

Financial liabilities measured at amortized cost on a straight-line basis include accounts payable, deferred revenue, moveable asset reserve, replacement reserves and long term debt.

*Transaction costs*

Transactions costs related to financial instruments that will be subsequently measured at fair value are recognized in net income in the period incurred. Transaction costs related to financial instruments subsequently measured at amortized cost are included in the original cost of the asset or liability and recognized in net income over the life of the instrument using the straight-line method.

j) Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.

	<b>\$ 334,355</b>	<b>766,772</b>	<b>817,764</b>	<b>283,363</b>

**8. MOVABLE ASSETS RESERVE**

Under the terms of the Health Services Transfer Agreement with Health Canada the initial lump sum, interest and an annual amount are to be placed in the reserve for the replacement of assets. Expenditures for the replacement or substitutions of moveable assets are charged to the reserve during the year.

**9. REPLACEMENT RESERVES**

Under the terms of the agreement with Canada Mortgage and Housing Corporation, Replacement Reserves are to be credited in the amount of \$2,100 annually until it accumulates to \$21,000 plus interest. These funds, along with accumulated interest, are to be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal.

**13. ACCUMULATED SURPLUS**

A portion of this balance includes surpluses and/or deficits from funds contributed by government agencies. Such surpluses/deficits may be subject to repayment or recovery by the contributing agencies, depending on the terms and conditions of the relevant contribution arrangements.

**14. FEDERAL ASSISTANCE PAYMENTS**

The Ki-Chi-Ha-Gamic Home has received federal assistance through Canada Mortgage and Housing Corporation pursuant to Section 95 of the National Housing Act to reduce mortgage interest expense to 2% to enable the project to provide housing to low-income individuals. The amount of assistance received in 2015 was \$28,761 (2014 - \$24,876).
