Management's Responsibility for Financial Reporting

The accompanying consolidated financial statements of Bearskin Lake First Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council of the Band.

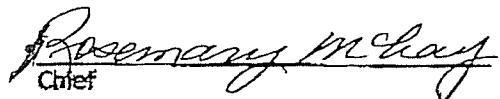

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting principles. Financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

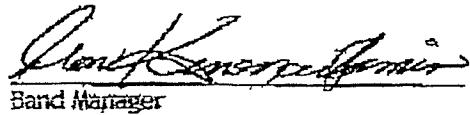

The Band maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Band's assets are appropriately accounted for and adequately safeguarded.

The Band Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Chief and Council review the Band's consolidated financial statements and recommend their approval. The Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the annual report, the consolidated financial statements and the external auditors' report. The Chief and Council takes this information into consideration when approving the consolidated financial statements for issuance to the Members. The Chief and Council also consider the engagement of the external auditors.

The consolidated financial statements have been audited by BDO Canada LLP in accordance with Canadian generally accepted auditing standards on behalf of the Members. BDO Canada LLP has full access to the Band Council.

Band Manager

Independent Auditors' Report

To the Members of Bearskin Lake First Nation

We have audited the accompanying consolidated financial statements of Bearskin Lake First Nation which comprise the consolidated statement of financial position as at March 31, 2014, and the consolidated statements of revenue and expenses and fund balance, change in net financial assets, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting principles, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualification

As discussed in the Significant Accounting Policies, the Bearskin Lake Economic Development Corporation, Wellington Group of Companies, and the Wasaya Group of Companies and Limited Liability Partnerships have been included in the government reporting entity. These organizations have not been subject to audit. We do not know whether there would be any adjustments to the assets, liabilities, surplus, revenue or expenses of the consolidated financial statements, had we audited these financial statements, and we express no opinion on the value of the investment in the government partnership.

Our audit opinion for the year ended March 31, 2013 was modified accordingly because of the possible effects of this limitation in scope.

Qualified Opinion

In our opinion, except for the effects of matter described in the Basis for Qualification paragraphs, the consolidated financial statements present fairly, in all material respects, the financial position of Bearskin Lake First Nation as at March 31, 2014 and the results of its operations and cash flows for the year then ended in accordance with Canadian public sector accounting principles.

Bearskin Lake First Nation Summary of Significant Accounting Policies

March 31, 2014

Basis of Presentation	These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for governments, as defined by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants, and in accordance with the Year End Reporting Handbook for Department of Aboriginal Affairs and Northern Development Canada Funding Arrangements.												
Fund Accounting	Bearskin Lake First Nation uses fund accounting procedures which result in a self-balancing set of accounts for each fund or program established by legal, contractual or voluntary obligations. Within each program the First Nation maintains operating, capital, and trust funds as applicable. The various funds have been consolidated for the purpose of presentation in the consolidated financial statements of which all inter-fund balances have been eliminated.												
Inventory for Resale	Inventories of supplies and goods available for resale are recorded at the lower of cost and net realizable value.												
Long-term Investments	Shares and partnership interests are recorded at cost. If there has been a permanent decline in the value of these investments, it is written down to its net realizable value.												
Tangible Capital Assets	Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue.												
	Amortization of these assets is recorded on a straight-line basis commencing in the year of acquisition or construction as follows:												
	<table><tbody><tr><td>Linear Assets</td><td>5% - 30%</td></tr><tr><td>General Housing</td><td>5%</td></tr><tr><td>Infrastructure</td><td>5%</td></tr><tr><td>Building and Improvements</td><td>5%</td></tr><tr><td>Vehicles</td><td>30%</td></tr><tr><td>Economic Development Corporation</td><td>5% - 30%</td></tr></tbody></table>	Linear Assets	5% - 30%	General Housing	5%	Infrastructure	5%	Building and Improvements	5%	Vehicles	30%	Economic Development Corporation	5% - 30%
Linear Assets	5% - 30%												
General Housing	5%												
Infrastructure	5%												
Building and Improvements	5%												
Vehicles	30%												
Economic Development Corporation	5% - 30%												
	Assets under construction are not amortized until the asset is available to be put into service.												
Inventory Held for Use	Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.												

Bearskin Lake First Nation Summary of Significant Accounting Policies

March 31, 2014

Revenue Recognition Revenues are recognized in the period in which the transaction or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Grant revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements which relate to a subsequent fiscal period is reflected as incomplete projects in the year of receipt and classified as incomplete projects on the consolidated statement of cash flows.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of revenue and expenses and fund balance as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the specific purpose.

Rental and user fee revenue is recognized on a monthly basis as income is earned and when collection is reasonably assured.

Sale of goods and other revenue from services provided is recognized when title passes to the buyer and/or when services have been rendered and the transaction can be reasonably assured.

Bearskin Lake First Nation Summary of Significant Accounting Policies

March 31, 2014

Reporting Entity and Principles of Financial Reporting Bearskin Lake First Nation reporting entity includes Bearskin Lake First Nation government and related entities which are accountable to the First Nation and are either owned or controlled by the First Nation. These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidation:

Bearskin Lake Economic Development Corporation
Bearskin Lake Cable
Bearskin Petro Products Ltd.
Michikan Lake Business Centre Inc.

A government business partnership exists where the First Nation has shared control over the board or entity. The First Nation's pro rata share of the assets, liabilities, revenue and expenses are reflected in the consolidated financial statements using the modified equity method. The First Nation's proportionate interest of the following government business partnership is reflected in the consolidated financial statements:

Wellington Group of Companies - 50%
Wasaya Partnership - 10%
Wasaya Group Inc. - 10%

Deferred Revenue Deferred revenue represents unspent accountable contributions for programs which are not completed at the year end. The unspent revenue is carried forward to be matched with additional expenses to be incurred in the subsequent year.

Use of Estimates The preparation of the consolidated financial statements in accordance with Canadian public sector accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and may have impact on future periods.

Bearskin Lake First Nation Notes to Consolidated Financial Statements

March 31, 2014

1. Prior Period Adjustment

During the year end preparation, it was determined that amounts had been incurred in the prior year related to the community centre addition. The amounts had been omitted when recording the capital additions for the year and as a result the amount had been expensed. For the purpose of the prior year, this addition should have been to construction in progress account and no amortization would have been accrued as the project was not completed until the current year.

As a result of the omission the prior year figures have been retroactively adjusted as follows:

	2013 Restated	As previously stated	Increase / (decrease)
Statement of Financial Position			
Tangible Capital Assets	\$ 19,651,705	\$ 19,457,753	\$ 193,952
Accumulated surplus	\$ (19,365,549)	\$ (19,171,597)	\$ (193,952)
Statement of Operations			
Expenses			
Capital	\$ 246,677	\$ 440,629	\$ (193,952)
Deficiency of revenue over expenses for the year	\$ (2,039,973)	\$ (2,233,925)	\$ (193,952)
Increase in 2014 Opening Accumulated Surplus	\$ (19,365,549)	\$ (19,171,597)	\$ (193,952)

	<u>\$ 5,584,197</u>	<u>\$ 547,820</u>

Bearskin Lake First Nation has obtained 4 operating lines of credit up to maximums of \$125,000, \$5,000, \$5,000 and \$10,000. These lines of credit are due on demand and bear interest at the Canadian Imperial Bank of Commerce prime rate plus 3.75%, calculated and payable monthly. The operating lines of credit are secured by all personal property of the business now owned and all personal property acquired in the future. They are also secured by Band Council Resolution directing all present and future AANDC funding to CIBC Sioux Lookout for deposit to the Band's bank account. The operating lines of credit have not been utilized at year end.

The CIBC Fuel Tank Loan is a demand loan that is secured by Band Council Resolution.

The BMO General account and demand loans are secured by Band Council Resolution. The year end balance for the General account exceeded the maximum allowable amount of \$250,000.

March 31, 2014

18. Segmented Information

Bearskin Lake First Nation is a diversified local government that provides a wide range of services to its citizens and members, including Band support, infrastructure, housing, employment, rental and other programs, economic development, social services, health, education and training, child care and commercial enterprises. The Casino Rama segment includes the use of funds received under Ontario First Nations Limited Partnership agreements.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Administrative fees, based on a percentage of revenues, have been allocated to programs where permitted by the funder.
