## Chapleau Ojibwe First Nation Management's Responsibility for Financial Reporting

---

March 31, 2014

The accompanying consolidated financial statements of the Chapleau Ojibwe First Nation are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

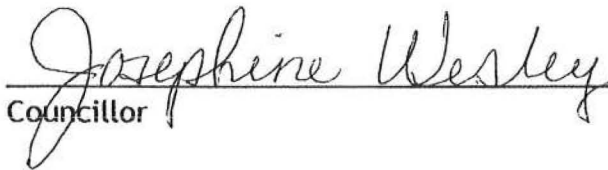

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conduct an audit in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have access to financial management of Chapleau Ojibwe First Nation and meet when required.

## Independent Auditor's Report

---

### To the Members of Chapleau Ojibwe First Nation

We were engaged to audit the accompanying consolidated financial statements of the Chapleau Ojibwe First Nation, which comprise the consolidated statement of financial position as at March 31, 2014 and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on conducting our audit in accordance with generally accepted auditing standards. Because of the matters described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

#### ***Basis for Disclaimer of Opinion***

The First Nation was not able to provide satisfactory audit evidence with respect to the completeness or existence of expenses, nor with respect to the completeness of revenue due to a lack of supporting documentation. Accordingly, we were unable to confirm or verify by alternate means that all revenue and expenses of the First Nation have been properly recorded, nor whether the classification of expenses is appropriate. As a result, we were unable to determine whether any adjustments might be necessary to revenue, expenses, accounts receivable, accounts payable and accumulated surplus.

#### ***Disclaimer of Opinion***

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

## Notes to Consolidated Financial Statements

March 31, 2014

---

### 1. Summary of significant accounting policies

**Accounting Principles** These consolidated financial statements of the Chapleau Ojibwe First Nation have been prepared in accordance with Canadian public sector accounting standards prescribed for governments, as recommended by the Public Sector Accounting Board.

**Basis of Consolidation** These financial statements reflect the assets, liabilities, revenues and expenses of all programs under the control of Chief and Council.

All controlled entities are fully consolidated on a line-by-line basis except for commercial enterprises which meet the definition of a government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Organizations consolidated include:

- Chapleau Ojibwe (Amik-BBF Hydrokap) F.N. Limited Partnership
- Chapleau Ojibwe (CTR Hydrokap) F.N. Limited Partnership
- Chapleau Ojibwe (Amik-BBF Hydrokap) F.N. Inc.
- Chapleau Ojibwe (CTR Hydrokap) F.N. Inc.

Chapleau Ojibwe First Nation has invested through Chapleau Ojibwe (Amik-BBF Hydrokap) F.N. Limited Partnership and Chapleau Ojibwe (CTR Hydrokap) F.N. Limited Partnership for 10% interest in both Amik-BBF HydroKap L.P. and Amik-CTR HydroKap L.P. The F.N. Limited Partnerships account for their investment in these other government organizations as portfolio investments.

**Portfolio Investments** Portfolio investments are recorded at cost. A write down is recorded where there has been a loss in value that is other than a temporary decline.

**Tangible Capital Assets** Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Housing	40 years
Buildings	40 years
Water system	25 to 50 years
Roads	30 to 50 years
Furniture and fixtures	5 years
Computer hardware	3 years
Vehicles	5 years
Machinery and equipment	5 years

## Notes to Consolidated Financial Statements

March 31, 2014

### 1. Summary of significant accounting policies (continued)

#### Revenue Recognition

Revenue is recognized in the period in which the transactions or events occurred that gave rise to the revenue. All revenue is recorded on an accrual basis.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

#### Use of Estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles for governments requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

### 2. Portfolio investments

During the year, as part of its benefit agreement with Probe Mines Limited, the First Nation was issued 25,000 shares of the company. The total cost base of the shares is \$41,625. At March 31, 2013 the market value of the shares was \$40,750.

	2014	2013
Probe Mines Limited - 25,000 shares	\$ 41,625	\$ 41,625

### 8. Segmented information

The Chapleau Ojibwe First Nation is a diversified government institution that provides a wide range of services to its members, including education, infrastructure maintenance, medical and other health services, administration, capital, enterprises and other services. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

#### Administration

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of Chief and Council, as well as delivers various community events.

#### Health services

The health services department provides a diverse bundle of services directed towards the well-being of members including such activities as early childhood care, community health representatives and other smaller programs designed to enhance the health of members.

#### Infrastructure

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water systems, fire protection, electrical systems, community buildings and housing.

---

## Chapleau Ojibwe First Nation Notes to Consolidated Financial Statements

**March 31, 2014**

---

### **8. Segmented information (continued)**

#### **Education**

The education department provides education counselling services and related services to the members.

#### **Economic development**

The economic development department is responsible for identifying and developing economic opportunities for the benefit of the First Nation and its members. The department also secures and delivers employment training funding for the First Nation

#### **Land claims**

The land claims department is actively involved with negotiations related to the settlement of outstanding land matters.

#### **Capital**

The capital department provides services for the longevity of the First Nation by the acquisition and development of housing, roads and other capital projects. Activities in this department are generally long-term in nature, with items capitalized and amortized over their useful life according to the tangible capital asset policy.

#### **Restricted reserve**

This functional area includes the management and distribution of funds received from the Ontario First Nations Limited Partnership, as well as funds held in trust in Ottawa by the department of Aboriginal Affairs and Northern Development Canada.

#### **Business**

The business department is responsible for the business operations of the Blue Heron Inn.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies. For additional information see the Consolidated Schedule of Segment Disclosure - Service (Schedule 2).

---

### **9. Budget**

The First Nation has not prepared a budget for the March 31, 2014 year-end, accordingly no budget figures have been presented for comparison purposes on the consolidated statements of operations and change in net financial assets.
