## Independent Auditor's Report

---

### To the Members of Chapleau Ojibwe First Nation

#### Disclaimer of Opinion

We were engaged to audit the consolidated financial statements of Chapleau Ojibwe First Nation (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

We do not express an opinion on the consolidated financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these consolidated financial statements.

#### Basis for Disclaimer of Opinion

The First Nation was not able to provide satisfactory audit evidence with respect to the existence of expenses due to a lack of supporting documentation. Accordingly, we were unable to confirm or verify by alternate means that all expenses of the First Nation have been properly recorded, nor whether the classification of expenses is appropriate. As a result, we were unable to determine whether any adjustments might be necessary to expenses, accounts payable and accumulated surplus.

In addition, the First Nation has not consolidated the financial statements of the Chapleau Ojibwe First Nation Treaty Land Entitlement Trust that was created in 2017, this constitutes a departure from Canadian public sector accounting standards. Under Canadian public sector accounting standards the Trust should have been consolidated as it is controlled by the First Nation. The effects on the consolidated financial statements of the failure to consolidate have not been determined.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

---

## Independent Auditor's Report (continued)

---

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our responsibility is to conduct an audit of the First Nation's consolidated financial statements in accordance with Canadian generally accepted auditing standards and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.
