Whitefish River First Nation Management's Responsibility for the Consolidated Financial Statements

March 31, 2017

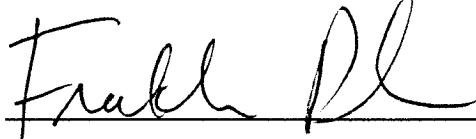

The accompanying consolidated financial statements and supplementary financial information schedules of the Whitefish River First Nation are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the *consolidated* financial statements.

The external auditors, BDO Canada LLP, conduct an audit, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. The external auditors have access to financial management of Whitefish River First Nation and meet when required.

On behalf of Whitefish River First Nation:

Chief

Councillor

Independent Auditor's Report

To the Members of Whitefish River First Nation

We have audited the accompanying consolidated financial statements of the Whitefish River First Nation, which comprise the statement of financial position as at March 31, 2017 and the statements of operations, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Whitefish River First Nation as at March 31, 2017 and the consolidated results of its operations, changes in its net financial assets (net debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Whitefish River First Nation

Notes to Consolidated Financial Statements

March 31, 2017

1. Summary of significant accounting policies

a. Basis of Accounting

These consolidated financial statements of the Whitefish River First Nation have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board.

b. Reporting Entity

The Whitefish River First Nation reporting entity includes the First Nation government and all entities that are controlled by the First Nation.

c. Principles of Consolidation

These financial statements reflect the assets, liabilities, revenue and expenses of all programs under the control of Chief and Council and fully consolidate on a line-by-line basis the activities of the Whitefish River Development Corporation and the Birch Island Construction Company.

d. Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenue when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by external contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service being performed, is deferred and recognized when the fee is earned or service performed.

e. Portfolio Investments

Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.

f. Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing in the year the asset is available for productive use as follows:

Land improvements	10 to 30 years
Buildings	25 to 40 years
Machinery and equipment	4 to 40 years
Vehicles	7 years
Infrastructure	10 to 75 years

In the year of acquisition tangible capital assets are amortized at one-half the above rates.

1. Summary of significant accounting policies (continued)

g. Cash and short term deposit receipts

The First Nation's bank accounts and short term deposit receipts are maintained at one financial institution which has also provided a \$100,000 operating loan facility. As at March 31, 2017 there were no amounts outstanding against this credit facility.

h. Pension Plan

Whitefish River First Nation provides a defined contribution pension plan for its employees. The pension costs are charged to operations as contributions are due. Contributions are a defined amount whereby the employer matches that paid by the employee.

i. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

6. Accrued landfill closure and post-closure costs

Landfill closure and post-closure requirements include costs to close and monitor the existing landfill site. The reported liability is based on estimates and assumptions with respect to events extending over a fifty year period using the best information currently available to management. Future events may result in significant changes to total estimated expenditures, capacity used or total capacity and estimated liability. Any such changes would be applied prospectively as a change in estimate, when applicable.

The estimated remaining useful life of the landfill site is 8 years, after which the period for post-closure care costs is estimated to be 30 years. The estimated liability for landfill closure and post-closure costs is recognized as the landfill site's capacity is used.

The estimated total net present value of expenditures to close and maintain the landfill site is approximately \$198,000 based on an estimated 65% usage to date.

The First Nation has not designated any source of revenue to fund the cost of closing and maintaining the landfill site.

11. Contingencies and commitments

The Whitefish River First Nation has guaranteed Canada Mortgage and Housing Corporation loans on behalf of various Band members under the Rural Rehabilitation Assistance Program and is contingently liable to Canada Mortgage and Housing Corporation pursuant to the Indian On-Reserve Housing Regulations in the event of any default by the borrowers. Also, the First Nation is contingently liable in the amount of \$98,366 in respect to an on-reserve housing loan.

12. Segmented information

The Whitefish River First Nation is a diversified government institution that provides a wide range of services to its members, including education, infrastructure maintenance, medical and other health services, administration, enterprises and other services. For management reporting purposes the First Nation's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations.

Services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

Social and family services

This department is responsible for administering programs focusing on improving the lives of members and families of the First Nation, including social assistance and adult care policies and as well, providing services directed towards members including day care and employment support initiatives.

Whitefish River First Nation

Notes to Consolidated Financial Statements

12. Segmented information (continued)

Administration, lands, trusts and economic development

The administration department oversees the delivery of all governmental services. The department is responsible for ensuring that there are adequate policies and procedures in place to safeguard assets and to properly report financial activities. In addition, this department includes the governance activities of chief and council. This department also oversees economic development programs within the community.

Education

The education department provides services to elementary and secondary students primarily by entering into service contracts with provincially funded area school boards, as well as native language study. In addition, the department reimburses tuition costs and provides living and other allowances to students who are attending post-secondary institutions.

Operations and maintenance

The infrastructure department provides public services that contribute to community development and sustainability through the provision of operating services such as roads, water and sanitation, fire protection, electrical and community buildings.

Housing and infrastructure development

This department oversees construction and renovation of housing and various capital projects in the community and as well, operates the CMHC projects and other band-owned homes.

Medical and other health services

The community wellness department provides a diverse bundle of services directed towards the well-being of members including such activities as long term care, medical transportation, pre-natal and early childhood care, nursing, health representation, traditional healing, family violence prevention and many other smaller programs designed to enhance the health of members.

Enterprises

Band operated enterprises are activities conducted by the First Nation with the objective of promoting economic self-sufficiency. These activities could include income generated from renting out band-owned equipment, lease income and other projects from time to time.

Other services

The First Nation provides a wide array of other services, including youth employment projects, library, spiritual, cultural and recreation activities.

For each reported segment, revenues and expenses include amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information, including transfers that have been apportioned based on a percentage of budgeted expenses.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in the summary of significant accounting policies. For additional information see Schedule 2 - Consolidated Segment Disclosure.
