CONSOLIDATED FINANCIAL STATEMENTS
MARCH 31, 2014 AND 2013

MANAGEMENT'S RESPONSIBILITY FOR CONSOLIDATED FINANCIAL STATEMENTS

The consolidated financial statements of the Poplar Hill First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the integrity and objectivity of the financial statements. Estimates are necessary in the preparation of these financial statements and, based on careful judgments, have been properly reflected. Management has established systems of internal control, which are designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use and to produce reliable accounting records for the preparation of financial information.

The First Nation Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The consolidated financial statements have been audited by Holukoff Chiarella in accordance with Canadian generally accepted auditing standards on behalf of the members. Holukoff Chiarella have full and free access to Council.

INDEPENDENT AUDITORS' REPORT

To the Chief, Councillors and Members of
Poplar Hill First Nation

We have audited the accompanying consolidated financial statements of Poplar Hill First Nation, which comprise the consolidated statements of financial position as at March 31, 2014 and 2013 and the consolidated statements of operations and accumulated surplus, consolidated statements of operations, consolidated statements of change in net debt and consolidated statements of cash flows for the years then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

We did not observe the opening balance of fuel inventory at April 1, 2013 nor were we able to satisfy ourselves by alternative means as to the quantity and book value of fuel inventory at March 31, 2014. Since opening fuel inventory enters into the determination of the results of operations and changes in financial position, we were unable to determine what adjustments, if any, might be necessary to assets, annual surplus (deficit) and accumulated surplus.

The First Nation has undertaken to identify the total cost of tangible capital assets not previously recorded and any impairment or related amortization attributed to each of those assets. The full extent of these unrecorded assets and their appropriate amortization is not determinable as at the date of this audit report. As a result, we were unable to determine what further adjustments, if any, might be necessary to tangible capital assets, annual surplus and accumulated surplus.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraphs, the consolidated financial statements present fairly, in all material respects, the financial position of Poplar Hill First Nation as at March 31, 2014 and 2013, and its financial performance and its cash flows for the years then ended in accordance with Canadian generally accepted accounting principles.

POPLAR HILL FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
MARCH 31, 2014

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements have been prepared in accordance with Canadian generally accepted accounting principles for local government entities, as defined in the Public Sector Accounting and Auditing handbook of the Canadian Institute of Chartered Accountants.

a) Nature and Purpose of Organization

The First Nation manages and administers all aspects of the Poplar Hill First Nation. The First Nation operates with a Chief and Council, who are ultimately responsible for the establishment and administration of all programs of the First Nation.

b) Reporting Entity and Principles of Financial Reporting

The Poplar Hill First Nation reporting entity includes the Poplar Hill First Nation government and all related entities, which are accountable to the First Nation and are either owned or controlled by the First Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which use accounting principles which lend themselves to consolidations:

Poplar Hill First Nation Administration
Poplar Hill Education Authority
Obesahdekong Power Authority

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual statements.

Incorporated business entities, which are owned or controlled by the Poplar Hill First Nation Council and which are not dependent on the First Nation for their continuing operations, are included in the consolidated financial statements using the modified equity method. The Poplar Hill First Nation does not have any entities to report using the modified equity method.

Incorporated business entities, which are not controlled by the First Nation and are not dependent on the First Nation are recorded by the cost method. These investments are recorded by the cost method as opposed to the lower of cost or net realizable value because the net realizable value is determinable. The First Nation does not have any investments to report using the cost method.

c) Revenue Recognition

The First Nation follows the deferral method of accounting for revenue. Revenue is recognized as it becomes receivable under the terms of applicable funding agreements and can be reasonably estimated and collection is reasonably assured. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the balance sheet.

Other income, primarily fees for service, are recognized upon transfer of title of the product or upon performance of the service and when collectability is reasonably assured.

POPLAR HILL FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
MARCH 31, 2014

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES, continued

d) Tangible Capital Assets

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods and delivering services. The First Nation does not capitalize computer software or equipment.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artefacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

e) Amortization

Amortization is provided for on a straight-line basis over the expected useful life of the assets as follows. One-half of the annual amortization is charged in the year of acquisition.

Land improvements and grounds	10 years
Buildings	25 years
Furniture and equipment	5 years
Vehicles	4 years
Heavy equipment and large vehicles	10 years
Water and sewer	25 years
Fuel tanks and pumps	10 years
Power generation	20 years
Outdoor lighting	20 years

f) Net Debt/Net Financial Assets

The First Nation's financial statements are presented so as to highlight net debt/net financial assets as the measurement of financial position. The net debt/net financial assets of the First Nation are determined by its financial assets less its liabilities. Net financial assets are comprised of two components, non-financial assets and accumulated surplus.

g) Inventory

Inventory is valued at the lower of cost and net realized value. Cost is determined on a first-in first-out basis.

POPLAR HILL FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
MARCH 31, 2014

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES - continued

h) Financial Instruments

The First Nation's financial instruments consist of cash, accounts receivable, fund on deposit, accounts payable, accrued liabilities and long term debt. Unless otherwise noted, it is management's opinion that the First Nation is not exposed to significant interest, currency or credit risk arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

i) Use of Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenditures during the reported period. Actual results could differ from management's best estimates as additional information becomes available in the future.

2. CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash on hand and balances with banks. Cash and cash equivalents included in the cash flows statement comprise the following balance sheet amounts:

	<u>2014</u>	<u>2013</u>
Cash balances with banks	\$ 88,452	280,724
Guaranteed investment Certificates	<u>76,137</u>	<u>74,811</u>

4. FUNDS ON DEPOSIT WITH AANDC

Ottawa Trust Funds arises from monies derived from capital or revenue source as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

11. SURPLUS (DEFICIT)

A portion of this balance includes surpluses and/or deficits from funds contributed by government agencies. Such surpluses/deficits may be subject to repayment or recovery by the contributing agencies, depending on the terms and conditions of the relevant agreements.

POPLAR HILL FIRST NATION
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
MARCH 31, 2014

12. ECONOMIC DEPENDENCE

The Poplar Hill First Nation receives a major portion of its revenues pursuant to a funding arrangement with Aboriginal Affairs and Northern Development Canada.

13. COMPARATIVE FIGURES

Prior year's comparative amounts have been reclassified where necessary to conform to the current period's presentation. Certain comparative figures for the previous period have not been shown as the information is considered not to be meaningful for comparison with the current period.

Budget data was included when available. The budget figures are unaudited.
