Management's Responsibility

To the Members of Poplar Hill First Nation:

The accompanying consolidated financial statements of Poplar Hill First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and fair presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting policies and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of the consolidated financial statements.

The Poplar Hill First Nation Chief and Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Chief and Council fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and the external auditors. The Chief and Council is also responsible for recommending the appointment of the First Nation's external auditors.

MNP LLP is appointed by the Chief and Council, on behalf of the Members, to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Chief and Council and management to discuss their audit findings.

 e-Signed by Tom Woodward

Band Administrator

To the Members of Poplar Hill First Nation:

Qualified Opinion

We have audited the consolidated financial statements of Poplar Hill First Nation (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matters described in the Basis of Qualified Opinion paragraphs, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2021, and the results of its consolidated operations, net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Qualified Opinion

We did not observe the counting of physical inventories at the beginning and end of the year, nor were we able to satisfy ourselves concerning those inventory quantities by alternative means. Since the beginning and closing inventories enter into the determination of results of operations and cash flows, we were unable to determine whether any adjustments might be necessary to inventories held for use, expenses, annual surplus and accumulated surplus were necessary.

We were unable to verify the completeness or occurrence of energy sales for the year ended March 31, 2021 and the completeness and existence of the related energy sales receivables as at March 31, 2021. Our testing indicated deficiencies in the recording of monthly meter readings and the recording of deposits against the appropriate hydro accounts. As a result, we were unable to determine whether any adjustments to accounts receivable, energy sales, annual surplus and accumulated surplus were necessary.

The First Nation has undertaken steps to identify the total cost of tangible capital assets not previously recorded and any impairment or related amortization attributed to each of those assets. However, the full extent of these unrecorded assets and their appropriate amortization is not determinable as at the date of this audit report. As a result, we were unable to determine what further adjustments, if any, might be necessary to tangible capital assets, amortization expense, annual surplus and accumulated surplus.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

TRUE NORTH SQUARE

242 HARGRAVE STREET, SUITE 1200, WINNIPEG MB, R3C 0T8

1.877.500.0795 T: 204.775.4531 F: 204.783.8329 **MNP.ca**

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

1. Operations

Poplar Hill First Nation (the "First Nation") is located in the province of Ontario, and provides various services to its Members. Poplar Hill First Nation includes the First Nation's members, government and all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation.

2. Significant accounting policies

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and including the following significant accounting policies:

Basis of presentation

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

Principles of consolidation

The First Nation has consolidated the assets, liabilities, revenue and expenses of all departments, segments and divisions that form part of the Poplar Hill First Nation. The First Nation does not own or control any separately incorporated entities and therefore, no separate organizations have been consolidated into these financial statements.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations.

Cash resources

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Portfolio investments

Long-term investments in entities that are not owned, controlled or influenced by the First Nation reporting entity are accounted for using the cost method. They are recorded at cost, less any provision for other than temporary impairment.

Inventories held for use

Inventories held for use are valued at the lower of cost and net realizable value. Cost is determined by the first-in, first-out method.

Tangible capital assets

Tangible capital assets are initially recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Contributed capital assets are recorded into revenue at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value.

Certain assets which have historical or cultural value, including fine works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Assets under construction are not amortized until the asset is available to be put into service.

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

2. Significant accounting policies *(Continued from previous page)*

Amortization

Tangible capital assets are amortized annually using the following method at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Years
Buildings	straight-line	25-40
Equipment	straight-line	5
Vehicles	straight-line	4
Heavy equipment	straight-line	10
Outdoor lighting	straight-line	20
Water and sewer	straight-line	25
Power generation	straight-line	20

Long-lived assets

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The First Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. The carrying amount of a long-lived asset is not recoverable if the carrying amount exceeds the sum of the undiscounted future cash flows from its use and disposal. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Any impairment is included in operations for the year.

Revenue recognition

Government transfer revenue, which includes, but is not limited to, Indigenous Services Canada, Province of Ontario, and Canada Mortgage and Housing Corporation is recognized as the funding becomes receivable under the terms of the applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period is reflected as deferred revenue on the consolidated statement of financial position in the year of receipt and is recognized as revenue in the year to which it was designated. Funding that is restricted for particular purposes is deferred and recognized when the eligible expenses have been incurred.

Interest is recognized on an accrual basis in the year it is earned.

All other types of revenue are recognized by the First Nation when the services are provided or the goods are shipped and collectability is reasonably assured.

Funds held in Ottawa Trust funds

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust funds are reported as an asset on the consolidated statement of financial position. These funds consist of:

- Capital trust monies derived from non-renewable resource transactions on the sale of land or other First Nation tangible capital assets; and
- Revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

2. Significant accounting policies *(Continued from previous page)*

Measurement uncertainty

The preparation of the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Any impairment on the portfolio investments which is other than temporary is charged against the amount of the investment reported. Amortization is based on the estimated useful lives of tangible capital assets. Provisions are made for slow moving and obsolete inventory. Deferred revenue is recorded based on management's analysis of the extent to which eligibility requirements have been met on government transfer revenue.

These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the consolidated statement of operations in the year in which they become known.

Segments

The First Nation conducts its business through ten reportable segments. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions and to assess operational performance.

For each reported segment, revenue and expenses represent amounts that are directly attributable to the segment.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2 the *Significant accounting policies*.

Band Support - activities include the governance function relating to decisions that define expectations, grant power or verify performance consisting of decision-making and leadership processes.

Social Assistance - activities include satisfying the economic, social or health related needs of members of the community who require assistance.

Education Authority - activities include overseeing many aspects of educational opportunities for its members at all levels of learning both within the community and externally.

Power Authority - activities include providing electrical power to community residents and buildings.

Economic Development - activities include small business centre and providing other business services to the community.

Public Works - activities include the operations and maintenance of community infrastructure.

Capital and Projects - activities include the planning, managing and delivery of large scale infrastructure and capital projects to the community.

Ontario First Nations Limited Partnership - activities include the operations and management of Casino Rama funds.

Health Authority - activities that provide health services to the First Nation.

Other - activities that do not fit into the above segments.

Employee future benefits

The First Nation's employee future benefit programs consist of defined contribution pension plans. The First Nation's contributions to the defined contribution plans are expensed as incurred.

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

2. Significant accounting policies *(Continued from previous page)*

Liability for contaminated site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the First Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2021.

At each financial reporting date, the First Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The First Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

Financial instruments

Amortized cost

The First Nation has classified the following financial assets in the amortized cost category: cash, accounts receivable and Ottawa Trust funds. These assets are initially recognized at their fair value. Fair value is approximated by the instrument's initial cost in a transaction between unrelated parties. Transactions to purchase or sell these items are recorded on the trade date.

Financial assets are subsequently measured at their amortized cost, using the effective interest method. Under this method, estimated future cash receipts are exactly discounted over the asset's expected life, or other appropriate period, to its net carrying value. Amortized cost is the amount at which the financial asset is measured at initial recognition less principal payments, plus or minus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, and less any reduction for impairment or uncollectability.

The First Nation has classified the following liabilities in the amortized cost category: accounts payable and accruals. These liabilities are initially recognized at their fair value. Fair value is approximated by the instrument's initial cost in a transaction between unrelated parties. Transactions to purchase or sell these items are recorded on the trade date.

Accounts payable and accruals are subsequently measured at amortized cost using the effective interest rate method. Under this method, estimated future cash payments are exactly discounted over the liability's expected life, or other appropriate period, to their net carrying value. Amortized cost is the amount at which the financial liability is measured at initial recognition less principal repayments, plus or minus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount.

Statement of Remeasurement Gains and Losses

By presenting remeasurement gains (losses) separately, changes in the carrying value of financial instruments arising from fair value measurement, unrealized foreign exchange gains (losses) and other comprehensive income arising from investments in government business entities are distinguished from revenues and expenses reported in the consolidated statement of operations. The consolidated statement of operations reports the extent to which revenues raised in the period were sufficient to meet the expenses incurred. Remeasurement gains (losses) do not affect this assessment as they are recognized in the consolidated statement of remeasurement gains and losses. Taken together, the two statements account for changes in a First Nation's net assets (liabilities) in the period.

Upon settlement, the cumulative gain (loss) is reclassified from the consolidated statement of remeasurement gains and losses and recognized in the consolidated statement of operations. Interest and dividends attributable to all financial instruments are reported in the statement of operations.

The consolidated statement of remeasurement gains and losses have not been presented as the First Nation did not have any transactions to include for the years ended March 31, 2021 and March 31, 2020.

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

3. Cash resources

	2021	2020
Band Support	2,549,285	1,187,875
Landfill Project	909,376	1,004,870
Power Authority	494,134	90,040
Casino Rama	89,705	24,615
Capital	2,482	525,918
Education	2,379,954	1,882,510

Health Authority	425,599	235,454
New Clinic, Water & Sewer and Generators Rebuild	2,032,102	3,415,577
	9,519,202	8,664,624

The First Nation has available to it, the following overdraft facility:

The \$150,000 Bank of Montreal overdraft facility on the First Nation's Capital Projects account; incurs interest at the bank's prime interest rate plus 3% per annum. The bank's prime interest rate at March 31, 2021 was 2.45% (2020 - 2.45%). The balance outstanding on the line of credit was \$nil at March 31, 2021 (2020 - \$nil). Interest is charged only when the facility is used. Secured by a first ranking interest of the First Nation's Casino Rama funds.

4. Accounts receivable

	2021	2020
Indigenous Services Canada	544,314	731,147
Other receivables	543,137	181,460
Power Authority - Energy accounts receivable	4,115,487	4,115,487
	5,202,938	5,028,094
Less: Allowance for doubtful accounts (Energy accounts receivable)	4,115,487	4,115,487
	1,087,451	912,607

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

5. Portfolio investments

Portfolio investments which are owned by Poplar Hill First Nation but not controlled or influenced by the First Nation are accounted for as disclosed in Note 2. The First Nation has the following portfolio investments.

	2021	2020
Measured at cost:		
2472881 Ontario Inc. - 100 shares constituting a 4.55% interest	10	10
NCC Development Corporation - 165 shares constituting a 16.5% interest	2	2
Investment in OFNLP - 1 unit constituting 4.55% interest	1	1
Investment in Ontario First Nation Sovereign Wealth - 1 unit constituting 0.77%	1	1
Investment in NCC Development LP - 165 shares constituting a 16.5% interest	1	1
Investment in First Nation LP - 100 shares constituting a 4.55% interest	10	10
Investment in OFN Asset Management GP Corp - 1 unit constituting 0.77%	1	1
	26	26

6. Ottawa Trust funds

	2021	2020
Capital Trust		
Balance, beginning of year	278	278
Revenue Trust		
Balance, beginning of year	58,666	54,290
Interest	727	1,051
Bell permit, other revenue	-	3,325
Balance, end of year	59,393	58,666
	59,671	58,944

The Ottawa Trust funds arises from monies derived from capital or revenue sources outlined on Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Section 63 to 69 of the Indian Act. Capital and revenue trust monies are transferred to the First Nation on the authorization of the Minister of Indigenous Services Canada, with the consent of the First Nation's Chief and Council.

7. Accounts payable and accruals

	2021	2020
Canada Revenue Agency - source deductions	15,880	11,500
Trade payables and accruals	910,818	2,832,218
Repayable to funders	33,821	108,768
	960,519	2,952,486

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

8. Deferred revenue

	2021	2020
Indigenous Services Canada	6,140,103	4,088,890
Nishnawbe Aski Nation	107,888	89,560
	6,247,991	4,178,450

9. Contingent liabilities

The First Nation has entered into contribution agreements with various federal and provincial government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements. Management believes they are in compliance with the terms and conditions of the agreements.

10. Inventories held for use

	2021	2020
Public Works fuel	325,250	274,300
Power Authority fuel	672,800	591,600
Education Authority fuel	52,200	45,450
	1,050,250	911,350

Poplar Hill First Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2021

11. Accumulated surplus

	2021	2020
Portfolio investments	26	26
Ottawa Trust funds	59,671	58,944
Investment in tangible capital assets	56,112,487	54,997,224
Operating surplus	4,448,393	3,357,645
	60,620,577	58,413,839

12. Reconciliation of funding from Indigenous Services Canada ("ISC")

The ISC revenue of \$15,689,155 (2020 – \$17,279,445) on the consolidated statement of operations and accumulated surplus agrees to the ISC confirmation.

13. Economic dependence

Poplar Hill First Nation receives a significant portion of its revenue from Indigenous Services Canada (ISC) as a result of Treaties entered into with the Government of Canada. These Treaties are administered by ISC under the terms and conditions of the Indian Act. The ability of the First Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these Treaties.

14. Budget information

The disclosed budget information has been approved by the Chief and Council of Poplar Hill First Nation. The following table reconciles the budgeted surplus approved by the Chief and Council to the budgeted surplus disclosed on the financial statements.

Surplus per approved budget	556,902
Capital asset purchases	<u>3,965,076</u>
Budgeted surplus disclosed in financial statements	<u>4,521,978</u>

15. First Nations Financial Transparency Act

The First Nation was required to post its consolidated financial statements on a website and submit the consolidated financial statements to Indigenous Services Canada by July 30, 2021. Since the audit report date is dated after this date, the First Nation has not complied with this requirement. The possible effect of this non-compliance has not yet been determined. The First Nation fully intends to post its consolidated financial statements on a website upon release of these consolidated financial statements.

16. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.
