## Managements Responsibility

---

To the Chief and Councillors of Deer Lake First Nation

The accompanying consolidated financial statements of Deer Lake First Nation are the responsibility of management and have been approved by the Chief and Council.

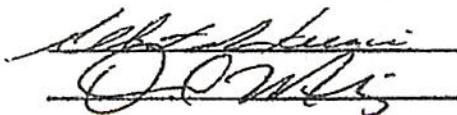

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Deer Lake First Nation Chief and Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial statements. The Chief and Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the First Nation's external auditors.

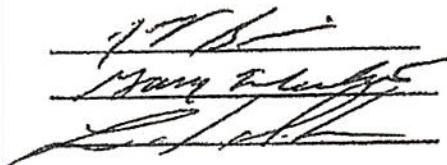

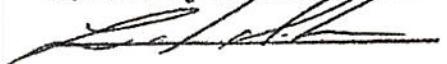

MNP LLP is appointed by the Chief and Council on behalf of the Chief and Councillors to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

## Independent Auditors' Report

---

To the Chief and Councillors of Deer Lake First Nation:

We have audited the accompanying consolidated financial statements of Deer Lake First Nation, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statements of operations and accumulated surplus, changes in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Deer Lake First Nation as at March 31, 2017 and the results of its operations, changes in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### *Other Matter*

The consolidated financial statements of Deer Lake First Nation for the year ended March 31, 2016 were audited by Holukoff Chiarella Chartered Professional Accountants of Winnipeg, Canada, prior to its merger with MNP LLP. Holukoff Chiarella Chartered Professional Accountants expressed an unqualified opinion on those statements on August 5, 2016.

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**1. Operations**

The Deer Lake First Nation (the "First Nation") is located in the province of Ontario, and provides various services to its members. Deer Lake First Nation includes the Nation's members, government and all related entities that are accountable to the Nation and are either owned or controlled by the Nation.

**2. Significant accounting policies**

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. These include the following significant accounting policies:

***Reporting entity***

The financial statements consolidate the financial activities of all entities and departments comprising the First Nation reporting entity, except for First Nation business entities.

The First Nation has consolidated the assets, liabilities, revenue and expenses of the following departments:

- Deer Lake Administration
- Deer Lake Arena
- Deer Lake Cable
- Deer Lake Capital
- Deer Lake Casinorama
- Deer Lake CMHC
- Deer Lake Education
- Deer Lake Housing
- Deer Lake Deposit Account
- Deer Lake Social
- Deer Lake Public Works

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

***Basis of presentation***

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

***Cash and cash equivalents***

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

***Funds held in Trust Fund***

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other First Nation tangible capital assets; and

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

**Net financial assets (net debt)**

The First Nation's consolidated financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Net debt combined with non-financial assets comprise a second indicator of financial position, accumulated surplus (deficit).

**Tangible capital assets**

Tangible capital assets are initially recorded at cost based on historical cost accounting records for automotive, general equipment, housing-standard construction, housing-betterments, infrastructure.

**Amortization**

Tangible capital assets are amortized annually using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives:

	<i>Method</i>	<i>Rate</i>
Automotive	straight-line	5 years
Equipment	straight-line	4 years
Housing	straight-line	5 - 15 years
Infrastructure	straight-line	15 - 25 years
CMHC housing	straight-line	25 years

**Long-lived assets**

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The First Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying amount of an asset, or group of assets, may not be recoverable. Impairment is measured as the amount by which the asset's carrying amount exceeds its fair value. Fair value is measured using quoted market prices. Any impairment is included in surplus for the year.

**Inventories held for use**

Inventory is valued at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling costs.

**Asset classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, prepaid expenses and inventories held for use

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Revenue recognition***

***Funding***

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

Rental revenue is recognized over the rental term. At the end of each year, management evaluates the extent of the collectability of its rent revenue and records a bad debt expense and an allowance for doubtful accounts for amounts designated as unlikely to be collected.

Investment and interest revenue is recognized on an accrual basis in the year it is earned.

Other revenues are earned from other services provided by the First Nation and are recognized when the service has been provided and collectability is reasonably assured.

Revenues from trust monies are recognized when measurable, earned and collection is reasonably assured. These monies are reported on by the Government of Canada.

***Government Transfers***

The First Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the First Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

***Segments***

The First Nation conducts its business through eleven reportable segments listed below. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

- **First Nation Management** - activities include the governance function relating to decisions that define expectations, grant power or verify performance.
- **Arena** - provides sporting programs for youth and adults in the area.
- **Cable** - provides cable, phone and internet services to the community.
- **Capital** - activities include the planning, managing and delivery of large scale infrastructure and capital projects to the community.
- **CMHC Housing Authority** - activities include the management and maintenance of CMHC houses for community members.
- **Education** - activities include overseeing many aspects of educational opportunities for its members at all levels of learning both within the community and externally.
- **Housing** - activities include the management and maintenance of Band owned houses for community members.
- **OFNLP** - activities include providing a form of gaming entertainment for community members which generate revenue for the discretionary needs of community members.

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**2. Significant accounting policies** *(Continued from previous page)*

- **Social Services** - activities include satisfying the economic, social or health related needs of members of the community who require assistance
- **Public Works** - activities include the development and maintenance of the community's infrastructure, buildings, roads, bridges and related equipment and the provision of other more specialized community services.
- **Health Services** - deliver health services to the First Nation.
- **Economic Development** - activities to increase economic opportunities for the First Nation
- **Operating Programs** - activities include the planning, managing and delivery of various projects/programs involving various programs such as employment, infrastructure, repairs and maintenance and training.

***Use of estimates***

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary.

Provisions are made for slow moving and obsolete inventory.

Amortization is based on the estimated useful lives of tangible capital assets.

Accounts payable and accruals are estimated based on historical charges for unbilled goods and services at year-end.

These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the consolidated statement of operations in the year in which they become known.

***Financial Instrument***

Financial instruments include cash resources, accounts receivable, restricted cash, accounts payable and accruals, demand loans, and long-term debt. Unless otherwise stated, it is management's opinion that the First Nation is not exposed to significant interest, currency, or credit risks arising from these financial instruments. Unless otherwise stated, the book value of the First Nation's financial assets and liabilities approximates their fair value due to the short-term maturities of the instruments. The fair value of the First Nation's long-term debt is approximated by its carrying value as the terms and conditions of similar instruments are not materially different from those associated with the First Nation's long-term debt.

Principal repayments on long-term debt in each of the next five years, assuming long-term debt subject to refinancing is renewed, are estimated as follows:

	Principal
2018	455,804
2019	457,654
2020	298,049
2021	300,926
2022	254,011
	1,766,444
Thereafter	2,051,911

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

**8. Tangible capital assets**

The tangible capital assets reconciliation is included in Schedule 1.

Band housing includes two duplexes under construction with a carrying value of \$727,746 (2016 - nil). No amortization of this asset has been recorded during the year because it is currently under construction throughout the 2017 and to be finished in the 2018 fiscal year.

**9. Inventories held for use**

	<b>2017</b>	<b>2016</b>
Fuel, Public Works	543,149	207,775
Fuel, Education	40,000	219,000
Materials and supplies	36,894	78,792
	<hr/> <b>620,043</b>	<hr/> <b>505,567</b>

**10. Operating Facility**

CIBC has provided a \$100,000 revolving line of credit with interest at CIBC prime plus 2% repayable on demand. Secured by a first interest in all present and future acquired personal property of the First Nation and Band Council Resolution directing all present and future AANDC funding directly to CIBC Sioux Lookout for deposit to the Band's bank account.

CIBC revolving line of credits of \$50,000 and \$ 35,000 available by way of business operating account overdraft. Interest at CIBC Prime Plus 2%, repayable on demand secured by way of all present and future acquired personal property of the First Nation.

**11. Contingent liabilities**

The First Nation has agreements with INAC and other government bodies for each restricted fund which states that the First Nation may be required to return any surplus which may arise. The First Nation is solely responsible for any deficits.

The First Nation is contingently liable to CMHC for unearned portion of various forgivable loans if the terms of the agreement are not met. The First Nation must continue to own the units and they must be occupied by band members with a total household income at or below the income threshold during this period. If the First Nation sells, transfers or ceases to operate before the maturity date, the unearned forgivable loan plus interest will immediately become due and payable.

The loans are fully forgiven in May 2022. The unearned portion at March 31, 2017 was \$213,600.

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

**12. Reserves**

Under agreements with Canada Mortgage and Housing Corporation (CMHC) the First Nation established the following:

A replacement reserve, established by an annual allocation of \$35,350 to ensure replacement of buildings financed by CMHC. At March 31, 2017, \$146,464 (2016 - \$146,586) has been set aside to fund this reserve. The unfunded portion at March 31, 2017 was \$98,962 (2016 - \$136,136).

A subsidy surplus reserve is established by retaining excess federal assistance payments received plus interest. Reserve funds may be used to meet future subsidy requirements of income test occupants, over and above the maximum federal assistance.

In accordance with terms of the agreements, CMHC reserve moneys must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation, or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

	<b>2017</b>	<b>2016</b>
CMHC - operating reserve	377,046	341,696
CMHC - replacement reserve	245,426	282,722
	<hr/>	<hr/>
	622,472	624,418
<b>Replacement Reserve - Vehicles and Equipment</b>		
The First Nation has internally set up a replacement reserve for the following vehicles and equipment:		
Medical/Health vehicle/truck/health office - administration	30,744	30,744
Water truck - public works	22,937	22,937
Equipment - public works	30,000	30,000
	<hr/>	<hr/>
	83,681	83,681
	<hr/>	<hr/>
	706,153	708,099

**13. Correction of an error**

During the year, the First Nation determined that Reserves were recorded as liabilities rather than as part of accumulated surplus. For 2017 and 2016 the impact of this correction has resulted in an increase in accumulated surplus of \$708,099 and a decrease in net debt of \$708,099.

**14. Economic dependence**

Deer Lake First Nation receives 60% (2016 - 60%) of its revenue from Indigenous and Northern Affairs Canada ("INAC") and First Nations and Inuit Health ("FNIH") as a result of treaties entered into with the Government of Canada. These treaties are administered by INAC and FNIH under the terms and conditions of the Indian Act. The ability of the Nation to continue operations is dependant upon Government of Canada's continued financial commitments as guaranteed by these treaties.

**15. Comparative figures**

Certain comparative figures have been reclassified to conform with current year's presentation.

**Deer Lake First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2017*

---

**16. Commitments**

The First Nation has entered into an agreement with ATCO Sustainable Communities with estimated minimum annual payment as follows:

	<i>2018</i>
Installation cost relating to purchase of duplexes	<u>135,458</u>

**17. Subsequent event**

Subsequent to year, under the terms of an agreement with Canada Mortgage and Housing Corporation, the First Nation received a supplemental one-time subsidy to address the shortfall in its replacement reserve fund. Funding in the amount of \$179,808 must be used to fund the replacement reserve. This amount was received on July 1, 2017.

**18. First Nations Financial Transparency and Accountability Act**

The First Nation is required by the First Nations Financial Transparency and Accountability Act to post its consolidated financial statements on a website and submit the consolidated financial statements to Indigenous and Northern Affairs Canada by July 29, 2017. As the audit report is dated after this date, the First Nation is not in compliance with this requirement. The possible effect of this non-compliance has not yet been determined.
