## **MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**

The accompanying consolidated financial statements of the Pinaymootang First Nation are the responsibility of management and have been approved by the Chief and Council.

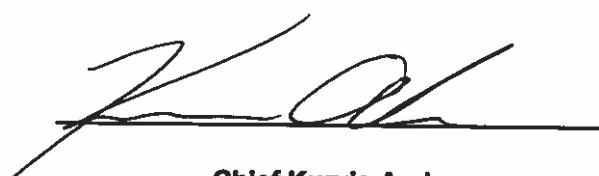

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include certain amounts based on estimates or judgments.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council review the First Nation's consolidated financial statements and recommends their approval to the membership. Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, to review the consolidated financial statements and the external auditor's report. The Chief and Council also consider and submit for approval by the members, the engagement of the external auditors.

The external auditors, Fort Group Chartered Professional Accountants Inc., conduct an independent examination, in accordance with Canadian generally accepted auditing standards, and express their opinion on the financial statements. The external auditors have full and free access to the financial management of Pinaymootang First Nation and Chief and Council and meet when required.

**Chief Kurvis Anderson**

## **INDEPENDENT AUDITOR'S REPORT**

To The Members of Pinaymootang First Nation and Chief and Council:

### **Opinion**

We have audited the accompanying consolidated financial statements of Pinaymootang First Nation, which comprise the consolidated statement of financial position as at March 31 2022, and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flow for the year then ended, and the notes to consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Pinaymootang First Nation as at March 31 2022, and the results of its operations and its cash flow for the year then ended, in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the consolidated financial statements including the disclosures, and whether the consolidated financial statements representing the underlying transactions and events in a manner that achieved fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Organization to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**PINAYMOOTANG FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2022**

**1. SIGNIFICANT ACCOUNTING POLICIES**

**(a) Basis of Accounting**

The Pinaymootang First Nation ("First Nation") follows the ISC accounting guidelines as set out in the "Year End Reporting Handbook for funding agreements covering fiscal year 2019-2020 which requires that the consolidated financial statements be prepared in accordance with Canadian generally accepted accounting principles for governments, as defined in the CPA Canada Public Sector Accounting Handbook.

**(b) Reporting Entity**

The First Nation is a non-profit Indian Band as defined by Indigenous Services Canada (ISC). The objective of the First Nation is to operate as the governing entity in providing services on the reserve in all areas. The First Nation reporting entity includes all related entities which are accountable to the First Nation and are either owned or controlled by the First Nation.

**(c) Basis of Consolidation**

All controlled entities are fully consolidated on a line-by-line basis. This method combines the accounts of distinct organizations. It requires uniform accounting policies for the organizations. Inter-organizational balances and transactions are eliminated under this method. This method reports the organizations as if they were one organization. These consolidated financial statements include the financial assets, liabilities, net debt, non-financial assets, accumulated surplus, revenue and expenses for the following entities controlled or owned by the First Nation:

Pinaymootang First Nation  
Pinaymootang First Nation Arena and Lottery  
Pinaymootang First Nation CMHC Housing Authority  
Pinaymootang First Nation Grocery Store and Gas Bar  
Pinaymootang First Nation Health Authority  
Pinaymootang First Nation Human Resource Development Strategy  
Powder Horn Creek Restaurant & Gas  
Wabung Abinoochi'ak Day Care Centre  
Pinaymootang First Nation Motel and Entertainment Centre  
Pinaymootang First Nation Housing Trust (Note 7)

**(d) Asset Classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets, construction in progress, prepaid expenses and inventories of supplies.

**PINAYMOOTANG FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2022**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(e) Inventory**

Inventories for resale are stated at the lower of cost and net realizable value with cost being determined using the first-in, first-out method.

**(f) Tangible Capital Assets**

Tangible capital assets include acquired, built, developed and improved tangible capital assets, whose useful life extends beyond one year and which are intended to be used on an ongoing basis for producing goods or delivering services.

Tangible capital assets are initially recorded at cost. Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Amortization of tangible capital assets is recognized as an expense in the Statement of Operations.

Amortization is provided for on a straight-line basis at the rates in the table that follows. One-half of the annual amortization is charged in the year of acquisition and in the year of disposal.

Buildings	25 - 50 years
Housing	40 years
Infrastructure	20 - 50 years
Equipment and signage	3 - 10 years
Vehicles	5 - 10 years
Computers	5 years
Roads	40 years

**(g) Deferred Revenue**

Deferred revenue represents unspent Government transfers for programs where eligibility criteria have not been met at year end. The unspent revenue is carried forward to be recognized as stipulations are met or until the funder deems the surplus to be repayable at which time an amount payable is recognized.

**(h) Revenue Recognition**

*Government transfers*

Transfers from the Government of Canada are recognized as revenue in the year the entitlement has been authorized, when any eligibility criteria have been met and when the amount can be reasonably estimated.

*Other revenue*

Restricted other revenue is recognized as revenue in the year in which the related expenses are incurred and when the amount can be reasonably estimated and collection is reasonably assured.

Unrestricted other revenue is recognized when:

- services have been performed;
- goods have been delivered;
- the amount has been received or is receivable, and when the amount can be reasonably estimated and collection is reasonably assured.

**PINAYMOOTANG FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2022**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(i) Net Financial Assets**

The First Nation's consolidated financial statements are presented so as to highlight net financial assets (debt) as the measurement of financial position. The net financial assets (debt) of the First Nation is determined by its liabilities less its financial assets. Net financial assets (debt) is comprised of two components, non-financial assets and accumulated surplus.

**(j) Segmented Information**

The First Nation discloses segmented results of operations for the year in note 20 to the consolidated financial statements. The First Nation has segregated its activities into the following segments based on distinguishable groups of activities.

*Health*

Pinaymootang Health Authority

*Education*

Pinaymootang Education

*Social*

Social services

*Economic Development*

Economic development program

Human Resource Development Strategy

*Public Works*

Community services

Operations and maintenance

Policing, security and protection

*Housing*

CMHC housing

Capital housing projects

Pinaymootang First Nation Housing Trust

*Band Government*

Band administration

Capital projects

Legal Settlements

*Private Enterprises*

Pinaymootang Arena and Lottery

Pinaymootang Grocery Store and Gas Bar

Pinaymootang Motel and Entertainment Centre

Powder Horn Creek Restaurant & Gas

Wabung Abinoochi'ak Day Care Centre

**(k) Measurement Uncertainty**

The preparation of the consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting periods presented. Actual results could differ from these estimates.

**PINAYMOOTANG FIRST NATION**  
**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS**  
**YEAR ENDED MARCH 31, 2022**

**1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**(I) Financial Instruments**

Financial instruments held by the First Nation include cash, accounts receivable, trust fund, accounts payable and accrued liabilities, amounts due to/from government and other government organizations, and long term debt. The First Nation initially measures its financial instruments at fair value when the asset or liability is first recognized. The First Nation subsequently measures its financial instruments at cost or amortized cost. Amortized cost is the amount at which the financial instrument is measured at initial recognition less principal repayments, plus or minus the cumulative of any difference between that initial amount and the maturity amount, and minus any reduction for impairment.

**(m) Portfolio Investments**

Portfolio investments held by the First Nation include mutual funds. Portfolio Investments are written down when there has been a loss in value that is other than a temporary decline in value.

**2. CASH**

	<b>2022</b>	<b>2021</b>
Unrestricted - operating	\$ 5,864,800	8,919,587
Externally restricted - CMHC	<u>93,097</u>	<u>2,839</u>
	<u><u>\$ 5,957,897</u></u>	<u><u>8,922,426</u></u>

The First Nation has a demand line of credit for \$150,000 (2021 - \$150,000) available from First Nations Bank of Canada, of which \$nil (2021 - \$nil) was utilized at the year-end. This line of credit bears interest at prime plus 1.85% and is secured by future funding of Indigenous Services Canada.

*Restrictions on cash*

The First Nation is subject to restrictions placed on its cash due to an agreement with CMHC as disclosed in Note 14 to these consolidated financial statements. As at March 31, 2022, \$93,097 (2021 - \$2,839) was restricted for expenditures to be approved by CMHC.

**3. TRUST FUNDS HELD BY THE FEDERAL GOVERNMENT**

	<b>March 31, 2021</b>	<b>Additions 2022</b>	<b>Withdrawals 2022</b>	<b>March 31, 2022</b>
Revenue	\$ 13,627	571	-	14,198
Capital	<u>142</u>	<u>2,027,428</u>	<u>-</u>	<u>2,027,570</u>
	<u><u>\$ 13,769</u></u>	<u><u>2,027,999</u></u>	<u><u>-</u></u>	<u><u>2,041,768</u></u>

The trust funds arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

**PINAYMOOTANG FIRST NATION**

	<hr/>	<hr/>
	<b>\$ 248,070</b>	<b>171,378</b>

**7. TRUST FUND**

In 2019, a comprehensive settlement agreement (CSA) was reached between the First Nation, the Province of Manitoba and the Government of Canada regarding flooding that adversely impacted the First Nation in 2011. The CSA resulted in a trust fund being established for \$20,400,000. In June 2021, prior to these consolidated financial statements being finalized, a trust agreement was finalized and signed by Chief and Council and the trustee. As a result, during the 2020-21 year, the First Nation has recorded a trust fund receivable and the related revenue in relation to this CSA for \$20,400,000 in these financial statements. Subsequent to March 31, 2021, these funds were deposited in a trust fund that is managed by RBC Royal Trust and controlled by the First Nation.

**PINAYMOOTANG FIRST NATION  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
YEAR ENDED MARCH 31, 2022**

**13. PORTFOLIO INVESTMENTS**

The portfolio investments are comprised of Mutual Funds held with RBC Royal Trust. The investments are initially recorded at cost by the First Nation. The fair value at March 31, 2022 was \$15,247,544 (2021 - \$Nil).

**14. CMHC HOUSING AUTHORITY REPLACEMENT RESERVE**

Under the terms of the agreement with CMHC, the replacement reserve account is to be credited with an amount of \$79,240 annually. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal. At March 31, 2022, the replacement reserve was underfunded by \$478,641 (2021 - \$538,615) due to the fact that the replacement reserve assets total \$66,289 (2021 - \$1,466) while the replacement reserve liability is \$544,930 (2021 - \$540,081).

**15. RISK MANAGEMENT**

**(a) Credit Risk**

Credit risk is the risk that a counterparty will default on its financial liabilities. Financial assets which potentially subject the First Nation to credit risk and concentrations of credit risk consist principally of cash and accounts receivable. Management manages credit risk associated with accounts receivable by pursuing collections when they are due.

**(b) Interest Rate Price Risk**

It is management's opinion that the First Nation is exposed to interest rate price risk due to long-term debt being at a fixed rate.

**(c) Liquidity Risk**

Liquidity risk is the risk that the First Nation will not be able to meet its financial obligations related to financial liabilities as they come due. Financial liabilities consist of accounts payable and accrued liabilities and long-term debt. Accounts payable and accrued liabilities are paid in the normal course of operations and except under certain exceptions, no later than three months. See Note 11 for the repayment schedule of long-term debt.

The First Nation's approach to managing liquidity risk is to ensure, as far as possible, that it will always have sufficient liquidity to meet liabilities when due. At March 31, 2022, the First Nation has a bank balance of \$5,957,897 (2021 - \$8,922,426) and a net financial asset (debt) position of \$11,549,716 (2021 - \$13,120,022). Additionally, \$9,197,556 (2021 - \$16,020,007) of the liabilities relates to long-term debt, which is primarily comprised of loans on the CMHC housing project and the Motel and Entertainment Centre. The related assets are recorded under non-financial assets on the consolidated statement of financial position.

**16. BUDGET INFORMATION**

The unaudited budget figures have been provided for comparison purposes and have been derived from the estimates approved by Chief and Council.

**17. COMPARATIVE FIGURES**

Certain of the comparative figures have been reclassified to reflect the financial statement presentation adopted for the current year.
