## **Management's Responsibility**

---

To the Members of Pine Creek First Nation:

The accompanying consolidated financial statements of Pine Creek First Nation are the responsibility of management and have been approved by the Chief and Council.

Management is responsible for the preparation and fair presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Chief and Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Chief and Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Chief and Council is also responsible for recommending the appointment of the First Nation's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Chief and Council on behalf of the Members to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Chief and Council and management to discuss their audit findings.

October 20, 2016

## Independent Auditors' Report

---

To the Members of Pine Creek First Nation:

We have audited the accompanying consolidated financial statements of Pine Creek First Nation, which comprise the consolidated statement of financial position as at March 31, 2016, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### *Basis for Qualified Opinion*

Pine Creek First Nation entered into a business venture with Breezy North Construction Inc. under their economic development department called Pine Creek First Nation C1 Joint Venture. Because not all of the supporting expense invoices of the business venture for the years ended March 31, 2015 and March 31, 2016 were available for audit verification, we were unable to determine if any adjustments were required due to the uncertainty of existence and completeness of accounts payable, contracted services expense, and accumulated surplus beginning of year and end of year for the years ended March 31, 2015 and 2016.

### *Qualified Opinion*

In our opinion, except for the possible effects of the matter described above in the Basis for Qualified Opinion paragraph, these consolidated financial statements present fairly, in all material respects, the financial position of Pine Creek First Nation as at March 31, 2016, and the results of its operations, change in net debt and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

The accompanying notes are an integral part of these consolidated financial statements

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

---

**1. Operations**

The Pine Creek First Nation (the "First Nation") is located in the Province of Manitoba, and provides various services to its Members. Pine Creek First Nation reporting entity includes all related entities that are accountable to the First Nation and are either owned or controlled by the First Nation.

**2. Significant accounting policies**

These consolidated financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards, and include the following significant accounting policies:

***Reporting entity***

The Pine Creek First Nation reporting entity includes the First Nation government and all related enterprises that are accountable to the First Nation and are either owned or controlled by the First Nation. Trusts administered on behalf of third parties by Pine Creek First Nation are excluded from the First Nation reporting entity.

The First Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Pine Creek First Nation
- Pine Creek First Nation CMHC Housing
- Pine Creek First Nation Health Authority
- Pine Creek First Nation Employment Training and Daycare
- Pine Creek First Nation Economic Development Corporation
- Pine Creek First Nation VLT Operation
- Pine Creek First Nation Tobacco
- Pine Creek First Nation Red Sun Smoke Shop & Gas Bar
- Minnissing Anishinabeh Ayaahwim Ltd.
- Pine Creek First Nation C1 Joint Venture

All inter-entity balances have been eliminated on consolidation.

***Basis of presentation***

Sources of revenue and expenses are recorded on the accrual basis of accounting. The accrual basis of accounting recognizes revenue as it becomes available and measurable; expenses are recognized as they are incurred and measurable as a result of the receipt of goods or services and the creation of a legal obligation to pay.

***Cash***

Cash includes balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Funds held in Trust***

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund are reported on the consolidated statement of financial position with an offsetting amount in accumulated surplus. Trust moneys consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other First Nation tangible capital assets; and
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

***Net debt***

The First Nation's consolidated financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Net debt is comprised of two components, non-financial assets and accumulated surplus.

***Asset classification***

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

***Tangible capital assets***

Tangible capital assets are initially recorded at cost based on historical cost accounting records. Contributed tangible assets are recorded at their fair value at the date of contribution.

***Amortization***

Tangible capital assets are amortized annually using the declining balance method at the following rates which are intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Vehicles and equipment	declining balance	20 %
Facilities	declining balance	4 %
Roads and bridges	declining balance	4 %
Infrastructure	declining balance	4 %
CMHC Housing	declining balance	5 %
Band Housing	declining balance	5 %

Amortization is not calculated on construction in progress and does not begin until the related tangible capital asset is available for use.

***Long-lived assets***

Long-lived assets consist of tangible capital assets. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The First Nation performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, exceeds the value of future economic benefits associated with the asset. Impairment is measured as the amount by which the assets' carrying value exceeds the residual value of the assets' service potential to the First Nation. Any impairment is included in operations for the year.

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

---

**2. Significant accounting policies** *(Continued from previous page)*

***Liability for contaminated site***

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the First Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2016.

At each financial reporting date, the First Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The First Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

***Inventory***

Inventory is valued at the lower of cost and net realizable value. Cost is determined by the first-in, first-out method. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling costs.

***Revenue recognition***

Government transfer revenue, including Indigenous and Northern Affairs Canada (INAC), First Nations and Inuit Health (FNIH), Canada Mortgage and Housing Corporation (CMHC), First Peoples Development Inc., Manitoba Hydro and Province of Manitoba funding is recognized as the funding becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements that relate to a subsequent fiscal period is reflected as deferred revenue on the consolidated statement of financial position in the year of receipt, and is matched with related department expenses in the year of their occurrence. Funding that is restricted for particular purposes is deferred and recognized when the eligible expenses have been incurred.

The First Nation recognizes Video Lottery Terminals (VLT) revenue as the net win from gaming activities (the difference between gaming wins and gaming losses), consisting of slot machines, on a daily basis. Gaming revenue is net of commissions paid to Manitoba Liquor and Lotteries Corporation which management believes is the most appropriate presentation of gaming revenue on the consolidated financial statements.

Rent is recorded in the year it is earned. At the end of each year, management evaluates the extent of the collectability of its rent revenue and records a bad debt expense and an allowance for doubtful accounts for amounts designated as unlikely to be collected.

Interest revenue is recognized on an accrual basis in the year it is earned.

All other types of revenue are recognized by the First Nation when the services are provided or the goods are shipped and collectability is reasonably assured.

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

---

2. **Significant accounting policies** *(Continued from previous page)*

**Segments**

The First Nation conducts its business through eight reportable segments as identified below. These operating segments are established by senior management to facilitate the achievement of the First Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The segments are differentiated by the major activities or services they provide. The First Nation's segments are as follows:

- **Band Governance** - activities include the governance function relating to decisions that define expectations, grant power or verify performance consisting of decision-making and leadership processes.
- **Education** - activities include overseeing many aspects of educational opportunities for its members at all levels of learning, the construction, operations and maintenance of all school facilities and the provision of transportation services for the students.
- **Social Services** - activities include satisfying the economic, social, or health related needs of members of the community who require assistance.
- **Community Infrastructure** - activities include the development and maintenance of the community's infrastructure, buildings, roads, bridges and related equipment and the provision of other more specialized community services.
- **Employment Training and Day Care** - activities include the delivery of both employment and child care services to assist the community members to have the opportunity to find and maintain meaningful employment.
- **Community Wellness** - activities include the delivery of community-based health promotion and disease prevention programs, primary home and community care services, programs to control communicable diseases and address environmental issues and non-insured health benefits.
- **Housing** - activities related to developing and sustaining housing, including CMHC housing.
- **Economic Development** - benefits include greater use of land resources under the control of the community, better access to opportunities from land and resources beyond the control of the community, more and larger businesses and business opportunities within the community and a better economic environment.

Inter-segment transfers are recorded at their exchange amount. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2, Significant accounting policies.

**2. Significant accounting policies** *(Continued from previous page)*

***Measurement uncertainty***

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after estimates as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of tangible capital assets. Provisions are made for slow moving and obsolete inventory. Deferred revenue is recorded based on management's analysis of the extent to which eligibility requirements have been met on government transfer revenue.

These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in the consolidated statement of operations in the period in which they become known.

***Employee future benefits***

The First Nation's employee future benefit programs consist of defined contribution pension plans. The First Nation's contributions to the defined contribution plans are expensed as incurred.

***Financial Instruments***

Financial instruments include cash, accounts receivable, restricted cash, accounts payable and accruals, promissory note payable and long-term debt. Unless otherwise stated, it is management's opinion that the First Nation is not exposed to significant interest, currency, or credit risks arising from these financial instruments. The fair value of the First Nation's promissory note and long-term debt are approximated by their carrying values as the terms and conditions of similar instruments are not materially different from those associated with the First Nation's current promissory note and long-term debt.

***Recent accounting pronouncements***

***Financial instruments***

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 *Financial Instruments* to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2019. Earlier adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption; therefore, financial statements of prior periods, including comparative information, are not restated. The First Nation does not expect the adoption of these new standards to have a material impact on its consolidated financial statements.

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

**3. Accounts receivable**

	<b>2016</b>	<b>2015</b> <i>(Restated)</i>
Canada Mortgage and Housing Corporation	21,482	22,115

The cost of inventories recognized as an expense and included in materials, supplies and cost of sales amounted to \$711,063 (2015 - \$nil).

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

**5. Restricted cash**

	2016	2015
Ottawa Trust Fund	12,277	11,733
CMHC replacement reserve	151,412	151,003
	<b>163,689</b>	<b>162,736</b>

*Ottawa Trust Fund*

The Ottawa Trust Fund arises from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act. Revenue from the Ottawa Trust Fund is recognized in the year in which it is earned, when it is measurable and when collection is reasonably assured. Capital and Revenue trust monies are transferred to the First Nation on the authorization of the Minister of Indigenous and Northern Affairs Canada, with the consent of the First Nation's Chief and Council.

Capital trust	\$23 (2015 - \$23); interest revenue \$0 (2015 - \$0)
Revenue trust	\$12,254 (2014 - \$11,710); Interest revenue \$244 (2015 - \$272); Lease revenue \$300 (2015 - \$1,386)

*CMHC replacement reserve*

As part of the First Nation's housing program, a separate bank account has been established for replacement of capital equipment and for major repairs to the houses. These funds along with accrued interest must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. Purchases made from the Replacement Reserve must be approved capital items as determined by CMHC. As at March 31, 2016, the Replacement Reserve bank account was underfunded by \$669,750 (2015 - underfunded by \$685,177).

*CMHC subsidy surplus reserve*

Under the terms of the agreements with CMHC, excess federal assistance payments received must be retained in a subsidy surplus reserve. The reserve is to be comprised of monies deposited in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. These funds in this account may only be used to meet future subsidy requirements of income-tested occupants. As at March 31, 2016, the subsidy reserve bank account was underfunded by \$218,764 (2015 - underfunded by \$203,049).

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

**9. Long-term debt** *(Continued from previous page)*

Principal repayments on long-term debt in each of the next five years, assuming long-term debt subject to refinancing is renewed, are estimated as follows:

2017	500,800
2018	353,400
2019	303,900
2020	2,162,700
2021	153,500

**10. Contingent liabilities**

*Funding recoveries*

The First Nation is subject to funding recoveries according to their agreements with federal government agencies. It was not yet determined to what extent any funding amounts related to the March 31, 2016 year end might be recovered by these agencies.

*Legal Claims*

The First Nation has two outstanding legal claims.

A statement of claim was filed against the First Nation by 8677409 Canada Ltd. in the amount of \$600,000, of which \$489,250 has been included in accounts payable. The full amount is in dispute and the likelihood of a judgment against the First Nation is unknown and not quantifiable.

A statement of claim was filed against the First Nation by John Stockwell in the amount of \$62,109, of which \$62,109 has been included in accounts payable. The full amount is in dispute and the likelihood of a judgment against the First Nation is unknown and not quantifiable.

*First Nations Financial Transparency Act*

The First Nation is required to post its consolidated financial statements on a website and submit the consolidated financial statements to INAC by July 29, 2016. Since the audit report is dated after this date, the First Nation has not complied with this requirement. The possible effect of this non-compliance has not yet been determined.

**11. Accumulated surplus**

Accumulated surplus is comprised of the following:

	<b>2016</b>	<b>2015</b> <i>(Restated)</i>
Ottawa Trust Funds	<b>12,277</b>	11,733
Invested in tangible capital assets	<b>17,284,550</b>	16,708,795
CMHC replacement reserve	<b>821,162</b>	836,180
CMHC subsidy surplus reserve	<b>218,764</b>	203,049
Accumulated deficit from operations	<b>(1,099,373)</b>	(1,583,481)
	<b>17,237,380</b>	16,176,276

**Pine Creek First Nation**  
**Notes to the Consolidated Financial Statements**  
*For the year ended March 31, 2016*

**12. Defined contribution pension plan**

The First Nation has a defined contribution pension plan covering some full-time employees. The First Nation remits monthly contributions to the administrator of the plan and remittances owing at the year-end are included in accounts payable.

**13. Indigenous and Northern Affairs Canada Funding**

	<b>2016</b>	<b>2015</b>
Indigenous and Northern Affairs Canada confirmation balance	<b>7,643,058</b>	9,010,198
Indigenous and Northern Affairs Canada financial statement balance	<b>7,643,058</b>	9,010,198

**14. First Nations and Inuit Health Funding**

	<b>2016</b>	<b>2015</b>
First Nations and Inuit Health confirmation balance	<b>1,504,117</b>	1,418,883
First Nations and Inuit Health financial statement balance	<b>1,504,117</b>	1,418,883

**15. Budget information**

The disclosed budget information has been approved by the Chief and Council of Pine Creek First Nation.

**16. Correction of an error**

The prior year consolidated statements did not include the financial information for the First Nation's Pine Creek First Nation C1 Joint Venture as the information was not available. During the year, the First Nation was able to obtain this information and has included the financial results into its consolidated financial statements. The retroactive application of including this information is as follows:

<b>Consolidated Statement of Financial Position</b>	<b>Original balance</b>	<b>Adjustment</b>	<b>Revised Balance</b>
Cash	51,203	(11,378)	39,825
Accounts receivable	1,530,553	310,677	1,841,230
Accounts payable	2,283,766	241,748	2,525,514
Net debt	(3,401,542)	57,550	(3,343,992)
Tangible capital assets	19,422,840	97,128	19,519,968
Accumulated surplus	16,021,598	154,678	16,176,276
<b>Consolidated Statement of Operations and Accumulated Surplus</b>			
Revenue	14,121,167	2,423,798	16,544,965
Expenses	14,483,229	2,327,610	16,810,839
Annual surplus (deficit)	(362,062)	96,189	(265,874)
Accumulated surplus, beginning of year	16,383,660	58,490	16,442,150
Accumulated surplus, end of year	16,021,598	154,678	16,176,276

**17. Provision for site rehabilitation**

The Manitoba Environmental Protection Act sets out the regulatory requirements to properly close and maintain active and inactive landfill sites. Under this environmental law, there is a requirement for closure and post-closure care of solid waste sites including covering and landscaping and ongoing environmental monitoring, site inspection and maintenance.

As directed by PS 3270, a liability must be recognized beginning when the landfill first accepts waste to the date the landfill stops accepting waste. The liability for closure and post-closure care is recognized as the site capacity is used to the extent of the proportion of site capacity used compared to the estimated total expenditure required for closure and post-closure care.

The estimated total expenditure represents the sum of discounted future cash flows associated with closure and post-closure care considering current technology, the length of the post-closure care period and current environmental regulations. Expenditures that relate to an existing condition caused by past operations, and which do not contribute to future asset service potential, are expensed in the current year.

As at the audit report date, the extent to which the First Nation is bound by environmental laws of The Manitoba Environmental Protection Act was not determinable, and therefore, no liability has been recorded in these consolidated financial statements.

**18. Economic dependence**

Pine Creek First Nation received the majority of its revenue from Indigenous and Northern Affairs Canada (INAC) and First Nations and Inuit Health (FNIH) as a result of Treaties entered into with the Government of Canada. These Treaties are administered by INAC under the terms and conditions of the Indian Act. The ability of the First Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these Treaties.

**19. Comparative figures**

Certain comparative figures have been reclassified to conform with current year's presentation.
