## **MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING**

---

The consolidated financial statements of Keeseekoowenin First Nation have been prepared in accordance with Canadian public sector accounting standards. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. These statements include certain amounts based on management's estimates and judgments. Management has determined such amounts based on a reasonable basis in order to ensure that the financial statements are presented fairly in all material respects.

The integrity and reliability of Keeseekoowenin First Nation's reporting systems are achieved through the use of formal policies and procedures, the careful selection of employees and an appropriate division of responsibilities. These systems are designed to provide reasonable assurance that the financial information is reliable and accurate.

The Chief and Council is responsible for ensuring that management fulfills its responsibility for financial reporting and is ultimately responsible for reviewing and approving the financial statements. Chief and Council meets periodically with management and the members' auditors to review significant accounting, reporting and internal control matters. Following its review of the financial statements and discussions with the auditors, Chief and Council approves the financial statements. Chief and Council also approves the engagement or re-appointment of the external auditors.

The consolidated financial statements have been audited on behalf of the members by Lazer Grant LLP, in accordance with Canadian generally accepted auditing standards.

## INDEPENDENT AUDITOR'S REPORT

---

To the Members of Keesekooowenin First Nation

*Opinion*

We have audited the consolidated financial statements of Keesekooowenin First Nation (the organization), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations, changes in accumulated surplus, changes in net financial debt and cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the organization as at March 31, 2020, and the consolidated results of its operations and consolidated cash flow for the year then ended in accordance with Canadian public sector accounting standards.

*Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the organization in accordance with ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with PSAS, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Independent Auditor's Report to the Members of Keesekooowenin First Nation *(continued)*

*Auditor's Responsibilities for the Audit of the Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# KEESEEKOOWENIN FIRST NATION

## Notes to Consolidated Financial Statements

Year Ended March 31, 2020

---

### 1. DESCRIPTION OF THE ORGANIZATION

The Keesekooowenin First Nation is a non-profit Indian Band as defined by The Indian Act (Canada). The objective of the First Nation is to operate as the governing entity in providing services in all areas of the community.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of presentation

The consolidated financial statements were prepared in accordance with Canadian public sector accounting standards and include the assets, liabilities, revenues and expenses of the following departments and entities:

- Keesekooowenin Band Operations
- Keesekooowenin Education Authority
- Keesekooowenin Gaming Centre
- Keesekooowenin Gas Bar
- Keesekooowenin Health and Wellness Centre
- Keesekooowenin Housing Authority
- Keesekooowenin Human Resources Development
- Keesekooowenin Playcare
- Keesekooowenin Social Development
- Keesekooowenin Special Projects

#### Measurement uncertainty

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

#### Financial instruments

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Investment in the KRW Limited Partnership is recorded on a modified equity basis. Under this basis, the equity method of accounting is modified only to the extent that the partnership's accounting principles are not adjusted to conform with those of the organization. The organization's investment in these entities is recorded at acquisition cost and is increased or decreased for the proportionate share of earnings or losses and distributions.

Investments in entities not owned, controlled, or influenced by the organization are recorded at cost less any provision for other than temporary impairment.

*(continues)*

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*Tangible capital assets

Tangible capital assets are stated at cost or deemed cost less accumulated amortization and are amortized over their estimated useful lives at the following rates and methods:

Land	non-amortizable
Buildings	4% declining balance method
CMHC Housing	annual principal reduction
Equipment	20% declining balance method
Equipment under capital lease	30% declining balance method
Lagoon	3% declining balance method
Roads	3% declining balance method
Vehicles	30% declining balance method

The organization regularly reviews its tangible capital assets to eliminate obsolete items.

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

Capital assets acquired under Canada Mortgage and Housing Corporation sponsored housing projects are amortized at a rate equivalent to the annual principal reduction in related long term debt, as required for CMHC reporting purposes.

Revenue recognition

Revenue from government agencies is recognized as it becomes receivable under the terms of applicable funding agreements.

Revenue from sales of goods is recognized when title passes to the customer, which generally coincides with the delivery and acceptance of goods.

Rent revenue is recognized when the tenants' rent is invoiced at the start of each month based on the details of each signed lease agreement.

Other revenues are recognized when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

**3. FINANCIAL INSTRUMENTS**

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of March 31, 2020.

**Credit risk**

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is exposed to credit risk from funders and members. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The organization has a significant number of funders and members which minimizes concentration of credit risk.

**Liquidity risk**

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from its funders, members, and other related sources, deferred revenue, short term debt, long-term debt, obligations under capital leases, reserves, and accounts payable and accrued liabilities.

**Interest rate risk**

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the organization manages exposure through its normal operating and financing activities. The organization is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities.

**4. CASH**

The organization has a line of credit on its operating account with Sunrise Credit Union in the amount of \$40,000 which is repayable on demand, bears interest at the Sunrise Credit Union prime rate plus 2.75%, and is secured by a general security agreement and Band Council Resolution. An interest rate of 24% is charged on balances in excess of the maximum line of credit and on overdrafts on all other bank accounts. As at March 31, 2020, \$40,000 (2019 - \$25,324) of this line of credit remained unused.

	<b>\$ 1,295,335</b>	<b>\$ 1,286,929</b>

The organization's investment in KRW Limited Partnership was established to develop, lease, manage, and operate real property for the purposes of pursuing economic development opportunities on lands acquired at 1-11-19WPM (the "Brandon Lands"). The organization shares interest in the partnership along with Rolling River First Nation and Waywayseecappo First Nation. The partnership had no development activity during the current year.

**7. OTTAWA TRUST FUNDS**

The Ottawa Trust Accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

As at the end of the year, the funds held in trust consisted of the following balances:

**17. REPLACEMENT RESERVES**

Under the terms of the agreement with Canada Mortgage and Housing Corporation (CMHC), the replacement reserve account is to be credited with an amount of \$68,159 (2019 - \$71,657) annually. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC. Withdrawals are credited to interest first and then principal.

As at March 31, 2020, the Replacement Reserve bank accounts had a balance of \$8,543 (2019 - \$56,122) and was underfunded by \$553,182 (2019 - \$512,333).

Surplus revenue from Post 1996 projects is to be retained by the organization within an operating reserve fund and interest earned must accrue to and be maintained in the operating reserve fund. Funds may be withdrawn to cover current operating deficits.

As at March 31, 2020, the Operating Reserve bank account had a balance of \$3,151 (2019 - \$46,113) and was underfunded by \$583,985 (2019 - \$441,971).

During the year, net replacement reserve transactions totalling \$142,381 (2019 - \$44,892) were charged to the reserve. These transactions include the annual allocation, surplus allocation, supplemental assistance and any expenses charged directly to the reserve.

Replacement reserves expenses have been made in accordance with Schedule "D" of the operating agreement with CMHC.

**18. PRIOR PERIOD ADJUSTMENT**

As a result of the Canada Mortgage and Housing Corporation's annual review, certain revenues, expenses, and replacement reserve amounts have been adjusted and accordingly, the comparative figures have been restated. The net effect of these transactions had no effect on the overall accumulated surplus at the end of the year.

**20. PENSION PLAN**

The organization has an employee registered defined contribution pension plan. The organization matches the employees' contributions. During the year, expenses totalling \$87,968 (2019 - \$46,501) were made to the pension plan and there were no outstanding pension obligations at year end (2019 - \$NIL).

**21. CONTINGENT LIABILITY**

The organization is contingently liable for loans from Canada Mortgage and Housing Corporation under the Residential Rehabilitation Assistance Program (RRAP). Since each loan is forgiven (usually over a 4 or 5 year period) no liability has been recorded in the these statements for these loans.

**22. ECONOMIC DEPENDENCE**

The organization receives substantially all of its revenues from government sources.

**23. SUBSEQUENT EVENTS**

In March 2020, the World Health Organization declared a global pandemic due to the novel coronavirus (COVID-19). The situation is constantly evolving, and the measures put in place are having multiple impacts on local, provincial, national and global economies.

Management is uncertain of the effects of these changes on its financial statements and believes that any disturbance may be temporary; however, there is uncertainty about the length and potential impact of the disturbance.

As a result, we are unable to estimate the potential impact on the organization's operations as at the date of these financial statements.

**24. COMPARATIVE FIGURES**

Some of the comparative figures have been reclassified to conform to the current year's presentation.
