## Management's Responsibility for Financial Reporting

The accompanying March 31, 2018 financial statements of Tataskweyak Cree Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council of Tataskweyak Cree Nation.

The consolidated financial statements have been prepared by management in accordance with Public Sector Accounting Standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgements. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

The First Nation maintains an appropriate system of internal accounting and administrative controls, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Tataskweyak Cree Nation Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The consolidated financial statements have been audited by Grant Thornton LLP in accordance with Canadian generally accepted auditing standards on behalf of the members. Grant Thornton LLP has full and free access to the Council.

# Independent Auditors' Report

To the Chief and Council of  
Tataskweyak Cree Nation

We have audited the accompanying consolidated financial statements of Tataskweyak Cree Nation (TCN), which comprise the consolidated statement of financial position as at March 31, 2018, and the consolidated statements of operations, changes in accumulated surplus, changes in net debt, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

## **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditors' responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan to perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

### **Basis for qualified opinion**

Included in TCN's government business enterprises accounted for using the modified equity method are investments in Cree Nation Partners Limited Partnership #1, Cree Nation Partners Limited Partnership #2, and Cree Nation Partners Limited Partnership #3. As at March 31, 2018 these three investments are recorded as investment in government business enterprises and carried at \$3,551,475. TCN's share of the net earnings from these equity investments of \$3,437,641 is included in equity earnings from government business enterprises for the year ended March 31, 2018. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of TCN's investment in these entities as at March 31, 2018 and TCN's share of earnings from these investments for the year then ended because audited financial information was not prepared and provided by management of these entities. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

Included in TCN's consolidated financial statement is Iron North Limited Partnership. As at March 31, 2018 financial assets included in TCNs consolidated statement of financial position related to Iron North Limited Partnership were carried at \$2,503,226, tangible capital assets carried at \$3,742,560 and liabilities carried at \$5,116,702. For the year ended March 31, 2018 TCN's consolidated statement of operations included revenue from other government organizations related to Iron North Limited Partnership of \$11,057,587 and expenses from other government organizations related to Iron North Limited Partnership of \$9,971,889 resulting in net surplus of \$1,085,698 related to Iron North Limited Partnership. We were unable to obtain sufficient appropriate audit evidence about the carrying amount of financial assets, tangible capital assets and liabilities as at March 31, 2018 or TCN's share of revenues and expenses related to Iron North Limited Partnership for the year then ended because audited financial information was not prepared and provided by management. Consequently, we were unable to determine whether any adjustments to these amounts were necessary.

TCN recorded \$718,416 of destitute and bereavement payments in the Video Lotto Terminal Operation line on the consolidated statement of operations. We were unable to obtain sufficient appropriate audit evidence over the occurrence, accuracy and authorization of these payments as supporting documentation was either not created or maintained. Accordingly, we were not able to determine whether any adjustments might be necessary to the recorded amount of Video Lotto Terminal expense.

### **Qualified Opinion**

In our opinion, except for the possible effects of the matters described in the basis for qualified opinion paragraph, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of Tataskweyak Cree Nation as at March 31, 2018, and the consolidated results of its operations, changes in accumulated surplus, changes in net debt and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Emphasis of Matter - Restated Comparative Information**

We draw attention to Note 2 to the consolidated financial statements, which explains that certain comparative information presented for the year ended March 31, 2017 has been restated. Our opinion is not modified in respect of this matter.

# Tataskweyak Cree Nation

## Notes to the Consolidated Financial Statements

---

March 31, 2018

---

### 1. Nature of entity

Tataskweyak Cree Nation (TCN) is a government, non-taxable entity and is engaged in the social, cultural, educational and economic development of the First Nation citizens of Tataskweyak Cree Nation at Split Lake, Manitoba.

---

### 2. Prior period adjustment

During the year, an accounting policy change related to basis for estimating annual amortization was enacted. The previous accounting policy stipulated that amortization expense on tangible capital asset will commence in the year subsequent to acquisition. The new accounting policy states that amortization expense will commence in the year of acquisition, or the year the asset is put into use, with the application of the half year rule. The prior year comparative figures have been restated to reflect the retrospective application of the new accounting policy

	March 31, 2017 as previously stated	Adjustment	March 31, 2017 as revised

---

### 3. Summary of significant accounting policies

#### Basis of accounting

These consolidated financial statements were prepared in accordance with Canadian public sector accounting standards. The accrual basis recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

---

# **Tataskweyak Cree Nation**

## **Notes to the Consolidated Financial Statements**

March 31, 2018

---

### **3. Summary of significant accounting policies (continued)**

#### **Reporting entity**

The TCN reporting entity comprises TCN and all entities that are controlled by TCN. Control is defined as the power to govern the financial and operating policies of another with expected benefits or the risk of loss to the government from the other organizations' activities. Control exists regardless of whether the government chooses to exercise its power to govern so long as it has the ability to govern. Control must exist at the financial statement date, without the need to amend agreements.

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of a government business enterprise which are accounted for using the modified equity method.

#### **Principles of consolidation**

Consolidation conforms the accounting policies of controlled entities to those of TCN and eliminates all inter-organizational balances and transactions. This method reports the organizations as if they were one organization. The entities that were consolidated into TCN are as follows:

Northstream Communications Ltd.  
Northstream Communications Limited Partnership  
6089951 Manitoba Ltd.  
Iron North Limited Partnership  
4915110 Manitoba Ltd.  
Ininew Limited Partnership

#### **Modified equity method**

Government business enterprises are separate legal entities that have the power to contract in their own name, have the financial and operating authority to carry on a business, sell goods and services to customers other than TCN as their principal activity, and in the normal course of operations, can maintain their operations and meet their liabilities from revenues received outside revenue received from TCN. TCN accounts for its investments using the equity method of accounting, which is modified only to the extent that the business enterprises' accounting principles are not adjusted to conform with those of TCN. Thus TCN aggregates the business enterprise's net assets and net income as an investment on the consolidated statement of financial position. The net income of the business enterprises is reported as a separate investment income line on the consolidated statement of operations. Inter-organizational transactions are not eliminated unless the transaction arises from the sale or transfer of an asset or liability that is remaining within the government reporting entity.

The corporations that have been accounted for using the modified equity method include:

336/344 Thompson Drive Corporation	100 % interest
5872066 Manitoba Ltd.	92.50 % interest
5925640 Manitoba Ltd.	92.50 % interest
6354671 Manitoba Ltd.	92.50 % interest

The limited partnerships that qualify as government business enterprises and have been accounted for using the modified equity method include:

336/344 Thompson Drive Limited Partnership	99.90 % voting units
Cree Nation Partners Limited Partnership #1	92.50 % voting units
Cree Nation Partners Limited Partnership #2	92.50 % voting units
Cree Nation Partners Limited Partnership #3	92.50 % voting units

---

# **Tataskweyak Cree Nation**

## **Notes to the Consolidated Financial Statements**

March 31, 2018

---

### **3. Summary of significant accounting policies (continued)**

#### **Portfolio investments**

All investments in entities that are not controlled are considered to be portfolio investments. They are reported at cost less any write-downs associated with a loss in value that is other than a temporary decline. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

The corporations that have been included as portfolio investments are:

6407102 Manitoba Ltd.	20 % interest
Keewatin Railway Company Ltd.	44 % interest
Ininew Project Management Ltd.	38 % interest

The limited partnerships that have been included as portfolio investments are:

Aboriginal Strategies Limited Partnership	20 % voting units
Ozhi LP	33 % owned

#### **Government transfers**

Government transfers (revenue from non-exchange transactions with governments) are recognized as revenues when the transfer is authorized, any eligibility criteria are met, and reasonable estimates of the amounts can be made, except when there is a stipulation that gives rise to an obligation that meets the definition of a liability. In that case, the transfer is recorded as a liability and recognized as revenue as the stipulations are met.

Government transfers to individuals and other entities are recognized as an expense when the transfers are authorized and all eligibility criteria have been met.

#### **Asset classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

#### **Revenue recognition**

Resources, other than government transfers, that are externally restricted through stipulations imposed by an agreement with an external party, legislation, or regulation that specify the purpose or purposes for which the resources are to be used are deferred on the consolidated statement of financial position. The revenue is recognized in the year in which it is used for the specified purpose.

Other income, primarily including sales of gas, tobacco and fees for service, and rental revenue are recognized upon transfer of title of the product or upon performance of the service and when collectability is reasonably assured.

# Tataskweyak Cree Nation

## Notes to the Consolidated Financial Statements

---

March 31, 2018

---

### 3. Summary of significant accounting policies (continued)

#### Tangible capital assets

Tangible capital assets are non-financial assets having physical substance whose ownership and control are with the First Nation, are used in the First Nation's operations, have useful lives extending beyond one year, and are not held for resale.

To be classified as tangible capital assets, each asset must meet the capitalization threshold as stated below and will depreciate using the straight-line method using the following rates:

<u>Classification</u>	<u>Amortization Rate</u>	<u>Useful Life</u>
Buildings		
Housing CMHC	4.00 %	25 years
Housing Band built	6.67 %	15 years
Non-residence-brick/steel beam construction	2.50 %	40 years
Non-residence-wood frame construction construction	5.00 %	20 years
Heavy equipment	20.00 %	5 years
Water and sewer systems	5.00 %	20 years
Roads	5.00 %	20 years
Plane	5.00 %	20 years
Vehicles		
General purpose	33.34 %	3 years
School bus	20.00 %	5 years
Betterments		
General/housing	20.00 %	5 years
Equipment	33.34 %	3 years
Capital leases, with the exception of school buses		3-5 years

All amortization is straight-line and will commence in the year of acquisition or completion of construction with the application of the half year rule. This policy was adopted in current year and applied retrospectively to previous years as disclosed in Note 2.

Tangible capital assets are subsequently measured at cost less accumulated amortization less impairment, if any.

### **3. Summary of significant accounting policies (continued)**

#### **Tangible capital assets (continued)**

Purchased assets are initially measured at cost, including installation, legal, transportation, insurance, and any other costs directly attributable to the purchase.

New constructions are valued at cost including construction, architectural, other professional fees, insurance, and other cost required for the completion of the asset. Interest costs are to be capitalized in the year they are incurred.

Site improvements such as roadside brush clearing, house lot development, and construction site improvements will not be capitalized, unless the improvements costs are included in the construction contracts.

Soil remediation completed by the First Nation or by contractors will not be capitalized and is rather expensed because the related land is not legally owned by the First Nation.

Tangible capital assets are written down when conditions indicate that a tangible capital asset no longer contributes to TCN's ability to provide goods and services, or the value of the future economic benefits associated with the tangible capital asset is less than net book value.

#### **Capital leases**

Capital leases are recorded at the present value of the minimum lease payments excluding executor costs (e.g. insurance, maintenance costs, etc.). The discount rate used to determine the present value of the lease payments is the lower of TCN's rate for incremental borrowing or the interest rate implicit in the lease.

#### **Use of estimates**

The preparation of consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the year. Actual results could differ from management's best estimates as additional information becomes available in the future.

#### **Inventories**

Inventories of gasoline and other confectionary items including cigarettes and cigars are valued at the lower of cost or net realizable value determined by the first-in, first-out method. These amounts are held for sale in the normal course of operations.

---

### **3. Summary of significant accounting policies (continued)**

#### **Cash and cash equivalents**

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short term cash commitments.

#### **Marketable securities**

Marketable securities include Guaranteed Investment Certificates held at cost for the acquisition of future Hydro-electric dam investments.

#### **Pension plans**

TCN maintains defined contribution pension plans for its personnel. Expenditures for this plan are equal to TCN's required contribution for the year and are recognized as earned by eligible employees.

#### **Segmented disclosure**

The accounting policies of the segments are the same as those described in the summary of significant accounting policies. The revenues and expenses and equity in government business enterprises that are directly attributable to a particular segment are allocated to that segment. Amounts that are directly attributable to a number of segments have been allocated on a reasonable basis.

The segments are as follows:

##### **Band Government**

Revenues and expenses that relate to the operations of the Band itself and governance activities of the Chief and Council.

##### **Community Services**

Provides services meant to improve the health and development of TCN's members.

##### **Economic Development**

Manages the development of economic opportunities for TCN.

##### **Education**

Provides elementary and secondary education instructional services and provides financial support to post-secondary students.

##### **Health**

Services are comprised of a variety of health care programs which work to improve the overall health of the population and provides support to TCN members.

##### **Housing**

Provides affordable housing to qualifying members under various programs.

##### **Social Services**

Administers the provision of social assistance to qualifying members.

## **Notes to the Consolidated Financial Statements**

---

March 31, 2018

---

### **14. Commitments and contingencies**

A statement of claim has been filed against TCN by the Cree Construction and Development Company Ltd. (CCDC) for \$2.7 million for unpaid work and materials together with an unspecified claim for damages airing out of the related contract. TCN has filed a counterclaim and statement of defense regarding the matter. Management has recorded a liability to CCDC in the amount of \$1.025 million. The additional amount in the claim is for other costs not billed to TCN and therefore, not recorded in the records. All costs recorded to date are included in the construction in progress balance (Note 8) and have no impact on the operating results of TCN for the year. In addition, TCN has filed a statement of claim against the insurer for the project for a performance bond in the amount of \$7.3 million to complete the outstanding work on the project. The claim is ongoing and the outcome is currently undeterminable and therefore, no additional construction in progress has been recorded.

In 2010, TCN signed a Revenue Advance Agreement with the Manitoba Hydro Electric Board (Hydro) that superseded and replaced the previous TCN Advance Agreements. Pursuant to the TCN Advance Agreement, Hydro had advanced \$1,475,000 to TCN through March 31, 2010 that constituted charges against TCN's income from its anticipated interest in the Gull Rapids project. Should TCN not acquire an equity interest in the Gull Rapids project, Hydro may apply these contributions toward any obligation or liability of Hydro to TCN under Articles 18.4 or 18.5 of the Northern Flood Agreement or against any other obligations as may be agreed to by Hydro and TCN. This amount has been previously recognized as revenue as it is not likely that TCN will need to repay these funds in the future.

TCN has guaranteed loans for certain of its business enterprises (see Note 6). It is not possible at this time to determine whether any liability will result from these guarantees. As the loan facilities are not currently in default, a provision has not been reflected in the financial statements.

---

### **15. Defined contribution pension plan**

The expenses for TCN's pension plan for the year was \$ 236,156 (2017: \$197,212). The plan is funded equally by TCN and TCN's employees at rates of 3.0% to 7.6% of the employee's salaries. The funds are invested in mutual funds as directed by TCN's individual employees' investment directives.

---

### **16. Comparative figures**

Certain of the prior year's figures have been reclassified to conform with the current year's presentation.

## Notes to the Consolidated Financial Statements

---

March 31, 2018

---

17. Restricted cash	2018	2017 (Note 16)
Replacement reserve	\$ 944,864	\$ 1,003,770
Capital project contributions	1,483,529	1,035,503
Ottawa Trust Funds	<u>93,692</u>	<u>89,939</u>
	<u><b>\$ 2,522,085</b></u>	<u><b>\$ 2,129,212</b></u>

The replacement reserve, is required to be maintained under the terms of the agreement with CMHC, the accounts are to be funded annually through operations. These funds along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation.

The capital project contributions are only available for use in completing specific terms of the contribution agreements.

The Ottawa Trust accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. These funds are restricted in their use. TCN is permitted to use its revenue for any purpose that will promote the general progress and welfare of TCN and its members. The expenditures of capital funds require the consent of Indigenous Services Canada and generally must be for projects of capital nature. Withdrawals of revenue or capital funds are recorded as revenue in the applicable fund where the monies are expended.

## Notes to the Consolidated Financial Statements

March 31, 2018

### 18. Budgeted figures

Public Sector Accounting Standards require a comparison of the results for the period with those originally planned on the same basis as that used for actual results. The fiscal budget in the statement of change in net debt and statement of operations has been adjusted to be presented on a consistent basis as actual results. Below is a reconciliation of the figures from the approved fiscal budget to the budget per the financial statements:

#### Consolidated statement of change in net debt

	Approved fiscal budget	Adjustments	Fiscal budget per financial statements
Annual deficit	\$ (2,905,834)	\$ 5,745,456	\$ 2,839,622
Capital assets acquired (Note 9)	(4,237,421)	(9,355,695)	(13,593,116)
Capital assets disposed - cost (Note 9)	-	1,593,905	1,593,905
Capital assets disposed - accumulated amortization (Note 9)	-	(609,376)	(609,376)
Amortization	-	5,506,524	5,506,524
	(4,237,421)	(2,864,642)	(7,102,063)
Use of prepaid expenses	-	324,243	324,243
Acquisition of prepaid	-	(326,203)	(326,203)
	-	(1,960)	(1,960)
Change in net debt	(7,143,255)	2,878,854	(4,264,401)
Net debt, beginning of the year	(19,504,002)	-	(19,504,002)
Net debt, end of the year	\$ (26,647,257)	\$ 2,878,854	\$ (23,768,403)
