**Opinion**

We have audited the accompanying consolidated financial statements of Misipawistik Cree Nation, which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Misipawistik Cree Nation as at March 31, 2021, and its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of Misipawistik Cree Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Material Uncertainty Related to Going Concern**

We draw attention to Note 18 in the consolidated financial statements, which discusses Misipawistik Cree Nation's debt load which is substantially financed by demand loans, and revenue reductions caused by the COVID-19 pandemic. As stated in Note 18, these events or conditions, along with other matters as set forth in Note 18, indicate that a material uncertainty exists that may cast significant doubt on Misipawistik Cree Nation's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

**Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing Misipawistik Cree Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Misipawistik Cree Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Misipawistik Cree Nation's financial reporting process.

### **Auditor's Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Misipawistik Cree Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Misipawistik Cree Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause Misipawistik Cree Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of Misipawistik Cree Nation and all the information in this annual report are the responsibility of management and have been approved by the Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Financial statements are not precise since they include certain amounts based on estimation and judgments. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the financial statements are presented fairly, in all material respects.

The Cree Nation maintains systems of internal accounting and administrative controls of high quality, consistent with reasonable cost. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the Cree Nation's assets are appropriately accounted for and adequately safeguarded.

The Cree Nation's Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the financial statements.

Management reviews the Cree Nation's financial statements with Chief and Council and recommends their approval. The Chief and Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities and to review the annual report, the financial statements and the external auditors' report.

The consolidated financial statements have been audited by Baker Tilly HMA LLP in accordance with Canadian public sector accounting standards on behalf of the members. Baker Tilly HMA LLP have full and free access to Management and Chief and Council.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

**MARCH 31, 2021**

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### *BASIS OF ACCOUNTING*

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board overseen by the Accounting Standards Oversight Council.

#### *REPORTING ENTITY*

The Misipawistik Cree Nation reporting entity includes the Misipawistik Cree Nation (the Cree Nation) government and all related entities that are controlled by the Cree Nation.

#### *PRINCIPLES OF CONSOLIDATION*

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only the Cree Nation's investment in the government business enterprise and the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of the Cree Nation.

Organizations consolidated in the Cree Nation's financial statements include:

- Misipawistik Cree Nation Housing Authority
- Misipawistik Cree Nation Gaming Commission
- Grand Rapids First Nation Immediate Use Fund
- Misipawistik Cree Nation Health Authority Inc.

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

Organizations accounted for by the modified equity basis include:

- Grand Rapids First Nation Development Corporation
- Chus-Chug-U Gaming Trust
- Pinesiw Energy Limited Partnership (1/2 interest)
- Misipawistik Telecommunications Cooperative
- Aseneskak Casino (1/6 interest)
- Grand Rapids First Nation Development Trust

The Cree Nation reports and assesses these enterprises by major business line.

#### *CASH AND CASH EQUIVALENTS*

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****MARCH 31, 2021****1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)******INVENTORY***

Inventories of goods available for resale are recorded at the lower of cost and net realizable value.

Inventories of supplies held for consumption are recorded at the lower of cost and replacement cost.

***TANGIBLE CAPITAL ASSETS***

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisitions, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all of the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and the Cree Nation's incremental cost of borrowing.

Amortization is provided for on a straight-line basis, over the expected useful life of the assets in the table that follows.

Automotive	5 years
Buildings	25-40 years
Office equipment	4-10 years
Housing	20-40 years
Land Improvements	30 years
Roads	40 years
Water and Sewer	25 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Cree Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot reasonably be determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****MARCH 31, 2021****1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)******REVENUE RECOGNITION***

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfer revenue is recognized in the statement of operations as the stipulations are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service performed is deferred and recognized when the fee is earned or service performed.

***MEASUREMENT UNCERTAINTY***

In preparing the consolidated financial statements for the Cree Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include the allowance for doubtful accounts, the remaining useful life of tangible capital assets, and provision for guaranteed debts of government business enterprises.

***FINANCIAL INSTRUMENTS***

Financial instruments include cash, accounts receivable, accounts payable and accrued liabilities and long-term debt. Unless otherwise stated, it is management's opinion that the Cree Nation is not exposed to significant interest, currency or credit risk arising from the financial instruments. Unless indicated, the book value of the Cree Nation's financial instruments approximate their fair value.

**2. CASH**

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the Cree Nation must set aside funds for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the replacement and subsidy fund. Cash (bank indebtedness) is comprised of the following:

### 10. CONTINGENCIES

#### Government Funding

The Cree Nation receives funding from various government agencies based on specified program needs and budgets and allocates certain expenses to the various programs. In many cases the funding agent has the right to review the accounting records to ensure compliance with the terms and conditions of their agreements. At this time no estimate of the requirements, if any, to reimburse the agencies can be made.

For accounting purposes any amounts assessed or claims paid will be accounted for in the year of determination.

#### Loan Guarantees for Government Business Enterprises

The Cree Nation had guaranteed certain debts of Grand Rapids First Nation Development Corporation and Pinesiw Energy Limited Partnership with an aggregate guarantee in excess of \$1,198,500.

The Cree Nation has recorded a provision of NIL (2020 - \$1,109,758) in its financial statements for amounts it believed that it would ultimately become liable for.

In the year ended March 31, 2021 the Cree Nation became liable for amounts related to Pinesiw Energy Limited Partnership which resulted in the \$1,013,584 loan payable to Opaskwayak Cree Nation described in Note 8.

#### Hydro Claim

The Cree Nation previously filed a claim against Canada for damages related to development on its traditional territory. The claim is currently in arbitration and the Cree Nation is anticipating that it will ultimately receive a financial and land settlement.

### 11. BUDGET FIGURES

The Cree Nation has not completed a budget for the March 31, 2021 fiscal year. Accordingly budget figures are not presented in the financial statements.

### 12. COMMITMENTS

#### Canada Mortgage and Housing Corporation

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the Cree Nation must set aside funds for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the replacement and subsidy fund.

As of March 31, 2021, the replacement reserve fund is underfunded by \$37,618. (2020 - underfunded by \$18,545)

### 13. ECONOMIC DEPENDENCE

The Cree Nation receives a majority of its revenue from and consequently is economically dependant on the Government of Canada.

**17. RELATED PARTY TRANSACTIONS**

In the normal course of business the Cree Nation enters into transactions with related parties. Related party transactions are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties.

Due to the significant volume of transactions between the Cree Nation and related parties aggregate revenue and expenditures derived from related parties is not determinable.

Included within accounts payable and not separately disclosed elsewhere is \$49,857 (2020 - \$43,309) which is payable to the Cree Nation's government business enterprises for goods and services purchased in the ordinary course of business.

**18. GOING CONCERN**

These financial statements have been prepared on the basis of a going concern which assumes that the Cree Nation will be able to realize its assets and settle its obligations in the normal course of operations. However conditions exist which may cast doubt on this assumption.

The Cree Nation has a high debt load which is substantially financed by demand loans totaling \$34,172,062. The Cree Nation also experienced a reduction in revenue at Chus-Chug-U Gaming Trust VLT site as a result of the COVID-19 pandemic.

The Cree Nation's ability to continue as a going concern is dependant upon its ability to maintain ongoing support from its creditors and generate positive cash flows from its investments and government business enterprises. If the Cree Nation is not successful in its efforts to do so the going concern assumption may no longer be appropriate. In this case adjustments to the carrying values of reported assets, net debt and accumulated surplus would be required and these amounts could be material. This occurrence could also negatively impact the Cree Nation's operations and service delivery.

**19. COMPARATIVE FIGURES FOR THE PRIOR YEAR**

To conform with the financial statement presentation adopted for the current year, certain comparative figures have been reclassified.

### 20. SEGMENT DISCLOSURE

Misipawistik Cree Nation provides a range of services to its members. For management reporting purposes, operations and activities are reported by department. For each segment separately reported, the segment revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounting Policies as described in Note 1. The segment results for the year are as follows:
