MANAGEMENT'S REPORT

FOR THE YEAR ENDED MARCH 31, 2014

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of Sapotaweyak Cree Nation are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

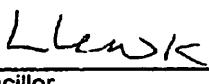

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Heartland Chartered Accountants LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Sapotaweyak Cree Nation and meet when required.

On behalf of Sapotaweyak Cree Nation:

Chief

Councillor

Councillor

Councillor

November 20, 2014

INDEPENDENT AUDITOR'S REPORT

To the Members of Sapotaweyak Cree Nation:

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Sapotaweyak Cree Nation, which comprise the consolidated statement of financial position as at March 31, 2014 and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and the notes to the financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly in all material respects, the consolidated financial position of Sapotaweyak Cree Nation as at March 31, 2014 and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

SAPOTAWEYAK CREE NATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

b) Reporting entity

The Sapotaweyak Cree Nation reporting entity includes the Sapotaweyak Cree Nation government and all related entities that are controlled by the First Nation.

c) Principles of consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

d) Cash and cash equivalents

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

e) Portfolio investments

Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.

f) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes the overhead directly attributable to construction and development, as well as interest costs that are directly attributable to construction of the asset.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods or services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

SAPOTAWEYAK CREE NATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

f) Tangible capital assets (continued)

Amortization is provided for on a straight-line basis, over the estimated useful lives as follows:

Commercial buildings	20 years
Residential buildings	25 years
Roads	40 years
Underground networks	40 years
Furniture and fixtures	5 years
Appliances	4 years
Vehicles	3 years
Computer equipment	3 years
Other equipment	4 years
Heavy equipment	5 years

g) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

SAPOTAWEYAK CREE NATION
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 2014

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

h) Measurement uncertainty

In preparing the consolidated financial statements for Sapotaweyak Cree Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include the allowance for doubtful accounts and the estimated life of tangible capital assets. Actual results could differ from these estimates.

2) CASH AND CASH EQUIVALENTS

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Sapotaweyak Cree Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by fund are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Replacement Reserve Fund. Cash and cash equivalents is comprised of the following:

	2014	2013
Externally restricted		
CMHC - Replacement Reserve	\$ 280,346	321,884

7) TEMPORARY BORROWINGS

The First Nation has lines of credit available to address operating requirements and to bridge capital expenditures. Interest on these borrowings range from the bank's prime lending rate plus 1.5% to 2.3%. All loans are unsecured, due on demand and are in the form of bankers' acceptance notes and bank overdrafts. As at March 31, 2014, the amount drawn is \$270,674 (2013 - \$160,674).

12) CONTINGENT LIABILITY - SOCIAL SERVICES FUNDING

According to the reports filed with Aboriginal Affairs and Northern Development Canada ("AANDC"), the First Nation owes an undetermined amount to AANDC at March 31, 2007 for non-eligible social services expenditures. Subsequent to year-end these amounts were re-submitted and a final determination could not be estimated. Any amounts not approved will be recorded as an expenditure in the 2014 - 2015 fiscal year.

During the 2008 / 2009 fiscal year, AANDC has identified an over-payment of \$202,965 from Basic Needs funding. The exact date of an "agreed amount of recovery" has not yet been established. Until such that a mutual agreement has been reached, the First Nation is disclosing this recovery as a contingent liability.
