CONSOLIDATED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED MARCH 31, 2024**

**SAPOTAWEYAK CREE NATION**  
**MANAGEMENT'S REPORT**  
**FOR THE YEAR ENDED MARCH 31, 2024**

---

**Management's Responsibility for the Consolidated Financial Statements**

The accompanying consolidated financial statements of Sapotaweyak Cree Nation are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Heartland Chartered Professional Accountants LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Sapotaweyak Cree Nation and meet when required.

On behalf of Sapotaweyak Cree Nation:

  
\_\_\_\_\_  
Chief Nelson Genaille

  
\_\_\_\_\_  
Councillor Surinder Dhillon

## INDEPENDENT AUDITOR'S REPORT

To the Members of Sapotaweyak Cree Nation:

### Opinion

We have audited the consolidated financial statements of Sapotaweyak Cree Nation (the "First Nation"), which comprise the consolidated statement of financial position as at March 31, 2024, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and the notes to the financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Sapotaweyak Cree Nation as at March 31, 2024 and the results of its consolidated operations and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with those requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent Auditor's Report (*continued*)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**SAPOTAWEYAK CREE NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2024**

---

**1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a) Basis of accounting**

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

**b) Reporting entity**

The Sapotaweyak Cree Nation reporting entity includes the Sapotaweyak Cree Nation government and all related entities that are controlled by the First Nation.

The First Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Sapotaweyak Cree Nation
- Sapotaweyak Health Authority
- Sapotaweyak Education Authority
- Sapotaweyak Aboriginal Skills and Employment Training (ASETS) Program
- Club SAPP
- The Loonie Bin Gaming Lounge
- Sapotaweyak CMHC Housing Authority
- Sapotaweyak Internet Services
- Sapotaweyak Social Services
- Petro Gas Bar

Investments in government business partnerships are accounted for using the modified equity method. Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity's accounting principles are not adjusted to conform to those of the First Nation. Thus, the First Nation's investment in these entities is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses and distributions received. Entities accounted for by the modified equity basis include:

- Asesneskak Casino Limited Partnership

**c) Principles of consolidation**

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

**SAPOTAWEYAK CREE NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2024**

---

**1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**d) Cash and cash equivalents**

Cash and cash equivalents include cash on hand, balances with banks net of bank overdrafts and term deposits having a maturity of three months or less at acquisition which are held for the purpose of meeting short-term cash commitments.

**e) Portfolio investments**

Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.

**f) Tangible capital assets**

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes the overhead directly attributable to construction and development, as well as interest costs that are directly attributable to construction of the asset.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods or services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Amortization is provided for on a straight-line basis, over the estimated useful lives as follows:

Appliances	4 years
Commercial buildings	20 years
Computer equipment	3 years
Furniture and fixtures	5 years
Heavy equipment	5 years
Other equipment	4 years
Residential buildings	25 years
Roads	40 years
Underground networks	40 years
Vehicles	3 years

**SAPOTAWEYAK CREE NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2024**

---

**1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**g) Revenue recognition**

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

**h) Provision for site rehabilitation**

The Environmental Protection Act sets out the regulatory requirements to properly close and maintain active and inactive landfill sites. Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. A liability is recognized beginning when the landfill first accepts waste to the date the landfill stops accepting waste. The liability for closure and post-closure care is recognized as the site capacity is used and is equal to a proportion of the estimated total expenditure required for closure and post-closure care. The estimated total expenditure represents the sum of discounted cash flows associated with closure and post-closure care considering current technology, the length of the post-closure care period and current environmental regulations. Expenditures that relate to an existing condition cause by past operations, and which do not contribute to future revenue generation, are expensed in the current year.

No liability has been recorded as of March 31, 2024 as funding from government agencies will offset any costs associated with the closure of landfill sites.

**i) Employee future benefits**

The First Nation's employee future benefit programs consist of defined contribution pension plans. The First Nation's contributions to the defined contribution plans are expensed as incurred.

**j) Measurement uncertainty**

In preparing the consolidated financial statements for Sapotaweyak Cree Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include the allowance for doubtful accounts and the estimated life of tangible capital assets. Actual results could differ from these estimates.

**SAPOTAWEYAK CREE NATION**  
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED MARCH 31, 2024**

---

**2) CASH AND CASH EQUIVALENTS**

Under the terms of an agreement with Canada Mortgage and Housing Corporation, Sapotaweyak Cree Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by fund are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Replacement Reserve Fund. Cash and cash equivalents is comprised of the following:

	<b>2024</b>	<b>2023</b>
<b>Externally restricted</b>		
CMHC - Replacement Reserve	\$ 366,503	373,676
<b>Internally restricted</b>		
Unexpended funding	11,143,473	5,704,927
<b>Unrestricted</b>	613,147	(119,881)
<b>Total cash and cash equivalents</b>	<b>\$ 12,123,123</b>	<b>5,958,722</b>

Staff development	613,677	735,642
Supplies and services	25,019,075	28,931,450
Travel	2,858,430	2,174,830
	<u><b>\$ 56,972,847</b></u>	<u><b>\$ 51,665,563</b></u>

## 12) CONTINGENT LIABILITY - SOCIAL SERVICES FUNDING

ISC has identified the following funding recoveries totalling \$265,155 related to the social services program:

- Basic Needs (2014 Social Compliance Review) 265,155

ISC has withheld social services funding owed to the First Nation totalling \$94,083 from the 2012-13 and 2013-14 fiscal years, that has not been recorded as a receivable by the First Nation. This withheld funding may be applied against the basic needs funding recoveries above in the event of repayment. Until such time as the terms of repayment have been established and a mutual agreement is reached, the First Nation is disclosing these recoveries as contingent liabilities.

## 13) COMMITMENTS

The First Nation has entered into agreements with Manitoba Liquor and Lotteries with respect to the Video Lotto Terminals (VLT) in use at Club SAPP and The Loonie Bin Gaming Lounge. The First Nation is committed to combined weekly payments of \$3,241 (\$168,532 annually) for the use of the VLTs.

## 14) COMPARATIVE FIGURES

Comparative figures have been provided where practicable in the Schedules of Revenue and Expenditures. Certain comparative figures have been reclassified to conform to the current year's method of presentation.
