## McDowell Lake First Nation Management's Responsibility for Financial Reporting

---

To the Members of  
McDowell Lake First Nation

*Management's Responsibility for the Consolidated Financial Statements*

The accompanying consolidated financial statements of McDowell Lake First Nation for the year ended March 31, 2021 are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council meet periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, BDO Canada LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of McDowell Lake First Nation and meet when required.

## Independent Auditor's Report

---

To the Members of  
McDowell Lake First Nation

### Qualified Opinion

We have audited the consolidated financial statements of the McDowell Lake First Nation (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2021, and the consolidated statements of operations, changes in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2021, and its results of operations, its change in net financial assets, and its cash flows for the year then ended in accordance with Canadian Public Sector Accounting Standards.

### Basis for Qualified Opinion

We were not able to observe the counting of physical inventories at March 31, 2021 nor were we able to satisfy ourselves concerning those inventory quantities by alternative means. Since closing inventories enter into the determination of the results of operations and cash flows, we were unable to determine whether adjustments to expenses, annual surplus and cash flows from operations for the year ended March 31, 2021, inventory and accumulated surplus as at March 31, 2021 might be necessary.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

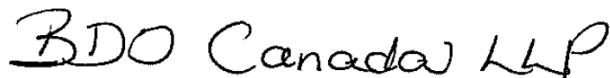

## Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## McDowell Lake First Nation Summary of Significant Accounting Policies

March 31, 2021

---

General	McDowell Lake First Nation (the "First Nation") is a local government whose primary objective is to provide a variety of services to its members.
Basis of Preparation	The consolidated financial statements of the First Nation are the representations of management. They have been prepared in accordance with generally accepted accounting principles for local governments as prescribed by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as recommended by Indigenous Services Canada.
Reporting Entity	<p>The reporting entity includes the First Nation and all entities that are controlled by the First Nation. All controlled entities are consolidated according to the First Nation's percentage ownership except for entities that meet the definition of a government business enterprise or a government business partnership, which are included in the consolidated financial statements on a modified equity basis.</p> <p>Under the modified equity method of accounting, only the First Nation's investment in the entity and the First Nation's portion of the entity's net income and other changes in equity are recorded. No adjustment is made for inter-organizational balances and transactions are not eliminated.</p>
	<p>Magnus James Enterprises LP and Magnus James Enterprises Inc. are the only government business enterprises reflected in the consolidated financial statements.</p>
Portfolio Investments	Portfolio investments are investments that do not form part of the government reporting entity and are recorded at cost. When there is a loss in value that is other than temporary, the investment is written down to recognize the loss.
Short Term Investments	Temporary investments are recorded at cost, unless the market value has declined below cost, in which case they are written down to market value. Investment income earned is reported as revenue in the period earned.

---

## McDowell Lake First Nation Summary of Significant Accounting Policies

March 31, 2021

---

Capital Assets	<p>Tangible capital assets are recorded at cost less accumulated amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installment costs, design and engineering fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:</p> <table border="1" style="width: 100%; border-collapse: collapse;"><thead><tr><th style="text-align: left;">Asset</th><th style="text-align: left;">Basis</th><th style="text-align: right;">Rate</th></tr></thead><tbody><tr><td>Buildings</td><td>Straight-line</td><td style="text-align: right;">40 years</td></tr><tr><td>Equipment</td><td>Straight-line</td><td style="text-align: right;">5 and 25 years</td></tr><tr><td>Docks</td><td>Straight-line</td><td style="text-align: right;">15 years</td></tr><tr><td>Boats and motors</td><td>Straight-line</td><td style="text-align: right;">15 years</td></tr><tr><td>Leaseholds</td><td>Straight-line</td><td style="text-align: right;">10 years</td></tr></tbody></table>			Asset	Basis	Rate	Buildings	Straight-line	40 years	Equipment	Straight-line	5 and 25 years	Docks	Straight-line	15 years	Boats and motors	Straight-line	15 years	Leaseholds	Straight-line	10 years
Asset	Basis	Rate																			
Buildings	Straight-line	40 years																			
Equipment	Straight-line	5 and 25 years																			
Docks	Straight-line	15 years																			
Boats and motors	Straight-line	15 years																			
Leaseholds	Straight-line	10 years																			
Revenue Recognition	<p>Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.</p> <p>Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.</p> <p>Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purposes.</p>																				
Use of Estimates	<p>The preparation of consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities at the date of the consolidated financial statements, and the reported amounts of certain revenues and expenses during the reported period. Actual results could differ from those estimated.</p>																				
Pension Plan	<p>The First Nation maintains a defined contribution pension plan for its personnel. Expenses for this plan are equal to the First Nations required contribution for the year.</p>

### 8. Segmented Information - continued

McDowell Lake First Nation is a diversified local government that provides a wide range of services to its citizens and members, including administration, education, community and economic development and health services.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Operations and maintenance fee allocations have been made to each building based on a percentage of overall maintenance costs. Administrative fees, based on a percentage of revenues, have been allocated to programs where permitted by the funder.

#### Administration

Administration is comprised of the administration and finance department. This department performs a management and administrative role by holding Council Meetings to administer the delivery of programs and services and to help develop a strategy for the future.

#### Education

Education includes the activities of the Sioux Lookout Area Aboriginal Management Board ("SLAAMB") program and other educational activities that enhance the educational development of community members.

#### Community and Economic Development

Community and economic development includes governance activities, land use planning initiatives and environmental planning to improve the economic and social well-being of community members.

#### Health

The First Nation health programs provide health awareness and prevention and assistance programs for community members.

---

### 9. Budget

The program budgets approved by Chief and Council were not prepared on a basis consistent with that used to report actual financial statement results (Public Sector Accounting Standards). The budgets were prepared on a modified accrual basis while Public Sector Accounting Standards require a full accrual basis. The budgets expensed all capital expenditures rather than including amortization expense. As well, the budget approved by Chief and Council was not prepared on a consolidated basis and does not include all of the activities of the First Nation. As a result, budget figures are only presented where available.

12. Commitments

The First Nation is committed to a three year lease with a related party for premises at \$4,600 a month expiring January 2024.

The First Nation is committed to a two year lease for premises at \$2,200 a month plus HST expiring April 2022.

---

13. Defined Contribution Pension Plan

The expense for the First Nation's pension plan for the year was \$12,771 (2020 - \$6,654). The plan is funded equally by the organization and the First Nation's employees at rates of 5% of the employee's salary.

---

14. COVID-19

During the year, the impact of COVID-19 in Canada and on the global economy increased significantly.

The restrictions put in place by Canadian, provincial, municipal and First Nation communities regarding travel and social distancing has impacted the delivery of programs administered by the organization most of which are considered essential services. Indigenous Services Canada has approved the carry-forward of unexpended funding from March 31, 2020 for fixed, flex and set funding. One time funding has also been approved to assist with the additional costs associated with PPE for the safety of its employees and patrons.

The situation continues to be dynamic and the ultimate duration and magnitude of these events, as well as their financial impact on the First Nation's 2021/2022 operations is not fully known at this time.
