**Hatchet Lake Denesuline Nation**  
**Management's Responsibility for Financial Reporting**  
*March 31, 2022*

To the Members of Hatchet Lake Denesuline Nation:

The accompanying consolidated financial statements of Hatchet Lake Denesuline Nation are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Chief and Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

Chief and Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Chalupiak & Associates CPA Professional Corporation, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Hatchet Lake Denesuline Nation and meet when required.

On behalf of Hatchet Lake Denesuline Nation:

## **Independent Auditors' Report**

To the Members of  
**Hatchet Lake Denesuline Nation**

### ***Opinion***

We have audited the consolidated financial statements of Hatchet Lake Denesuline Nation, which comprise the consolidated statement of financial position as at March 31, 2022, and the consolidated statements of operations, accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Denesuline Nation as at March 31, 2022, and the results of its consolidated operations, its consolidated accumulated surplus, its changes in its consolidated net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards (PSAB).

### ***Basis for Opinion***

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Denesuline Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### ***Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Denesuline Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Denesuline Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Denesuline Nation's financial reporting process.

## ***Auditors' Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Denesuline Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Denesuline Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Denesuline Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.
- ◆ Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the financial statements

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**1. Operations**

The Hatchet Lake Denesuline Nation (the "Denesuline Nation") is located in the province of Saskatchewan and provides various services to its members. These financial statements include Hatchet Lake Denesuline Nation's government and all related entities that are accountable to the Denesuline Nation and are either owned or controlled by the Denesuline Nation.

The office of the Denesuline Nation is physically located on Lac la Hache I.R. 220 and their mailing address is P.O. Box 183, Wollaston Lake, Saskatchewan, S0J 3C0, Canada.

**2. Basis of presentation and significant accounting policies**

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board.

**(a) Reporting entity**

The Hatchet Lake Denesuline Nation reporting entity includes the Hatchet Lake Denesuline Nation government and all related entities that are controlled by the Denesuline Nation.

**(b) Principles of consolidation**

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of government business enterprise, which are included in the consolidated Statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Hatchet Lake Denesuline Nation's investment in the government business enterprise and the enterprise's net income (loss) and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Hatchet Lake Denesuline Nation.

Organizations accounted for on a modified equity basis include:

Hatchet Lake Denesuline First Nation Economic Development Corporation;  
Hatchet Lake Development Limited Partnership;  
Waterfound Development Limited Partnership; and,  
Waterfound Development Corporation.

**(c) Asset classification**

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or to finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale.

**(d) Net financial assets**

The financial statements are presented so as to highlight the net financial assets as the measurement of financial position. The financial assets are determined by its financial assets less liabilities. Net financial assets do not include non-financial assets.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**2. Basis of presentation and significant accounting policies, continued**

**(e) Other economic interests**

The Denesuline Nation does not share in the control or the profit or loss of the following entities. As a result, the financial statements of the following entities have not been consolidated or proportionately consolidated with the financial statements of the Hatchet Lake Denesuline Nation.

The Denesuline Nation is a member of the Prince Albert Grand Council (PAGC Management Co. Ltd. or "PAGC"). The PAGC is an organization of twelve Nations. The PAGC is mandated to enhance the services provided to the member Nations.

The Denesuline Nation is a member of the Yuthe Dene Sekwi Chu L A Koe Betsedi Inc. (Athabasca Denesuline Child and Family Services Inc. or "ADCFS"). ADCFS is an organization of three Nations. The mandate of ADCFS is to provide child and family protection and prevention services on reserve to the three member Nations.

The Denesuline Nation is a member of the Athabasca Enterprise Region Corporation ("AERC"; previously Athabasca Economic Development and Training Corporation). The AERC is an organization of three Nations and four municipalities. The AERC is mandated to maximize economic capacity and achieve business competitiveness for the region.

The Denesuline Nation is a member of the Athabasca Denesuline Education Authority ("ADEA"). ADEA is an organization representing the three Denesuline Nation Bands in the Athabasca Region of Saskatchewan, Canada. ADEA is mandated to provide all educational services from Pre-Kindergarten to Grade 12 for communities and schools.

**(f) Liability for contaminated site**

A liability for remediation of a contaminated site is recognized at the best estimate of the amounts required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Denesuline Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2022. No contaminated sites have been identified as at March 31, 2022.

**(g) Cash**

Cash includes balances with banks (net of bank overdrafts) which are used to facilitate day to day operations.

**(h) Restricted cash**

Restricted cash consists of cash and cash equivalents held for specific purposes as defined by various agreements.

**2. Basis of presentation and significant accounting policies, continued**

**(i) Trust funds held by federal government**

Funds earned and held in trust on behalf of Denesuline Nation members by the Government of Canada. Trust moneys consist of:

- Capital Trust moneys derived from non-renewable resources transactions on the sale of land or other Denesuline Nation capital assets; and,
- Revenue Trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Revenues from Trust moneys are recognized when measurable, earned and collection is reasonably assured. These moneys are reported on by the Government of Canada.

**(j) Capital assets**

Capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Hatchet Lake Denesuline Nation's incremental cost of borrowing.

Amortization is provided for on a straight-line basis over their estimated useful lives.

Buildings	10-25 years Straight line
Vehicles	3-10 years Straight line
Computer equipment	2-5 years Straight line
Heavy equipment	5-10 years Straight line
Equipment and furnishings	5 years Straight line
Infrastructure	25-40 years Straight line
Band housing	25 years Straight line
CMHC housing	25 years Straight line
Major renovations	10 years Straight line

Capital assets are written down when conditions indicate that they no longer contribute to Hatchet Lake Denesuline Nation's ability to provide goods and services, or when the value of future economic benefits associated with the capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**2. Basis of presentation and significant accounting policies, continued**

**(k) Revenue recognition**

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

**(l) Financial instruments**

The Denesuline Nation recognizes its financial instruments when the Denesuline Nation becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value. The Denesuline Nation subsequently measures all financial instruments at cost. Transaction costs are added to the carrying amount for those financial instruments subsequently measured at cost.

Financial instruments includes cash, restricted cash, accounts receivable, accounts payable and accrued liabilities.

**(m) Internal charges and transfers**

The administration office provides services to other program areas. To recognize the cost of these services, some funding agreements allow for a percentage of revenue to be allocated to cover these expenses. At the discretion of the Denesuline Nation, a corresponding revenue and expense may be recorded and referred to as "Administration fees - internal allocation."

**(n) Use of estimates**

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of capital assets.

**(o) Segment accounting**

The Denesuline Nation conducts its business through reportable segments. These operating segments are established by senior management to facilitate the achievement of the Denesuline Nation's long-term objectives, aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenues and expenses represent both amounts that are directly attributed to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**3. Cash**

Cash is comprised of the following:

**Unrestricted cash:** Bank accounts used to facilitate day to day normal operations.

**Restricted cash:** Bank accounts that are restricted to a specific purpose as per the terms of an existing agreement. In some cases, these accounts are controlled by a project manager.

**Restricted cash - CMHC:** Under the terms of an agreement with Canada Mortgage and Housing Corporation, Hatchet Lake Denesuline Nation must set aside funds annually for the repair, maintenance and replacement of worn out assets. These funds are to be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as otherwise approved by the Canada Mortgage and Housing Corporation with any interest earned to be credited as revenue to the Replacement Reserve Fund and the Operating Reserve Fund.

**Trust funds held by federal government:** Revenues generated from land leases and/or head leases of reserve land are held in trust by the federal government for the benefit of the Hatchet Lake Denesuline Nation.

**4. Trust funds held by federal government**

The Trust funds held by federal government arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the office of the Auditor General of Canada. The management of these funds are primarily governed by the Sections 63 to 69 of the Indian Act.

**7. Investments in government business enterprises**

Commercial enterprises are those organizations that meet the definition of government business enterprises as described by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. Government business enterprises have the power to contract in their own name, have the financial and operating authority to carry on a business, sell goods and services to customers outside the Denesuline Nation's government as their principal activity, and that can, in the normal course of their operations, maintain operations and meet liabilities from revenues received from outside the Denesuline Nation government.

**9. Bank indebtedness**

Bank indebtedness includes balances and cheques issued in excess of deposits and approved operating lines of credit.

The Denesuline Nation has operating lines of credit with the Canadian Imperial Bank of Commerce (CIBC) authorized to \$385,000 on four accounts of the Denesuline Nation at an interest rate of prime plus 1%. Any amounts overdrawn in excess of the approved lines of credit are charged interest at a rate of 21%. The operating lines are secured by a general security agreement on all property and Band Council Resolution directing all present and future funding to CIBC for deposit to the Nation's various accounts.

- Housing: \$50,000
- General: \$210,000
- Social: \$100,000
- Health: \$25,000

As of March 31, 2022 the Denesuline Nation had drawn on the lines of credit as follows:

**General account** - \$nil (2021 - \$nil);

**Social account** - \$nil (2021 - \$nil and had issued cheques in excess of deposits totalling \$97,022);

**Housing** - \$nil (2021 - \$nil); and,

**Health account** - \$nil (2021 - \$nil).

**11. Deferred revenue - unexpended funds - ISC**

Indigenous Services Canada (ISC) funding agreements stipulate the terms and conditions that apply to situations where revenue received exceeds expenditures. Depending on the funding arrangement, the unexpended funds may be retained by the recipient, repaid to ISC, deferred to the following year, or transferred to another ISC program area. Any funding arrangements that have a provision that allows the recipient to retain the excess funds are recorded as surpluses. All other excess funds are recorded as a liability and classified as "Deferred revenue - unexpended funds - ISC" on the financial statements.

Operating deficit	(1,877,741)	(1,661,243)
	<u>\$ 80,382,239</u>	<u>\$ 65,469,635</u>

Capital assets represents the net book value of capital assets less any long-term debt taken out to acquire the capital assets that will be used to provide future services.

Investments in government business enterprises represent amounts not readily available for operations as the investments are not likely to be liquidated within the next year.

CMHC replacement reserve is the amount required to be funded for future major repairs, as per agreements with CMHC.

Trust funds held by federal government are monies held by the federal government for use by the Denesuline Nation for specific purposes.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**20. ISC contributions**

	2022	2021
ISC revenue per agreement - ISC	\$ 26,820,425	\$ 25,148,868

MT - Admin 2018/2019	(8,390)	-
	<u>\$ 26,805,463</u>	<u>\$ 25,148,868</u>

**21. CMHC Operating Agreement**

It is a requirement of the CMHC operating agreements that operating and replacement reserves be established and monies be set aside in separate bank accounts. On March 31, 2022 the reserve accounts were fully funded (2021 - fully funded).

**22. Payments made on behalf of HLDN paid directly by PAGC**

Prince Albert Grand Council (PAGC) pays expenses directly on behalf of the Hatchet Lake Denesuline Nation (HLDN). These transactions are not recorded in detail in the records of HLDN. Payments are made to PAGC on a periodic basis and some revenue allocations are applied against the amount owing to PAGC. In the current year, PAGC paid \$118,173 on behalf of HLDN (2021 - \$55,826).

**23. Related party transactions**

Transactions with related parties are in the normal course of business and are for fair consideration that is mutually agreed upon by the related parties; amounts are unsecured, non-interest bearing and have no fixed repayment schedules.

**24. Employee benefit obligations**

**Vacation and overtime**

The vacation and overtime liability is comprised of the vacation and overtime that employees are deferring to future years. Employees have either earned the benefits or are entitled to these benefits within the next budgetary year. There is no liability for vacation or overtime reported in these financial statements.

**Post-employment benefits**

Hatchet Lake Denesuline Nation does not provide extended health, dental and life insurance benefits to retired employees and therefore has no obligations with regards to post employment benefits.

**Pension plan**

Hatchet Lake Denesuline Nation provides a defined contribution plan for eligible members of its staff. Members are required to contribute 3.0% to 7.0% of their basic salary; Hatchet Lake Denesuline Nation contributes a matching portion which is directed to the member's contribution account. Hatchet Lake Denesuline Nation does not have any other obligations with regards to the pension plan as at March 31, 2022.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**25. Contingent liabilities**

Hatchet Lake Denesuline Nation has the following contingent liabilities:

- a) Hatchet Lake Denesuline Nation has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the Denesuline Nation fails to comply with the terms and conditions of the agreements.
- b) In addition, in the normal course of its operations, Hatchet Lake Denesuline Nation becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on Hatchet Lake Denesuline Nation's financial statements.
- c) Hatchet Lake Denesuline Nation is contingently liable for \$700,000 of a loan issued to Yuthe Dene Sekwi Chu L A Koe Betsedi Inc. for the construction of the group home. The loan balance outstanding as of March 31, 2022 was \$1,652,390. The loan bears interest at 4.84%, monthly payments of \$20,979 of combined principle and interest and matures February 1, 2030.
- d) Hatchet Lake Denesuline Nation (HLDN) and Hatchet Lake Development LP (HLDLP) are in a shared credit facility arrangement with CIBC, in which both entities are held as security for loans in their name as well as those in the name of the other entity. The assets of HLDN are held as part of the security on the HLDLP revolving line of credit which had a balance of \$nil (March 31, 2021 - \$nil) and the term loans of approximately \$1,010,788 (2021 - \$1,627,748).

**26. Denesuline Ne Ne Land Corp.**

The Denesuline Nation is party to a government partnership operating as a non-profit corporation (Denesuline Ne Ne Land Corp.) with two other First Nations. The government partnership has not been reported in these financial statements on a proportionate basis as a result of the First Nations not agreeing to an allocation of the potential settlement payout, and as a result the 'ownership' of the government partnership.

**27. Subsequent events**

In January 2023, the loan for teacherages held with the First Nations Bank was paid in full 18 months before it was set to mature. The principle balance as of January 1, 2023 was \$206,250.

**28. Economic dependence**

Hatchet Lake Denesuline Nation receives a substantial amount of its funding from Indigenous Services Canada ("ISC"). The ability of the Denesuline Nation to continue operations is dependent upon the Government of Canada's continued financial commitments.

**29. Fair value**

The fair value of the financial assets (except the investments), and current liabilities approximates their carrying value due to their short term nature. It is not practical to determine fair value for the investments with sufficient reliability because of the limited market for them. The fair value of the Denesuline Nation's long-term debt approximates cost due to either the short-term nature (either to term or to renewal) or has interest floating at market rates.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**30. Interest rate risk**

The Denesuline Nation is not exposed to significant interest rate risk on its monetary assets and current liabilities, due to their short term maturity. The Denesuline Nation is exposed to interest rate price risk on its long-term debt.

**31. Budgeted figures**

Budgeted figures are unaudited and have been provided for comparison purposes and derived from the estimates approved by Hatchet Lake Denesuline Nation.

**32. Comparative figures**

Comparative figures have been reclassified, where applicable, to conform to current year's presentation.

**33. Expenses by object**

**34. Segmented information**

As previously discussed in note 2(o) the Denesuline Nation conducts its business through reportable segments as follows:

**Community Infrastructure:**

Costs to acquire, construct, operate and maintain basic community facilities and services such as water and sewage, roads, electrification, schools, community buildings and fire protection. Also, costs associated with ensuring that these facilities and community services meet recognized standards and are comparable to the services provided to nearby communities by provincial and municipal governments.

**Economic Development:**

Costs associated with economic development planning, proposal development, and planning and implementation of ongoing activities and one-time projects. Also, costs to pursue economic objectives in areas such as the employment of community members, the development of community-owned and community member businesses, the development of land and resources under community control, access to economic opportunities on land and resources beyond community control, investment promotion, and research and advocacy.

**34. Segmented information, continued**

**Education:**

Costs to support First Nation and Inuit communities in expressing, preserving, developing and promoting their cultural heritage, through the establishment and operation of First Nation and Inuit cultural education centres and programs. Costs to provide eligible students living on reserve and eligible Inuit with elementary/secondary education programs and services including instructional services in federal, provincial, band-operated schools, or a private/independent school (recognized by the province in which the school is located as an elementary/secondary institution), and student support services such as transportation, accommodation, guidance and counselling services. Costs associated with ISC's First Nations and Inuit Youth Employment Strategy to develop and enhance essential employability skills, such as communication, problem solving, and working with others, expose youth to a variety of career options, and promote the benefits of education as being key to labor market participation. Also, costs to support eligible First Nation and Inuit students to access education opportunities at the post-secondary level and supports the development and delivery of college and university level courses for First Nation and Inuit students, and research and development on First Nation and Inuit education. Costs for the provision of special education services and programs and costs to provide internet access, information technology equipment, technical support and training to students and school staff.

**Indigenous Government Support:**

Costs to support the further development of competent, stable, legitimate, and accountable community governments by strengthening First Nations and Inuit governance and by funding initiatives which address needs in the areas of professional and institutional development at the local level and at the level of emerging regional and national organizations. Also, costs to enable tribal councils to provide advisory services such as financial management, band government, economic development, community planning, technical services to the member First Nations and to defray the costs of administering programs on behalf of member communities and to provide funding for equivalent advisory services to large First Nations which are not affiliated with a tribal council.

**Land Management:**

Costs associated to the administration of land transactions on designated and non-designated lands under sections 53 and 60 of the Indian Act.

**Social Services:**

First Nations people, like other Canadian citizens, are responsible for managing their own affairs and maintaining themselves to the extent that their resources permit. Some individuals and families are unable to provide for themselves and their dependents. Situations therefore exist in which assistance must be available to community members in need. Income Assistance is one type of income supplement available to eligible persons. Other income supports include Old Age Security, Child Tax Benefits, etc.

**Registration and Membership:**

Costs associated with the maintenance of the Indian Register, a record of everyone who is registered as an Indian under the Indian Act.

**Governance and Institutions of Governance:**

Costs associated with Governance and Institution of Government activities.

**Health Services:**

Reports on costs associated with the development of safe and healthy communities.

**Hatchet Lake Denesuline Nation**  
**Notes to Consolidated Financial Statements**  
*March 31, 2022*

**34. Segmented information, continued**

**Canada Mortgage and Housing Corporation (CMHC):**

Non-Profit On-Reserve Housing Program (Section 95); Residential Rehabilitation Assistance Program (RRAP); Home Adaptations for Seniors' Independence Program (HASI); Shelter Enhancement Program; Housing Internship Initiative for First Nations and Inuit Youth.

**Other Band Programs:**

Other programs that vary based on own source revenue. These could include First Nations Trust, Tribal Council, CDC, Band Trust Funds and other business ventures. These outside revenue sources are used to fund programs such as recreational or cultural activities for the benefit of membership that are not funded by government agencies.
