**INDEPENDENT AUDITOR'S REPORT**

---

To the Members of Shoal Lake Cree Nation

We have audited the accompanying consolidated financial statements of Shoal Lake Cree Nation, which comprise the consolidated statement of financial position as at March 31, 2014 and the consolidated statements of operations, change in net debt and cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Shoal Lake Cree Nation as at March 31, 2014 and the results of its operations and its cash flow for the year then ended in accordance with Canadian public sector accounting standards.

## **Management's Responsibility for the Consolidated Financial Statements**

The accompanying consolidated financial statements of Shoal Lake Cree Nation are the responsibility of management and have been approved by the First Nation's Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The First Nation's Council is responsible for ensuring that management fulfills its responsibility for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The First Nation's Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and external auditor's report.

The external auditors, NeuPath Group Chartered Accountants P.C. Inc., conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Shoal Lake Cree Nation and meet when required.

On behalf of Shoal Lake Cree Nation:

**SHOAL LAKE CREE NATION**  
**Notes to Consolidated Financial Statements**  
**Year Ended March 31, 2014**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting**

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

**Reporting entity**

The Shoal Lake Cree Nation reporting entity includes the Shoal Lake Cree Nation government and all related entities that are controlled by the First Nation.

**Principles of Consolidation**

All controlled entities are fully consolidated on a line by line basis except for the commercial enterprises which meet the definition of a government business enterprise, which are included in the Consolidated Financial Statements on a modified equity basis. Interorganizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only Shoal Lake Cree Nation's Investment in the government business enterprise and the enterprise's net income and other change in equity are recorded. No adjustments is made for accounting policies of the enterprise that are different from those of Shoal Lake Cree Nation.

There are no entities included through the consolidation method in these financial statements.

Organizations accounted for on a modified equity basis include:

Prince Albert Development Corporation	8.33%
Prince Albert First Nations Business Development LP	8.33%
Eastern Sector Community Development Corporation	33.33%
Eastern Sector Community Development LP	33.33%

**Cash Resources**

Cash resources include cash on hand and bank balances.

**Restricted Cash**

Restricted cash consists of funds held in the CMHC replacement reserve and operating reserve bank accounts and the funds managed by a project manager. The project manager is responsible for the completion of the capital projects and the CMHC replacement and operating reserves are used to pay eligible expenditures of the CMHC housing units.

**Trust Funds Held by Federal Government**

Funds held in trust on behalf of First Nation members by the Government of Canada in the Ottawa Trust Fund consist of:

- a) capital trust monies derived from non-renewable resource transactions on the sale of land or other First Nation capital assets; and
- b) revenue trust monies generated primarily through land leasing transactions or interest earned on deposits held in trust.

*(continues)*

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Revenues from trust monies are recognized when measurable, earned and collection is reasonably assured. These monies are reported on by the Government of Canada.

**Portfolio Investments**

Portfolio investments consist of investments held by the First Nation in separate legal entities over which the First Nation does not have the ability to exercise control. Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss that is other than a temporary decline. Entities included in portfolio investments are as follows:

Nipawin Biomass Ethanol New Generation Co-operative Ltd.

**Tangible Capital Assets**

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a declining balance basis over the expected useful life of the assets as reported in the table that follows. Assets under construction are not amortized.

Automotive equipment	30%
Furniture and equipment	20%
Schools	10%
Commercial buildings	10%
Firetruck	10%
Pipeline, water, sanitation and drainage	5%
Roadways	5%
Housing	4%

Tangible capital assets are written down when conditions indicate that they no longer contribute to Shoal Lake Cree Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

**Revenue Recognition**

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the balance sheet in the year of receipt.

Rental revenue is recognized over the rental term. Other revenues are earned from other services provided by the First Nation and are recognized when the service has been provided.

(continues)

**SHOAL LAKE CREE NATION**  
**Notes to Consolidated Financial Statements**  
**Year Ended March 31, 2014**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)***

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Measurement uncertainty

In preparing the consolidated financial statements for Shoal Lake Cree Nation, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the period. Items requiring the use of significant estimates include allowance for doubtful accounts and amortization. Actual results could differ from these estimates.

*(continues)*

**SHOAL LAKE CREE NATION**  
**Notes to Consolidated Financial Statements**  
**Year Ended March 31, 2014**

---

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** *(continued)*

Basis of segmentation

The First Nation has adopted the Public Sector Accounting Board's recommendations requiring financial information to be provided on a segmented basis. Services have been segmented by grouping activities that have similar service objectives (by function). Revenues that are directly related to the costs of the function have been attributed to each segment.

The segments (functions) are as follows:

**Social Services:** The social services segment is comprised of adult care, home care, day care, headstart, basic needs, special needs, social administration and the National Child Benefit program.

**Band Government:** The band government segment provides for the administration of the First Nation.

**Public Works:** The public works segment provides for the delivery of water, collecting and treating of wastewater, collection and disposal of solid waste, maintenance of community buildings and roads, fire protection and fire suppression.

**Education:** The education segment provides for the delivery of educational services, student transportation services, maintenance of teacherages, and post secondary support.

**Housing:** The housing segment provides for the maintenance of band-owned housing as well as houses operated under the Section 95 Social Housing CMHC Program.

**Health:** The health segment delivers health services including prevention projects, medical transportation, mental health, solvent abuse, prenatal nutrition and oral health, among others.

**Economic Development:** The economic development segment delivers services aimed at stimulating economic development.

**Other Programs:** The other programs segment includes investment income earned from government business enterprises, income earned from trust funds held by the federal government, and the delivery of assistance and community services from the utilization of First Nations Trust gaming revenues.

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets and prepaid expenses.

Net debt

The First Nation's financial statements are presented so as to highlight net debt as the measurement of financial position. The net debt of the First Nation is determined by its financial assets less its liabilities. Accumulated surplus is comprised of two components, financial assets and non-financial assets.

*(continues)*

**1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)****Recent accounting pronouncements - Financial Instruments**

In June 2011, the Public Sector Accounting Board (PSAB) issued PS 3450 Financial Instruments to establish standards for recognition, measurement, presentation and disclosure of financial assets, financial liabilities and non-financial derivatives. As a result of issuance of PS 3450, there have been numerous consequential amendments made to other Sections. PS 3450 is effective for fiscal years beginning on or after April 1, 2016. Earlier adoption is permitted.

PS 3450 is applied prospectively in the fiscal year of initial adoption; therefore, financial instruments of prior periods, including comparative information, are not restated. The First Nation has not yet determined the effect of these new standards on its consolidated financial statements.

**SHOAL LAKE CREE NATION**  
**Notes to Consolidated Financial Statements**  
**Year Ended March 31, 2014**

**10. LONG TERM DEBT (continued)**

Scotiabank loan bearing interest at 5.19% per annum, repayable in monthly blended payments of \$1,255. The loan matures on March 1, 2017 and is guaranteed by Government of Canada.

	41,690	54,257
	<b>\$ 3,939,579</b>	<b>\$ 4,378,683</b>

Principal repayment terms are approximately:

2015	\$ 462,620
2016	486,206
2017	511,139
2018	342,308
2019	204,352
Thereafter	1,932,954
	<b><u>\$ 3,939,579</u></b>

**11. CONTINGENT LIABILITY**

During the year AANDC performed a compliance review on the First Nation's Income Assistance program. This review has identified amounts that may not be in compliance with AANDC's policies, resulting in a potential recovery of approximately \$455,000 relating to the 2013-14 fiscal year. The First Nation is in discussions with AANDC to allow it to provide additional evidence of compliance in order to reduce the potential recovery amount. Any recovery by AANDC will be recognized as an expense in the year the final recovery amount is confirmed.

These financial statements are subject to review by the First Nation's funding agents. It is possible that adjustments to funding amounts could be made based on the results of their reviews. Such adjustments will be recognized in the year the adjustment is made.

**12. ACCUMULATED SURPLUS**

	2014	2013
Invested in tangible capital assets	\$ 11,093,471	\$ 10,497,307
CMHC reserves	651,702	662,929
Invested in government business enterprises	1,683,421	1,907,063
Operating deficit	(1,140,678)	(1,779,845)
	<b>\$ 12,287,916</b>	<b>\$ 11,287,454</b>

Under agreements with Canada Mortgage and Housing Corporation (CMHC) the First Nation has established a replacement reserve of \$508,870 (2013 - \$502,282) to ensure replacement of capital equipment and for major repairs to CMHC housing units. An operating reserve of \$142,832 (2013 - \$160,648) has also been established for housing units under the post 1997 Fixed Subsidy Program which requires surpluses to be deposited to an operating reserve bank account to offset future operating losses. At March 31, 2014 \$486,243 (2013 - \$414,037) has been set aside to fund these two reserves.

**SHOAL LAKE CREE NATION**  
**Notes to Consolidated Financial Statements**

**Year Ended March 31, 2014**

**13. INCOME FROM INVESTMENT IN GOVERNMENT BUSINESS ENTERPRISES**

	2014	2013
Share of earnings - PADC	\$ 1,553	\$ 1,454
Share of earnings - PAFNBDLP	195,601	166,532
Share of earnings - ESCDC	(469)	(435)
Share of earnings - ESCDLP	(327)	(300)
	<b>\$ 196,358</b>	<b>\$ 167,251</b>

**14. ECONOMIC DEPENDENCE**

The First Nation receives a significant portion of its revenues from Aboriginal Affairs and Northern Development Canada (AANDC) as a result of treaties entered into with the Government of Canada. These treaties are administered by AANDC under the terms and conditions of the Indian Act. The ability of the First Nation to continue operations is dependent upon the Government of Canada's continued financial commitments as guaranteed by these treaties.

**15. BUDGET AMOUNTS**

The First Nation's management prepares all the budget amounts disclosed in the consolidated financial statements. These amounts are presented for information purposes and have not been audited.

**16. EXPENDITURE BY OBJECT**

	2014	2013
Wages and benefits	\$ 2,450,140	\$ 2,517,384
Assistance, community events, donations, grants	2,066,774	1,969,589
Amortization	816,593	1,065,066
