Management's Responsibility

To the Members of Wahpeton Dakota Nation:

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Wahpeton Dakota Nation Council are responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for the appointment of the Dakota Nation's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by the Chief and Council to audit the consolidated financial statements and report directly to the Members; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Executive Director

Independent Auditor's Report

To the Members of Wahpeton Dakota Nation:

Opinion

We have audited the consolidated financial statements of Wahpeton Dakota Nation (the "Dakota Nation"), which comprise the consolidated statement of financial position as at March 31, 2019, and the consolidated statements of operations and accumulated surplus, changes in net financial assets, and cash flows, and the related schedules for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Dakota Nation as at March 31, 2019, and the results of its consolidated operations, its consolidated changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Dakota Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Chief and Council for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Dakota Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Dakota Nation or to cease operations, or has no realistic alternative but to do so.

Chief and Council are responsible for overseeing the Dakota Nation's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Independent Auditor's Report

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Dakota Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Dakota Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Dakota Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Dakota Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Wahpeton Dakota Nation

Notes to the Consolidated Financial Statements

For the year ended March 31, 2019

1. Operations

The Wahpeton Dakota Nation (the "Dakota Nation") is located in the province of Saskatchewan, and provides various services to its members. Wahpeton Dakota Nation includes the Dakota Nation government and all related entities that are accountable to the Dakota Nation and are controlled by the Dakota Nation.

2. Change in accounting policy

Effective April 1, 2018, the Dakota Nation adopted the recommendations relating to the following Section, as set out in the CPA Canada Public Sector Accounting Handbook:

- PS 3430 *Restructuring Transactions*

Pursuant to the recommendations, the changes were applied prospectively, and prior periods have not been restated. There was no material impact on the consolidated financial statements of adopting the new Section.

3. Significant accounting policies

These financial statements are the representations of management, prepared in accordance with Canadian public sector accounting standards and include the following significant accounting policies:

Reporting entity

The consolidated financial statements consolidate the financial activities of all entities and departments comprising the Dakota Nation reporting entity, except for Dakota Nation business entities. Trusts administered on behalf of third parties by Wahpeton Dakota Nation are excluded from the Dakota Nation reporting entity.

The Dakota Nation has consolidated the assets, liabilities, revenue and expenses of the following entities and departments:

- Wahpeton Dakota Nation General;
- Wahpeton Dakota Nation Enterprises, including Tatanka Store; and,
- Wahpeton Dakota Nation Housing Program.

All inter-entity balances have been eliminated on consolidation; however, transactions between departments have not been eliminated in order to present the results of operations for each specific department.

Investments in Dakota Nation business entities are accounted for using the modified equity method. The Dakota Nation's investment equity of the First Nation business entities have been reported as a long-term investment. Investments accounted for by the modified equity method:

- Wahpeton Dakota Developments LP; and,
- Wahpeton Dakota Developments Ltd.

Other economic interests

The Dakota Nation does not either share in the control or the profit or loss of the following entities. As a result, the financial statements of the following entities have not been consolidated or proportionately consolidated with the financial statements of the Wahpeton Dakota Nation.

- The Dakota Nation is a member of the Prince Albert Grand Council (PADC Management Co. Ltd. or "PAGC"). The PAGC is an organization of twelve Nations. The PAGC is mandated to enhance the services provided to the member Nations.
- The Dakota Nation is a member of the QBOW Child and Family Services Inc. ("QBOW"). QBOW is an organization of five Nations. The mandate of QBOW is to provide child and family protection and prevention services on-reserve to the five member Nations.

3. Significant accounting policies *(Continued from previous page)*

Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not normally provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale in the normal course of operations. Non-financial assets include tangible capital assets, inventories of supplies and prepaid expenses.

Use of estimates

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Provisions are made for slow moving and obsolete inventory. Amortization is based on the estimated useful lives of tangible capital assets. Liabilities for contaminated sites are estimated based on the best information available regarding potentially contaminated sites that the Dakota Nation is responsible for.

These estimates are reviewed periodically and, as adjustments become necessary, they are reported in income in the periods in which they become known.

Cash and cash equivalents

Cash and cash equivalent include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Inventory

Inventory is valued at the lower of cost and net realizable value. Cost is determined by the first-in, first-out method. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and selling costs.

Funds held in Ottawa Trust Fund

Trust monies consist of funds held in trust on behalf of Dakota Nation members by the Government of Canada. Trust monies consist of:

- Capital trust moneys derived from non-renewable resource transactions on the sale of land or other Dakota Nation tangible capital assets; and,
- Revenue trust moneys generated primarily through land leasing transactions or interest earned on deposits held in trust.

Revenues for the trust moneys are recognized when measurable, earned, and collected. These moneys are reported on by the Government of Canada.

Tangible capital assets

Tangible capital assets are initially recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost of the tangible capital assets are amortized over their expected useful life using the following rates and methods:

Wahpeton Dakota Nation
Notes to the Consolidated Financial Statements
For the year ended March 31, 2019

3. Significant accounting policies *(Continued from previous page)*

Amortization

Tangible capital assets are amortized annually using the following methods at rates intended to amortize the cost of the assets over their estimated useful lives:

	Method	Rate
Buildings	straight-line	20-40 years
Equipment	straight-line	5-10 years
Community infrastructure	straight-line	40 years
Housing	straight-line	25 years

Revenue recognition

Non-government funding

Non-government funding is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under funding arrangements that relate to a subsequent fiscal period are reflected as deferred revenue on the statement of financial position in the year of receipt.

Government Transfers

The Dakota Nation recognizes a government transfer as revenue when the transfer is authorized and all eligibility criteria, if any, have been met. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recognized as a liability. In such circumstances, the Dakota Nation recognizes revenue as the liability is settled. Transfers of non-depreciable assets are recognized in revenue when received or receivable.

Other revenue

Rental revenue is recognized over the rental term and when collection is reasonably assured. Revenues from retail sales are recognized upon completion of the sale transaction and the customer takes possession of the merchandise. Investment and interest income are recognized when earned. Other revenue is recognized when services have been provided, all significant contractual obligations have been satisfied and collectability is reasonably assured.

Segments

The Dakota Nation conducts its business through eight reportable segments: Education and Post Secondary, Community Infrastructure, Daycare / Headstart, Administration / Economic Development, Health, Social Assistance, Housing and Enterprise. These operating segments are established by senior management to facilitate the achievement of the Dakota Nation's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. Administration fees have been apportioned based on a percentage of budgeted revenue, where permitted by the funder.

The accounting policies used in these segments are consistent with those followed in the preparation of the financial statements as disclosed in Note 3 the *Significant accounting policies*.

3. Significant accounting policies *(Continued from previous page)*

Liability for contaminated site

A liability for remediation of a contaminated site is recognized at the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Dakota Nation is either directly responsible or accepts responsibility, it is expected that future economic benefits will be given up, and a reasonable estimate of the amount is determinable. The best estimate of the liability includes all costs directly attributable to remediation activities and is reduced by expected net recoveries based on information available at March 31, 2019.

At each financial reporting date, the Dakota Nation reviews the carrying amount of the liability. Any revisions required to the amount previously recognized is accounted for in the period revisions are made. The Dakota Nation continues to recognize the liability until it is settled or otherwise extinguished. Disbursements made to settle the liability are deducted from the reported liability when they are made.

No provision for contaminated sites has been reported in these consolidated financial statements.

4. Restricted cash

The Dakota Nation has \$542,733 (2018 - \$959,890) of cash received from Indigenous Services Canada to fund major capital projects. Externally restricted revenue related to the government transfer has been deferred to the subsequent period in which the restricted cash is expended on eligible expenditures.

BCR#1-18/19 - Related expenditures reported in Program expense in Schedule 6.

9. Restricted cash

Under agreements with Canada Mortgage and Housing Corporation (CMHC) the Dakota Nation established the following:

- Replacement reserve, established by an annual allocation as per the various operating agreements, to ensure replacement of buildings financed by CMHC. At March 31, 2019, \$18,158 (2018 - \$77,221) has been set aside to fund this reserve. The unfunded portion at March 31, 2019 was \$302,305 (2018 - \$242,267).
- An operating reserve established by retaining surplus operating funds for the Fixed Subsidy program. Reserve funds may be used to supplement future operational losses incurred by maintaining older housing units. At March 31, 2019 \$1,919 (2018 - \$50,207) has been set aside to fund this reserve. The unfunded portion at March 31, 2019 was \$122,187 (2018 - \$70,116).

In accordance with terms of the agreements, CMHC reserve moneys must be held or invested only in accounts or instruments guaranteed by the Canada Deposit Insurance Corporation, or as otherwise approved by CMHC. Reserve withdrawals are credited first to interest and then to principal.

13. Long-term debt *(Continued from previous page)*

Principal repayments on long-term debt in each of the next five years, assuming all term debt is subject to contractual terms of repayment and long-term debt subject to refinancing is renewed, are estimated as follows:

2020	245,629
2021	235,607
2022	245,660
2023	211,463
2024	148,773

14. Tangible capital assets

The tangible capital assets reconciliation is included in Schedule 1.

Tangible capital assets include 19 housing units disclosed at a nominal amount as the age of the housing units resulted in fully amortized assets at the time of tangible capital asset adoption.

The Dakota Nation holds some works of art and historical treasures, which have not been included in tangible capital assets due to the inability of estimating future benefits associated with such property.

Construction in progress includes major capital infrastructure projects and buildings. No amortization of these assets has been recorded during the year because they are currently under construction or still in the planning stage. Construction in progress amounted to \$679,201 at March 31, 2019 (2018 - \$144,233).

15. Accumulated surplus *(Continued from previous page)*

The unrestricted operating deficit represents amounts available to offset future operational revenue requirements (future revenue required for past operational activities).

The equity in tangible capital assets represent accumulated surplus amounts not available for operations, but rather past transactions creating capital assets that will be used to provide future services.

The equity in CMHC reserves are replacement and operating reserves required to be funded for future housing replacements, as per agreements with CMHC.

The equity in business investments represent amounts not readily available for operations as the investments are not likely to be liquidated within the next year.

The equity in Ottawa Trust Funds represent amount not readily available for operation as they are held in trust are only accessible through Council BCR.

16. Budget information

The disclosed budget information has been approved by the Chief and Council of the Wahpeton Dakota Nation on June 4, 2018.

The disclosed budget is required to be presented on the same basis as the actual results. The Dakota Nation has not budgeted for amortization, housing rental operations, retail store operations, and earnings from Dakota Nation business entities. Also, the Dakota Nation's budgeted deficit of \$11,957 has been adjusted for budgeted loan payments of \$168,238 to report a budgeted surplus of \$156,281.

19. Economic dependence

Wahpeton Dakota Nation receives substantially all of its revenue from Indigenous Services Canada (ISC) as a result of funding agreements entered into with the Government of Canada. These agreements are administered by ISC under the terms and conditions of the Indian Act. The Dakota Nation also receives significant funding through contribution agreements with First Nations and Inuit Health Branch of Health Canada. The ability of the Dakota Nation to continue operations is dependent upon funding from these bodies.

20. Comparative figures

Certain comparative figures have been reclassified to conform with current year's presentation.

21. Compliance with authorities

The Dakota Nation is required to make its consolidated financial statements publicly available and submit its consolidated financial statements to ISC by July 29, 2019. As the audit report is dated after July 29, 2019, the Dakota Nation is in breach of this requirement. The possible effect of this breach has not yet been determined.

These consolidated financial statements are subject to review by the Dakota Nation's funding agents. It is possible that adjustments could be made based on the results of their reviews.
