Independent Auditor's Report

To the Chief and Council of Pelican Lake First Nation

We have audited the accompanying consolidated financial statements of Pelican Lake First Nation, which comprise the consolidated statement of financial position as at March 31, 2017 and the consolidated statements of operations, changes in net debt and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's responsibility for the consolidated financial statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

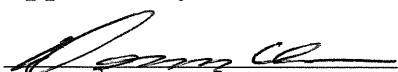

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Pelican Lake First Nation as at March 31, 2017 and the results of its operations, changes in its net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Pelican Lake First Nation

Notes to Consolidated Financial Statements

March 31, 2017

1 Summary of significant accounting policies

a) Basis of accounting

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

b) Reporting entity

The Pelican Lake First Nation reporting entity includes the Pelican Lake First Nation government and all related entities that are controlled by the Pelican Lake First Nation (the “First Nation”).

c) Principles of consolidation

All controlled entities are fully consolidated on a line-by-line basis except for the commercial enterprises which meet the definition of a government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Under the modified equity method of accounting, only the First Nation’s investment in the government business enterprise and the enterprise’s net income (or net loss) and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of the First Nation.

Organizations consolidated in the First Nation’s financial statements include Pelican Lake Business Ventures Inc. (operating as Pelican Lake Store) and Pelican Lake Mall. Organizations accounted for on a modified equity basis include the following:

- A.C. Forestry Ltd.;
- A.C. Realty Ltd.;
- Chitek Lake Indian Development Company;
- Horizon Interiors Limited Partnership;
- Junor Farms Ltd.;
- PL Electrical and Mechanical Ltd.;
- Pelican Lake Energy Corp.;
- Pelican Lake Outfitters Ltd.;
- Pelican Lake Wild Rice Ltd.; and
- Spruce Creek Bison Ranch Ltd.

The year-end of the Pelican Lake Store is October 31 and these consolidated financial statements include the results of operations for the 12 months ended October 31, 2016. There were no significant unusual transactions or changes to operations subsequent to that date requiring adjustment in these consolidated financial statements. Refer to note 8 for details of debt of the Pelican Lake Store.

Pelican Lake First Nation

Notes to Consolidated Financial Statements

March 31, 2017

The balance owing to the First Nation from the Pelican Lake Store is caused by the difference between the year-end dates at the First Nation (March 31) and the Pelican Lake Store (October 31). Related party transactions and advances of funds from the First Nation to the Pelican Lake Store during the 5-month period from October 31, 2016 to March 31, 2017 have not been eliminated. The balance of these transactions for the 5-month period is \$460,450 and is included in accounts payable and accrued liabilities as at March 31, 2017.

d) Cash and bank overdrafts

Cash includes cash on hand and balances with banks. Bank overdrafts are presented as a liability on the consolidated statement of financial position and are considered a component of net cash for purposes of the consolidated statement of cash flows.

e) Inventories for resale

Inventories for resale consists of supplies and goods available for resale at Pelican Lake Store and the Pelican Lake Mall and are recorded at the lower of cost and net realizable value.

f) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset. Amortization is provided for on a straight-line basis over the estimated useful lives of the assets as follows:

Infrastructure	40 years
Buildings and improvements	10 years
Equipment	5 years

Tangible capital assets are written down when conditions indicate that they no longer contribute to the First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

g) Revenue recognition

Revenue are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to

Pelican Lake First Nation

Notes to Consolidated Financial Statements

a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed placed on their use by the contributor, and are recognized as revenue when used for specific purpose.

h) Measurement uncertainty

The preparation of the consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities, at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the year. Items requiring the use of significant estimates include the useful lives of tangible capital assets and the recoverability of accounts receivable. Actual amounts could differ from these estimates

6 Investments in government business enterprises

The First Nation has ownership interests in several government business enterprises, which are listed in paragraph c) of note 1. Pelican Lake Energy Corp. is in the business of energy and resource development. During a prior year, funds were advanced to Pelican Lake Energy Corp. by the First Nation to acquire mineral lease rights, which represent the value of the First Nation's investment. During the year ended March 31, 2016 financing was obtained by Pelican Lake Energy Corp. to fund the previous acquisition of the mineral rights. The mineral rights are included in "Tangible capital assets" in the condensed financial information on the next page.

The First Nation has 100% ownership of Pelican Lake Energy Corp. and PL Electrical and Mechanical Ltd. As of March 31, 2017, these government business enterprises have borrowed funds from the First Nations Bank of Canada of \$400,000 (2016 – \$500,000) and \$112,000 (2016 – \$140,000), respectively. The loans bear interest monthly at 4.55% with principal payments of \$32,000 required quarterly until April 1, 2021. The First Nation has provided full guarantees on these debts by way of a general security agreement, unlimited guarantees of advances and borrowings, access to on-reserve assets and redirection of First Nations Trust gaming distributions.

The First Nation has an ownership interest of 49.95% in the corporate entities which are the limited and general partners of Horizon Interiors Limited Partnership ("Horizon"). At March 31, 2017, Horizon has total available debt of \$600,000 consisting of a) letter of credit of \$100,000 maximum (bearing interest at 9.50% and due on demand); b) mortgage of \$425,000 maximum (bearing interest at 6.50% and due in monthly payments of \$5,000); c) equipment loan with maximum limit of \$56,504 (bearing interest at 9.5% and due in monthly instalments of \$1,600); and d) loan with maximum limit of \$75,000 (bearing interest at 9.50% and due on demand). The debt is secured by a general security agreement, a specific security agreement over inventory and accounts receivable and a first and second interest in certain real property. At March 31, 2017 there were no amounts drawn on the letter of credit, \$317,821 was drawn on the mortgage, \$56,504 was drawn on the equipment loan and \$69,808 was drawn on the loan for a total of \$444,133.

The First Nation has an ownership interest of 33.33% in A.C. Forestry Ltd. and A.C. Realty Ltd. As at March 31, 2017, A.C. Forestry Ltd., has total available debt of \$1,685,000, in the form of a demand loan. The First Nation has provided a guarantee and postponement of claim to the leader in support of the financing to A.C. Forestry Ltd. for the full amount of the financing. The demand loan bears interest at prime plus 3.55% and is repayable in bi-weekly principal and interest instalments of \$16,536.

Note that the First Nations Bank of Canada store loan balance (\$1,677,485) reported as of October 31, 2016 as per note 1c). The balance outstanding as of March 31, 2017 is \$2,083,686.

The security features of all long-term debt are BCRs. Additionally, for the First Nations Bank of Canada loans, the First Nation has issued a general security agreement representing a third charge on all of the First Nation's assets and has also provided security in the form of a redirection at 100% of the First Nations Trust gaming distributions to the First Nations Bank of Canada to support loan repayment and access to on-reserve assets to pay out the loan in full.

Principal amounts due over the next five years, assuming that mortgages are renewed at terms and rates similar to those existing at March 31, 2017, are estimated to be as follows:

	\$
2017	578,000
2018	591,000
2019	604,000
2020	503,000
2021	471,000

Interest expense on long-term debt for the year ended March 31, 2017 was \$210,202 (2016 – \$182,651).

9 Employee future benefits

The First Nation provides defined contribution plans for eligible members of its staff. Members of the plans are required to contribute 3% to 5% of their salary, and the First Nation matches the employees' contributions. The First Nation contributed \$186,819 during the year ended March 31, 2017 (2016 – \$190,656), which is recognized as an expense in the consolidated statement of operations. The First Nation does not have any other obligations with regard to the defined contribution plans as at March 31, 2017.

10 Contingent liabilities

The First Nation has entered into contribution agreements with various federal government departments. Funding received under these contribution agreements is subject to repayment if the First Nation fails to comply with the terms and conditions of the agreements.

In addition, in the normal course of operations, the First Nation becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded.

The First Nation is liable for any environmental obligations related to the future decommissioning of the gasoline facilities at the Pelican Lake Store. No provision has been made for environmental remediation liabilities associated with the Pelican Lake Store. Although it is probable that a liability has been incurred as of March 31, 2017, the amount of the obligation cannot be reliably estimated.

18 Segment disclosure

The First Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by department. The segments of the First Nation and the services provided by each are as follows:

- Education – includes education instruction, post-secondary, operation and maintenance of education buildings, special education and student transportation.
- Social services – provides daycare, social assistance, homecare, headstart and membership support.
- Community infrastructure – responsible for roads, electrical services, sewer, water, fire protection and maintenance of community buildings.
- Housing and capital projects – responsible for construction and maintenance of housing, including CMHC, as well as larger maintenance projects that are non-recurring in nature and require capital funding.
- Band government – handles the finances and administration of the First Nation, including support and central services to Chief and Council and all other departments.
- Health – responsible for the delivery of health programs and services with an emphasis on health education, prevention programs, addictions, mental health, community health and early childhood programs.
- Economic development and other programs – includes the Pelican Lake Mall and Store, flour program, community economic development, capacity development management, First Nations Trust and youth work experience.

For each segment separately reported, the segment revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the Summary of Significant Accounting Policies.
