Management's Responsibility for Financial Reporting

March 31, 2022

The accompanying consolidated financial statements of Enoch Cree Nation are the responsibility of management and have been approved by Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditors' report.

The external auditors, Crowe MacKay LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Enoch Cree Nation and meet when required.

On behalf of Enoch Cree Nation :

Independent Auditors' Report

**To the Members of
Enoch Cree Nation**

Opinion

We have audited the consolidated financial statements of Enoch Cree Nation, which comprise the consolidated statement of financial position as at March 31, 2022, and the consolidated statements of operations and accumulated surplus, change in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2022, and the results of its consolidated operations, its changes in its consolidated net debt, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. Enoch Cree Nation Business Trust (December 31, 2021)
12. Enoch Health Services Inc. (March 31, 2022)

(b) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Income from investments is recorded on the accrual basis.

Band funds are recognized in the period in which the transactions or events occurred that gave rise to the funds.

Other income is recognized when earned and collection is reasonably assured.

(c) Cash and cash equivalents

Cash and cash equivalents include cash on hand and short-term investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, net of bank overdrafts.

Enoch Cree Nation

Notes to Consolidated Financial Statements

1. Basis of Presentation and Significant Accounting Policies (continued)

(d) Investments

Portfolio investments in the Enoch Cree Nation Settlement Trust Funds are carried at market. Other investments are carried at the lower of cost and net realizable value. Investments are written down where there has been a loss in value that is other than a temporary decline.

(e) Inventory

Inventory is valued at the lower of cost or net realizable value. Cost is determined using the first-in first-out method.

(f) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the tangible capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Enoch Cree Nation's incremental cost of borrowing.

Amortization is provided for on a declining balance and straight-line basis over their estimated useful lives as follows:

Buildings	5%
Equipment	20-30%
Assets under construction	0%
Leasehold improvements are amortized over the term of the lease.	

Tangible capital assets are written down when conditions indicate that they no longer contribute to Enoch Cree Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets, including recognized interest in reserve lands and natural resources, as well as assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

1. Basis of Presentation and Significant Accounting Policies (continued)

(g) Financial instruments

All significant financial assets, financial liabilities and equity instruments of the entity are either recognized or disclosed in the financial statements together with other information relevant for making a reasonable assessment of credit risk, liquidity risk and market risk.

(h) Use of estimates and COVID-19 measurement uncertainty

In preparing these financial statements, management made estimates and judgments including consideration for the uncertainties and economic implications of the COVID-19 pandemic on the Enoch Cree Nation operations, financial performance and financial position for the year ended March 31, 2022. The uncertainty surrounding the COVID-19 pandemic could generate, in future reporting periods, a significant risk of material adjustment to the carrying amounts in the financial statements. Estimates not associated with the COVID-19 pandemic are reviewed periodically, and as adjustments become necessary, they are reported in earnings in the period in which they become known.

Oil and gas royalties and surface rights payments related to oil and gas exploration and development activities are administered directly by the Government of Canada ("Canada") under the provisions of the Indian Oil and Gas Act. The Nation records receipts based on currently available information supplied by Canada. Royalty payments from oil and gas producers are subject to periodic revision. Adjustments are recorded by the Nation in the period that the information becomes available.

At the date of publication of these financial statements, it is not possible to reliably estimate the length and severity of the COVID-19 pandemic developments and its potential impact on the First Nations financial results, conditions and cash flows.

2. COVID-19 Pandemic

The breadth and depth of the pandemic and its impact on the economy is still evolving and includes past, current and future measures taken by authorities in many jurisdictions including, at their most extreme, restrictions, closures and shutdowns. Future developments of the pandemic and its impact on the economy are uncertain and include new information on vaccination rates and efficacies, disease immunity and the recurrence of significant waves of infection.

In response, Enoch Cree Nation received from Indigenous Services Canada, \$17,397,085 (2021 - \$11,574,723) in additional funding to assist with implementation of public health measures, income assistance initiatives, costs related to reopening as well as flexible funding through the Indigenous Community Support Fund. Enoch Cree Nation also pursued government assistance programs, receiving \$1,082,085 (2021 - \$2,355,104) under the Canada Emergency Wage Subsidy program and \$Nil (2021 - \$73,110) under Canada Emergency Commercial Rent Assistance. The Government of Canada provided \$Nil (2021 - \$676,996) of interest relief through First Nations Finance Authority.

Enoch Cree Nation agreed to forgive rent on certain properties for six months during the the 2022 fiscal year (2021 - twelve months) in order to provide relief to tenants. This resulted in a decrease to net income and cashflow from operations of \$348,450 (2021 - \$637,150).

The impact of the COVID-19 pandemic including its duration may result in additional uncertainties, risks and complexities in management's determination of the estimates and assumptions used to prepare the Company's financial results.

3. Cash

Included in cash is \$471,528 (2021 - \$901,958) held in a Secured Revenues Trust Account (SRTA) by First Nations Finance Authority, as described in Note 15.

Cash also includes an operating line of credit to a maximum of \$1,600,000, which bears interest at prime plus 1.0% and is secured by Government funding. As at March 31, 2022, the Enoch Cree Nation has drawn \$nil (2021 - \$nil) of the operating line.

Cash also includes a CMHC replacement reserve balance of \$115,425 (2021 - \$120,474), which is restricted.

4. Accounts receivable

Accounts receivable include amounts due from the following:

The trust funds accounts held in Ottawa arise from monies derived from capital and revenue sources which the Crown considers are described in Section 62 of the Indian Act. These funds are held in trust by the Government of Canada and the Crown treats these funds as primarily governed by section 64 and 69 of the Indian Act.

These funds are treated by Canada as held in trust in the Consolidated Revenue fund of the Government of Canada. The funds attract interest pursuant to Section 61(2) of the Indian Act.

6. Restricted Investment - Yekau Lake Trust

In 2008, Enoch Cree Nation submitted the Yekau Lake Practice Bombing Range Specific Claim, pursuant to the Specific Claims Tribunal Act, alleging that when the Department of Indian Affairs and Northern Development leased an area of Enoch Reserve Land to the Department of Transport in March 1942 for use as a practice bombing range, it did not follow specific provisions of the Indian Act.

On September 16, 2011, Canada accepted the Yekau Lake Practice Bombing Range claim for negotiation. Enoch Cree Nation and Canada reached a settlement agreement in January 2020. Under the agreement, the First Nation was awarded \$91,000,000 from Canada. \$90,813,324 was received net of previous advances.

Pursuant to the settlement claim with Canada, Enoch Cree Nation created Yekau Lake Trust to administer, manage and hold in trust the awarded funds from the Yekau Lake Practice Bombing Range claim. The Trustees of the Yekau Lake Trust are required to hold the Trust Property in trust to be used for the specific purposes outlined in the Yekau Lake Trust agreement.

As at March 31, 2022, the investment in Yekau Lake Trust consisted of cash of \$15,895,106 (2021 - \$55,851,183) and portfolio investments with a carrying value of \$39,999,995 (2021 - \$Nil).

Minors Trust

Enoch Cree Nation is the Trustee for the Minor's Trust account. The Nation is not the beneficiary of the trust. Accordingly, the Minors Trust's net assets are not recorded as an asset of the Nation.

Per capita distributions due to the beneficiaries who were under the age of 18 at the record date are considered minors trust and are to be invested in secure investment funds as outlined in the Yekau Lake Trust agreement. Upon a beneficiary reaching the age of eighteen years the per capital distribution shall be distributed to the member not later than the last day of the following month, following the month in which the member attains the age of eighteen years. In addition to the initial per capital distribution amount, the Trustees shall pay such person the total of all income (less administrative costs) earned on such members initial per capital distribution and held in the minors trust, but not previously paid out to such member.

At March 31, 2022, the Minors Trust balance consisted of cash of \$11,709,531 (2021 - \$12,497,593).

7. Restricted Investments - Enoch Cree Nation Settlement Trust Funds

The Enoch Cree Nation Settlement Trust Funds are restricted investments and are recorded at market value.

The Chief and Council of the Enoch Cree Nation approved the Trust's investment policy on September 27, 2004, creating two portfolios for investments, as follows:

a) The Trust's short-term portfolios are invested in highly secure money market instruments with a minimum credit rating of "R-1 low". No single investment, other than federal or provincial issued instruments can exceed 5% of the portfolio. The primary objectives of the short-term portfolios are liquidity and security of capital. The funds are expected to be drawn down through spending within two to five years, since the purpose of these accounts is that the capital be put to work and invested within the community in long-term or permanent capital projects.

b) The Trust's long-term portfolios include the long-term portions of the Elders, Youth Development and Human Resources accounts. The primary objective of these portfolios are to achieve a long-term rate of return superior to those achieved solely from money market instruments and to do so at an acceptable level of risk. The fixed-income category of the portfolios shall be a minimum of 40% and a maximum of 65%. The equity category of the portfolios shall be a minimum of 35% and a maximum of 60% of the total portfolios. Investments rated "BBB" may be held within a pooled fund to a maximum of 20% of the pooled fund. All Trust equity instruments shall trade on a recognized Global stock exchange or market and preferred stocks will have an acceptable investment grade quality of P2. No single investment, other than federal or provincial instruments, can exceed 5% of the portfolio. No single equity holding can exceed 10% of the amount the Trust can hold in equity instruments.

The net assets of the Enoch Cree Nation Settlement Trust Funds at December 31, 2021 is \$20,676,154 (2020 - \$20,717,472), which includes cash of \$37,190 (2020 - \$235,946) and marketable securities of \$6,913,071 (2020 - \$6,684,787), loans receivable from Enoch entities of \$15,051,975 (2020 - \$14,398,237) and income allocation payable to Enoch entities of \$1,326,072 (2020 - \$1,573,216). The loans receivable from the Enoch related entities and the loans payable to the Enoch Cree Nation Settlement Trust as recorded by the Enoch related entities have been eliminated in these consolidated financial statements.

In addition, the accumulated loss recorded in the Enoch Cree Nation Investment Trust of \$1,618,090 (2020 - \$1,510,156) has been eliminated against the accumulated surplus of \$20,676,154 (2020 - \$20,717,472) in the Enoch Cree Nation Settlement Trust Funds resulting in a net accumulated surplus of \$19,058,064 (2020 - \$19,207,306).

15. Loan - First Nations Finance Authority

A) Financing with the First Nations Finance Authority (FNFA):

Enoch Cree Nation has entered into an agreement with the FNFA to borrow funds at an interest rate of 3.75%. The funds received has been advanced by the FNFA in anticipation of a bond issued by the FNFA. This interim financing will be replaced by this long term financing upon the issuance of such securities and the earlier of five years from the date of issuance of the interim financing or the completion by Enoch Cree Nation of the defined purpose included in the Borrowing Agreement.

The interim financing loans require monthly interest payments only and are paid from Secured Revenue sources other than ISC or Health Canada funding. These funds are specified in the Borrowing Law adopted by Enoch Cree Nation and are paid directly into a Secured Revenues Trust Account (SRTA), which is governed by a Secured Revenues Trust Management Agreement between Enoch Cree Nation, FNFA and Computershare.

The following amounts are withdrawn from the SRTA:

- 1) Monthly interest payments directly to the FNFA under the terms of the Borrowing Agreement and
- 2) The excess in the SRTA is paid to Enoch Cree Nation

\$8,487,660 of interim financing was issued in 2022. The interim financing is repayable on demand and bears interest at the rate of 1.75% to 2.40% per annum.

B) Debt Reserve Fund

Five percent of any funds borrowed from the FNFA are held by the Authority in a fund as security for payments for bond payments and interim financing providers. If at any time Enoch Cree Nation does not have sufficient funds to meet its obligations under the terms and conditions of the Borrowing Agreement the payments will be made from the Debt Reserve Fund

C) Debenture Financing

\$6,159,000 was rolled from interim financing to long term debenture financing in 2019. The debenture has a term of 20 years with amortization period of 30 years and interest rate of 3.65% per annum.

\$26,566,000 was rolled from interim financing to long term debenture financing in 2020. The debenture has a term of 20 years with amortization period of 30 years and interest rate of 2.72% per annum.

\$5,263,160 of long term debenture financing was issued in 2021. The debenture has a term of 10 years with amortization of 30 years and interest rate of 1.90% per annum.

\$165,419,980 was rolled from interim financing to long term debenture financing in 2022. The debenture has a term of 10 years with amortization of 30 years and interest rate of 3.06% per annum.

The Nation's inventory is subject to spoilage. The Nation provides an allowance for spoilage against the cost of the inventory. A charge to cost of sales is recorded in the year in which the spoilage occurs and any profit or loss from the subsequent sale is reflected in the gross margin at the time of sale.

Total inventory expensed to cost of goods sold during the year was \$27,499,989 (2021 - \$20,564,167).

20. Contingent Liabilities

a) Legal proceedings

Enoch Cree Nation has been named as defendant in certain legal proceedings. The Nation is actively defending all lawsuits. Since the amount of loss, if any, cannot be reasonably estimated, no provision has been recorded in these financial statements. Should a loss be incurred, it will be expensed in the year the liability is determined.

b) Government contributions

Government contributions related to projects of the Enoch Cree Nation are subject to conditions regarding the expenditure of funds. The Nation's accounting records, as well as those of agencies delegated to execute the projects, are subject to audit by the various funding agencies. Should any instances be identified in which the amounts charged to the projects are not in accordance with the agreed terms and conditions, amounts would be refundable to the respective funding agencies.

Adjustments to the financial statements as a result of these audits will be recorded in the year in which they become known.

21. Commitments

As at March 31, 2022 the Nation has undertaken housing construction projects which were in progress as at March 31, 2022 costs to complete the projects have been estimated at \$290,045.

22. Employment Retirement Plan

The Nation has a defined contribution plan for its employees. Participation in the pension plan is available to substantially all employees. Total employer contributions during the year were \$631,186 (2021 - \$526,460).

23. Comparative Amounts

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current year.

24. Budget Information

The budget information for the year ended March 31, 2022 is prepared by management, approved by Chief and Council and is unaudited. Amortization was not contemplated in the preparation of the budget.

26. Enoch Minors' Trust Funds

Enoch Cree Nation is the Trustee for the Enoch Minor's Trust account. The Nation is not the beneficiary of the trust. Accordingly, the Minor's Trust is not recorded as an asset of the Nation.

The Enoch Minors' Trust Account of \$197,683 (2021- \$759,544) arose from the per capita distribution of the Enoch Cree Nation - 1908 Settlement Trust Funds. The funds held in the trust account represents unpaid amounts to Enoch members who have not reached the age of eighteen. On the members' eighteenth birthday, they will receive the full entitlement of the per capita distribution plus interest earned to that date.

The investment consists of amounts held in trust by Peace Hills Trust which bear interest at 5.25% per annum. Amounts expected to be paid out to members who will reach the age of eighteen over the next fiscal year are kept in short term investments to ensure availability of funds for distribution. The remaining funds are invested in term deposits.

The final payment to be paid to minors is anticipated to be in 2023.

27. Financial Instruments

The Nation's financial instruments consist of cash, accounts receivable, long-term investments, trust funds, accounts payable and long term debt.

It is management's opinion that the Nation is not exposed to significant currency risk from its financial instruments. The Nation is subject to credit risk with respect to accounts receivable. Credit risk arises from the possibility that the entities may experience financial difficulty and be unable to fulfill their obligations.

The Nation is exposed to liquidity risk with respect to its accounts payable and long term debt. The Nation minimizes this risk by monitoring cash flows and the terms and conditions negotiated with trade creditors and lenders.

The Nation is exposed to interest rate risk with respect to its fixed rate long term debt as the fair value of the debt fluctuates as market rates of interest change. The cash flows resulting from variable rate financial instruments fluctuate as interest rates applicable to the instruments change. The Nation does not employ derivative financial instruments to hedge its exposure to interest rate risk.

The Nation is also exposed to other price risk with respect to certain of its Trust Funds invested in securities.

As a result of COVID-19 (see note 2), these risks remain unchanged from the prior year. The Enoch Cree Nation cannot predict changes in these risks or the impact on operating results. Such changes related to the COVID-19 pandemic, could have a material effect in the Enoch Cree Nation's operations and financial condition.

28. CMHC Replacement Reserve

Under the terms of the agreement with Canada Mortgage and Housing Corporation, a replacement reserve account is to be credited annually with an agreed amount. These funds, along with accumulated interest, must be held in a separate bank account, and invested in accounts or instruments insured by the Canada Deposit Insurance Corporation, or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal. The reserve fund balance at March 31, 2022 was underfunded by \$583,359 (2021- \$407,909).

29. Segmented information

The Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by function. The segment revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of Significant Accounts Policies as described in Note 1.
