## Driftpile First Nation

### **Management's Responsibility for Financial Reporting**

March 31, 2017

The accompanying consolidated financial statements of Driftpile First Nation are the responsibility of management and have been approved by the Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

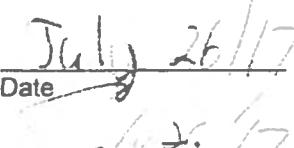

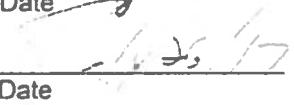

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Crowe MacKay LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Driftpile First Nation and meet when required.

On behalf of Driftpile First Nation:

**To the Members of  
Driftpile First Nation**

We have audited the accompanying consolidated financial statements of Driftpile First Nation, which comprise the consolidated statement of financial position as at March 31, 2017, and the consolidated statements of operations and accumulated surplus, change in net financial assets (debt), cash flows and the related schedules for the year then ended, and a summary of significant accounting policies and other explanatory information.

***Management's Responsibility for the Consolidated Financial Statements***

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

***Auditors' Responsibility***

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the First Nation's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Driftpile First Nation as at March 31, 2017, and the results of its operations, the changes in its net financial assets (debt) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of Driftpile First Nation taken as a whole. The supplementary information included on the schedules on pages 22 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

## Driftpile First Nation

### Notes to Consolidated Financial Statements

---

March 31, 2017

---

#### 1. Basis of Presentation and Significant Accounting Policies

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Professional Accountants.

##### (a) Reporting entity principles of financial reporting

The Driftpile First Nation reporting entity includes the Driftpile First Nation government and all related entities that are accountable to the First Nation and are either owned or controlled by the Driftpile First Nation.

First Nation business enterprises, that are owned or controlled by the Driftpile First Nation Council and that are not dependent on the First Nation for their continuing operations, are included in the financial statements using the modified equity method, in accordance with the Public Sector Accounting recommendations.

Under the modified equity method, the equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform with those of the First Nation. Thus, the First Nation's investment in these enterprises is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses. Enterprises accounted for by the modified equity basis includes the following:

1. Driftpile First Nation Enterprises Inc.

All inter-entity balances have been eliminated on consolidation.

##### (b) Cash

Cash consists of funds held with financial institutions, and cheques issued in excess of funds held on deposit.

---

## Driftpile First Nation

### Notes to Consolidated Financial Statements

---

March 31, 2017

---

#### (c) Capital assets

Capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Leases that transfer substantially all the benefits and risks of ownership to the lessee are recorded as capital leases. Accordingly, at the inception of the leases, the capital asset and related lease obligations are recorded at an amount equal to the present value of future lease payments discounted at the lower of the interest rate inherent in the lease contracts and Driftpile First Nation's incremental cost of borrowing.

Amortization is provided on the straight-line basis over the estimated useful life of the asset as follows:

Buildings	10-40 years straight line
Automotive equipment	5 years straight line
Equipment	5 years straight line

Capital assets are written down when conditions indicate that they no longer contribute to Driftpile First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded as revenue at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

#### (d) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

---

---

**(e) Financial instruments**

All significant financial assets, financial liabilities and equity instruments of the entity are either recognized or disclosed in the financial statements, together with other information relevant for making a reasonable assessment of future cash flows, interest rate risk and credit risk.

**(f) Use of estimates**

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

**(g) Investments**

The investment in Driftpile First Nation Enterprises Inc. is recorded using the modified equity method of accounting. All other investments are recorded at cost.

**2. Cash**

## Driftpile First Nation

### Notes to Consolidated Financial Statements

March 31, 2017

#### 6. Cash held in trust

During the year, the Nation received a complete and full payout of the balance held in trust under an amended agreement with the corresponding third party.

#### 7. Ottawa Trust Funds

The Ottawa Trust Funds include funds held by the Government of Canada for the use and benefit of the Driftpile First Nation. These funds are accounted for as received and the release of such funds is subject to Ministerial approval.

	March 31, 2016	Income	Withdrawals	March 31, 2017
Ottawa funds held in trust - Capital	\$ 1,055,578	\$ -	\$ -	\$ 1,055,578
Ottawa funds held in trust - Revenue	86,595	38,043	(116,960)	7,678
	\$ 1,142,173	\$ 38,043	\$ (116,960)	\$ 1,063,256

The trust fund accounts held in Ottawa arise from monies derived from capital and revenue sources which the Crown considers are described in Section 62 of the Indian Act. These funds are held in trust by the Government of Canada and the Crown treats these funds as primarily governed by sections 64 and 69 of the Indian Act.

These funds are treated by Canada as held in trust in the Consolidated Revenue fund of the Government of Canada. The funds attract interest pursuant to Section 61(2) of the Indian Act.

#### 8. Accounts payable and accrued liabilities

	2017	2016
Trade payables	\$ 972,658	\$ 586,368
Accrued liabilities	104,530	105,905
	\$ 1,077,188	\$ 692,273

#### 9. Deferred Revenue

Deferred revenue represents funds received that will be recognized as revenue in the next fiscal year, when the related expenses are incurred, or when the terms of the funding have been fulfilled.

	March 31, 2016	Funding received	Revenue recognized	March 31, 2017

## Driftpile First Nation

### Notes to Consolidated Financial Statements

March 31, 2017

#### 12. CMHC Replacement Reserve

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the First Nation is required to provide a replacement reserve. This reserve is to ensure replacement of buildings financed by Canada Mortgage and Housing Corporation. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by Canada Deposit Insurance Corporation, or as may otherwise be approved by Canada Mortgage and Housing Corporation. Withdrawals are to be credited to interest first and then to the principal. At the year-end date the reserve is under funded by \$35,695 (2016 - \$27,160).

#### 13. Accumulated surplus

	2017	2016
Operating Fund	\$ (142,796)	\$ (739,763)
Enterprise Funds - Driftpile Entities	1,995,839	1,475,614
Capital Asset Fund	28,015,552	27,685,514
Investment Fund	5,838	5,838
Trust Funds	1,063,256	1,270,736
Settlement Fund	108,283	750,308
	<b>\$ 31,045,972</b>	<b>\$ 30,448,247</b>

#### 14. Contingent liabilities

Government contributions related to the projects of the organization are subject to conditions regarding the expenditure of funds. The organization's accounting records are subject to audit by the various funding agencies. Should any instances be identified in which the amounts charged to projects are not in accordance with the agreed terms and conditions, amounts would be refundable to the respective funding agencies. Adjustments to the financial statements as a result of these audits will be recorded in the period in which they become known.

#### 15. Economic Dependence

Driftpile First Nation receives a significant portion of its revenue pursuant to a funding agreement with Indigenous and Northern Affairs Canada and Health Canada.

#### 16. Employment retirement plan

Driftpile First Nation has a defined contribution plan for its employees. Participation in the pension plan is available to substantially all employees. Employees may contribute between 1.95% and 6.9% of their gross pay, with the Nation making a matching contribution to the plan. Any voluntary amounts paid by the employee are not matched. Total employer contributions for 2017 were \$50,128 (2016 - \$48,223)

#### 17. Budget

Budgeted figures are unaudited and have been provided by management and have been approved by Chief and Council.
