## Frog Lake First Nation

### **Management's Responsibility for Financial Reporting**

---

**March 31, 2023**

---

The accompanying consolidated financial statements of Frog Lake First Nation are the responsibility of management and have been approved by Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada and as such include amounts that are the best estimates and judgments of management.

Management is responsible for the integrity and objectivity of these statements and for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The Council meets periodically with management, as well as the external auditors, to discuss internal controls over the financial reporting process, auditing matters and financial reporting issues, to satisfy themselves that each party is properly discharging their responsibilities, and to review the consolidated financial statements and the external auditor's report.

The external auditors, Crowe MacKay LLP, conduct an independent examination, in accordance with Canadian auditing standards, and express their opinion on the consolidated financial statements. The external auditors have full and free access to financial management of Frog Lake First Nation and meet when required.

On behalf of Frog Lake First Nation:

## **Independent Auditors' Report**

### **To the Members of Frog Lake First Nation**

#### *Qualified Opinion*

We have audited the consolidated financial statements of Frog Lake First Nation, which comprise the consolidated statement of financial position as at March 31, 2023, and the consolidated statements of operations and accumulated surplus, change in net financial assets and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2023, and the results of its consolidated operations, its changes in its consolidated net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### *Basis for Qualified Opinion*

As discussed in Note 13 to the consolidated financial statements, asset retirement obligations have not been estimated and recorded on the consolidated statement of financial position both as at April 1, 2022, the transition date when these standards first applied and as at the year-end March 31, 2023. Management believes that the cost of any future material obligation will be offset by a funding agency. The Nation's capital assets represent a significant amount of the assets of the consolidated financial statements as at March 31, 2023 and we were unable to obtain sufficient information regarding the effect of the asset retirement obligations on the consolidated financial statements. Therefore we were unable to determine whether any adjustments might be necessary to expenses, excess of revenue over expenses and cash flows from operating activities for the year ended March 31, 2023, and net financial assets, non-financial assets and accumulated surplus as at April 1, 2022 and March 31, 2023.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### *Other Matter*

The consolidated financial statements of the Nation for the year ended March 31, 2022 were audited by another auditor who expressed an unmodified opinion on those consolidated financial statements on July 26, 2022.

#### *Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

### *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements*

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **1. Basis of Presentation and Significant Accounting Policies**

These financial statements are prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada.

##### **(a) Reporting entity principles of financial reporting**

The Frog Lake First Nation reporting entity includes the Frog Lake First Nation government and all related entities that are accountable to the First Nation and are either owned or controlled by the Frog Lake First Nation.

The March 31, 2023 consolidated financial statements include the assets, liabilities and results of operations for Morning Sky Health and Wellness Society.

First Nation business enterprises, that are owned or controlled by the Frog Lake First Nation and that are not dependent on the First Nation for their continuing operations, are included in the financial statements using the modified equity method, in accordance with the Public Sector Accounting Standards.

The modified equity method of accounting is modified only to the extent that the business entity accounting principles are not adjusted to conform with those of the First Nation. Thus, the First Nation's investment in these enterprises is recorded at acquisition cost and is increased for the proportionate share of post acquisition earnings and decreased by post acquisition losses. Enterprises accounted for by the modified equity basis include:

1. Frog Lake Energy Resources Corp. - 100%
2. Frog Lake Energy Resources Limited Partnership - 99.5%
3. Frog Lake Oilfield Services GP Ltd. - 100%
4. Frog Lake Off Reserve Housing Corporation - 100%
5. Frog Lake Off Reserve Housing Limited Partnership - 99.99%
6. Moosachee Ranches GP Ltd. - 75%
7. Moosachee Ranches Limited Partnership - 75%
8. Frog Lake Midstream Limited Partnership - 99.5%
9. Frog Lake Travel Centre Limited Partnership - 99.9%
10. Frog Lake Business Limited Partnership - 100%
11. Frog Lake Economic Development Corporation - 100%
12. Frog Lake Economic Development Limited Partnership - 99.9%
13. Frog Lake Enterprises GP Ltd. - 100%
14. Frog Lake Gravel and Concrete Limited Partnership - 99.9%
15. Frog Lake Investments Corporation - 100%

9. Frog Lake - Kehewin AEV Limited Partnership - 50%
10. Okisikow Iskwew Center Ltd. - 50%
11. Confederacy Investments Limited Partnership - 5.88%

The Nation has ownership in the following entity, which is recorded at cost:

1. IMI Brokerage Limited Partnership - 4.45%

Trust funds owned by the Frog Lake First Nation are recorded at cost.

#### (b) Revenue recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis, except when the accruals cannot be determined with a reasonable degree of certainty or when their estimation is impracticable.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions from other sources are deferred when restrictions are placed on their use by the contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

Income from investments is recorded on the accrual basis.

#### (c) Cash

Cash and cash equivalents include cash on hand and short-term investments.

##### (d) Tangible capital assets

Tangible capital assets are recorded at cost, which includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a straight-line basis over their estimated useful lives as follows:

|                                |                            |
|--------------------------------|----------------------------|
| Buildings                      | 20 years Straight line     |
| Automotive and other equipment | 5 & 40 years Straight line |
| Infrastructure                 | 20 years Straight line     |
| Housing                        | 20 years Straight line     |
| Computer Equipment             | 2 & 3 years Straight line  |
| Furniture                      | 5 years Straight line      |

Tangible capital assets are written down when conditions indicate that they no longer contribute to Frog Lake First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value. The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed tangible capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of tangible capital assets from related parties are recorded at carrying value.

Certain assets, including recognized interest in reserve lands and natural resources, as well as assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets. Assets under construction are not amortized until the asset is available to be put into service.

##### (e) Impairment

At the end of each reporting period, management assesses whether there are any indications that financial assets measured at cost or amortized cost may be impaired. If there is an indication of impairment, management determines whether a significant adverse change has occurred in the expected timing or the amount of future cash flows from the asset, in which case the asset's carrying amount is reduced to the highest expected value that is recoverable by either holding the asset, selling the asset or by exercising the right to any collateral. The carrying amount of the asset is reduced directly or through the use of an allowance account and the amount of the reduction is recognized as an impairment loss in net income.

#### 1. Basis of Presentation and Significant Accounting Policies (continued)

##### (f) Financial instruments

###### **Measurement**

The Nation measures all of its financial assets and financial liabilities at cost or amortized cost, except for the following, which are measured at fair value without any adjustment for transaction costs: derivatives, marketable securities in equity instruments that are quoted in an active market and marketable securities that the Nation has elected to measure at fair value. The effective interest rate method is used to determine interest revenue or expenses for financial instruments measured at amortized cost.

Financial assets measured at amortized cost include cash, accounts receivable and federal trust funds. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and long-term debt.

No financial assets are measured at fair value.

###### **Transaction costs**

Transaction costs attributable to financial instruments measured at fair value are recognized in the Statement of Operations in the period incurred. Transaction costs for financial instruments measured at cost or amortized cost are recognized in the original cost of the instrument.

###### **Impairment**

At the end of each reporting period, management assesses financial assets or groups of financial assets for evidence of objective impairment. An impairment loss is recognized in the Statement of Operations when there is a loss in value that is other than temporary. Future recoveries of impaired financial assets are recognized in the Statement of Operations when received.

##### (g) Use of estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amount of revenues and expenses during the reporting period. These estimates are reviewed periodically, and, as adjustments become necessary, they are reported in earnings in the period in which they become known.

##### (h) Asset classification

Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing liabilities but are employed to deliver government services, may be consumed in normal operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

#### **1. Basis of Presentation and Significant Accounting Policies (continued)**

##### **(i) Asset retirement obligation**

A liability is recognized when, as at the financial reporting date:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

Liabilities are recognized for statutory, contractual or legal obligations associated with the retirement of tangible capital assets when those obligations result from the acquisition, construction, development or normal operation of the assets. The obligations are measured initially at fair value, determined using present value methodology, and the resulting costs capitalized into the carrying amount of the related tangible capital asset. In subsequent periods, the liability is adjusted for accretion and any changes in the amount or timing of the underlying future cash flows. The capitalized asset retirement cost is amortized on the same basis as the related asset and accretion expense is included in the Statement of Operations.

#### 2. Changes in Accounting Policy from Changes to Accounting Standards

The Nation adopted the following new accounting policies due to changes in the Public Sector Accounting Standards of the CPA Canada Handbook. The new standards are effective for years beginning on or after April 1, 2022 (the transition date):

##### **Financial Statement Presentation**

On April 1, 2022, the Nation adopted Section PS 1201 "Financial Statement Presentation", which replaced the existing PS 1200 standard. The new standard introduces a Statement of Remeasurement Gains and Losses, which includes unrealized gains and losses on financial instruments that are measured at fair value and unrealized foreign exchange gains and losses on items in the amortized cost category. In addition, accumulated surplus on the Statement of Financial Position is presented as the total of the accumulated operating surplus and the accumulated remeasurement gains and losses.

The Nation has applied the change prospectively on the transition date in accordance with the applicable transitional provisions.

The adoption of the new requirements resulted in no changes to the consolidated financial statements.

##### **Financial Instruments**

On April 1, 2022, the Nation adopted Section PS 3450 "Financial Instruments". The new standard provides guidance on the recognition, measurement, presentation and disclosure of financial instruments. Financial instruments are subsequently measured either (i) fair value or (ii) cost or amortized cost.

The Nation must also disclose both qualitative and quantitative information on its exposure to financial instrument risk.

The Nation has applied the new standard prospectively on the transition date in accordance with the following transitional provisions:

- Recognition, derecognition and measurement policies followed in the consolidated financial statements for periods prior to the transition date are not reversed. Therefore, the consolidated financial statements of prior periods, including comparative information, have not been restated.
- At the transition date, the Nation recognized all financial assets and financial liabilities on its Statement of Financial Position and classified items at (i) fair value or (ii) cost or amortized cost.
- No adjustment to an item's carrying value was made to retroactively expense transaction costs applicable to items in the fair value category.

The adoption also resulted in the additional disclosures described in note 16 of the consolidated financial statements.

##### **Asset Retirement Obligations**

On April 1, 2022, the Nation adopted Section PS 3280 "Asset Retirement Obligations", which replaced the existing PS 3270 "Solid Waste Landfill Closure and Post-Closure Liability" standard. The new standard applies to asset retirement obligations associated with tangible capital assets controlled by the entity that are in productive use or no longer in productive use. It establishes requirements for recognition, measurement, presentation and disclosure of legal obligations associated with the retirement of tangible capital assets.

Asset retirement obligations have not been estimated and recorded in the consolidated financial statements. Therefore, the impact of the adoption of these new requirements to the Nation's consolidated financial statements is unknown.

The trust funds accounts held in Ottawa arise from monies derived from capital and revenue sources which the Crown considers are described in Section 62 of the Indian Act. These funds are held in trust by the Government of Canada and the Crown treats these funds as primarily governed by sections 64 and 69 of the Indian Act.

These funds are treated by Canada as held in trust in the Consolidated Revenue fund of the Government of Canada. The funds attract interest pursuant to Section 61(2) of the Indian Act.

### 8. Line of credit

The Nation has an authorized line of credit of \$500,000 that was drawn \$nil (2022 - \$nil) at the end of the year. The line of credit bears interest at the Royal Bank of Canada Prime rate plus 1%.

#### 11. CMHC Replacement Reserve

Under the terms of an agreement with Canada Mortgage and Housing Corporation, the Nation is required to provide a replacement reserve. This reserve is to ensure replacement of buildings financed by Canada Mortgage and Housing Corporation. These funds, along with accumulated interest, must be held in a separate bank account and/or invested only in accounts or instruments insured by Canada Deposit Insurance Corporation, or as may otherwise be approved by Canada Mortgage and Housing Corporation. Cash has not been set aside to fund the reserve of \$765,432 (2022 - \$718,503), which results in an unfunded amount of \$765,432.

|  | <b>\$132,933,917</b> | <b>\$129,146,415</b> |

#### 13. Contingent Liabilities

Frog Lake First Nation has been named as defendant in certain legal proceedings. The Nation is actively defending all lawsuits. Since the amount of loss, if any, cannot be reasonably estimated, no provision has been recorded in these financial statements. Should a loss be incurred, it will be expensed in the year the liability is determined.

Government contributions related to the projects of the Nation are subject to conditions regarding the expenditure of funds. The Nation's accounting records are subject to audit by the various funding agencies. Should any instances be identified in which the amounts charged to projects are not in accordance with the agreed terms and conditions, amounts would be refundable to the respective funding agencies. Adjustments to the financial statements as a result of these audits will be recorded in the period in which they become known.

Asset retirement obligations have not been estimated and recorded in the consolidated financial statements due to the difficulty in determining the amount of obligation. In addition, management believes that the Nation will receive government funding sufficient to cover any asset retirement obligations as they arise, resulting in the net effect to the consolidated statement of financial position to be \$nil.

#### **16. Risk management**

Transacting in and holding of financial instruments exposes the Nation to certain financial risks and uncertainties. Qualitative and quantitative analysis of the significant risks are as follows:

##### **(a) Liquidity risk**

Liquidity risk is the risk that the Nation will encounter difficulty in meeting its obligations associated with financial liabilities. The Nation's exposure to liquidity risk relates to accounts payable and accrued liabilities and arises from the possibility that the timing and amount of its cash inflows will not be sufficient to enable it to meet its financial obligations as they become due. Management believes this risk is minimized through active working capital management including monitoring current and future cash flow requirements in consideration of current credit facilities and management of expenses, and maintaining an adequate line of credit. Accounts payable and accrued liabilities are due within 30 days of receipt of an invoice. There have been no significant changes to the liquidity risk from the previous year.

#### **17. Pension Plan**

The First Nation has established a defined contribution pension plan, in which substantially all permanent full-time employees are required to participate. No significant changes were made to the pension plan during the year. The pension expense for the year was \$437,172 (2022 - \$377,019).

#### **18. Budget**

The budget reported in the financial statements was provided by management and is unaudited.

#### **19. Economic Dependence**

Frog Lake First Nation receives a significant portion of its revenue pursuant to a funding agreement with Indigenous Services Canada.

#### **20. Comparative Amounts**

Certain of the comparative amounts have been reclassified to conform with the presentation adopted in the current year.
