### MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The accompanying consolidated financial statements of **Kehewin Cree Nation** and all the financial information in this annual report are the responsibility of management and have been approved by the **Kehewin Cree Nation** Chief and Council.

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards. Consolidated financial statements are not precise since they include certain amounts based on estimates and judgment. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances, in order to ensure that the consolidated financial statements are presented fairly, in all material respects.

~~The First Nation's~~ management is also responsible for implementing and maintaining systems of internal accounting and administrative control. Such systems are designed to provide reasonable assurance that the financial information is relevant, reliable and accurate and the First Nation's assets are appropriately accounted for and adequately safeguarded.

The Chief and Council are responsible for ensuring that management fulfills its responsibilities for financial reporting and is ultimately responsible for reviewing and approving the consolidated financial statements.

The consolidated financial statements have been audited by Doyle & Company in accordance with Canadian auditing standards on behalf of the members.

**INDEPENDENT AUDITORS' REPORT**

To the Chief and Council

**Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of the **Kehewin Cree Nation**, which comprise the statement of financial position as at March 31, 2015 and the statements of financial activities, change in net financial assets and the statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

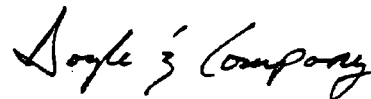

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparations and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Kehewin Cree Nation as at March 31, 2015 and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

**Notes to the Consolidated Financial Statements**  
**March 31, 2015**

---

**DESCRIPTION OF OPERATIONS**

The Chief and Council of Kehewin Cree Nation (the "First Nation") primary function is to administer the affairs of Kehewin Cree Nation.

**1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with Canadian public sector accounting standards for governments as recommended by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

**(a) Fund Accounting**

The Kehewin Cree Nation uses fund accounting procedures which results in a self-balancing set of accounts for each fund established by legal, contractual or voluntary actions. The various funds have been amalgamated for the purpose of presentation in the financial statements. Details of the operations of each fund are set out in the supplementary schedules. The Kehewin Cree Nation maintains the following funds:

- The Operating Fund which reports the general activities of the First Nation Administration.
- The Equity in Capital Assets Fund which reports the capital assets of the First Nation, together with their related financing.
- The Equity in Enterprise Fund which reports the investment made in controlled entities.
- The Trust Fund which reports on trust funds owned by the First Nation and held by third parties.

**(b) Reporting Entity and Principles of Financial Reporting**

The Kehewin Cree Nation's reporting entity includes the Kehewin Cree Nation's government and all related entities which are accountable to the First Nation and are either owned or controlled by the Kehewin Cree Nation.

These financial statements consolidate the assets, liabilities and results of operations for the following entities which lend themselves to consolidation.

- Kehewin Cree Nation Operating Fund
- Kehewin Cree Nation Trust Funds
- Kehewin Health Services
- Third Party Managed Programs

All inter-entity balances have been eliminated on consolidation, but in order to present the results of operations for each specific fund, transactions amongst funds have not necessarily been eliminated on the individual schedules.

**1. SIGNIFICANT ACCOUNTING POLICIES - continued**

**(b) Reporting Entity and Principles of Financial Reporting - continued**

Incorporated business entities, which are owned or controlled by the Kehewin Cree Nation and which are not dependent on the First Nation for their continuing operations are included in the summary financial statements using the modified equity method. These include:

- 681415 Alberta Ltd. (Kehewin Gasification)
- KCN Contracting Ltd.

**(c) Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenditures, provides the consolidated Change in Net Financial Assets for the year.

**i) Tangible Capital Assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a declining balance basis over the estimated useful life of the assets at the annual rates as follows:

Automotive	30%
Buildings	4%
Computer equipment	30%
Furniture and equipment	20%
Machinery and equipment	20%
Projects under construction	0%
Water system	4%

Annual amortization is charged in the year of acquisition and not in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

**ii) Leases**

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operation leases and the related lease payments are charges to expenditures as incurred.

**d) Revenue Recognition**

Revenue is recognized as it becomes receivable under the terms of applicable funding agreements. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as deferred revenue in the year of receipt and classified as such on the statement of financial position.

**1. SIGNIFICANT ACCOUNTING POLICIES - continued**

**(e) Trust Funds**

The Ottawa Trust Accounts arise from monies derived from capital or revenue sources as outlined in Section 62 of the Indian Act. These funds are held in trust in the Consolidated Revenue Fund of the Government of Canada and are subject to audit by the Office of the Auditor General of Canada. The management of these funds is primarily governed by Sections 63 to 69 of the Indian Act.

First Nation trust funds are included as revenue in these statements only to the extent they have been received from the First Nation's trust fund accounts, or are receivable or accrued at year-end, which have been authorized by Aboriginal Affairs and Northern Development Canada (AANDC) approved band council resolution (BCR). The amounts on deposit with the Government of Canada are audited by the Auditor General of Canada.

**(f) Financial Instruments**

The Nation's financial instruments consist of cash, accounts receivable, investments, trust funds, accounts payable, deferred revenue and long-term liabilities. The fair value of these financial instruments approximates their carrying values, unless otherwise noted.

**Credit Risk**

Credit risk is the risk that one party to a financial asset will cause a financial loss for the Nation by failing to discharge an obligation. The Nation's credit risk is mainly related to accounts receivable. The Nation provides credit to its clients in the normal course of its operations and assesses on a continuous basis the accounts receivable and records any amounts that are not collectible in the allowance for doubtful accounts.

**Market Risk**

Market risk is the risk that the fair value or future cash flows of the Nation's financial instrument will fluctuate because of changes in market prices. Some of the Nation's financial instruments expose it to this risk which comprises currency risk, interest rate risk, and other price risk.

**Currency Risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Nation may purchase services and goods from outside of Canada and incurs expenditures in foreign currency.

**Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rate. The Nation is exposed to interest rate risk on its bank account balances and any of its fixed and/or floating interest rate financial instruments.

**Liquidity Risk**

Liquidity risk is the risk that the Nation will encounter difficulty in meeting its obligations associated with financial liabilities. The Nation manages its liquidity risk by monitoring its operating requirements and cash forecasts to ensure it has sufficient funds to fulfil its financial obligations.

**1. SIGNIFICANT ACCOUNTING POLICIES - continued**

**(g) Measurement Uncertainty**

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

**2. ECONOMIC DEPENDENCE**

The Kehewin Cree Nation receives the majority of its funding from Aboriginal Affairs and Northern Development Canada (AANDC). The Nation is also dependent on Health Canada for funding to run its health program through a health funding consolidated contribution agreement.

**3. GOING CONCERN**

These financial statements have been prepared in accordance with accounting principles that apply to a going concern. Under the going concern assumption, an entity is viewed as being able to continue its operations in the foreseeable future and realize its assets and discharge its liabilities in the normal course of operations.

The Nation's ability to continue as a going concern depends on its ability to improve operations, access additional financing and obtain the ongoing support of its creditors.

These financial statements do not reflect adjustments that would be necessary if the going concern assumption were not appropriate because management feels that the measures it intends to take will improve operations and a refinancing of accounts payable will mitigate the effect of the conditions and facts that raise doubt about the appropriateness of this assumption.

### 4. THIRD PARTY MANAGEMENT

Effective April 1, 2010, Aboriginal Affairs and Northern Development Canada (AANDC) appointed a third party manager to administer the delivery of all programs funded by AANDC and certain expenditures from the Nation's Ottawa trust funds. On April 1, 2013 there was a changeover to a new third party management group. Effective October 1, 2014 the Nation was re-appointed to administer all programs.

### 5. SOCIAL ASSISTANCE PROGRAM

Effective April 1, 2013, the social assistance program is administered by an independent third party. The program has been separately audited by another accounting firm and has not been consolidated with the Nation. As of April 1, 2015 this program will be administered by the Nation.

KCN Contracting paid Kehewin Cree Nation \$6,120 (2014 - \$0) for miscellaneous purchases during the year.

These transactions are in the normal course of business and are measured at the exchange amount being the amount of consideration established and agreed to by the related parties. The transactions with related parties are in the normal course of operations and have been valued in these statements at the rates as if the party was not related.

**12. TRUST FUNDS**

The Government of Canada - Aboriginal Affairs and Northern Development Canada (AANDC) has custody of the Capital fund on behalf of the First Nation and has full responsibility for the investment of this fund. Income from Oil and Gas royalties, surface rights, and interest income from investment of the capital fund is collected and controlled by the Government of Canada - AANDC. Capital funds held by AANDC cannot be disbursed or committed by the First Nation without approval from the Government of Canada. Revenue funds held by AANDC can be disbursed by Band Council Resolution (BCR).

**13. Canada Mortgage and Housing Corporation (CMHC) Reserves**

**Replacement Reserve**

Under the terms of the agreements with Canada Mortgage and Housing Corporation (CMHC), the Replacement Reserve account is to be credited annually plus interest, less any CMHC approved withdrawals. These funds, along with accumulated interest, must be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal.

The nation has previously not been submitting all expenditures to decrease the replacement reserve balance. CMHC has allowed the nation to review their invoices from 2008 to present to apply against the reserve. Once all amounts have been submitted the balance of the un-funded replacement reserve is expected to decrease.

**Operating Reserve**

Under the terms of agreement with CMHC, any surplus revenue, after payments of all costs and expenditures including the allocation to the Replacement Reserve, may be retained by Kehewin Cree Nation in an Operating Reserve fund. These funds, along with accumulated interest, must be held in a separate bank account and invested only in accounts or instruments insured by the Canada Deposit Insurance Corporation or as may otherwise be approved by CMHC from time to time. The funds in the account may only be used as approved by CMHC. Withdrawals are credited to interest first and then principal. The funds in this account may only be used to meet future deficits of the housing projects committed under the post 1997 On-Reserve Program. Withdrawals are credited to interest first and then principal.

At year-end the CMHC Reserves consisted of the following.

	08-239-758	17-666-777	2015 \$	2014 \$

**15. PRIOR PERIOD ADJUSTMENT**

A prior period adjustment was required to correct the following accounting error:

The financial statements for KCN Contracting Ltd. year-ending March 31, 2104 were received in July 2015. The results in these financial statements reflect the investment in KCN Contracting Ltd. should be \$3,905,715 instead of \$1,581,965 recorded in the Nation's March 31, 2014 statements. The difference is \$2,323,750.

The result of the \$2,323,750 adjustment is an increase in the prior year revenue in the Economic Development program under investments in entities and an increase in the investment in subsidiaries under the financial assets.

**20. CONTINGENT LIABILITIES**

a) A claim and an amended counter claim has been filed against the Nation by a contractor for the construction of the structure known as the Kehewin Cree Nation Elder's Lodge, renovations of single family homes known as the Kehewin Cree Nation Housing Project and indebtedness. The indebtedness is a loan repayment and for the cost of fuel used on the projects as mentioned above.

The Nation is actively defending its position in legal proceedings and at March 31, 2015, the Nation has not recorded a liability in connection with the above claim and an amended counter claim. Should a liability result from an unfavourable judgment, the amount will be recognized as an expenditure in the year the liability is determined.

**21. LANDFILL CLOSURE AND POST-CLOSURE LIABILITY**

Under environmental law, there is a requirement for closure and post-closure care of solid waste landfill sites. Canadian Public Sector Accounting Standards require that the liability to close these sites be recorded based on an estimate of expected costs. As of March 31, 2015 there is no liability provision recorded in these financial statements for the estimated closure and post-closure costs.
