

Consolidated Financial Statements of

Miawpukek Band

March 31, 2015

Independent Auditor's Report

To the Members of the
Miawpukek Band

We have audited the accompanying consolidated financial statements of Miawpukek Band, which comprise the consolidated statement of financial position as at March 31, 2015, and the consolidated statements of operations, accumulated surplus, accumulated surplus – appropriated, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Miawpukek Band as at March 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Other matter

Without modifying our opinion, we draw attention to Note 1 to the financial statements, which states that the Band reports certain financial information that is not required by Canadian public sector accounting standards. This information is presented in order to satisfy Aboriginal Affairs and Northern Development Canada and is presented on page 26.

Notes to Consolidated Financial Statements

March 31, 2015

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards ("PSAS") as recommended by the Public Sector Accounting Board ("PSAB") of the Canadian Institute of Chartered Professional Accountants ("CPA") and reflect the following significant accounting policies:

Certain schedules in these financial statements are not required by PSAS but are presented in order to satisfy Aboriginal Affairs and Northern Development Canada. These schedules can be found on pages 153-154 of the financial statements.

Reporting entity and principles of financial reporting

The Miawpukek Band (the "Band") reporting entity includes the Miawpukek Band government and all related entities which are either owned or controlled by the Miawpukek Band.

These financial statements consolidate the assets, liabilities and results of operations for the following reporting entities.

- Miawpukek Band
- Taqamkuk Development Corporation
- Netukulimk Fisheries Ltd.
- Harbour Authority

All inter-entity balances have been eliminated on consolidation, except in order to present the results of operations for each specific program, in which case transactions amongst funds have not necessarily been eliminated on the individual schedules.

Tangible capital assets

Tangible capital assets are recorded at cost. Amortization of tangible capital assets is calculated on a declining balance basis at rates which will reduce cost to estimated residual value over the useful lives of the assets.

Impairment of long-lived assets

Long-lived assets are tested for recoverability whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. The amount of the impairment loss is determined as the excess of the carrying value of the asset over its fair value.

Inventory

Inventory consists of finished goods and is recorded at the lower of cost and net realizable value. Cost is determined on a weighted average basis. Net realizable value is the estimated selling price less the estimated cost of completion and the estimated costs necessary to make the sale.

This report is the property of the Miawpukek Band Council and cannot be copied or distributed without the consent of the Miawpukek Band Council.

Notes to Consolidated Financial Statements

1. BASIS OF PRESENTATION AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fishing licenses

Fishing licenses represent intangible assets acquired and which recorded at their fair value at the date of acquisition. Licenses have indefinite lives, are not amortized and are tested for impairment annually, or more frequently, if events or changes in circumstances indicate that the asset might be impaired. The impairment test compares the carrying amount of the licenses with their fair value. When an impairment loss exists, it is recognized and disclosed in the statement of operations.

Revenue recognition

Revenue is recognized as it becomes receivable under the terms of the applicable funding agreement. Funding received under the funding arrangements which relates to a subsequent fiscal period is reflected as appropriated equity in the year of receipt and classified as such on the statement of financial position.

Government grants and transfers are recognized in the period in which events give rise to the transfer occurring, provided the transfers are authorized, any eligibility criteria has been met, including performance and return requirements, and reasonable estimates of the amount can be determined.

Other revenues are recognized as earned provided collection is reasonably assured.

Revenues from the sale of goods and services are recognized as earned where the price is fixed or determinable and when collection is reasonably assured.

Revenue received for a future period is deferred until that period and is recorded as deferred revenue.

Investments

Investments are comprised of guaranteed investment certificates and are recorded at cost which approximates fair value.

Use of estimates

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ materially from those estimates.

2. ECONOMIC DEPENDENCE

The Miawpukek Band receives a major portion of its revenues pursuant to funding arrangements with Aboriginal Affairs and Northern Development Canada and Health Canada.

As explained in Note 15, under the terms of the agreement, funding from the arrangement with Aboriginal Affairs and Northern Development Canada can be suspended if the terms of the funding agreement are not complied with by the Miawpukek Band.
